**PART I**

**INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS**

Certain information required by Part I of Form S-8 to be contained in a prospectus meeting the requirements of Section 10(a) of the Securities Act of 1933, as amended (the Securities Act ), is not required to be filed with the Securities and Exchange Commission (the Commission ) and is omitted from this Registration Statement in accordance with the explanatory note to Part I of Form S-8 and Rule 428 under the Securities Act.

**EXPLANATORY NOTE**

This Registration Statement is being filed to register shares of the common stock ( Common Stock ) of Smart & Final Inc., a Delaware corporation (the Registrant ).

The Registrant proposes to register 375,000 shares of Common Stock pursuant to the Registrant's Long-Term Equity Compensation Plan for Non-Employee Directors (the Director Equity Plan ), which plan was approved by its stockholders at the Registrant's annual meeting of stockholders held on May 20, 2005. On that date, a total of 9,195 shares of Common Stock were issued from the Director Equity Plan to five current and former independent directors. Because the shares of Common Stock authorized under the Director Equity Plan had not yet been registered as of the May 20, 2005 grant date, the 9,195 shares then granted are currently unregistered shares. In order for the holders of these shares to have the ability to freely trade these shares, they are being offered under this prospectus according to the provisions listed below under Selling Stockholders .

Additionally, the Registrant's Long-Term Equity Compensation Plan (the Compensation Plan ) contains a replenishment feature whereby the total number of shares available for grant under the Compensation Plan is increased, as a result of the exercise of options on Common Stock and the vesting of other awards granted pursuant to the Compensation Plan. Shares which become available for grant through the replenishment feature of the Compensation Plan are unregistered, as the prior exercise or vesting resulted in the issuance of registered shares by the Registrant. In order to provide for future grants to be made from a pool of registered shares, pursuant to General Instruction E of Form S-8, the Registrant proposes to register an additional 1,279,719 shares of its Common Stock, for future grants subject to the Compensation Plan. The 1,279,719 shares of Common Stock proposed to be registered represent the total number of shares which have become available under the replenishment feature during the fiscal years from the adoption of the replenishment feature on July 2, 2002 through May 20, 2005.

There are effective Registration Statements on Form S-8, filed with the Commission on September 9, 1997, September 24, 1999 and March 14, 2003, Commission File Numbers 333-35243, 333-87767 and 333-103819, respectively, for the balance of the shares of Common Stock subject to the Compensation Plan. The contents of such earlier registration

statements are incorporated herein by reference.

**SELLING STOCKHOLDERS**

As noted above in Explanatory Note , five current and former independent directors of the Registrant have been granted a total of 9,195 shares of Common Stock of the Registrant under the Director Equity Plan. At the time of grant, and continuing to the date of this prospectus, these shares are unregistered.

The five current and former independent directors of the Registrant (the Selling Stockholders ) may use this prospectus to sell a maximum of 9,195 shares of our Common Stock from time to time, on the New York Stock Exchange or in private transactions at prevailing market prices or at privately negotiated prices. Such shares are being registered for reoffers and resales by our Selling Stockholders, who acquired the shares pursuant to our Director Equity Plan. The Selling Stockholders may resell all, a portion, or none of the shares of Common Stock from time to time.

We are paying the expenses incurred in connection with the registration of these shares under the Securities Act. Each Selling Stockholder is responsible for any brokerage commissions or expenses he may incur in the sale of such shares. We will not receive any proceeds from the sale of such shares.

We will supplement this prospectus, from time to time, as the names of additional Selling Stockholders and/or the amounts of the shares of our Common Stock to be re-offered become known to us. We will file all such supplements to this prospectus with the Commission as required by Rule 424(b) under the Securities Act.

With this filing, the following Selling Stockholders are covered by this registration statement, each with the respective number of shares allocated from the aggregate amount being registered pursuant to the Director Equity Plan:

**Item 9. Undertakings.**

A. The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however,* That paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
