SUMMARY

The following summary highlights selected information contained elsewhere or incorporated by reference in this prospectus and may not contain all of the information that is important to you. You should read this prospectus and the documents to which we have referred you for specific terms of the Notes.

The Company

We are one of the nation's leading homebuilders. We construct and sell single-family homes to first-time, move-up, empty-nester and luxury buyers under the M/I Homes and Showcase Homes trade names. For the year ended December 31, 2004, we delivered 4,303 homes and earned revenues of \$1.2 billion, EBITDA of \$165.7 million and net income of \$91.5 million. For the quarter ended March 31, 2005, we delivered 775 homes and earned revenues of \$241.4 million, EBITDA of \$31.4 million and net income of \$16.7 million.

We sell our homes in nine geographic markets: Columbus and Cincinnati, Ohio; Tampa, Orlando and West Palm Beach, Florida; Charlotte and Raleigh, North Carolina; Indianapolis, Indiana; and the Virginia and Maryland suburbs of Washington, D.C. We believe that we distinguish ourselves from competitors by offering homes in select areas with a high level of design and construction quality within a given price range, and by providing superior customer service. Offering homes at a variety of price points allows us to attract a wide range of buyers, including many existing M/I Homes homeowners.

We support our homebuilding operations by providing mortgage financing services through our wholly-owned subsidiary, M/I Financial Corp. (M/I Financial) and title-related services through affiliated entities. Our financial services segment generates its revenue from originating and selling mortgages and collecting fees for title insurance and closing services.

Competitive Strengths

Leading presence in attractive homebuilding markets. We have strong competitive positions in our nine geographic markets. We are the leading homebuilder in the Columbus, Ohio market, based on revenue, and have been the number one builder of single-family detached homes in this market for each of the last sixteen years. In addition, we are one of the top ten homebuilders in the Indianapolis, Cincinnati and Tampa markets, based on homes delivered. We believe our leading presence within these markets helps us to build and maintain important strategic relationships. In particular, we believe our longstanding relationships with landowners enable us to obtain attractive land parcels in good locations at competitive prices. At the same time, our stature in the local communities helps support our credibility among homebuyers.

Attractive land position to support future growth. We have strong land positions strategically located within our markets. At March 31, 2005, we owned 16,556 lots, including our interest in lots held by joint ventures and limited liability companies (LLCs), and controlled an additional 11,896 lots pursuant to land option contracts. We believe our current inventory of land is adequate to supply our homebuilding operations for approximately three to six years. We select communities with convenient access to metropolitan areas that are generally characterized by diverse economic and employment bases and demographics that we believe will support long-term growth. Our homes and lot positions are predominately located within close proximity to one or more major employment centers. We believe that our current land position will allow us to pursue our stated strategy of growing our existing markets.

Strong, unified brands. We market and sell our homes exclusively under the M/I Homes trade name in all markets except Columbus, where a limited number of our homes are also marketed under the Showcase Homes

Table of Contents

trade name. We believe the M/I Homes and Showcase Homes brands are well established, having developed a reputation signifying superior quality homes at competitive prices. Our long history of delivering quality, affordably priced homes has resulted in numerous referrals and repeat customers.

Geographic diversification. We conduct our homebuilding and financial services operations in the midwest, the midatlantic and Florida within our nine homebuilding markets. We believe this geographic diversity provides an expanded revenue and earnings base and reduces our relative exposure to adverse economic conditions that may arise in any one geographic or market area. It also enables us to flexibly allocate capital to those regions we expect will have the most attractive growth prospects and opportunities for higher returns.

Highly experienced and incentivized management with proven track record. Our business is run by a group of seasoned professionals with an average of 23 years in the homebuilding business and an average of 15 years with M/I Homes. This team led us to \$1.2 billion in revenue and new records in net income, year-end backlog, gross margin and operating margin in 2004. Each of our markets has unique characteristics and is managed locally by dedicated, on-site personnel. Our area and division presidents possess intimate knowledge of their particular market and are encouraged to be entrepreneurial to best meet the needs of that market. Our incentive compensation structure supports our overall goals by rewarding each area and division president based on income targets and homeowner satisfaction.

Business Strategy

Our business strategy emphasizes the following key objectives:

Focus on profitability. We focus on improving profitability while maintaining the high quality of our homes and customer service. We focus on gross margins by stressing the features, benefits, quality and design of our homes. In addition, profitability is enhanced by managing expenses and minimizing speculative building. We also value-engineer our homes by working with our subcontractors and suppliers to provide attractive features while minimizing raw material and construction costs.

Continue to control premier locations. For a number of years, our approach to location of communities and land development has been a key strategic element of our business. We focus on locating and controlling land in the most desirable areas of our markets. During 2004, we increased our supply of land, and currently own a three- to six-year supply of land based on our planned growth. In addition, we also control an additional supply of land under land option contracts. We develop a majority of the lots upon which our homes are built, with the percentage of internally developed lots being in excess of 85% during each of the last three years. We believe our expertise in land development and planning enables us to create desirable new communities and gives us a competitive advantage in operating attractive locations at competitive costs.

Maintain or increase market position in existing markets. We believe there are significant opportunities to profitably expand in our existing markets. While our primary growth strategy will focus on increasing our market position in these markets, we may, on an opportunistic basis, explore expansion into new markets through organic growth or acquisition.

Provide superior homeowner service. Our core operating philosophy is to provide superior service to our homeowners. We attempt to involve the homeowner in many phases of the building process in order to enhance communication, knowledge and involvement. Our selling process focuses on the homes' features, benefits, quality and design as opposed to merely price and square footage. In certain markets, we utilize design centers to better promote the sale of options and enable buyers to make more informed choices. This enhances the selling process and increases

the sale of optional features that typically carry higher margins. We believe all of this leads

to a more satisfied homeowner, and, based on the responses to our customer questionnaire, for the fourteenth year in a row, more than 95% of our homeowners would recommend us to a potential buyer.

Offer product diversity and innovative design. We devote significant resources to the research and design of our homes to better meet the needs of our buyers. We offer a number of distinct product lines and more than 500 different floor plans and elevations. We also offer a high level of design and construction quality within each of our price ranges.

- (1) Earnings before interest, taxes, depreciation and amortization (EBITDA) is defined as net income, plus interest expense (including interest amortized to land and housing costs), income taxes and depreciation and amortization, minus interest income. EBITDA is not defined by generally accepted accounting principles, and our definition of EBITDA may not be comparable to similar companies. Management believes that in order to fully assess our financial operating results, EBITDA is an important measure of evaluating our operating performance. However, this measure should be considered in addition to, and not as a substitute for, or superior to, net income or other measures of financial performance prepared in accordance with GAAP. The following table sets forth a reconciliation of net income, which we believe is the most directly comparable GAAP financial measure.

RISK FACTORS

You should carefully consider the risks described below as well as other information and data contained in this prospectus and in the documents incorporated by reference before making an investment decision. Additional risks and uncertainties not presently known to us, or that we currently deem immaterial, may also impair our business operations. We cannot assure you that any of the events discussed in the risk factors below will not occur. If they do, our business, financial condition, results of operations or prospects could be materially adversely affected, which in turn could adversely affect our ability to repay the Notes.

Risks Related to Our Business

Changes in general real estate, economic and other conditions could adversely affect our business.

The homebuilding industry historically is significantly affected by changes in national and local economic and other conditions. Many of these conditions are beyond our control. These conditions include employment levels, changing demographics, availability of financing, consumer confidence and housing demand. In addition, homebuilders are subject to risks related to competitive overbuilding, availability and cost of building lots, availability of materials and labor, adverse weather conditions which can cause delays in construction schedules, cost overruns, changes in governmental regulations and increases in real estate taxes and other local government fees. During 2004 and the first quarter of 2005, we experienced certain delays caused by weather conditions and delays in regulatory processes in certain markets that had an impact on the number of new contracts and homes delivered during 2004 and the first quarter of 2005. We anticipate that second quarter income before taxes will fall short of 2004 as homes delivered will be down.

Increases in interest rates or a decrease in the availability of mortgage financing could prevent potential customers from purchasing our homes, which would adversely affect our business.

Our business is significantly affected by the impact of interest rates. Higher interest rates may decrease our potential market by making it more difficult for homebuyers to qualify for mortgages or to obtain mortgages at interest rates that are acceptable to them. Mortgage rates are currently close to historically low levels. If mortgage interest rates increase, our business could be adversely affected.

Material and labor shortages and price fluctuations could delay or increase the cost of home construction and adversely affect our business.

The residential construction industry has, from time to time, experienced significant material and labor shortages in insulation, drywall, brick, cement and certain areas of carpentry and framing, as well as fluctuations in lumber prices and supplies. Any shortages of long duration could delay construction of homes, which could adversely affect our business. At this time, we are not experiencing any significant material or labor shortages and, therefore, do not anticipate a material effect for the year 2005.

Our success is dependent upon and we commit significant resources to land development activities, which involve significant risks.

We develop the lots for a majority of our communities. Therefore, our short-term and long-term financial success will be dependent upon our ability to acquire new land and develop these communities successfully. Acquiring land and committing the financial and managerial resources to develop a subdivision involves significant risks. Before a subdivision generates any revenue, we may make material expenditures for items such as acquiring land and constructing subdivision infrastructure (roads and utilities).

The homebuilding industry is highly competitive, and we compete not only for homebuyers, but also for desirable properties, financing, raw materials and skilled subcontractors.

The homebuilding industry is highly competitive. We compete in each of our local markets with numerous national, regional and local homebuilders, some of which have greater financial, marketing, land acquisition and

Table of Contents

sales resources than we do. We also compete with the existing home resale market that provides certain attractions for homeowners over the new home market. In addition, the mortgage financing industry is very competitive. M/I Financial competes with outside lenders for the capture of our homebuyers. Competition typically increases during periods in which there is a decline in the refinance activity within the industry. During 2004 and the first quarter of 2005, M/I Financial experienced a slight decline in its capture rate, and we expect to see a continued decline in 2005 that could negatively affect the results of M/I Financial.

Governmental regulation and environmental considerations could adversely affect our business.

The homebuilding industry is subject to increasing local, state and federal statutes, ordinances, rules and regulations concerning zoning, resource protection, building design and construction and similar matters. This includes local regulations that impose restrictive zoning and density requirements in order to limit the number of homes that can eventually be built within the boundaries of a particular location. Such regulation also affects construction activities, including construction materials that must be used in certain aspects of building design, as well as sales activities and other dealings with homebuyers. We must also obtain licenses, permits and approvals from various governmental agencies for our development activities, the granting of which are beyond our control. Furthermore, increasingly stringent requirements may be imposed on homebuilders and developers in the future. Although we cannot predict the impact on us to comply with any such requirements, such requirements could result in time-consuming and expensive compliance programs. In addition, we have been, and in the future may be, subject to periodic delays or may be precluded from developing certain projects due to building moratoriums. These moratoriums generally relate to insufficient water supplies or sewage facilities, delays in utility hookups or inadequate road capacity within the specific market area or subdivision. These moratoriums can occur prior to, or subsequent to, commencement of our operations without notice or recourse.

We are also subject to a variety of local, state and federal statutes, ordinances, rules and regulations concerning the protection of health and the environment. The particular environmental laws that apply to any given project vary greatly according to the project site and the present and former uses of the property. These environmental laws may result in delays, cause us to incur substantial compliance costs (including substantial expenditures for pollution and water quality control) and prohibit or severely restrict development in certain environmentally sensitive regions. Although there can be no assurance that we will be successful in all cases, we have a general practice of requiring resolution of environmental issues prior to purchasing land in an effort to avoid major environmental issues in our developments.

In addition to the laws and regulations that relate to our homebuilding operations, M/I Financial is subject to a variety of laws and regulations concerning the underwriting, servicing and sale of mortgage loans.

We are dependent on a limited number of markets, particularly Columbus, Ohio. Economic downturns in these areas could adversely affect demand and prices for new homes in these areas and could have an adverse effect on our revenues and earnings.

We have operations in Columbus and Cincinnati, Ohio; Indianapolis, Indiana; Tampa, Orlando and West Palm Beach, Florida; Charlotte and Raleigh, North Carolina; and the Virginia and Maryland suburbs of Washington, D.C. Adverse general economic conditions in these markets could have a material impact on our operations. For the first quarter of 2005, approximately 38% of our operating income was derived from operations in the Columbus market.

Risks Related to the Notes

Edgar Filing: M I HOMES INC - Form S-4

If you do not exchange your Original Notes pursuant to this exchange offer, you may never be able to sell your Original Notes.

It may be difficult for you to sell Original Notes that are not exchanged in the exchange offer. Those Notes may not be offered or sold unless they are registered or they are exempt from the registration requirements under

Table of Contents

the Securities Act and applicable state securities laws. The restrictions on transfer of your Original Notes arise because we issued the Original Notes pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws. We do not intend to register the Original Notes under the Securities Act.

If you do not tender your Original Notes or if we do not accept some of your Original Notes, those Notes will continue to be subject to the transfer and exchange restrictions in:

the indenture;

the legend on the Original Notes; and

the offering memorandum relating to the Original Notes.

Moreover, to the extent Original Notes are tendered and accepted in the exchange offer, the trading market, if any, for the Original Notes would be adversely affected.

We and our subsidiaries may be able to incur substantially more indebtedness, which may increase the risks created by our existing indebtedness.

As of March 31, 2005, we had approximately \$330.3 million of indebtedness and \$192.6 million of available borrowings under our senior credit facilities. In addition, we have the ability to incur substantially more indebtedness under the terms of our senior credit facilities and the indenture governing the Notes. Our existing indebtedness and any future indebtedness we may incur could have a significant adverse future effect on our business. For example:

a significant portion of our cash flow may be required to pay principal and interest on such debt, which would reduce the funds available for working capital, capital expenditures, acquisitions and other purposes;

borrowings under our senior credit facilities bear, and borrowings under any new facility could bear, interest at floating rates, which could result in higher interest expense in the event of an increase in interest rates;

we could become more vulnerable to adverse changes in general economic, industry and competitive conditions; and

such a debt level and the various covenants contained in our senior credit facilities, the indenture governing the Notes and the documents governing our other existing indebtedness may place us at a relative competitive disadvantage as compared to some of our competitors.

We may not be able to generate a sufficient amount of cash flow to meet our debt obligations, including the Notes.

Our ability to make scheduled payments or to refinance our obligations with respect to the Notes and our other debt will depend on our financial and operating performance, which, in turn, is subject to prevailing economic conditions and to certain financial, business and other factors beyond our control. If our cash flow and capital resources are insufficient to fund our debt obligations, we could face substantial liquidity problems and may be forced to reduce or delay scheduled expansions and capital expenditures, sell material assets or operations, obtain additional capital or restructure our debt. We cannot assure you that our operating performance, cash flow and capital resources will be sufficient for payment of our debt in the future. In the event that we are required to dispose of material assets or operations or restructure our debt to meet our debt and other obligations, we cannot assure you as to the terms of any such transaction or how quickly any such transaction could be completed.

Table of Contents

If we cannot make scheduled payments on our debt, we will be in default and, as a result, our debt holders could declare all outstanding principal and interest to be due and payable and we could be forced into bankruptcy or liquidation.

If our operating performance declines in the future, we may need to obtain waivers from the required lenders under our senior credit facilities to avoid being in default. If we breach our covenants under the senior credit facilities and seek a waiver, we may not be able to obtain a waiver from the required lenders. If this occurs, we would be in default under the senior credit facilities and the lenders could exercise their rights, as described above, and we could be forced into bankruptcy or liquidation.

The restrictive covenants in our senior credit facilities, the indenture governing the Notes and any of our future indebtedness could adversely restrict our financial and operating flexibility and subject us to other risks.

Our senior credit facilities and the indenture governing the Notes contain affirmative and negative covenants that limit our and our subsidiaries ability to take certain actions. Our senior credit facilities require us to maintain specified financial ratios and satisfy other financial conditions. Our senior credit facilities and/or the indenture governing the Notes restrict, among other things, our and our subsidiaries ability to:

incur additional debt;

pay dividends or make other distributions or repurchase our capital stock or subordinated debt;

make certain investments;

create liens;

enter into certain types of transactions with affiliates;

restrict dividend or other payments by our restricted subsidiaries to us;

use assets as security in other transactions; and

sell certain assets or merge with or into other companies.

These restrictions may limit our ability to operate our businesses and may prohibit or limit our ability to enhance our operations or take advantage of potential business opportunities as they arise. The breach of any of these covenants by us or the failure by us to meet any of these conditions could result in a default under any or all of such indebtedness. As of March 31, 2005, we were in compliance with the covenants and restrictions contained in our debt agreements. However, our ability to continue to comply with such agreements may be affected by events beyond our control, including prevailing economic, financial and industry conditions. In addition, upon the occurrence of an event of default under our debt agreements, all of the amounts outstanding thereunder, together with accrued interest, could become immediately due and payable.

We may not have sufficient funds or be permitted by our senior credit facilities to purchase Notes upon a change of control.

Upon a change of control, we will be required to make an offer to purchase all outstanding Notes. However, we cannot assure you that we will have or will be able to borrow sufficient funds at the time of any change of control to make required repurchases of Notes, or that restrictions in our senior credit facilities or other indebtedness we may incur in the future would permit us to make the required repurchases. In addition, a change of control may constitute an event of default under our senior credit facilities. A default under our senior credit facilities could result in a default under the indenture governing the Notes if the lenders accelerate the debt under our senior credit facilities.

The Notes and the subsidiary guarantees may not be enforceable because of fraudulent conveyance laws.

The Notes and the subsidiary guarantees may be subject to review under federal bankruptcy laws or relevant state fraudulent conveyance laws if a bankruptcy case or lawsuit is commenced by or on behalf of our unpaid

Table of Contents

creditors. Generally, under these laws, if in such a case or lawsuit a court were to find that at the time we issued the Notes or a subsidiary of ours issued a guarantee:

we issued the Notes or such subsidiary issued a guarantee with the intent of hindering, delaying or defrauding current or future creditors; or

we or any subsidiary guarantor received less than reasonably equivalent value or fair consideration for issuing the Notes or a guarantee of the Notes, as the case may be, and we or such subsidiary guarantor:

were insolvent or were rendered insolvent by reason of the issuance of the Notes or such subsidiary guarantee;

were engaged, or were about to engage, in a business or transaction for which our, or such subsidiary guarantor's, remaining assets constituted unreasonably small capital to carry on our or such subsidiary guarantor's business; or

intended to incur, or believed that we, or such subsidiary guarantor, would incur indebtedness or other obligation beyond the ability to pay such indebtedness or obligation as it matured (as all of the foregoing terms are defined in or interpreted under the relevant fraudulent transfer or conveyance statutes);

then the court could void the Notes or such subsidiary guarantee, as the case may be, or subordinate the amounts owing under the Notes or such subsidiary guarantee to our presently existing or future indebtedness or take other actions detrimental to you.

The measure of insolvency for purposes of the foregoing considerations will vary depending upon the law of the jurisdiction that is being applied in any such proceeding. Generally, a company would be considered insolvent if, at the time it incurred indebtedness or issued a guarantee:

it could not pay its debts or contingent liabilities as they become due;

the sum of its debts (including contingent liabilities) is greater than its assets, at fair valuation; or

the present fair saleable value of its assets is less than the amount required to pay the probable liability on its total existing debts and liabilities (including contingent liabilities) as they become absolute and mature.

If a note or guarantee is voided as a fraudulent conveyance or is found to be unenforceable for any other reason, you will not have a claim against us or such subsidiary guarantor.

We believe that at the time of the issuance of the Notes and related guarantees, neither we nor any of the subsidiary guarantors will be insolvent or rendered insolvent by the issuance of the Notes or such subsidiary guarantee, and that neither we nor any of the subsidiary guarantors will be lacking sufficient capital to operate effectively or be unable to pay obligations on the Notes or such subsidiary guarantee as they mature or become due.

We could enter into transactions that would not constitute a change of control giving rise to an obligation to repurchase the Notes, but that could increase the amount of our indebtedness outstanding.

Our senior credit facilities and the indenture governing the Notes impose significant restrictions on our ability to incur additional indebtedness or liens, make investments, and sell assets, among others. In addition, the indenture governing the Notes imposes obligations on us to offer to repurchase the Notes if we enter into a transaction that constitutes a change of control. Nevertheless, we could, in the future, enter into transactions such as acquisitions, refinancings or other recapitalizations or highly leveraged transactions that would not constitute a change of control giving rise to an obligation by us to repurchase the Notes, but that could increase the amount of indebtedness outstanding. Such transactions could affect our capital structure or credit ratings or otherwise affect the holders of the Notes.

Table of Contents

There is no established trading market for the Notes. If one develops, it may not be liquid.

The Original Notes were new issues of securities with no established trading market. The Notes are designated as eligible for trading in The PortalSM Market. However, the Original Notes are not listed, and we do not intend to list the Exchange Notes, on any national securities exchange or to seek their quotation on any automated dealer quotation system. In addition, the market for non-investment-grade debt securities has historically been subject to disruptions that have caused price volatility independent of the operating and financial performance of the issuers of these securities. It is possible that the market for the Notes will be subject to these kinds of disruptions. Accordingly, declines in the liquidity and market price of the Notes may occur independent of our operating and financial performance. We cannot assure you that any liquid market for the Notes will develop.

The initial purchasers of each of the issuances of Original Notes have advised us that they intend to make a market in the Notes but they are not obligated to do so. The initial purchasers may also discontinue market making activities at any time, in their sole discretion, which could further negatively impact your ability to sell the Notes or the prevailing market price at the time you choose to sell.

Purpose of the Exchange Offer

We issued \$150.0 million aggregate principal amount of the Original Notes on March 24, 2005, to Citigroup Global Markets Inc., J.P. Morgan Securities Inc., Credit Suisse First Boston LLC, Piper Jaffray & Co., SunTrust Capital Markets, Inc., Comerica Securities, Inc., PNC Capital Markets, Inc., NatCity Investments, Inc., Fifth Third Securities, Inc. and KeyBanc Capital Markets, a Division of McDonald Investments Inc., the initial purchasers of such issuance, pursuant to a purchase agreement. We also issued \$50.0 million aggregate principal amount of the Original Notes on June 10, 2005, to Citigroup Global Markets Inc., the initial purchaser of such issuance, pursuant to a purchase agreement. The initial purchasers subsequently sold the Original Notes to qualified institutional buyers, as defined in Rule 144A under the Securities Act, in reliance on Rule 144A, and outside the United States under Regulation S of the Securities Act. As a condition to the sale of \$150.0 million of the Original Notes, we entered into a registration rights agreement with the initial purchasers of such issuance on March 24, 2005, and, as a condition to the sale of \$50.0 million of the Original Notes, we entered into a substantially identical registration rights agreement with the initial purchaser of such issuance on June 10, 2005.

Pursuant to the registration rights agreement with respect to the issuance of \$150.0 million aggregate principal amount of Original Notes, we and the subsidiary guarantors agreed to use our commercially reasonable efforts to file a registration statement with respect to an exchange offer for the Exchange Notes with the SEC on or prior to 120 days after March 24, 2005, and to use our commercially reasonable efforts to cause that registration statement to be declared effective on or prior to 210 days after March 24, 2005. Pursuant to the registration rights agreement with respect to the issuance of \$50.0 million aggregate principal amount of Original Notes, we and the subsidiary guarantors agreed to use our commercially reasonable efforts to file a registration statement with respect to an exchange offer for the Exchange Notes with the SEC on or prior to 120 days after June 10, 2005, and to use our commercially reasonable efforts to cause that registration statement to be declared effective on or prior to 210 days after June 10, 2005.

We filed a copy of the registration rights agreements as an exhibit to the registration statement.

Resale of the Exchange Notes

Based upon an interpretation by the staff of the SEC contained in no-action letters issued to third parties, we believe that you may exchange Original Notes for Exchange Notes in the ordinary course of business. For further information on the SEC's position, see Exxon Capital Holdings Corporation, available May 13, 1988, Morgan Stanley & Co. Incorporated, available June 5, 1991 and Shearman & Sterling, available July 2, 1993, and other interpretive letters to similar effect. You will be allowed to resell Exchange Notes to the public without further registration under the Securities Act and without delivering to purchasers of the Exchange Notes a prospectus that satisfies the requirements of Section 10 of the Securities Act so long as you do not participate, do not intend to participate, and have no arrangement with any person to participate, in a distribution of the Exchange Notes. However, the foregoing does not apply to you if you are:

a broker-dealer who purchased the Exchange Notes directly from us to resell pursuant to Rule 144A or any other available exemption under the Securities Act; or

an affiliate of ours within the meaning of Rule 405 under the Securities Act.

In addition, if:

you are a broker-dealer; or

you acquire Exchange Notes in the exchange offer for the purpose of distributing or participating in the distribution of the Exchange Notes,

you cannot rely on the position of the staff of the SEC contained in the no-action letters mentioned above and must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction, unless an exemption from registration is otherwise available.

Table of Contents

Each broker-dealer that receives Exchange Notes for its own account in exchange for Original Notes, which the broker-dealer acquired as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the Exchange Notes. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act. A broker-dealer may use this prospectus, as it may be amended or supplemented from time to time, in connection with resales of Exchange Notes received in exchange for Original Notes which the broker-dealer acquired as a result of market-making or other trading activities.

Terms of the Exchange Offer

Upon the terms and subject to the conditions described in this prospectus and in the letter of transmittal, we will accept any and all Original Notes validly tendered and not withdrawn before the expiration date. We will issue \$1,000 principal amount of Exchange Notes in exchange for each \$1,000 principal amount of outstanding Original Notes surrendered pursuant to the exchange offer. You may tender Original Notes only in integral multiples of \$1,000.

The form and terms of the Exchange Notes are the same as the form and terms of the Original Notes except that:

we will register the Exchange Notes under the Securities Act and, therefore, the Exchange Notes will not bear legends restricting their transfer; and

holders of the Exchange Notes will not be entitled to any of the rights of holders of Original Notes under the registration rights agreement, which rights will terminate upon the completion of the exchange offer.

The Exchange Notes will evidence the same debt as the Original Notes. The indenture governing the Exchange Notes is the same indenture that governs the Original Notes.

As of the date of this prospectus, \$200,000,000 in aggregate principal amount of the Original Notes are outstanding and registered in the name of Cede & Co., as nominee for The Depository Trust Company. Only registered holders of the Original Notes, or their legal representative or attorney-in-fact, as reflected on the records of the trustee under the indenture, may participate in the exchange offer. We will not set a fixed record date for determining registered holders of the Original Notes entitled to participate in the exchange offer.

You do not have any appraisal or dissenters' rights under the indenture or applicable law in connection with the exchange offer. We intend to conduct the exchange offer in accordance with the provisions of the registration rights agreement and the applicable requirements of the Securities Act, the Exchange Act and the rules and regulations of the SEC.

We will be deemed to have accepted validly tendered Original Notes when, as and if we had given oral or written notice of acceptance to the exchange agent. The exchange agent will act as your agent for the purposes of receiving the Exchange Notes from us.

Edgar Filing: M I HOMES INC - Form S-4

If you tender Original Notes in the exchange offer you will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes with respect to the exchange of Original Notes pursuant to the exchange offer. We will pay all charges and expenses, other than the applicable taxes described below, in connection with the exchange offer.

Expiration Date; Extensions; Amendments

The term expiration date means 5:00 p.m., New York City time on _____, 2005, unless we, in our sole discretion, extend the exchange offer, in which case the term expiration date means the latest date and time to which we extend the exchange offer.

Table of Contents

To extend the exchange offer, we will:

notify the exchange agent of any extension orally or in writing; and

mail to each registered holder an announcement that will include disclosure of the approximate number of Original Notes deposited to date,

each before 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date.

We reserve the right, in our reasonable discretion:

to delay accepting any Original Notes;

to extend the exchange offer; or

if any conditions listed below under **Conditions** are not satisfied, to terminate the exchange offer by giving oral or written notice of the delay, extension or termination to the exchange agent.

We will follow any delay in acceptance, extension or termination as promptly as practicable by oral or written notice to the registered holders. If we amend the exchange offer in a manner we determine constitutes a material change, we will promptly disclose the amendment in a prospectus supplement that we will distribute to the registered holders. We will also extend the exchange offer for a period of five to ten business days, depending upon the significance of the amendment and the manner of disclosure, if the exchange offer would otherwise expire during the five to ten business day period.

Interest on the Exchange Notes

The Exchange Notes will bear interest at the same rate and on the same terms as the Original Notes. Consequently, the Exchange Notes will bear interest at a rate equal to 6.875% per annum (calculated using a 360-day year). Interest will be payable semi-annually on each April 1 and October 1.

You will receive interest on the Exchange Notes on October 1, 2005 in an amount equal to the accrued interest on the Original Notes from March 24, 2005. We will deem the right to receive any interest on the Original Notes waived by you if we accept your Original Notes for exchange.

Procedures for Tendering

Edgar Filing: M I HOMES INC - Form S-4

You may tender Original Notes in the exchange offer only if you are a registered holder of Original Notes. To tender in the exchange offer, you must:

complete, sign and date the letter of transmittal or a facsimile of the letter of transmittal;

have the signatures guaranteed if required by the letter of transmittal; and

mail or otherwise deliver the letter of transmittal or the facsimile to the exchange agent at the address listed below under Exchange Agent for receipt before the expiration date.

In addition, either:

the exchange agent must receive certificates for the Original Notes along with the letter of transmittal into its account at the depositary pursuant to the procedure for book-entry transfer described below before the expiration date;

the exchange agent must receive a timely confirmation of a book-entry transfer of the Original Notes, if the procedure is available, into its account at the depositary pursuant to the procedure for book-entry transfer described below before the expiration date; or

you must comply with the guaranteed delivery procedures described below.

Your tender, if not withdrawn before the expiration date, will constitute an agreement between you and us in accordance with the terms and subject to the conditions described in this prospectus and in the letter of transmittal.

Table of Contents

The method of delivery of Original Notes and the letter of transmittal and all other required documents to the exchange agent is at your election and risk. We recommend that instead of delivery by mail, you use an overnight or hand delivery service, properly insured. In all cases, you should allow sufficient time to assure delivery to the exchange agent before the expiration date. You should not send letters of transmittal or Original Notes to us. You may request your respective brokers, dealers, commercial banks, trust companies or nominees to effect the transactions described above for you.

If you are a beneficial owner of Original Notes whose Original Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender your Original Notes, you should contact the registered holder promptly and instruct the registered holder to tender on your behalf. If you wish to tender on your own behalf, before completing and executing the letter of transmittal and delivering the Original Notes you must either:

make appropriate arrangements to register ownership of the Original Notes in your name; or

obtain a properly completed bond power from the registered holder.

The transfer of registered ownership may take considerable time. Unless the Original Notes are tendered:

- (1) by a registered holder who has not completed the box entitled Special Issuance Instructions or the box entitled Special Delivery Instructions on the letter of transmittal; or
- (2) for the account of:

a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc.;

a commercial bank or trust company having an office or correspondent in the United States; or

an eligible guarantor institution within the meaning of Rule 17Ad-15 under the Exchange Act that is a member of one of the recognized signature guarantee programs identified in the letter of transmittal,

an eligible guarantor institution must guarantee the signatures on a letter of transmittal or a notice of withdrawal described below under Withdrawal of Tenders.

If the letter of transmittal is signed by a person other than the registered holder, the Original Notes must be endorsed or accompanied by a properly completed bond power, signed by the registered holder as the registered holder's name appears on the Original Notes. If the letter of transmittal or any Original Notes or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, they should so indicate when signing, and unless waived by us, they must submit evidence satisfactory to us of their authority to so act with the letter of transmittal.

Edgar Filing: M I HOMES INC - Form S-4

The exchange agent and the depositary have confirmed that any financial institution that is a participant in the depositary's system may utilize the depositary's Automated Tender Offer Program to tender notes.

We will determine in our sole discretion all questions as to the validity, form, eligibility, including time of receipt, acceptance and withdrawal of tendered Original Notes, which determination will be final and binding. We reserve the absolute right to reject any and all Original Notes not properly tendered or any Original Notes our acceptance of which would, in the opinion of our counsel, be unlawful. We also reserve the right to waive any defects, irregularities or conditions of tender as to particular Original Notes. Our interpretation of the terms and conditions of the exchange offer, including the instructions in the letter of transmittal, will be final and binding on all parties. Unless waived, you must cure any defects or irregularities in connection with tenders of Original Notes within the time we determine. Although we intend to notify you of defects or irregularities with respect to tenders of Original Notes, neither we, the exchange agent nor any other person will incur any liability for failure to give you that notification. Unless waived, we will not deem tenders of Original Notes to have been made until you cure the defects or irregularities.

Table of Contents

While we have no present plan to acquire any Original Notes that are not tendered in the exchange offer or to file a registration statement to permit resales of any Original Notes that are not tendered in the exchange offer, we reserve the right in our sole discretion to purchase or make offers for any Original Notes that remain outstanding after the expiration date. We also reserve the right to terminate the exchange offer, as described below under Conditions, and, to the extent permitted by applicable law, purchase Original Notes in the open market, in privately negotiated transactions or otherwise. The terms of any of those purchases or offers could differ from the terms of the exchange offer.

If you wish to tender Original Notes in exchange for Exchange Notes in the exchange offer, we will require you to represent that:

you are not an affiliate of ours;

you will acquire any Exchange Notes in the ordinary course of your business; and

at the time of completion of the exchange offer, you have no arrangement with any person to participate in the distribution of the Exchange Notes.

In addition, in connection with the resale of Exchange Notes, any participating broker-dealer who acquired the Original Notes for its own account as a result of market-making or other trading activities must deliver a prospectus meeting the requirements of the Securities Act. The SEC has taken the position that participating broker-dealers may fulfill their prospectus delivery requirements with respect to the Exchange Notes, other than a resale of an unsold allotment from the original sale of the Original Notes, with this prospectus.

Return of Notes

If we do not accept any tendered Original Notes for any reason described in the terms and conditions of the exchange offer or if you withdraw or submit Original Notes for a greater principal amount than you desire to exchange, we will return the unaccepted, withdrawn or non-exchanged Notes without expense to you as promptly as practicable. In the case of Original Notes tendered by book-entry transfer into the exchange agent's account at the depository pursuant to the book-entry transfer procedures described below, we will credit the Original Notes to an account maintained with the depository as promptly as practicable.

Book-Entry Transfer

The exchange agent will make a request to establish an account with respect to the Original Notes at the depository for purposes of the exchange offer, and any financial institution that is a participant in the depository's systems may make book-entry delivery of Original Notes by causing the depository to transfer the Original Notes into the exchange agent's account at the depository in accordance with the depository's procedures for transfer. However, although delivery of Original Notes may be effected through book-entry transfer at the depository, you must transmit and the exchange agent must receive, the letter of transmittal or a facsimile of the letter of transmittal, with any required signature guarantees and any other required documents, at the address below under Exchange Agent on or before the expiration date or pursuant to the guaranteed delivery procedures described below.

Guaranteed Delivery Procedures

If you wish to tender your Original Notes and (1) the Original Notes are not immediately available or (2) you cannot deliver the Original Notes, the letter of transmittal or any other required documents to the exchange agent before the expiration date, you may effect a tender if:

- (a) the tender is made through an eligible guarantor institution;
- (b) before the expiration date, the exchange agent receives from the eligible guarantor institution a properly completed and duly executed notice of guaranteed delivery, substantially in the form provided by us, that:

states your name and address, the certificate number(s) of the Original Notes and the principal amount of Original Notes tendered,

Table of Contents

states that the tender is being made by that notice of guaranteed delivery, and

guarantees that, within three New York Stock Exchange trading days after the expiration date, the eligible guarantor institution will deposit with the exchange agent the letter of transmittal, together with the certificate(s) representing the Original Notes in proper form for transfer or a confirmation of a book-entry transfer, as the case may be, and any other documents required by the letter of transmittal; and

- (c) within five New York Stock Exchange trading days after the expiration date, the exchange agent receives a properly executed letter of transmittal, as well as the certificate(s) representing all tendered Original Notes in proper form for transfer and all other documents required by the letter of transmittal.

Upon request, the exchange agent will send to you a notice of guaranteed delivery if you wish to tender your Original Notes according to the guaranteed delivery procedures described above.

Withdrawal of Tenders

Except as otherwise provided in this prospectus, you may withdraw tenders of Original Notes at any time before 5:00 p.m., New York City time, on the expiration date.

To withdraw a tender of Original Notes in the exchange offer, the exchange agent must receive a written or facsimile transmission notice of withdrawal at its address listed in this prospectus before the expiration date. Any notice of withdrawal must:

specify the name of the person who deposited the Original Notes to be withdrawn;

identify the Original Notes to be withdrawn, including the certificate number(s) and principal amount of the Original Notes; and

be signed in the same manner as the original signature on the letter of transmittal by which the Original Notes were tendered, including any required signature guarantees.

We will determine in our sole discretion all questions as to the validity, form and eligibility of the notices, and our determination will be final and binding on all parties. We will not deem any properly withdrawn Original Notes to have been validly tendered for purposes of the exchange offer, and we will not issue Exchange Notes with respect to those Original Notes, unless you validly retender the withdrawn Original Notes. You may retender properly withdrawn Original Notes by following one of the procedures described above under Procedures for Tendering at any time before the expiration date.

Conditions

Edgar Filing: M I HOMES INC - Form S-4

Notwithstanding any other term of the exchange offer, we will not be required to accept for exchange, or exchange the Exchange Notes for, any Original Notes, and may terminate the exchange offer as provided in this prospectus before the acceptance of the Original Notes, if, in our reasonable judgment, the exchange offer violates applicable law, rules or regulations or an applicable interpretation of the staff of the SEC.

If we determine in our reasonable discretion that any of these conditions are not satisfied, we may:

refuse to accept any Original Notes and return all tendered Original Notes to you;

extend the exchange offer and retain all Original Notes tendered before the exchange offer expires, subject, however, to your rights to withdraw the Original Notes; or

waive the unsatisfied conditions with respect to the exchange offer and accept all properly tendered Original Notes that have not been withdrawn.

Table of Contents

If the waiver constitutes a material change to the exchange offer, we will promptly disclose the waiver by means of a prospectus supplement that we will distribute to the registered holders of the Original Notes, and we will extend the exchange offer for a period of five to ten business days, depending upon the significance of the waiver and the manner of disclosure to the registered holders, if the exchange offer would otherwise expire during the five to ten business day period.

Termination of Rights

If you are a holder of Original Notes, all of your rights under the registration rights agreement will terminate upon consummation of the exchange offer except with respect to our continuing obligations:

to indemnify you and parties related to you against liabilities, including liabilities under the Securities Act; and

to provide, upon your request, the information required by Rule 144A(d)(4) under the Securities Act to permit resales of the notes pursuant to Rule 144A.

Shelf Registration

If any changes in applicable law or the applicable interpretations of the staff of the SEC do not permit us to effect the exchange offer, or if for any reason the exchange offer is not completed within 240 days following March 24, 2005, in the case of the issuance of \$150.0 million aggregate principal amount of the Original Notes, or June 10, 2005, in the case of the issuance of \$50.0 million aggregate principal amount of the Original Notes or if any holder of the Notes, other than the initial purchasers, is not eligible to participate in the exchange offer, or upon the request of the initial purchasers under the specified circumstances, we and the subsidiary guarantors will, at our cost:

as promptly as practicable and in any event on or prior to 45 days after such filing obligation arises, file a shelf registration statement covering resales of the Original Notes or Exchange Notes, as applicable;

use our respective commercially reasonable efforts to cause the shelf registration statement to be declared effective under the Securities Act; and

use our commercially reasonable efforts to keep effective the shelf registration until two years after its effective date, or until one year after the effective date if the shelf registration statement is filed at the request of the initial purchasers.

If we file a shelf registration statement, we will provide to each holder of the Notes copies of the Prospectus which is a part of the shelf registration statement, notify each holder when the shelf registration statement for the Notes has become effective and take other actions as are required to permit unrestricted resales of the Notes. A holder of Notes that sells the Notes pursuant to the shelf registration statement generally will be:

required to be named as a selling security holder in the related Prospectus and deliver a Prospectus to purchasers;

Edgar Filing: M I HOMES INC - Form S-4

subject to certain of the civil liability provisions under the Securities Act in connection with the sales; and

bound by the provisions of the registration rights agreement which are applicable to such a holder, including indemnification obligations.

In addition, each holder of the Notes will be required to deliver information to be used in connection with the shelf registration statement and to provide any comments on the shelf registration statement within the time periods described in the registration rights agreement in order to have their Notes included in the shelf registration statement and to benefit from the provisions regarding liquidated damages described in the following paragraph.

Table of Contents

Liquidated Damages

If any of the following (each a **registration default**) occurs:

the exchange offer registration statement is not filed with the SEC on or before the 120th calendar day following March 24, 2005, in the case of the issuance of \$150.0 million aggregate principal amount of the Original Notes on March 24, 2005, or June 10, 2005, in the case of the issuance of \$50.0 million aggregate principal amount of the Original Notes on June 10, 2005, or, if that day is not a business day, then the next day that is a business day;

the exchange offer registration statement is not declared effective on or before the 210th calendar day following March 24, 2005, in the case of the issuance of \$150.0 million aggregate principal amount of the Original Notes on March 24, 2005, or June 10, 2005, in the case of the issuance of \$50.0 million aggregate principal amount of the Original Notes on June 10, 2005, or, if that day is not a business day, then the next day that is a business day;

the exchange offer is not completed on or before the 240th calendar day following March 24, 2005 in the case of the issuance of \$150.0 million aggregate principal amount of the Original Notes on March 24, 2005, or June 10, 2005, in the case of the issuance of \$50.0 million aggregate principal amount of the Original Notes on June 10, 2005, or, if that day is not a business day, then the next day that is a business day; or

the shelf registration statement is required to be filed but is not filed or declared effective within the time periods set forth above under **Shelf Registration** or is declared effective but thereafter ceases to be effective or usable (subject to certain exceptions),

the interest rate borne by the Notes will be increased by 0.25% *per annum* upon the occurrence of a registration default. This rate will continue to increase by 0.25% each 90 day period that the liquidated damages (as defined below) continue to accrue under any such circumstance. However, the maximum total increase in the interest rate will in no event exceed one percent (1.00%) per year. We refer to this increase in the interest rate on the Notes as **liquidated damages**. Such interest is payable in addition to any other interest payable from time to time with respect to the Original Notes and the Exchange Notes in cash on each interest payment date to the holders of record for such interest payment date. After the cure of registration defaults, the accrual of liquidated damages will stop and the interest rate will revert to the original rate.

Under certain circumstances, we may delay the filing or the effectiveness of the exchange offer or the shelf registration and shall not be required to maintain its effectiveness or amend or supplement it for a period of up to 60 days during any 12-month period. Any delay period will not alter our obligation to pay liquidated damages with respect to a registration default.

We agree to pay any amount of liquidation damages due in cash on the same interest payment dates as the Notes.

Fees and Expenses

Edgar Filing: M I HOMES INC - Form S-4

We will bear the expenses of soliciting tenders. We are making the principal solicitation by mail; however, our officers and regular employees may make additional solicitations by facsimile, telephone or in person.

We have not retained any dealer manager in connection with the exchange offer and will not make any payments to brokers, dealers or others soliciting acceptances of the exchange offer. We will, however, pay the exchange agent reasonable and customary fees for its services and will reimburse it for its reasonable out-of-pocket expenses.

We will pay the cash expenses incurred in connection with the exchange offer which we estimate to be approximately \$100,000. These expenses include registration fees, fees and expenses of the exchange agent and the trustee, accounting and legal fees and printing costs, among others.

We will pay all transfer taxes, if any, applicable to the exchange of notes pursuant to the exchange offer. If, however, a transfer tax is imposed for any reason other than the exchange of the Original Notes pursuant to the exchange offer, then you must pay the amount of the transfer taxes. If you do not submit satisfactory evidence of payment of the taxes or exemption from payment with the letter of transmittal, we will bill the amount of the transfer taxes directly to you.

Consequence of Failure to Exchange

Participation in the exchange offer is voluntary. We urge you to consult your financial and tax advisors in making your decisions on what action to take. Original Notes that are not exchanged for Exchange Notes pursuant to the exchange offer will remain restricted securities. Accordingly, those Original Notes may be resold only:

to a person whom the seller reasonably believes is a qualified institutional buyer in a transaction meeting the requirements of Rule 144A;

in a transaction meeting the requirements of Rule 144 under the Securities Act;

outside the United States to a foreign person in a transaction meeting the requirements of Rule 903 or 904 of Regulation S under the Securities Act;

in accordance with another exemption from the registration requirements of the Securities Act and based upon an opinion of counsel if we so request;

to us; or

pursuant to an effective registration statement.

In each case, the Original Notes may be resold only in accordance with any applicable securities laws of any state of the United States or any other applicable jurisdiction.

USE OF PROCEEDS

We will not receive any proceeds from the issuance of the Exchange Notes. The net proceeds from the offering of the Original Notes, after deducting the initial purchasers' discount and the offering expenses payable by us, was \$146.4 million, in the case of the issuance of \$150.0 million aggregate principal amount of the Original Notes on March 24, 2005, and \$48.6 million, in the case of the issuance of \$50.0 million aggregate principal amount of the Original Notes on June 10, 2005. We used the net proceeds of each issuance to repay outstanding debt under our homebuilding revolving credit facility. We borrow funds under this credit facility from time to time for general corporate purposes, which includes funding the growth of our homebuilding activities.

- (1) EBITDA is defined as net income, plus interest expense (including interest amortized to land and housing costs), income taxes and depreciation and amortization, minus interest income. EBITDA is not defined by generally accepted accounting principles, and our definition of EBITDA may not be comparable to similar companies. Management believes that in order to fully assess our financial operating results, EBITDA is an important measure of evaluating our operating performance. However, this measure should be considered in addition to, and not as a substitute for, or superior to, net income or other measures of financial performance prepared in accordance with GAAP. The following table sets forth a reconciliation of net income, which we believe is the most directly comparable GAAP financial measure.

DESCRIPTION OF CERTAIN INDEBTEDNESS

The following is a summary of our and our subsidiaries' indebtedness.

Homebuilding Revolving Credit Facility

The following description is a summary of the material provisions of our homebuilding revolving credit facility as currently in effect. It does not restate the senior credit facility agreement in its entirety. We urge you to read the credit facility agreement because it, and not this description, defines the terms of our senior outstanding indebtedness. We have not included the definitions of many of the defined terms contained in the credit facility agreement, and we urge you to refer to such document for the definitions of capitalized terms in the following summary. Copies of the credit facility agreement are available as set forth under the caption "Available Information."

On September 27, 2004, M/I entered into the senior unsecured credit facility, which was amended and restated on April 22, 2005. The credit financing is provided by a lending syndicate group consisting of 18 banks throughout the United States, with Bank One, now known as JPMorgan Chase Bank, N.A., serving as agent. There have been no amendments to this facility since April 22, 2005.

Revolving Loan Facility

The credit facility consists of a revolving credit facility, a swingline facility and a letter of credit facility, all of which are unsecured. The credit facility establishes financing for M/I in the aggregate principal amount of up to \$600 million on a revolving basis, subject to Borrowing Base limitations and provided that no more than \$100 million of this amount may be letters of credit. The revolving loan commitment includes up to \$20 million for swingline loans to be issued by JPMorgan Chase Bank, N.A. in its individual capacity on same-day notice. The loans may be repaid and reborrowed, subject to applicable Eurodollar breakage fees if paid before the end of an Interest Period, until the maturity date of the credit facility, September 26, 2008. Not more than once each fiscal year, M/I may request a one-year extension of the credit facility by submitting a request to agent at least 180 days prior to the then scheduled maturity date. Any such request for extension must be approved by each of the Banks.

Termination or Reduction of Commitment; Prepayments

M/I has the right, upon prior written notice to each Bank, to terminate or reduce the aggregate amount of the commitment. Such termination or reduction requires prepayment of the appropriate amount to accomplish the termination or reduction. Otherwise, there is no prepayment requirement except after an Event of Default.

Interest

Edgar Filing: M I HOMES INC - Form S-4

A pricing grid establishes various interest rate options and margins on the credit facility and is based on M/I's Senior Debt Rating. The interest rate options include a Eurodollar option and an Alternate Base Rate, which takes into account the applicable prime rate and the applicable Federal Funds Rate.

Guarantees

Each of M/I's wholly-owned subsidiaries is a guarantor of the credit facility. Any wholly-owned subsidiary acquired or created after the effective date of the credit agreement must enter into a joinder agreement which makes it a guarantor of the obligations.

Collateral

The credit facility is unsecured, but contains a negative pledge provision which prohibits M/I from entering into any other agreement that limits the ability of M/I or any of its subsidiaries to incur a lien on any of its assets

Table of Contents

without the consent of the Required Banks, provided that M/I may enter into such an agreement in any indenture or other agreement governing Notes or bonds issued by M/I that is not subordinated indebtedness and that prohibits liens unless such liens also secure such indebtedness on an equal basis.

Covenants

In addition to the negative pledge, the homebuilding revolving credit facility contains other negative covenants, including covenants which impose limitations on M/I's and its subsidiaries' ability to, among other things:

incur Secured Indebtedness;

place Liens on our property or incur Contingent Obligations;

sell all or substantially all of our assets;

make any fundamental changes, acquisitions, investments, loans or advances;

incur and pay Subordinated Indebtedness and modify subordination agreements;

sell any equity of our subsidiaries; and

acquire commercial real estate and hold Speculative Housing Units.

The homebuilding revolving credit facility also contains financial covenants and other affirmative covenants. The financial covenants include compliance with Borrowing Base requirements, maintenance of Consolidated Tangible Net Worth, maintenance of a specified debt to worth ratio, maintenance of an interest coverage ratio and maintenance of a Land to Consolidated Tangible Net Worth ratio, over the life of the credit facility. These financial covenants are based upon operating performance levels in effect throughout the term of the senior unsecured credit facility.

Restrictions on Additional Indebtedness

In addition to the indirect restrictions on additional Indebtedness imposed by the financial covenants, the homebuilding revolving credit facility imposes an indirect restriction on additional unsecured Indebtedness outside of the credit facility and Subordinated Indebtedness through the definition of Borrowing Base Indebtedness and the provision that Borrowing Base Indebtedness cannot exceed the Borrowing Base. If at any time the Borrowing Base Indebtedness (which would include additional unsecured borrowing, including the Notes) exceeds the Borrowing Base, the senior unsecured credit facility requires that the indebtedness owing under the senior unsecured credit facility be repaid immediately so that Borrowing Base Indebtedness does not exceed the Borrowing Base.

M/I Financial Credit Facility

The following description is a summary of the material provisions of M/I Financial's unsecured revolving credit facility. It does not restate the M/I Financial credit agreement in its entirety. We urge you to read the M/I Financial credit facility agreement because it, and not this description, defines the terms of this revolving credit facility. We have not included the definitions of many of the defined terms contained in the M/I Financial credit facility agreement, and we urge you to refer to such document for the definitions of capitalized terms in the following summary. Copies of the M/I Financial credit facility agreement are available as set forth under the caption Available Information.

On May 3, 2001, M/I Financial, M/I and Guaranty Bank entered into a \$30 million revolving credit agreement, which was amended on April 28, 2005 to increase the maximum borrowing amount to \$40 million. It is a 364-day facility, and at the end of each 364-day period, the parties have entered into an amendment to extend the maturity by another 364 days. Following the April 28, 2005 amendment, the maturity date is April 27, 2006. The purpose of the revolving credit facility is to finance the making of mortgage loans.

Table of Contents

Interest

At M/I Financial's option, its borrowings may be Prime Rate Loans or Eurodollar Rate Loans. Currently, the interest rate per annum on Prime Rate Loans is the Prime Rate and the interest rate per annum on Eurodollar Loans is the Eurodollar Rate plus 1.50%.

Guarantees

M/I is a co-borrower with M/I Financial. There are no guarantors.

Collateral

The M/I Financial revolving credit facility is currently unsecured, but provides that, upon Guaranty Bank's request, M/I Financial will provide as security for the revolving credit loans a first priority security interest in all of M/I Financial's then existing or thereafter acquired Mortgage Loans, all rights to receive payments with respect to such Mortgage Loans, all mortgage Notes evidencing such Mortgage Loans, all Mortgages securing such mortgage Notes, all Purchase Commitments relating thereto, and all proceeds of the foregoing.

Covenants

The M/I Financial revolving credit facility imposes customary financial covenants on M/I Financial, including covenants which impose limitations on M/I Financial's ability to, among other things:

incur Indebtedness;

place Liens on property and incur Contingent Obligations;

make investments; and

make any fundamental changes.

In addition, the revolving credit agreement imposes certain financial and other affirmative covenants on M/I Financial. The financial covenants include maintenance of a specified (i) Tangible Net Worth, (ii) ratio of Liabilities to Tangible Net Worth and (iii) ratio of EBIT to Interest Expense.

Edgar Filing: M I HOMES INC - Form S-4

The M/I Financial revolving credit agreement incorporates four financial covenants of M/I from the homebuilding revolving credit facility, specifically, maintenance of a specified (i) Consolidated Tangible Net Worth, (ii) ratio of Consolidated Indebtedness to Consolidated Tangible Net Worth, (iii) Interest Coverage Ratio and (iv) ratio of Land to Consolidated Tangible Net Worth ratio, as well as the covenant regarding the limitation on Speculative Housing Units.

DESCRIPTION OF THE NOTES

As used below in this Description of the Notes section, the **Issuer**, **we**, **us** and **our** means M/I Homes, Inc., an Ohio corporation, and its successors, but not any of its subsidiaries.

The Issuer issued the Original Notes and will issue the Exchange Notes under an indenture, dated as of March 24, 2005, among the Issuer, the Guarantors and U.S. Bank National Association, as trustee (the **Indenture**). The terms of the Notes include those set forth in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. You may obtain a copy of the Indenture from the Issuer at its address set forth elsewhere in this prospectus.

The following is a summary of the material terms and provisions of the Notes. As used in this Description of the Notes, the term **Notes** mean the series of the Issuer's senior debt securities issued under the Indenture designated as its 6.875% Senior Notes due 2012, including both the Original Notes and the Exchange Notes, in each case except as otherwise expressly provided or as the context otherwise requires. The following summary does not purport to be a complete description of the Notes and is subject to the detailed provisions of the Indenture. You can find definitions of certain terms used in this description under the heading **Certain Definitions**.

Principal, Maturity and Interest

The Notes will mature on April 1, 2012. The Notes bear interest at the rate of 6.875% per annum, payable on April 1 and October 1 of each year, commencing on October 1, 2005, to Holders of record at the close of business on March 15 and September 15, as the case may be, immediately preceding the relevant interest payment date. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

The Notes will be issued in registered form, without coupons, and in denominations of \$1,000 and integral multiples of \$1,000.

The \$200.0 million aggregate principal amount of the Notes constitutes senior debt of the Issuer. The Issuer may issue an unlimited amount of Notes having identical terms and conditions to the Notes being issued in this offering (**Additional Notes**), subject to compliance with the **Limitations on Additional Indebtedness** covenant described below. Any Additional Notes will be part of the same issue as the Notes being issued in this offering and will vote on all matters as one class with the Notes being issued in this offering, including, without limitation, waivers, amendments, redemptions and offers to purchase. For purposes of this Description of the Notes, except for the covenant described under **Certain Covenants** **Limitations on Additional Indebtedness**, references to the Notes include Additional Notes, if any.

Methods of Receiving Payments on the Notes

If a holder has given wire transfer instructions to the Issuer at least ten business days prior to the applicable payment date, the Issuer will make all payments on such holder's Notes in accordance with those instructions. Otherwise, payments on the Notes will be made at the office or agency of the paying agent and registrar for the Notes within the City and State of New York unless the Issuer elects to make interest payments by check mailed to the holders at their addresses set forth in the register of holders.

Ranking

The Notes are general unsecured obligations of the Issuer. The Notes rank senior in right of payment to all future obligations of the Issuer that are, by their terms, expressly subordinated in right of payment to the Notes and *pari passu* in right of payment with all existing and future unsecured obligations of the Issuer that are not so subordinated. Each Guarantee is a general unsecured obligation of the Guarantor thereof and ranks senior in right

Table of Contents

of payment to all future obligations of such Guarantor that are, by their terms, expressly subordinated in right of payment to such Guarantee and *pari passu* in right of payment with all existing and future unsecured obligations of such Guarantor that are not so subordinated.

The Notes and each Guarantee are effectively subordinated to secured Indebtedness of the Issuer and the applicable Guarantor to the extent of the value of the assets securing such Indebtedness. Although the Indenture contains limitations on the amount of additional secured Indebtedness that the Issuer and the Restricted Subsidiaries may incur, under certain circumstances, the amount of this Indebtedness could be substantial. See [Certain Covenants Limitations on Additional Indebtedness](#) and [Certain Covenants Limitations on Liens](#).

The Notes are also effectively subordinated to all existing and future obligations, including Indebtedness, of any Unrestricted Subsidiaries. Claims of creditors of Unrestricted Subsidiaries, including trade creditors, will generally have priority as to the assets of these Subsidiaries over the claims of the Issuer and the holders of the Issuer's Indebtedness, including the Notes. At March 31, 2005, the Issuer and the Guarantors had approximately \$8.3 million of secured Indebtedness outstanding.

Substantially all the operations of the Issuer are conducted through its Subsidiaries. Therefore, the Issuer's ability to service its debt, including the Notes, is dependent upon the cash flow of its Subsidiaries and, to the extent they are not Guarantors, their ability to distribute those earnings as dividends, loans or other payments to the Issuer. If their ability to make these distributions were restricted, by law or otherwise, then the Issuer would not be able to use the cash flow of the non-guarantor Subsidiaries to make payments on the Notes.

Guarantees

The Issuer's obligations under the Notes and the Indenture are jointly and severally guaranteed by each of our Wholly-Owned Restricted Subsidiaries.

Not all of our Subsidiaries guarantee the Notes. Unrestricted Subsidiaries and non-Wholly-Owned Restricted Subsidiaries are not Guarantors. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, these non-guarantor Subsidiaries will pay the holders of their debts and their trade creditors before they will be able to distribute any of their assets to us.

As of the date of hereof, all of our Subsidiaries, other than M/I Title Agency Ltd.; Washington/Metro Residential Title Agency LLC; Transohio Residential Title Agency Ltd., Woods at Reynoldsburg, LLC and K-Tampa, LLC, are Guarantors, and all of our Subsidiaries, including those that are not Guarantors, are Restricted Subsidiaries. As of March 31, 2005, the Guarantors represented 99.9% of our total revenue and 97.4% of our total assets. In addition, under the circumstances described below under the subheading [Certain Covenants Limitations on Designation of Unrestricted Subsidiaries](#), the Issuer will be permitted to designate some of our other Subsidiaries as Unrestricted Subsidiaries. The effect of designating a Subsidiary as an Unrestricted Subsidiary will be:

an Unrestricted Subsidiary will not be subject to many of the restrictive covenants in the Indenture;

a Subsidiary that has previously been a Guarantor and that is designated an Unrestricted Subsidiary will be released from its Guarantee; and

Edgar Filing: M I HOMES INC - Form S-4

the assets, income, cash flow and other financial results of an Unrestricted Subsidiary will not be consolidated with those of the Issuer for purposes of calculating compliance with the restrictive covenants contained in the Indenture.

The obligations of each Guarantor under its Guarantee is limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any guarantees under the Credit Facilities permitted under clause (1) of Certain Covenants Limitations on

Table of Contents

Additional Indebtedness) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under the Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Guarantor that makes a payment for distribution under its Guarantee is entitled to a contribution from each other Guarantor in a *pro rata* amount based on adjusted net assets of each Guarantor.

In the event of a sale or other disposition of all of the assets of any Guarantor, by way of merger, consolidation or otherwise, or a sale or other disposition of all of the Equity Interests of any Guarantor then held by the Issuer and the Restricted Subsidiaries, that Guarantor will be released and relieved of any obligations under its Guarantee; *provided* that the Net Available Proceeds of such sale or other disposition shall be applied in accordance with the applicable provisions of the Indenture, to the extent required thereby. See Certain Covenants Limitations on Asset Sales. In addition, the Indenture provides that any Guarantor that is designated as an Unrestricted Subsidiary or that otherwise ceases to be a Guarantor, in each case in accordance with the provisions of the Indenture, will be released from its Guarantee upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, as the case may be.

Optional Redemption

The Issuer may redeem the Notes at any time, in whole or in part, at a redemption price equal to the greater of:

(a) 100% of the principal amount of the Notes to be redeemed; and

(b) the sum of the present values of (1) the scheduled principal payment on the Notes at April 1, 2012 and (2) the remaining scheduled payments of interest from the redemption date to April 1, 2012, but excluding accrued and unpaid interest to the redemption date, discounted to the redemption date at the Treasury Rate plus 50 basis points,

plus accrued and unpaid interest thereon, if any, to the redemption date.

At any time prior to April 1, 2008, the Issuer may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds of one or more Qualified Equity Offerings at a redemption price equal to 106.875% of the principal amount of the Notes to be redeemed, *plus* accrued and unpaid interest thereon, if any, to the date of redemption; *provided* that (1) at least 65% of the aggregate principal amount of Notes issued under the Indenture remains outstanding immediately after the occurrence of such redemption and (2) the redemption occurs within 90 days of the date of the closing of any such Qualified Equity Offering.

The Issuer may acquire Notes by means other than a redemption, whether pursuant to an issuer tender offer, open market purchase or otherwise, so long as the acquisition does not otherwise violate the terms of the Indenture.

Selection and Notice of Redemption

In the event that less than all of the Notes are to be redeemed at any time pursuant to an optional redemption, selection of the Notes for redemption will be made by the trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not then listed on a national security exchange, on a *pro rata* basis, by lot or by such method as the trustee shall deem fair and appropriate; *provided, however*, that no Notes of a principal amount of \$1,000 or less shall be redeemed in part. In addition, if a partial redemption is made pursuant to the provisions described in the third paragraph under Optional Redemption, selection of the Notes or portions thereof for redemption shall be made by the trustee only on a *pro rata* basis or on as nearly a *pro rata* basis as is practicable (subject to the procedures of The Depository Trust Company), unless that method is otherwise prohibited.

Table of Contents

Notice of redemption will be mailed by first-class mail at least 30 but not more than 60 days before the date of redemption to each holder of Notes to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of the Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of the Note will be issued in the name of the holder of the Note upon cancellation of the original Note. On and after the date of redemption, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the paying agent for the Notes funds in satisfaction of the redemption price (including accrued and unpaid interest on the Notes to be redeemed) pursuant to the Indenture.

Change of Control

Upon the occurrence of any Change of Control, each holder will have the right to require that the Issuer purchase that holder's Notes for a cash price (the **Change of Control Purchase Price**) equal to 101% of the principal amount of the Notes to be purchased, plus accrued and unpaid interest thereon, if any, to the date of purchase.

Within 30 days following any Change of Control, the Issuer will mail, or caused to be mailed, to the holders a notice (a **Change of Control Offer**):

(1) describing the transaction or transactions that constitute the Change of Control;

(2) offering to purchase, pursuant to the procedures required by the Indenture and described in the notice, on a date specified in the notice (which shall be a business day not earlier than 30 days nor later than 60 days from the date the notice is mailed) and for the Change of Control Purchase Price, all Notes properly tendered by such holder pursuant to such Change of Control Offer; and

(3) describing the procedures that holders must follow to accept the Change of Control Offer. The Change of Control Offer is required to remain open for at least 20 business days or for such longer period as is required by law.

The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the date of purchase.

If a Change of Control Offer is made, there can be no assurance that the Issuer will have available funds sufficient to pay for all or any of the Notes that might be delivered by holders seeking to accept the Change of Control Offer. In addition, we cannot assure you that in the event of a Change of Control the Issuer will be able to obtain the consents necessary to consummate a Change of Control Offer from the lenders under agreements governing outstanding Indebtedness which may prohibit the offer.

The provisions described above that require us to make a Change of Control Offer following a Change of Control will be applicable regardless of whether any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control, the Indenture does not contain provisions that permit the holders of the Notes to require that the Issuer purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Edgar Filing: M I HOMES INC - Form S-4

The Issuer's obligation to make a Change of Control Offer will be satisfied if a third party makes the Change of Control Offer in the manner and at the times and otherwise in compliance with the requirements applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer.

A Change of Control includes certain sales of all or substantially all of the assets of the Issuer and the Restricted Subsidiaries. The phrase all or substantially all as used in the Indenture (including as set forth under Certain Covenants Limitations on Mergers, Consolidations, Etc. below) varies according to the facts and circumstances of the subject transaction, has no clearly established meaning under New York law (which governs

Table of Contents

the Indenture) and is subject to judicial interpretation. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of all or substantially all of the assets of the Issuer, and therefore it may be unclear as to whether a Change of Control has occurred and whether the holders have the right to require the Issuer to purchase Notes.

The Issuer will comply with applicable tender offer rules, including the requirements of Rule 14e-1 under the Exchange Act and any other applicable laws and regulations in connection with the purchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Issuer shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Indenture by virtue of this compliance.

Certain Covenants

The Indenture contains, among others, the following covenants:

Limitations on Additional Indebtedness

The Indenture provides that, until the Notes receive an Investment Grade rating from both Rating Agencies (after which time the following covenant will no longer be in effect), the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur any Indebtedness; *provided* that the Issuer or any Restricted Subsidiary may incur additional Indebtedness (including Acquired Indebtedness) if no Default shall have occurred and be continuing at the time of or as a consequence of the incurrence of the Indebtedness and if, after giving effect thereto, either (a) the Consolidated Fixed Charge Coverage Ratio would be at least 2.00 to 1.00 or (b) the ratio of Consolidated Indebtedness to Consolidated Tangible Net Worth would be less than 3.00 to 1.00 (either (a) or (b), the **Ratio Exception**).

Notwithstanding the above, so long as no Default shall have occurred and be continuing at the time of or as a consequence of the incurrence of the following Indebtedness, each of the following shall be permitted (the **Permitted Indebtedness**):

(1) Indebtedness of the Issuer and any Restricted Subsidiary under the Credit Facilities in an aggregate amount at any time outstanding not to exceed the greater of (x) \$750.0 million, less the aggregate amount of Net Available Proceeds applied by the Issuer or any of its Restricted Subsidiaries since the Issue Date to repay permanently any Indebtedness under a Credit Facility pursuant to Certain Covenants Limitations on Assets Sales, and (y) the amount of the Borrowing Base as of the date of such incurrence;

(2) the Notes and the Guarantees issued on the Issue Date;

(3) Indebtedness of the Issuer and the Restricted Subsidiaries to the extent outstanding on the Issue Date (other than Indebtedness referred to in clauses (1) and (2) above, and after giving effect to the intended use of proceeds of the Notes);

Edgar Filing: M I HOMES INC - Form S-4

(4) Indebtedness incurred under a Warehouse Facility, *provided* that the amount of such Indebtedness (including funding drafts issued thereunder) outstanding at any time pursuant to this clause (4) does not exceed the value of the Mortgages to be financed with the proceeds thereof;

(5) Indebtedness of the Issuer and the Restricted Subsidiaries under Hedging Obligations; *provided* that (a) such Hedging Obligations relate to payment obligations on Indebtedness otherwise permitted to be incurred by this covenant, and (b) the notional principal amount of such Hedging Obligations at the time incurred does not exceed the principal amount of the Indebtedness to which such Hedging Obligations relate;

(6) Indebtedness of the Issuer owed to a Wholly-Owned Restricted Subsidiary and Indebtedness of any Wholly-Owned Restricted Subsidiary owed to the Issuer or any other Wholly-Owned Restricted Subsidiary; *provided, however*, that (a) any Indebtedness of the Issuer owed to a Restricted Subsidiary is unsecured and (b) upon any such Wholly-Owned Restricted Subsidiary ceasing to be a Wholly-Owned Restricted

Table of Contents

Subsidiary or such Indebtedness being owed to any person other than the Issuer or a Wholly-Owned Restricted Subsidiary, the Issuer or such Wholly-Owned Restricted Subsidiary, as applicable, shall be deemed to have incurred Indebtedness not permitted by this clause (6);

(7) Indebtedness in respect of bid, performance or surety bonds issued for the account of the Issuer or any Restricted Subsidiary in the ordinary course of business, including guarantees or obligations of the Issuer or any Restricted Subsidiary with respect to letters of credit supporting such bid, performance or surety obligations (in each case other than for an obligation for money borrowed);

(8) Purchase Money Indebtedness incurred by the Issuer or any Restricted Subsidiary;

(9) Non-Recourse Indebtedness of the Issuer or any Restricted Subsidiary incurred for the acquisition, development and/or improvement of real property and secured by Liens only on such real property;

(10) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five business days of incurrence;

(11) Indebtedness arising in connection with endorsement of instruments for deposit in the ordinary course of business;

(12) Refinancing Indebtedness with respect to Indebtedness incurred pursuant to the Ratio Exception or clause (2) or (3) above; and

(13) Indebtedness of the Issuer or any Restricted Subsidiary in an aggregate amount not to exceed \$25.0 million at any time outstanding.

Notwithstanding anything to the contrary contained in this covenant, the Issuer will not permit any Restricted Subsidiary that is not a Guarantor to incur any Indebtedness or guarantee or otherwise provide credit support for any Indebtedness of the Issuer or any Guarantor.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (1) through (13) above or is entitled to be incurred pursuant to the Ratio Exception, the Issuer will, in its sole discretion, classify such item of Indebtedness and may divide and reclassify such Indebtedness in more than one of the types of Indebtedness described, except that Indebtedness outstanding under the Credit Facilities on the Issue Date shall be deemed to have been incurred under clause (1) above.

Limitations on Layering Indebtedness

Edgar Filing: M I HOMES INC - Form S-4

The Indenture provides that, until the Notes receive an Investment Grade rating from both Rating Agencies (after which time the following covenant will no longer be in effect), the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur any Indebtedness that is or purports to be by its terms (or by the terms of any agreement governing such Indebtedness) contractually subordinated to any other Indebtedness of the Issuer or of such Restricted Subsidiary, as the case may be, unless such Indebtedness is also by its terms (or by the terms of any agreement governing such Indebtedness) contractually made expressly subordinate to the Notes or the Guarantee of such Restricted Subsidiary, to the same extent and in the same manner as such Indebtedness is contractually subordinated to such other Indebtedness of the Issuer or such Restricted Subsidiary, as the case may be.

Limitations on Restricted Payments

The Indenture provides that, until the Notes receive an Investment Grade rating from both Rating Agencies (after which time the following covenant will no longer be in effect), the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, make any Restricted Payment if at the time of such Restricted Payment:

(1) a Default shall have occurred and be continuing or shall occur as a consequence thereof;

Table of Contents

(2) the Issuer cannot incur \$1.00 of additional Indebtedness pursuant to the Ratio Exception; or

(3) the amount of such Restricted Payment, when added to the aggregate amount of all other Restricted Payments made after the Issue Date (other than Restricted Payments made pursuant to clause (2), (3) or (5) of the next paragraph), exceeds the sum (the **Restricted Payments Basket**) of (without duplication):

(a) 50% of Consolidated Net Income for the period (taken as one accounting period) commencing on the first day of the fiscal quarter in which the Issue Date occurs to and including the last day of the fiscal quarter ended immediately prior to the date of such calculation for which consolidated financial statements are available (or, if such Consolidated Net Income shall be a deficit, minus 100% of such aggregate deficit), *plus*

(b) 100% of the aggregate net cash proceeds or the fair market value of any assets to be used in a Permitted Business (other than securities) received by the Issuer either (x) as contributions to the common equity of the Issuer after the Issue Date or (y) from the issuance and sale of Qualified Equity Interests after the Issue Date, other than to the extent any such proceeds are used to redeem Notes in accordance with the second paragraph under **Optional Redemption**, *plus*

(c) the aggregate amount by which Indebtedness of the Issuer or any Restricted Subsidiary is reduced on the Issuer's balance sheet upon the conversion or exchange (other than by a Subsidiary of the Issuer) subsequent to the Issue Date into Qualified Equity Interests (less the amount of any cash, or the fair value of assets, distributed by the Issuer or any Restricted Subsidiary upon such conversion or exchange), *plus*

(d) in the case of the disposition or repayment of or return on any Investment that was treated as a Restricted Payment made after the Issue Date, an amount (to the extent not included in the computation of Consolidated Net Income) equal to the lesser of (i) the return of capital with respect to such Investment and (ii) the amount of such Investment that was treated as a Restricted Payment, in either case, less the cost of the disposition of such Investment and net of taxes, *plus*

(e) upon a redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary, the lesser of (i) the fair market value of the Issuer's proportionate interest in such Subsidiary immediately following such redesignation, and (ii) the aggregate amount of the Issuer's Investments in such Subsidiary to the extent such Investments reduced the amount available for subsequent Restricted Payments under this clause (3) and were not previously repaid or otherwise reduced, *plus*

(f) \$25.0 million.

The foregoing provisions will not prohibit:

(1) the payment by the Issuer or any Restricted Subsidiary of any dividend within 60 days after the date of declaration thereof (including those declared prior to the Issue Date), if on the date of declaration the payment would have complied with the provisions of the Indenture;

(2) so long as no Default shall have occurred and be continuing at the time of or as a consequence of such redemption, the redemption of any Equity Interests of the Issuer or any Restricted Subsidiary in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests;

(3) so long as no Default shall have occurred and be continuing at the time of or as a consequence of such redemption, the redemption of Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests or (b) in exchange for, or out of the proceeds of the substantially concurrent incurrence of, Refinancing Indebtedness permitted to be incurred under the Limitations on Additional Indebtedness covenant and the other terms of the Indenture;

(4) so long as no Default shall have occurred and be continuing at the time of or as a consequence of such redemption, the redemption of Equity Interests of the Issuer held by officers, directors or employees or

Table of Contents

former officers, directors or employees (or their transferees, estates or beneficiaries under their estates), upon their death, disability, retirement, severance or termination of employment or service; *provided* that the aggregate cash consideration paid for all such redemptions shall not exceed \$3.0 million during any calendar year; or

(5) repurchases of Equity Interests deemed to occur upon the exercise of stock options if the Equity Interests represent a portion of the exercise price thereof;

provided that no issuance and sale of Qualified Equity Interests pursuant to clause (2) or (3) above shall increase the Restricted Payments Basket, except to the extent the proceeds thereof exceed the amounts used to effect the transactions described in such clause.

Limitations on Dividends and Other Restrictions Affecting Restricted Subsidiaries

The Indenture provides that the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (a) pay dividends or make any other distributions on or in respect of its Equity Interests;
- (b) make loans or advances or pay any Indebtedness or other obligation owed to the Issuer or any other Restricted Subsidiary; or
- (c) transfer any of its assets to the Issuer or any other Restricted Subsidiary.

The preceding limitation will not apply to:

- (1) encumbrances or restrictions existing under or by reason of applicable law;
- (2) encumbrances or restrictions existing under the Indenture, the Notes and the Guarantees;
- (3) non-assignment provisions of any contract or any lease entered into in the ordinary course of business;

Edgar Filing: M I HOMES INC - Form S-4

- (4) encumbrances or restrictions existing under agreements existing on the date of the Indenture (including, without limitation, the Credit Facilities and the Warehouse Facility) as in effect on that date;
- (5) restrictions on the transfer of assets subject to any Lien permitted under the Indenture imposed by the holder of such Lien;
- (6) restrictions on the transfer of assets imposed under any agreement to sell such assets permitted under the Indenture to any person pending the closing of such sale;
- (7) any instrument governing Acquired Indebtedness, which encumbrance or restriction is not applicable to any person, or the assets of any person, other than the person or the assets so acquired and which encumbrance or restriction was not incurred in connection with, or in contemplation of the incurrence of such Acquired Indebtedness;
- (8) encumbrances or restrictions arising in connection with Refinancing Indebtedness; *provided, however,* that any such encumbrances and restrictions are not materially more restrictive with respect to any Restricted Subsidiary than those in effect on the Issue Date with respect to that Restricted Subsidiary pursuant to the agreements creating or evidencing the Indebtedness being refinanced;
- (9) customary provisions in leases, partnership agreements, limited liability company organizational governance documents, joint venture agreements and other similar agreements entered into in the ordinary course of business that restrict the transfer of leasehold interests or ownership interests in such partnership, limited liability company, joint venture or similar person;
- (10) Purchase Money Indebtedness incurred in compliance with the covenant described under Limitations on Additional Indebtedness that impose restrictions of the nature described in clause (c) above on the assets acquired; and

(11) any encumbrances or restrictions imposed by any amendments or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (10) above; *provided* that such amendments or refinancings are, in the good faith judgment of the Issuer's board of directors, no more materially restrictive with respect to such encumbrances and restrictions than those prior to such amendment or refinancing.

Limitations on Transactions with Affiliates

The Indenture provides that, until the Notes receive an Investment Grade rating from both Rating Agencies (after which time the following covenant will no longer be in effect), the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, in one transaction or a series of related transactions, sell, lease, transfer or otherwise dispose of any of its assets to, or purchase any assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (an **Affiliate Transaction**), unless:

(1) such Affiliate Transaction is on terms that are no less favorable to the Issuer or the relevant Restricted Subsidiary than those that may have been obtained in a comparable transaction at such time on an arm's-length basis by the Issuer or that Restricted Subsidiary from a person that is not an Affiliate of the Issuer or that Restricted Subsidiary; and

(2) the Issuer delivers to the trustee:

(a) with respect to any Affiliate Transaction involving aggregate value in excess of \$10.0 million, an officer's certificate certifying that such Affiliate Transaction complies with clause (1) above and a secretary's certificate which sets forth and authenticates a resolution that has been adopted by the Independent Directors approving such Affiliate Transaction; and

(b) with respect to any Affiliate Transaction involving aggregate value of \$25.0 million or more, the certificates described in the preceding clause (a) and (x) a written opinion as to the fairness of such Affiliate Transaction to the Issuer or such Restricted Subsidiary from a financial point of view or (y) a written appraisal supporting the value of such Affiliate Transaction, in either case, issued by an Independent Financial Advisor.

The foregoing restrictions shall not apply to:

(1) transactions exclusively between or among (a) the Issuer and one or more Restricted Subsidiaries or (b) Restricted Subsidiaries; *provided*, in each case, that no Affiliate of the Issuer (other than another Restricted Subsidiary) owns Equity Interests of any such Restricted Subsidiary;

(2) reasonable director, officer, employee and consultant compensation (including bonuses) and other benefits (including retirement, health, stock and other benefit plans) and indemnification arrangements, in each case consistent with past practices;

(3) loans and advances permitted by clause (3) of the definition of Permitted Investments ;

(4) any agreement as in effect as of the Issue Date and described in this prospectus or any extension, amendment or modification thereto (so long as any such extension, amendment or modification satisfies the requirements set forth in clause (1) of the first paragraph of this covenant) or any transaction contemplated thereby; or

(5) Restricted Payments of the type described in clause (1), (2) or (4) of the definition of Restricted Payment and which are made in accordance with the covenant described under Limitations on Restricted Payments.

Limitations on Liens

The Indenture provides that the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or permit or suffer to exist any Lien of any nature whatsoever against (other than

Table of Contents

Permitted Liens) any assets of the Issuer or any Restricted Subsidiary (including Equity Interests of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom, which Lien secures Indebtedness or trade payables, unless contemporaneously therewith:

(1) in the case of any Lien securing an obligation that ranks *pari passu* with the Notes or a Guarantee, effective provision is made to secure the Notes or such Guarantee, as the case may be, at least equally and ratably with or prior to such obligation with a Lien on the same collateral; and

(2) in the case of any Lien securing an obligation that is subordinated in right of payment to the Notes or a Guarantee, effective provision is made to secure the Notes or such Guarantee, as the case may be, with a Lien on the same collateral that is prior to the Lien securing such subordinated obligation,

in each case, for so long as such obligation is secured by such Lien.

Limitations on Asset Sales

The Indenture provides that, until the Notes receive an Investment Grade rating from both Rating Agencies (after which time the following covenant will no longer be in effect), the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

(1) the Issuer or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets included in such Asset Sale; and

(2) at least 75% of the total consideration received in such Asset Sale or series of related Asset Sales consists of cash or Cash Equivalents.

For purposes of clause (2), the following shall be deemed to be cash:

(a) the amount (without duplication) of any Indebtedness (other than Subordinated Indebtedness) of the Issuer or such Restricted Subsidiary that is expressly assumed by the transferee in such Asset Sale and with respect to which the Issuer or such Restricted Subsidiary, as the case may be, is unconditionally released by the holder of such Indebtedness;

(b) the amount of any obligations received from such transferee that are within 30 days converted by the Issuer or such Restricted Subsidiary to cash (to the extent of the cash actually so received); and

Edgar Filing: M I HOMES INC - Form S-4

(c) the fair market value of any assets (including, but not limited to, Equity Interests in an entity engaged in a Permitted Business) received by the Issuer or any Restricted Subsidiary to be used by it in a Permitted Business.

If at any time any non-cash consideration received by the Issuer or any Restricted Subsidiary of the Issuer, as the case may be, in connection with any Asset Sale is repaid or converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), then the date of such repayment, conversion or disposition shall be deemed to constitute the date of an Asset Sale hereunder and the Net Available Proceeds thereof shall be applied in accordance with this covenant.

If the Issuer or any Restricted Subsidiary engages in an Asset Sale, the Issuer or such Restricted Subsidiary shall, no later than 360 days following the consummation thereof, apply all or any of the Net Available Proceeds therefrom to:

(1) repay any Indebtedness under the Credit Facilities (which will be a permanent reduction of such Indebtedness);

(2) repay any Indebtedness which was secured by the assets sold in such Asset Sale; and/or

(3) invest all or any part of the Net Available Proceeds thereof in the purchase of assets (other than securities, unless such securities represent Equity Interests in an entity engaged solely in a Permitted

Table of Contents

Business, such entity becomes a Restricted Subsidiary and the Issuer or a Restricted Subsidiary acquires voting and management control of such entity) to be used by or are useful to the Issuer or any Restricted Subsidiary in the Permitted Business.

The amount of Net Available Proceeds not applied or invested as provided in this paragraph will constitute **Excess Proceeds**.

When the aggregate amount of Excess Proceeds equals or exceeds \$25.0 million, the Issuer will be required to make an offer to purchase from all holders and, if applicable, redeem (or make an offer to do so) any Pari Passu Indebtedness of the Issuer the provisions of which require the Issuer to redeem such Indebtedness with the proceeds from any Asset Sales (or offer to do so), in an aggregate principal amount of Notes and such Pari Passu Indebtedness equal to the amount of such Excess Proceeds as follows:

(1) the Issuer will (a) make an offer to purchase (a **Net Proceeds Offer**) to all holders in accordance with the procedures set forth in the Indenture, and (b) redeem (or make an offer to do so) any such other Pari Passu Indebtedness, *pro rata* in proportion to the respective principal amounts of the Notes and such other Indebtedness required to be redeemed, the maximum principal amount of Notes and Pari Passu Indebtedness that may be redeemed out of the amount (the **Payment Amount**) of such Excess Proceeds;

(2) the offer price for the Notes will be payable in cash in an amount equal to 100% of the principal amount of the Notes tendered pursuant to a Net Proceeds Offer, plus accrued and unpaid interest thereon, if any, to the date such Net Proceeds Offer is consummated (the **Offered Price**), in accordance with the procedures set forth in the Indenture and the redemption price for such Pari Passu Indebtedness (the **Pari Passu Indebtedness Price**) shall be as set forth in the related documentation governing such Indebtedness;

(3) if the aggregate Offered Price of Notes validly tendered and not withdrawn by holders thereof exceeds the *pro rata* portion of the Payment Amount allocable to the Notes, Notes to be purchased will be selected on a *pro rata* basis; and

(4) upon completion of such Net Proceeds Offer in accordance with the foregoing provisions, the amount of Excess Proceeds with respect to which such Net Proceeds Offer was made shall be deemed to be zero.

To the extent that the sum of the aggregate Offered Price of Notes tendered pursuant to a Net Proceeds Offer and the aggregate Pari Passu Indebtedness Price paid to the holders of such Pari Passu Indebtedness is less than the Payment Amount relating thereto, the Issuer may use such shortfall or a portion thereof, for general corporate purposes, subject to the provisions of the Indenture.

The Issuer will comply with applicable tender offer rules, including the requirements of Rule 14e-1 under the Exchange Act and any other applicable laws and regulations in connection with the purchase of Notes pursuant to a Net Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with this **Limitations on Asset Sales** covenant, the Issuer shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this **Limitations on Asset Sales** covenant by virtue of this compliance.

Limitations on Designation of Unrestricted Subsidiaries

Edgar Filing: M I HOMES INC - Form S-4

The Issuer may designate any Subsidiary of the Issuer as an Unrestricted Subsidiary under the Indenture (a **Designation**) only if:

(1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; and

(2) the Issuer would be permitted to make, at the time of such designation, (a) a Permitted Investment or (b) an Investment pursuant to the first paragraph of Limitations on Restricted Payments covenant

Table of Contents

above, in either case, in an amount (the **Designation Amount**) equal to the fair market value of the Issuer's proportionate interest in such Subsidiary on such date.

No Subsidiary shall be Designated as an Unrestricted Subsidiary unless such Subsidiary:

(1) has no Indebtedness other than Permitted Unrestricted Subsidiary Debt;

(2) is not party to any agreement, contract, arrangement or understanding with the Issuer or any Restricted Subsidiary unless the terms of the agreement, contract, arrangement or understanding are no less favorable to the Issuer or the Restricted Subsidiary than those that might be obtained at the time from persons who are not Affiliates of the Issuer or such Restricted Subsidiary;

(3) is a person with respect to which neither the Issuer nor any Restricted Subsidiary has any direct or indirect obligation (a) to subscribe for additional Equity Interests or (b) to maintain or preserve the person's financial condition or to cause the person to achieve any specified levels of operating results; and

(4) has not guaranteed or otherwise directly or indirectly provided credit support for any Indebtedness of the Issuer or any Restricted Subsidiary, except for any guarantee given solely to support the pledge by the Issuer or any Restricted Subsidiary of the Equity Interests of such Unrestricted Subsidiary, which guarantee is not recourse to the Issuer or any Restricted Subsidiary, and except to the extent the amount thereof constitutes a Restricted Payment permitted pursuant to the covenant described under Limitations on Restricted Payments.

If, at any time, any Unrestricted Subsidiary fails to meet the preceding requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of the Indenture and any indebtedness of the Subsidiary and any Liens on assets of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of the date and, if the Indebtedness is not permitted to be incurred under the covenant described under Limitations on Additional Indebtedness or the Lien is not permitted under the covenant described under Limitations on Liens, the Issuer shall be in default of the applicable covenant.

As of the date of this prospectus, the Issuer has no Subsidiaries designated as Unrestricted Subsidiaries.

The Issuer may redesignate an Unrestricted Subsidiary as a Restricted Subsidiary only if:

(1) no Default shall have occurred and be continuing at the time of and after giving effect to such redesignation; and

(2) all Liens, Indebtedness and Investments of such Unrestricted Subsidiary outstanding immediately following such redesignation would, if incurred or made at such time, have been permitted to be incurred or made for all purposes of the Indenture.

All designations and redesignations must be evidenced by resolutions of the board of directors of the Issuer, delivered to the Trustee certifying compliance with the foregoing provisions.

Limitations on Mergers, Consolidations, Etc.

The Indenture provides that the Issuer will not, directly or indirectly, in a single transaction or a series of related transactions, (a) consolidate or merge with or into (other than a merger that satisfies the requirements of clause (1) below with a Wholly-Owned Restricted Subsidiary solely for the purpose of changing the Issuer's jurisdiction of incorporation to another State of the United States), or sell, lease, transfer, convey or otherwise dispose of or assign all or substantially all of the assets of the Issuer or the Issuer and the Restricted Subsidiaries (taken as a whole) or (b) adopt a plan of liquidation unless, in either case:

(1) either:

(a) the Issuer will be the surviving or continuing person; or

(b) the person formed by or surviving such consolidation or merger or to which such sale, lease, conveyance or other disposition shall be made (or, in the case of a plan of liquidation, any person to

which assets are transferred) (collectively, the **Successor**) is a corporation or limited liability company organized and existing under the laws of any State of the United States of America or the District of Columbia, and the Successor expressly assumes, by supplemental indenture in form and substance satisfactory to the trustee, all of the obligations of the Issuer under the Notes, the Indenture and the Registration Rights Agreement; *provided* that at any time the Successor is a limited liability company, there shall be a co-issuer of the Notes that is a corporation;

(2) immediately prior to and immediately after giving effect to such transaction and the assumption of the obligations as set forth in clause (1) (b) above and the incurrence of any Indebtedness to be incurred in connection therewith, no Default shall have occurred and be continuing; and

(3) immediately after giving effect to such transaction and the assumption of the obligations set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, and the use of any net proceeds therefrom on a pro forma basis, (a) the Consolidated Net Worth of the Issuer or the Successor, as the case may be, would be at least equal to the Consolidated Net Worth of the Issuer immediately prior to such transaction and (b) the Issuer or the Successor, as the case may be, could incur \$1.00 of additional Indebtedness pursuant to the Ratio Exception.

For purposes of this covenant, any Indebtedness of the Successor which was not Indebtedness of the Issuer immediately prior to the transaction shall be deemed to have been incurred in connection with such transaction.

Except as provided under the caption **Guarantees**, no Guarantor may consolidate with or merge with or into (whether or not such Guarantor is the surviving person) another person, whether or not affiliated with such Guarantor, unless:

(1) either:

(a) such Guarantor will be the surviving or continuing person; or

(b) the person formed by or surviving any such consolidation or merger assumes, by supplemental indenture in form and substance satisfactory to the trustee, all of the obligations of such Guarantor under the Guarantee of such Guarantor, the Indenture and the Registration Rights Agreement; and

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the assets of one or more Restricted Subsidiaries, the Equity Interests of which constitute all or substantially all of the assets of the Issuer, will be deemed to be the transfer of all or substantially all of the assets of the Issuer.

Edgar Filing: M I HOMES INC - Form S-4

Upon any consolidation, combination or merger of the Issuer or a Guarantor, or any transfer of all or substantially all of the assets of the Issuer in accordance with the foregoing, in which the Issuer or such Guarantor is not the continuing obligor under the Notes or its Guarantee, the surviving entity formed by such consolidation or into which the Issuer or such Guarantor is merged or to which the conveyance, lease or transfer is made will succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor under the Indenture, the Notes and the Guarantees with the same effect as if such surviving entity had been named therein as the Issuer or such Guarantor and, except in the case of a conveyance, transfer or lease, the Issuer or such Guarantor, as the case may be, will be released from the obligation to pay the principal of and interest on the Notes or in respect of its Guarantee, as the case may be, and all of the Issuer's or such Guarantor's other obligations and covenants under the Notes, the Indenture and its Guarantee, if applicable.

Notwithstanding the foregoing, any Restricted Subsidiary may merge into the Issuer or another Restricted Subsidiary.

Additional Guarantees

If, after the Issue Date, (a) the Issuer or any Restricted Subsidiary shall acquire or create another Subsidiary (other than a Subsidiary that has been designated an Unrestricted Subsidiary) or (b) any Unrestricted Subsidiary is redesignated a Restricted Subsidiary, then, in each such case, the Issuer will cause such Restricted Subsidiary to:

(1) execute and deliver to the trustee (a) a supplemental indenture in form and substance satisfactory to the trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuer's obligations under the Notes and the Indenture and (b) a notation of guarantee in respect of its Guarantee; and

(2) deliver to the trustee one or more opinions of counsel that such supplemental indenture (a) has been duly authorized, executed and delivered by such Restricted Subsidiary and (b) constitutes a valid and legally binding obligation of such Restricted Subsidiary in accordance with its terms.

Reports

The Indenture provides that, whether or not required by the SEC, so long as any Notes are outstanding, the Issuer will furnish to the holders of Notes, within the time periods specified in the SEC's rules and regulations (including any grace periods or extensions permitted by the SEC):

- (1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Issuer were required to file these Forms, including a Management's Discussion and Analysis of Financial Condition and Results of Operations and, with respect to the annual information only, a report on the annual financial statements by the Issuer's independent registered public accounting firm; and
- (2) all current reports that would be required to be filed with the SEC on Form 8-K if the Issuer were required to file these reports.

In addition, whether or not required by the SEC, the Issuer will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the SEC's rules and regulations (unless the SEC will not accept the filing) and make the information available to securities analysts and prospective investors upon request. The Issuer and the Guarantors have agreed that, for so long as any Notes remain outstanding, the Issuer will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default

Each of the following is an **Event of Default** :

(1) failure by the Issuer to pay interest on any of the Notes when it becomes due and payable and the continuance of any such failure for 30 days;

(2) failure by the Issuer to pay the principal on any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;

(3) failure by the Issuer to comply with any of its agreements or covenants described above under Certain Covenants Limitations on Additional Indebtedness ; Certain Covenants Limitations on Restricted Payments ; Certain Covenants Limitations on Asset Sales and Certain Covenants Limitations on Mergers, Consolidations, Etc., or in respect of its obligations to make a Change of Control Offer as described above under Change of Control and continuance of such a failure for 30 days;

(4) failure by the Issuer to comply with any other agreement or covenant in the Indenture and continuance of this failure for 60 days after notice of the failure has been given to the Issuer by the trustee or by the holders of at least 25% of the aggregate principal amount of the Notes then outstanding;

Table of Contents

(5) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness of the Issuer or any Restricted Subsidiary, whether such Indebtedness now exists or is incurred after the Issue Date, which default:

(a) is caused by a failure to pay when due principal on such Indebtedness within the applicable express grace period,

(b) results in the acceleration of such Indebtedness prior to its express final maturity or

(c) results in the commencement of judicial proceedings to foreclose upon, or to exercise remedies under applicable law or applicable security documents to take ownership of, the assets securing such Indebtedness, and

in each case, the principal amount of such Indebtedness, together with any other Indebtedness with respect to which an event described in clause (a), (b) or (c) has occurred and is continuing, aggregates \$20.0 million or more;

(6) one or more judgments or orders that exceed \$20.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Issuer or any Restricted Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days of being entered;

(7) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any bankruptcy law:

(a) commences a voluntary case,

(b) consents to the entry of an order for relief against it in an involuntary case,

(c) consents to the appointment of a custodian of it or for all or substantially all of its assets, or

(d) makes a general assignment for the benefit of its creditors;

(8) a court of competent jurisdiction enters an order or decree under any bankruptcy law that:

Edgar Filing: M I HOMES INC - Form S-4

(a) is for relief against the Issuer or any Significant Subsidiary as debtor in an involuntary case,

(b) appoints a custodian of the Issuer or any Significant Subsidiary or a custodian for all or substantially all of the assets of the Issuer or any Significant Subsidiary, or

(c) orders the liquidation of the Issuer or any Significant Subsidiary, and

the order or decree remains unstayed and in effect for 60 days; or

(9) any Guarantee of any Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Guarantee and the Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Guarantee (other than by reason of release of a Guarantor from its Guarantee in accordance with the terms of the Indenture and the Guarantee).

If an Event of Default (other than an Event of Default specified in clause (7) or (8) above with respect to the Issuer), shall have occurred and be continuing under the Indenture, the trustee, by written notice to the Issuer, or the holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuer and the trustee, may declare all amounts owing under the Notes to be due and payable immediately. Upon such declaration of acceleration, the aggregate principal of and accrued and unpaid interest on the outstanding Notes shall immediately become due and payable; *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the holders of a majority in aggregate principal amount of such outstanding Notes may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal and interest, have been cured or waived as provided in the Indenture. If an Event of Default specified in clause (7) or (8) with respect to the Issuer occurs, all outstanding Notes shall become due and payable without any further action or notice.

Table of Contents

The trustee shall, within 30 days after the occurrence of any Default with respect to the Notes, give the holders notice of all uncured Defaults thereunder known to it; *provided, however*, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Certain Covenants Limitations on Mergers, Consolidations, Etc., the trustee shall be protected in withholding such notice if and so long as a committee of its trust officers in good faith determines that the withholding of such notice is in the interest of the holders.

No holder will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless the trustee:

(1) has failed to act for a period of 60 days after receiving written notice of a continuing Event of Default by such holder and a request to act by holders of at least 25% in aggregate principal amount of Notes outstanding;

(2) has been offered indemnity satisfactory to it in its reasonable judgment; and

(3) has not received from the holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request.

However, such limitations do not apply to a suit instituted by a holder of any Note for enforcement of payment of the principal of or interest on such Note on or after the due date therefor (after giving effect to the grace period specified in clause (1) of the first paragraph of this Events of Default section).

The Issuer is required to deliver to the trustee annually a statement regarding compliance with the Indenture and, upon any officer of the Issuer becoming aware of any Default, a statement specifying such Default and what action the Issuer is taking or proposes to take with respect thereto.

Legal Defeasance and Covenant Defeasance

The Indenture provides that the Issuer may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors discharged with respect to the outstanding Notes. Legal defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Notes and the Guarantees, and the Indenture shall cease to be of further effect as to all outstanding Notes and Guarantees, except as to

(1) rights of holders to receive payments in respect of the principal of and interest on the Notes when such payments are due from the trust funds referred to below,

(2) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes, and the maintenance of an office or agency for payment and money for security payments held in trust,

(3) the rights, powers, trust, duties, and immunities of the trustee, and the Issuer's obligation in connection therewith, and

(4) the legal defeasance provisions of the Indenture.

In addition, the Issuer may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors released with respect to most of the covenants under the Indenture, except as described otherwise in the Indenture, and thereafter any omission to comply with such obligations shall not constitute a Default. In the event covenant defeasance occurs, certain Events of Default (not including non-payment and, solely for a period of 91 days following the deposit referred to in clause (1) of the next paragraph, bankruptcy, receivership, rehabilitation and insolvency events) will no longer apply. Covenant defeasance will not be effective until such bankruptcy, receivership, rehabilitation and insolvency events no longer apply. The Issuer may exercise its legal defeasance option regardless of whether it previously exercised covenant defeasance.

Table of Contents

In order to exercise either legal defeasance or covenant defeasance:

(1) the Issuer must irrevocably deposit with the trustee, in trust, for the benefit of the holders, U.S. legal tender, U.S. Government obligations or a combination thereof, in such amounts as will be sufficient (without reinvestment) in the opinion of a nationally recognized firm of independent public accountants selected by the Issuer, to pay the principal of and interest on the Notes on the stated date for payment or on the redemption date of the principal or installment of principal of or interest on the Notes, and the trustee must have a valid, perfected, exclusive security interest in such trust,

(2) in the case of legal defeasance, the Issuer shall have delivered to the trustee an opinion of counsel in the United States reasonably acceptable to the trustee confirming that:

(a) the Issuer has received from, or there has been published by the Internal Revenue Service, a ruling, or

(b) since the date of the Indenture, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon this opinion of counsel shall confirm that, the holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the legal defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred,

(3) in the case of covenant defeasance, the Issuer shall have delivered to the trustee an opinion of counsel in the United States reasonably acceptable to the trustee confirming that the holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the covenant defeasance had not occurred,

(4) no Default shall have occurred and be continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing),

(5) the legal defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under the Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound,

(6) the Issuer shall have delivered to the trustee an officers' certificate stating that the deposit was not made by it with the intent of preferring the holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others, and

Edgar Filing: M I HOMES INC - Form S-4

(7) the Issuer shall have delivered to the trustee an officers certificate and an opinion of counsel, each stating that the conditions provided for, in the case of the officers certificate, in clauses (1) through (6) and, in the case of the opinion of counsel, clauses (1) (with respect to the validity and perfection of the security interest), (2) and/or (3) and (5) of this paragraph have been complied with.

If the funds deposited with the trustee to effect covenant defeasance are insufficient to pay the principal of and interest on the Notes when due, then our obligations and the obligations of Guarantors under the Indenture will be revived and no such defeasance will be deemed to have occurred.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect (except as to rights of registration of transfer or exchange of Notes which shall survive until all Notes have been canceled) as to all outstanding Notes when either

(1) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or

Each holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and the Guarantees.

Concerning the Trustee

U.S. Bank National Association is the trustee under the Indenture and has been appointed by the Issuer as registrar and paying agent with regard to the Notes. The Indenture contains certain limitations on the rights of the trustee, should it become a creditor of the Issuer, to obtain payment of claims in certain cases, or to realize on certain assets received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest (as defined in the Indenture), it must eliminate such conflict or resign.

The holders of a majority in principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The Indenture provides that, in case an Event of Default occurs and is not cured, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in similar circumstances in the conduct of his or her own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any holder, unless such holder shall have offered to the trustee security and indemnity satisfactory to the trustee.

Book-Entry, Delivery and Form of Notes

The Original Notes were represented by one or more global Notes (the **Global Notes**) in definitive form that were deposited on or about March 24, 2005 and June 10, 2005, respectively, with, or on behalf of, the Depository Trust Company (**DTC**) and registered in the name of Cede & Co., as nominee of DTC (such nominee being referred to herein as the **Global Note Holder**). The Exchange Notes will also be issued in the form of one or more Global Notes registered in the name of DTC or its nominee. DTC will maintain the Notes in denominations of \$1,000 and integral multiples thereof through its book-entry facilities.

DTC has advised the Company as follows:

DTC is a limited-purpose trust company that was created to hold securities for its participating organizations, including the Euroclear System and Clearstream Banking, Société Anonyme, Luxembourg (collectively, the **Participants** or the **Depository's Participants**), and to facilitate the clearance and settlement of transactions in these securities between Participants through electronic book-entry changes in accounts of its Participants. The Depository's Participants include securities brokers and dealers (including the initial purchasers), banks and trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies (collectively, the **Indirect Participants** or the **Depository's Indirect Participants**) that clear through or maintain a custodial relationship with a Participant, either directly or indirectly. Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Depository's Participants or the Depository's Indirect Participants. Pursuant to procedures established by DTC, ownership of the Notes will be shown on, and the transfer of ownership thereof will be effected only through, records maintained by DTC (with respect to the interests of the Depository's Participants) and the records of the Depository's Participants (with respect to the interests of the Depository's Indirect Participants).

The laws of some states require that certain persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer the Notes will be limited to such extent.

So long as the Global Note Holder is the registered owner of any Notes, the Global Note Holder will be considered the sole holder of outstanding Notes represented by such Global Notes under the Indenture. Except as provided below, owners of Notes will not be entitled to have Notes registered in their names and will not be considered the owners or holders thereof under the Indenture for any purpose, including with respect to the giving of any directions, instructions, or approvals to the Trustee thereunder. None of the Issuer, the Guarantors or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of Notes by DTC, or for maintaining, supervising or reviewing any records of DTC relating to such Notes.

Payments in respect of the principal of, premium, if any, and interest on any Notes registered in the name of a Global Note Holder on the applicable record date will be payable by the Trustee to or at the direction of such Global Note Holder in its capacity as the registered holder under the Indenture. Under the terms of the Indenture, the Issuer and the Trustee may treat the persons in whose names any Notes, including the Global Notes, are registered as the owners thereof for the purpose of receiving such payments and for any and all other purposes whatsoever. Consequently, neither the Issuer nor the Trustee has or will have any responsibility or liability for the payment of such amounts to beneficial

owners of Notes (including principal, premium, if any, and interest). The Issuer believes, however, that it is currently the policy of DTC to immediately credit the accounts of the

relevant Participants with such payments, in amounts proportionate to their respective beneficial interests in the relevant security as shown on the records of DTC. Payments by the Depository's Participants and the Depository's Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practice and will be the responsibility of the Depository's Participants or the Depository's Indirect Participants.

If an Event of Default occurs, any person having a beneficial interest in the Global Notes may, through the Depository's Participants or the Depository's Indirect Participants upon request to the Trustee and confirmation of such beneficial interest by the Depository or its Participants or Indirect Participants, exchange such beneficial interest for Notes in definitive form. Upon any such issuance, the Trustee is required to register such Notes in the name of and cause the same to be delivered to, such person or persons (or the nominee of any thereof). Such Notes would be issued in fully registered form and would be subject to the legal requirements described in this prospectus under the caption "Notice to Investors."

Neither the Issuer nor the Trustee will be liable for any delay by the Global Note Holder or DTC in identifying the beneficial owners of Notes and the Issuer and the Trustee may conclusively rely on, and will be protected in relying on, instructions from the Global Note Holder or DTC for all purposes.

CERTAIN TAX CONSIDERATIONS

The following summary describes the material U.S. federal income and estate tax considerations relating to (i) the exchange of the Original Notes for the Exchange Notes in this exchange offer and (ii) the ownership of the Notes. This summary deals only with Notes that are held as capital assets. As to the ownership of the Notes, this summary deals only with Notes that are held by a Non-U.S. Holder (as defined below) who receives Exchange Notes in this exchange offer. This discussion does not address all aspects of U.S. federal income and estate taxes and does not deal with foreign, state or local consequences that may be relevant to such holders in light of their personal circumstances. This discussion also does not address tax consequences to Non-U.S. Holders that may be subject to special tax rules, including, without limitation, partnerships and other pass-through entities, U.S. expatriates, controlled foreign corporations, passive foreign investment companies and foreign personal holding companies. Furthermore, the discussion below is based upon the provisions of the United States Internal Revenue Code of 1986, as amended (the Code), and regulations, rulings and judicial decisions thereunder, as of the date hereof, and such authorities may be repealed, revoked or modified, perhaps retroactively, or the Internal Revenue Service (the IRS) or a court might interpret such authorities differently. In either case, the U.S. federal tax consequences of exchanging, owning or disposing of Notes could differ from those described below. References to a Note herein apply equally to the Exchange Notes and the Original Notes.

If a partnership holds the Notes, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. Persons who are partners of a partnership holding the Notes should consult their tax advisors.

As used herein, a Non-U.S. Holder of the Notes means a beneficial owner that is not any of the following for U.S. federal income tax purposes: (i) a citizen or resident of the United States; (ii) a corporation created or organized in or under the laws of the United States or any political subdivision thereof; (iii) an estate the income of which is subject to U.S. federal income taxation regardless of its source; (iv) a trust if it (a) is subject to the primary supervision of a court within the United States and one or more U.S. persons have the authority to control all substantial decisions of the trust or (b) has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person; or (v) a partnership or other pass-through entity.

INVESTORS CONSIDERING THE EXCHANGE OF ORIGINAL NOTES OR THE ACQUISITION, OWNERSHIP OR SALE OF NOTES SHOULD CONSULT THEIR OWN TAX ADVISORS REGARDING THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO THEIR PARTICULAR SITUATIONS AND THE CONSEQUENCES OF FEDERAL ESTATE AND GIFT TAX LAWS, FOREIGN, STATE, AND LOCAL LAWS AND TAX TREATIES.

The Exchange

The exchange of the Original Notes for the Exchange Notes pursuant to the exchange offer will not constitute a taxable event to holders for U.S. federal income tax purposes. Consequently, (i) no gain or loss will be recognized by a holder upon receipt of an Exchange Note, (ii) the holding period for the Exchange Note will include the holding period of the Original Note and (iii) the tax basis of the Exchange Note will be the same as the tax basis of the Original Note immediately before the exchange.

Taxation of Interest

Edgar Filing: M I HOMES INC - Form S-4

Payments of interest on the Notes to a Non-U.S. Holder will qualify for the portfolio interest exception, and thus will be exempt from U.S. federal withholding tax, if the holder certifies as to its nonresident status as described below, provided that:

interest paid on the Notes is not effectively connected with such holder's conduct of a trade or business in the United States (see Income or Gains Effectively Connected With a U.S. Trade or Business);

Table of Contents

such holder does not actually or constructively own 10% or more of the total combined voting power of all classes of our voting stock within the meaning of the Code and applicable U.S. Treasury regulations; and

such holder is not a bank whose receipt of interest on the Notes is described in Section 881(c)(3)(A) of the Code.

A Non-U.S. Holder can meet the certification requirement disclosed above by providing a Form W-8BEN or appropriate substitute form to us, or our paying agent, certifying, under penalties of perjury, that it is not a U.S. person. If a Non-U.S. Holder holds the Note through a financial institution or other agent acting on the holder's behalf, the holder will be required to provide appropriate documentation to the agent. The holder's agent will then be required to provide certification to us or our paying agent, either directly or through other intermediaries.

For payments made to a foreign partnership or other flow-through entity, the certification requirements generally apply to the partners or other owners rather than the partnership or other entity, and the partnership or other entity must provide the partners' or owners' documentation to us or our paying agent.

Sale, Exchange or Redemption of Notes

Non-U.S. Holders generally will not be subject to U.S. federal income tax on any gain realized on any sale, exchange or other disposition of Notes occurring subsequent to the exchange of Notes in this exchange offer. This general rule, however, is subject to exceptions. The gain may be subject to U.S. federal income tax if:

the gain is effectively connected with the conduct by the Non-U.S. Holder of a U.S. trade or business; or

the Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met.

Income or Gains Effectively Connected With a U.S. Trade or Business

If any interest on the Notes or gain from the sale, exchange or other disposition of the Notes is effectively connected with a U.S. trade or business conducted by a Non-U.S. Holder, then the income or gain will be subject to U.S. federal income tax at regular graduated rates. If the Non-U.S. Holder is eligible for the benefits of a tax treaty between the United States and the holder's country of residence, any effectively connected income or gain will be subject to U.S. federal income tax only if it is also attributable to a permanent establishment or fixed place of business maintained by the holder in the United States.

Payments of interest to a Non-U.S. Holder that are effectively connected with a U.S. trade or business are not subject to the 30 percent withholding tax. To claim exemption from withholding, a Non-U.S. Holder must certify its qualification, which can be done by filing Form W-8ECI. If the Non-U.S. Holder is a corporation, that portion of its earnings and profits that is effectively connected with its U.S. trade or business generally would be subject to a branch profits tax. The branch profits tax rate is generally 30 percent, although an applicable tax treaty might provide for a lower rate.

U.S. Federal Estate Tax

A Non-U.S. Holder will not be subject to U.S. federal estate tax on the Notes if interest on the Notes paid immediately before the death of the holder would have qualified for the portfolio interest exception described above under Taxation of Interest. The U.S. federal estate tax liability of the estate of a nonresident alien may be affected by a tax treaty between the United States and the decedent's country of residence.

Backup Withholding and Information Reporting

In general, no backup withholding will be required with respect to payments we make with regard to the Notes to a Non-U.S. Holder if the holder has provided us with a Form W-8BEN (or a suitable substitute form)

Table of Contents

directly or through an intermediary or otherwise establishes an exemption and we do not have actual knowledge or reason to know that the holder is a U.S. person. However, interest paid to a Non-U.S. Holder will be subject to information reporting requirements, even if no tax is required to be withheld from such payment.

Any amounts withheld under the backup withholding rules will be allowed as a credit against a holder's U.S. federal income tax liability provided the required information is timely furnished to the IRS.

The preceding discussion of certain U.S. federal tax considerations is for general information only. It is not tax advice. Each prospective investor should consult its own tax advisors regarding the particular U.S. federal, state, local and foreign tax consequences of exchanging, holding and disposing of our Notes, including the consequences of any proposed change in applicable laws.

PLAN OF DISTRIBUTION

Each broker-dealer that receives Exchange Notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the Exchange Notes. Broker-dealers may use this prospectus, as it may be amended or supplemented from time to time, in connection with the resale of Exchange Notes received in exchange for Original Notes where the broker-dealer acquired the Original Notes as a result of market-making activities or other trading activities. We have agreed that, starting on the expiration date and ending on the close of business one year after the expiration date, we will make this prospectus, as amended or supplemented, available to any broker-dealer that requests it in the letter of transmittal for use in connection with any such resale. In addition, until _____, 2005, all dealers effecting transactions in the Exchange Notes may be required to deliver a prospectus.

We will not receive any proceeds from any sale of Exchange Notes by broker-dealers or any other persons. Broker-dealers may sell Exchange Notes received by broker-dealers for their own account pursuant to the exchange offer from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the Exchange Notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to the prevailing market prices or negotiated prices. Broker-dealers may resell Exchange Notes directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any broker-dealer and/or the purchasers of the Exchange Notes. Any broker-dealer that resells Exchange Notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of the Exchange Notes may be deemed to be an underwriter within the meaning of the Securities Act and any profit on any resale of Exchange Notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act.

For a period of one year after the expiration date of the exchange offer, we will promptly send additional copies of this prospectus and any amendment or supplement of this prospectus to any broker-dealer that requests such documents in the Letter of Transmittal. We have agreed to pay all expenses incident to the exchange offer (including the expenses of one counsel for the holders of the securities) other than commissions or concessions of any brokers or dealers and will indemnify you against liabilities under the Securities Act. By its acceptance of the exchange offer, any broker-dealer that receives Exchange Notes pursuant to the exchange offer agrees to notify us before using the prospectus in connection with the sale or transfer of Exchange Notes. The broker-dealer further acknowledges and agrees that, upon receipt of notice from us of the happening of any event which makes any statement in the prospectus untrue in any material respect or which requires the making of any changes in the prospectus to make the statements in the prospectus not misleading or which may impose upon us disclosure obligations that may have a material adverse effect on us, which notice we agree to deliver promptly to the broker-dealer, the broker-dealer will suspend use of the prospectus until we have notified the broker-dealer that delivery of the prospectus may resume and have furnished copies of any amendment or supplement to the prospectus to the broker-dealer.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Division (E) of Section 1701.13 of the Ohio Revised Code governs indemnification by a corporation and provides as follows:

(E)(1) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, other than an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee, member, manager, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, associate, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust or other enterprise, against expenses, including attorney's fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

(2) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, member, manager, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any of the following:

(a) Any claim, issue, or matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless, and only to the extent that, the court of common pleas or the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court of common pleas or such other court shall deem proper;

(b) Any action or suit in which the only liability asserted against a director is pursuant to section 1701.95 of the Revised Code.

(3) To the extent that a director, trustee, officer, employee, member, manager, or agent has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in division (E)(1) or (2) of this section, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the action suit or proceeding.

(4) Any indemnification under division (E)(1) or (2) of this section, unless ordered by a court, shall be made by the corporation only as authorized in the specific case, upon a determination that indemnification of the director, trustee, officer, employee, member, manager, or agent is proper in the circumstances because

II-1

Table of Contents

he has met the applicable standard of conduct set forth in division (E)(1) or (2) of this section. Such determination shall be made as follows:

(a) By a majority vote of a quorum consisting of directors of the indemnifying corporation who were not and are not parties to or threatened by the action, suit, or proceeding referred to in division (E)(1) or (2) of this section;

(b) If the quorum described in division (E)(4)(a) of this section is not obtainable or if a majority vote of a quorum of disinterested directors so directs, in a written opinion by independent legal counsel other than an attorney, or a firm having associated with it an attorney, who has been retained by or who has performed services for the corporation or any person to be indemnified within the past five years;

(c) By the shareholders; or

(d) By the court of common pleas or the court in which such action, suit or proceeding referred to in division (E)(1) or (2) of this section was brought.

Any determination made by the disinterested directors under division (E)(4)(a) or by independent legal counsel under division (E)(4)(b) of this section shall be promptly communicated to the person who threatened or brought the action or suit by or in the right of the corporation under division (E)(2) of this section, and, within ten days after receipt of such notification, such person shall have the right to petition the court of common pleas or the court in which such action or suit was brought to review the reasonableness of such determination.

(5)(a) Unless at the time of a director's act or omission that is the subject of an action, suit, or proceeding referred to in division (E)(1) or (2) of this section, the articles or the regulations of a corporation state, by specific reference to this division, that the provisions of this division do not apply to the corporation and unless the only liability asserted against a director in an action, suit, or proceeding referred to in division (E)(1) or (2) of this section is pursuant to section 1701.95 of the Revised Code, expenses, including attorney's fees, incurred by a director in defending the action, suit, or proceeding shall be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, upon receipt of an undertaking by or on behalf of the director in which he agrees to both of the following:

(i) Repay such amount if it is proved by clear and convincing evidence in a court of competent jurisdiction that his action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the corporation or undertaken with reckless disregard for the best interests of the corporation;

(ii) Reasonably cooperate with the corporation concerning the action, suit, or proceeding.

(b) Expenses, including attorney's fees, incurred by a director, trustee, officer, employee, member, manager, or agent in defending any action, suit, or proceeding referred to in division (E)(1) or (2) of this section, may be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, as authorized by the directors in the specific case, upon receipt of an undertaking by or on behalf of the director, trustee, officer, employee, member, manager, or agent to repay such amount, if it ultimately is determined that he is not entitled to be indemnified by the corporation.

(6) The indemnification authorized by this section shall not be exclusive of, and shall be in addition to, any other rights granted to those seeking indemnification under the articles, the regulations, any agreement, a vote of shareholders or disinterested directors, or otherwise, both as to action in their official capacities and as to action in another capacity while holding their offices or positions, and shall continue as to a person who has ceased to be a director, trustee, officer, employee, member, manager, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(7) A corporation may purchase and maintain insurance or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, on behalf of or for any person who is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation

as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under this section. Insurance may be purchased from or maintained with a person in which the corporation has a financial interest.

(8) The authority of a corporation to indemnify persons pursuant to division (E)(1) or (2) of this section does not limit the payment of expenses as they are incurred, indemnification, insurance, or other protection that may be provided pursuant to divisions (E)(5), (6), and (7) of this section. Divisions (E)(1) and (2) of this section do not create any obligation to repay or return payments made by the corporation pursuant to division (E)(5), (6), or (7).

(9) As used in division (E) of this section, corporation includes all constituent entities in a consolidation or merger and the new or surviving corporation, so that any person who is or was a director, officer, employee, trustee, member, manager, or agent of such a constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, shall stand in the same position under this section with respect to the new or surviving corporation as he would if he had served the new or surviving corporation in the same capacity.

Article EIGHTH of the Registrant's Amended and Restated Articles of Incorporation provides that:

The provisions of Section 1701.13(E)(5)(a) of the Ohio Revised Code or any statute of like tenor or effect which is hereafter enacted shall not apply to the corporation. The corporation shall, to the fullest extent not prohibited by any provision of applicable law other than Section 1701.13(E)(5)(a) of the Ohio Revised Code or any statute of like tenor or effect which is hereafter enacted, indemnify each director and officer against any and all costs and expenses (including attorney fees, judgments, fines, penalties, amounts paid in settlement, and other disbursements) actually and reasonably incurred or imposed upon such person in connection with any action, suit, investigation or proceeding (or any claim or matter therein), whether civil, criminal, administrative or otherwise in nature, including any settlements thereof or any appeals therein, with respect to which such person is named or otherwise becomes or is threatened to be made a party by reason of being or at any time having been a director or officer of the corporation, or by any reason of being or at any time having been, while such a director or officer, an employee or other agent of the corporation or, at the direction or request of the corporation, a director, trustee, officer, administrator, manager, employee, adviser or other agent of or fiduciary for any other corporation, partnership, trust, venture or other entity or enterprise including any employee benefit plan.

The corporation shall indemnify any other person to the extent such person shall be entitled to indemnification under Ohio law by reason of being successful on the merits or otherwise in defense of an action to which such person is named a party by reason of being an employee or other agent of the corporation, and the corporation may further indemnify any such person if it is determined on a case by case basis by the Board of Directors that indemnification is proper in the specific case.

Notwithstanding anything to the contrary in these Articles of Incorporation, no person shall be indemnified to the extent, if any, it is determined by the Board of Directors or by written opinion of legal counsel designated by the Board of Directors for such purpose that indemnification is contrary to applicable law.

Article VIII of the Registrant's Amended Regulations provides:

Edgar Filing: M I HOMES INC - Form S-4

(a) Mandatory Indemnification. The corporation shall indemnify any officer or director of the corporation who was or is a party or is threatened to be made a party to any threatened, pending or

completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including, without limitation, any action threatened or instituted by or in the right of the corporation), by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager or agent of another corporation (domestic or foreign, nonprofit or for profit), limited liability company, partnership, joint venture, trust or other enterprise, against expenses (including, without limitation, attorneys' fees, filing fees, court reporters' fees and transcript costs), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. A person claiming indemnification under this section shall be presumed, in respect of any act or omission giving rise to such claim for indemnification, to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and the termination of any action suit or proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, rebut such presumption. Any indemnification under this section, unless ordered by a court, shall be made by the corporation only upon a determination that the director or officer has met the applicable standard of conduct and such determination shall be made by (i) a majority vote of a quorum consisting of directors of the corporation who were and are not parties to, or threatened with, any such action, suit or proceeding, (ii) if such a quorum is not obtainable or if a majority of a quorum of disinterested directors so directs, in a written opinion by independent legal counsel other than an attorney, or a firm having associated with it an attorney, who has been retained by or who has performed services for or any person to be indemnified, within the past five years, or (iii) by the shareholders.

(b) Indemnification and Advances for Expenses. Anything contained in the Regulations or elsewhere to the contrary notwithstanding, to the extent that an officer or director of the corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding, he shall be promptly indemnified by the corporation against expenses (including, without limitation, attorneys' fees, filing fees, court reporters' fees and transcript costs) actually and reasonably incurred by him in connection therewith. Expenses (including, without limitation, attorneys' fees, filing fees, court reporters' fees and transcript costs) incurred in defending any action, suit or proceeding shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding to or on behalf of the officer or director promptly as such expenses are incurred by him if: (i) in respect of any claim, except one in which the only liability asserted against a director is pursuant to Section 1701.95 of the Ohio Revised Code, the corporation receives an undertaking by or on behalf of the director, in which he agrees to repay all such amounts if it is proved by clear and convincing evidence in a court of competent jurisdiction that his action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the corporation or undertaken with reckless disregard for the best interests of the corporation and agrees to cooperate reasonably with the corporation concerning the action, suit, or proceeding; or (ii) the corporation receives an undertaking by or on behalf of the director or officer in which he agrees to repay all such amounts if it ultimately is determined that he is not entitled to be indemnified by the corporation under section (a) of this Article VIII.

(c) Article VIII Not Exclusive. The indemnification provided by this Article VIII shall not be exclusive of, and shall be in addition to, any other rights to which any person seeking indemnification may be entitled under any agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be an officer or director of the corporation and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(d) Insurance. The corporation may purchase and maintain insurance or furnish similar protection, including but not limited to trust funds, letters of credit, or self-insurance, on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager or agent of another

corporation (domestic or foreign, nonprofit or for profit), limited liability company, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the obligation or the power to indemnify him against such liability under the provisions of this Article VIII.

In addition, the Registrant has purchased insurance coverage which insures directors and officers against certain liabilities which might be incurred by them in such capacity.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in

the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by a controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into this prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(e) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
