**TV AZTECA INVESTOR RELATIONS WEBSITE RECEIVES  
INTERNATIONAL RECOGNITION FOR EXCELLENCE**

**One of the World's Top IR Web Pages, According to iNOVA**

**FOR IMMEDIATE RELEASE**

**Mexico City, December 13, 2005** TV Azteca, S.A. de C.V. (BMV: TVAZTCA; Latibex: XTZA), one of the two largest producers of Spanish language television programming in the world, announced today that its Investor Relations website [www.irtvazteca.com](http://www.irtvazteca.com), was recognized with silver medal as one of the world's top company websites by technical evaluation.

The basis for the award was a comprehensive review that takes into account concept, content, creativity, ease of navigation, design, functionality, innovation and overall success in achieving the user's goals. iNOVA's judging board was comprised of top Internet marketing, advertising, public relations, and design professionals from around the globe.

TV Azteca noted it is the third consecutive year that iNOVA expert's panel distinguishes the company's IR website with an award, and that this year's recognition represents a higher level of quality. The company is pleased that its ongoing efforts to serve its site users are better perceived, and is committed to continuously find ways for improvement of this key communications vehicle.

The award is very significant for us, particularly when considering that the site was entirely created in house by our investor relations team, from its conception to the technical operation, as part of a broad company culture to optimize internal resources, said Bruno Rangel, Director of Investor Relations of Grupo Salinas.
