the fourth supplemental indenture to the indenture, dated as of November 1, 1991, as supplemented by the first supplemental indenture, dated as of September 19, 1997, as further supplemented by the second supplemental indenture, dated as of February 19, 2001 and as further supplemented by the third supplemental indenture, dated as of March 20, 2003, by and among Fort James, as issuer, the Company and Fort James Operating Co., as guarantors, and The Bank of New York, as trustee, pursuant to which the 6.875% Notes, the 9.250% Debentures and the 7.75% Debentures were issued (as supplemented, the Fort James Indenture, and together with the Georgia-Pacific HY Indentures, the Indentures).

The Company made the Offers and Solicitations in connection with a concurrent equity tender offer (the **Equity Tender Offer**) by Koch Forest Products, Inc., a Georgia corporation (**Acquisition Subsidiary**) and an indirect wholly owned subsidiary of Koch Industries, Inc., a Kansas corporation (**Koch Industries**), for all outstanding shares of the Company's common stock, \$.80 par value per share. The Offers and Solicitations are made upon the terms and subject to the conditions set forth in an Offer to Purchase and related Letter of Transmittal dated November 17, 2005. The Equity Tender Offer is being conducted by Acquisition Subsidiary pursuant to an Agreement and Plan of Merger, dated as of November 13, 2005 (the **Merger Agreement**), by and among Koch Industries, Acquisition Subsidiary and the Company. Pursuant to the Merger Agreement, subsequent to, and conditioned upon, the consummation of the Equity Tender Offer and the approval and adoption of the Merger Agreement by the Company's stockholders (if required by applicable law), Acquisition Subsidiary will be merged with and into the Company with the Company as the surviving corporation (the **Merger**).

The supplemental indentures to the Georgia-Pacific HY Indentures amend the respective Georgia-Pacific HY Indentures by deleting (1) substantially all of the restrictive covenants, (2) certain conditions for the Company to engage in mergers, consolidations or sales of substantially all assets, (3) certain event of default provisions relating to failure to comply with certain covenants, cross-defaults and judgment defaults and (4) certain other provisions in the Indentures, and makes conforming and relating changes. The supplemental indentures to the Georgia-Pacific Indentures also provide for a permanent and irrevocable waiver (the **Waiver**) by the holders of the respective Georgia-Pacific HY Notes to the obligation of the Company to make a change of control offer upon the occurrence of any change of control resulting from the consummation of the Equity Tender Offer. While the Georgia-Pacific HY Supplemental Indentures will become effective upon their execution, the amendments will not become operative, other than the Waiver, until the Company accepts for purchase, concurrently with the completion of the Merger, all Securities validly tendered on or prior to 5:00 p.m., New York City time, on the business day prior to the Merger (the **Initial Acceptance Cut-Off Date**).

The fourth supplemental indenture to the Fort James Indenture deletes (1) substantially all of the restrictive covenants, (2) certain conditions for Fort James to engage in mergers, consolidations or sales of substantially all assets, (3) certain event of default provisions relating to cross-defaults and judgment defaults, and makes conforming and related changes to the Fort James Indenture. While the fourth supplemental indenture to the Fort James Indenture will become effective upon its execution, the amendments will not become operative until the Company accepts for purchase, concurrently with the completion of the Merger, all Securities validly tendered on or prior to the Initial Acceptance Cut-Off Date.

Copies of each of the supplemental indentures are filed as exhibits to this Current Report on Form 8-K and the descriptions of the material terms of the supplemental indentures are qualified in their entirety by reference to such exhibits.
