Item 1.01 Entry into a Material Definitive Agreement

On March 8, 2005, at a meeting of the Compensation Committee of the Board of Directors (Compensation Committee) of Wind River Systems, Inc. (the Company), the Compensation Committee approved cash bonuses for the executive officers of the Company for its most recent fiscal year ended January 31, 2005 (FY05). These bonuses were awarded consistent with criteria for bonuses paid to all employees, based on both a funding of awards at 50% of target awards due to achievement of corporate bookings and operating profit targets, and on achievement of individual performance goals in FY05. In addition, the Compensation Committee ratified changes to the annual cash compensation and target awards for cash bonuses for the executive officers of the Company, effective as of the beginning of its fiscal year, February 1, 2005 (FY06). These changes for FY06 were effected as a market-rate adjustment and to align the ratio of cash compensation and target awards to be internally consistent amongst the executives. The Compensation Committee intends to establish the criteria for FY06 on-target performance for cash bonuses for the executive officers in the first quarter of FY06. Actual bonuses payable for FY06 (if any) will vary depending on the extent to which actual performance meets, exceeds, or falls short of the established corporate and individual performance goals for on-target performance for FY06 for each individual. In addition, the management of the Company and the Compensation Committee will retain the discretion to increase, reduce or eliminate the bonus that otherwise might be payable to any individual.
