SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01 Entry Into A Material Definitive Agreement

On December 21, 2005, Gilead Biopharmaceutics Ireland Corporation (Gilead Ireland), as borrower, entered into a \$300 million Term Loan Agreement (the Term Loan Agreement) with Bank of America, N.A., as Administrative Agent, and certain lenders party thereto. In connection with the Term Loan Agreement, (i) Gilead Sciences, Inc. (Gilead) entered into a Parent Guaranty Agreement (the Gilead Guaranty Agreement) and (ii) Gilead Vintage Park, LLC (GVP) entered into a Subsidiary Guaranty Agreement, in each case, guaranteeing the obligations of Gilead Ireland under the Term Loan Agreement. Both Gilead Ireland and GVP are wholly-owned subsidiaries of Gilead. On December 27, 2005, Gilead Ireland used proceeds from the Term Loan Agreement to make a cash dividend distribution of \$280 million to Gilead for certain foreign earnings under the provisions of The American Jobs Creation Act of 2004. Gilead anticipates that approximately \$240 million will qualify for the 85 percent dividend received deduction under the Internal Revenue Code. In addition, Gilead anticipates that the related potential impact on income taxes as a result of the repatriation would be a one-time benefit of approximately \$25 million.

Under the Term Loan Agreement, Gilead Ireland borrowed \$300 million in principal amount of term loans in one advance on December 27, 2005. Loans under the Term Loan Agreement are required to be repaid in quarterly installments in an amount equal to 5% of the total initial outstanding principal amount of the loans under the Term Loan Agreement; provided that, in any event, the loans under the Term Loan Agreement shall be fully repaid on December 20, 2010. Loans under the Term Loan Agreement will bear interest at either (i) LIBOR plus a margin ranging from 0.40 percent to 0.625 percent or (ii) the base rate (which is defined as the higher of (a) the federal funds rate plus 0.50 percent and (b) Bank of America's prime rate). Gilead Ireland may prepay the loan under the Term Loan Agreement in whole or in part at any time without penalty, subject to reimbursement of lenders' breakage and redeployment costs in certain cases.

In addition, on December 21, 2005, Gilead, as borrower, entered into a \$200 million Credit Agreement (the Credit Agreement) with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, and certain lenders party thereto. In connection with the Credit Agreement, GVP entered into a Subsidiary Guaranty Agreement (the CA Subsidiary Guaranty Agreement) guaranteeing all of the obligations of Gilead under the Credit Agreement. The loan proceeds under the Credit Agreement may be used solely (i) to pay the fees and expenses incurred with the Credit Agreement and (ii) for working capital requirements and general corporate purposes of Gilead and its subsidiaries.

Under the Credit Agreement, Gilead may borrow initially up to \$200 million in revolving credit loans. The Credit Agreement also has a sub-facility for swing line loans and letters of credit. Loans under the Credit Agreement will bear interest at either (i) LIBOR plus a margin ranging from 0.32 percent to 0.50 percent or (ii) the base rate.

The commitments of the lenders to make loans available under the Credit Agreement will increase quarterly in an amount equal to the sum of (i) the amount of scheduled amortization payments made under the Term Loan Agreement in the applicable quarterly period and (ii) the principal portion of loans prepaid under the Term Loan Agreement during the applicable quarterly period, subject to a maximum aggregate increase of \$300 million.

The Credit Agreement will terminate and all amounts owing thereunder will be due and payable on December 20, 2010. Gilead may reduce the commitments and may prepay loans under the Credit Agreement in whole or in part at any time without penalty, subject to reimbursement of lenders' breakage and redeployment costs in certain cases.

Edgar Filing: GILEAD SCIENCES INC - Form 8-K

Each of the Term Loan Agreement and the Credit Agreement contains customary representations, warranties, affirmative covenants, negative covenants, including financial covenants and events of default.
