INFORMATION ABOUT THE BANKFINANCIAL CORPORATION

DIVIDEND REINVESTMENT PLAN

The following, in a question and answer format, is a description of the BankFinancial Corporation Dividend Reinvestment Plan ("Plan"). The full text of the Plan is set forth as an exhibit to the registration statement of which this prospectus is a part and is incorporated by reference in this prospectus.

1. What is the Plan?

The Plan is a convenient and simple purchase plan designed for long-term share ownership for existing stockholders to increase their holdings of shares of BankFinancial Corporation common stock. The Plan allows participants to have dividends automatically reinvested in shares of BankFinancial common stock and to make optional cash investments through the Plan administrator, Computershare Trust Company ("Computershare"). Participation in the Plan is entirely voluntary and we give no advice regarding your decision to join the Plan. If you decide to participate in this Plan, you have several options for enrollment:

Enroll online at Computershare's website: www.computershare.com/US/register and register as an *Investor Centre* member; or

Complete and submit an enrollment form using reply envelope enclosed for your convenience with this mailing. Enrollment forms may also be obtained from Computershare by calling 1-800-816-9078.

The Plan is designed for long-term investors who wish to invest and build their share ownership over time, and not intended to provide a mechanism for obtaining short-term profits or engaging

Table of Contents

in other strategies involving rapid turnover of shares or proliferation of accounts. Accordingly, we reserve the right to refuse to allow participation by otherwise eligible stockholders of record who engage in, or who we believe may engage in, practices we deem to be inconsistent with the purposes of the Plan or detrimental to the Plan or other participants.

2. What options are available under the Plan?

The Plan allows participants to:

Have dividends on all or a part of their BankFinancial shares automatically reinvested in additional shares of BankFinancial common stock; and

Make optional cash investments in BankFinancial common stock.

3. Who is the Plan administrator?

Computershare will be the Plan administrator for the Plan. Computershare will keep records, send statements of account to you and perform other clerical duties relating to the Plan. However, if you participate in the Plan, you may deposit with Computershare certificates for shares of common stock held in your own name. This added convenience is available to you under the Plan at no cost.

4. Who is the independent agent?

Computershare, an independent agent, will execute purchases and sales of shares of common stock on behalf of the Plan and its participants for purchases and sales to be made in the open market through a broker. The independent agent will make purchases for initial and optional cash investments on a quarterly basis. Computershare is not our affiliate, and neither we nor any affiliate will exercise any direct or indirect control or influence over the times when or the prices at which the independent agent may purchase shares of our common stock for the Plan, the amount of common stock to be purchased by the independent agent, or the manner in which the common stock is to be purchased by the independent agent. BankFinancial may replace the independent agent at its sole discretion.

5. Who is eligible to participate in the Plan?

Any stockholder of record who holds twenty-five (25) or more shares of BankFinancial Corporation common stock is eligible to participate in the Plan, except as otherwise determined by the Board of Directors of the Company. The Board of Directors may refuse to offer the Plan to stockholders of the Company residing in any state that requires the registration or qualification of the stock to be issued pursuant to the Plan, or exemption therefrom, if such registration, qualification or exemption results in undue burden or expense to the Company, as determined by the Board of Directors in its sole discretion.

Table of Contents**6. I am a BankFinancial stockholder of record. How do I enroll in the Plan?**

If you are already a BankFinancial stockholder of record (that is, if you own shares that are registered in your name, not your broker's) but you are not enrolled in the Plan, you may enroll in the Plan simply by completing and returning the enclosed enrollment form, by calling Computershare directly at 1-800-816-9078 or by enrolling online at Computershare's website: www.computershare.com/US/register and register as an *Investor Centre* member.

7. I am not currently a BankFinancial stockholder. Can I participate in the Plan?

No. The Plan is only open to existing stockholders of record of BankFinancial Corporation common stock.

8. How do I enroll my shares that are held in the name of a bank, broker or nominee?

You may only enroll shares that you own of record in the Plan. This means that you must first become the record owner of any shares that are held in the name of a bank, broker or nominee and then submit an enrollment form to have dividends on those shares reinvested under the Plan (or, if you are already enrolled, confirm that your current election would cause reinvestment with respect to those shares).

9. Are there fees associated with participation?

BankFinancial will pay the expenses incurred in operating the Plan and purchasing shares under the Plan, except as provided in this prospectus. The current service charges to participants associated with participation in the Plan are summarized in the chart below:

Costs to Participants

| | |
|--------------------------------------------------------------------------------|-------------------------------|

Table of Contents

10. How will shares in the Plan be held?

All shares of BankFinancial common stock purchased by you under the Plan (whether as an optional cash investment or through dividend reinvestment including reinvestment of dividends on shares you continue to hold in your own name) will be registered in the name of Computershare or its nominee, as custodian, and credited to your account under the Plan.

11. May I elect full or partial reinvestment of my shares?

Yes. You may choose to reinvest all or a portion of the cash dividends paid on shares held by Computershare in your account or held of record in your name toward the purchase of additional shares of BankFinancial common stock. If you elect to reinvest your dividends on your shares of BankFinancial common stock held of record by you and/or held in the Plan, you must choose one of the following when completing the dividend reinvestment section of the enrollment form:

Full Dividend Reinvestment. Purchase additional shares by reinvesting all of your cash dividends on shares in your account, all stock now held or any future holdings, including shares purchased through optional cash investments.

Partial Dividend Reinvestment. If you choose to reinvest less than all of your dividends, you may reinvest your dividends on a specified number of full shares and receive a cash dividend payment on all remaining shares through a direct deposit to your bank account.

You may change your election at any time by completing and submitting a new enrollment form by mail, by going online to the *Investor Centre* at www.computershare.com or by contacting Computershare directly at 1-800-816-9078. See Question 29 for further information about changing your dividend reinvestment option.

12. How will I receive my cash dividends if I elect partial dividend reinvestment?

If you choose partial dividend reinvestment, then your cash dividends that are not reinvested will either be paid by check or can be deposited directly into your bank account. Simply complete the appropriate sections of the enrollment form or notify Computershare. You may change your designated bank account for direct deposit by notifying Computershare. We encourage participants to open a Direct Deposit account and have any of the cash dividends that are not reinvested conveniently deposited into your bank account with BankFinancial or another financial institution.

13. When will my dividend reinvestment begin?

Record dates for determining the record holders of shares of common stock entitled to receive cash dividends declared on the common stock are chosen by our Board of Directors. If your enrollment form is received and processed by Computershare before a dividend record date, the reinvestment of your dividends will begin with the payment of that dividend. If the enrollment form is received and processed by Computershare on or after the dividend record date, the

Table of Contents

reinvestment of dividends will not start until payment of the next dividend. Dividend record dates will vary from time to time. You can minimize the possibility of missing a desired entry date by delivering an enrollment form to Computershare before the first day of a dividend record date month in which you desire to begin participation in the Plan.

14. How do I make an optional cash investment?

In addition to increasing your holdings of shares of BankFinancial common stock through the reinvestment of dividends, you may make optional cash investments in shares of BankFinancial common stock. You may make optional cash investments by choosing between the following three options:

Payment by Check. You may make optional cash investments in shares of BankFinancial common stock by sending to Computershare a check for the purchase of additional shares. The check must be made payable to Computershare in U.S. dollars and drawn on a U.S. bank. Computershare will not accept third party checks. All checks should be sent to Computershare at the address listed on the optional cash investment tear-off form attached to each statement you receive, together with that form.

Quarterly Debit Payment from a Bank Account. As an alternative to sending checks for optional cash investments, you may elect to have funds automatically withdrawn on a quarterly basis from your banking account at a qualified financial institution. You may elect the debit withdrawal option by simply completing and returning an authorization form, or you may submit a request online by going to the *Investor Centre* at www.computershare.com.

Online Debit Payment from a Bank Account. You may elect to have funds automatically withdrawn from your banking account at a qualified financial institution. You may elect the online debit withdrawal option by going to the *Investor Centre* at www.computershare.com.

15. What are the minimum and maximum amounts for optional cash investments?

Each optional cash investment must be for a minimum of \$200, subject to a maximum of \$5,000 per calendar quarter. Whether participating through the use of a personal check, recurring automatic quarterly deduction from your bank account or one-time online bank debit, the \$200 minimum and \$5,000 maximum per calendar quarter applies.

16. When will shares be purchased under the Plan?

The Plan's investment date will be the date for payment of the cash dividend or as soon as practicable after that date. Computershare will commingle all funds received from participants. No interest will be paid on any funds held by Computershare between investment dates. Once you have placed your order, you may not request a cash refund or otherwise change your order.

Table of Contents

If Computershare is to reinvest dividends through the purchase of shares in the open market, we will promptly pay to Computershare all dividends payable for all shares of common stock held of record by you or on your behalf in your Plan account for which you have elected to reinvest cash dividends, subject to any applicable tax withholding requirements. Computershare will generally invest all dividend funds authorized to be reinvested within the same time frame as used for optional cash investments. If Computershare is to reinvest dividends on your shares through the purchase of shares directly from BankFinancial, BankFinancial will transfer the purchased shares to Computershare on the dividend payment date in lieu of transmitting the cash dividend, subject to any applicable tax withholding.

17. At what price will shares be purchased?

The price per share of shares purchased in the open market, whether purchased with optional cash investments or dividends, or both, will be the weighted average cost of all shares purchased by Computershare's broker including any broker fees or commissions for each aggregate order placed by Computershare. The price of shares of common stock (if any) purchased from BankFinancial for reinvested dividends will be the average of the high and low sales prices of shares of BankFinancial common stock in transactions reported on The NASDAQ Stock Market on the dividend payment date.

18. How are shares allocated under the Plan?

Shares of common stock purchased with reinvested dividends or optional cash investments will be allocated by Computershare among the accounts of all participants. If you participate, the number of shares that will be allocated to your account following any investment date will depend on the amount of your dividends and optional cash investments (if any) available for investment on that date and the purchase price of the shares. Your account will be credited with a number of shares (including fractions computed to six decimal places) equal to the total funds to be invested for you, divided by the applicable purchase price (also computed to six decimal places).

19. Will fractional shares be purchased?

Yes. If any dividend or optional cash investment is not sufficient to purchase a whole share of BankFinancial common stock, a fractional share equivalent will be credited to your account. All fractional shares are computed to six decimal places.

20. How are returned checks or ACH rejections handled?

In the event that any check is returned unpaid or other deposit is not effected for any reason, or an authorized electronic funds transfer is not effected, Computershare will consider the request for investment of that purchase null and void and will immediately remove from your account any shares already purchased in anticipation of receiving those funds. If the net proceeds from the sale of those shares are insufficient to satisfy the balance of the uncollected amounts plus applicable fees, Computershare may sell additional shares from your account as necessary to satisfy the uncollected balance. An administrative charge, as in effect at the time (See Question 9),

Table of Contents

will be assessed in the event that a participant's check for an optional cash investment is returned or an electronic funds transfer is not effected. This fee may be collected by Computershare through the sale of the number of shares from your Plan account necessary to satisfy the fee.

21. Will interest be paid on the Plan accounts?

No.

22. What is the source of BankFinancial common stock purchased through the Plan?

Shares of common stock to be purchased pursuant to an optional cash investment under the Plan must be purchased in the open market. For reinvested dividends, we may choose in our sole discretion to make shares of common stock available for purchase from our authorized but unissued shares or from shares held as treasury stock. To the extent we make shares available for purchase of stock for reinvested dividends under the Plan, Computershare will purchase the shares from us. To the extent we do not make shares available for purchase under the Plan directly from BankFinancial (or to the extent that purchases under the Plan are pursuant to an optional cash investment), Computershare will purchase shares of common stock in the open market.

For purchases made in the open market, on each investment date, Computershare will use dividends and optional cash investments to purchase shares of common stock on that investment date or in the ordinary course of business after that investment date. Neither BankFinancial nor any participant will have any authority or power to direct the date, time or price at which shares may be purchased by Computershare.

If at any time we determine not to make shares available under the Plan (for purchase of stock for reinvested dividends) and the independent agent fails to purchase shares in the open market (due to the operation of applicable laws, the closing of the securities markets, any other temporary curtailment or suspension of open market purchases or the unavailability of shares in the market, for example), neither we nor Computershare will have any liability to any participant arising out of the failure to make purchases at that time.

If shares of common stock are not purchased: (i) within 30 days after an Investment Date; or (ii) within 30 days of the receipt of an optional cash investment, Computershare will mail to each participant a check in the amount of the unapplied cash dividends and optional cash investments, without interest.

23. How may I receive a stock certificate?

You may obtain a certificate for some or all of your whole shares held in your Plan account at any time by requesting Computershare to withdraw shares from your Plan account. You may make such a request by using the tear-off form attached to the account statement.

Table of Contents

Certificates are normally issued to participants within five business days after receipt of the request. Withdrawing shares from your account does not affect your dividend reinvestment election. No certificates will be issued for fractional shares of common stock.

24. May I add my certificated shares of BankFinancial common stock to my Plan account for safekeeping?

Yes. At the time of enrollment in the Plan, or at any later time, you may use the Plan's share certificate safekeeping service to deposit with Computershare any BankFinancial common stock certificates in your possession and registered in your name. To combine shares held in certificate form with shares held through your Plan account, you must complete the tear-off section of the account statement and submit it with your certificates to the address on the tear-off section. There is no charge for this service. The stock certificates for shares to be deposited must be registered in exactly the same name as your Plan account. The certificates should not be endorsed. You should send your stock certificates via courier service because you bear the risk of loss in transit. If chose delivery by mail, insured registered mail with return receipt is recommended.

25. How may I sell shares I hold through the Plan?

You may sell all or a portion of the whole shares held in your Plan account at any time, upon request. Just visit www.computershare.com/US/register and register as an *Investor Centre* member. Sales requests can also be submitted via telephone through an automated Interactive Voice Response (IVR) system or mailed to Computershare together with the transaction form included with your statement. All sale instructions received by Computershare will be processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading. If you wish to sell shares you own as certificates, you may deposit the certificates into your account and then sell the shares. All sale instructions are final when Computershare receives them. Your sale instructions cannot be cancelled or stopped. Sales processed on accounts lacking a valid Form W-9 certifying the accuracy of your taxpayer identification number for U.S. holders, or a Form W-8BEN for non-U.S. beneficial owners, will be subject to backup withholding tax at the then effective tax rate. By furnishing the appropriate form to Computershare before the sale takes place, you will avoid subjecting your sales proceeds to backup withholding tax. Proceeds, less the administrative service charge in effect at the time (See Question 9), are normally paid by check, mailed three business days after the sale.

You should be aware that the price of shares of BankFinancial common stock may rise or fall during the period between a request for sale and the ultimate sale on the open market. Instructions sent to Computershare to sell shares are binding and may not be rescinded.

26. Can I transfer shares that I hold in the Plan to someone else?

Yes. You may transfer ownership of some or all of your shares held through the Plan. You may call Computershare at 1-800-816-9078 for complete transfer instructions. You will be asked to send to Computershare written transfer instructions. Your signature must be Medallion

Table of Contents

Guaranteed by a financial institution. Most banks and brokers participate in the Medallion Guarantee Plan. The Medallion Guarantee Plan is intended to ensure that the individual signing is in fact the owner of the participant's account. A notary is not sufficient.

You may transfer shares to new or existing BankFinancial stockholders. However, a new the Plan account will not be opened for a transferee as a result of a transfer of less than twenty-five (25) shares.

27. I've just moved. How can I request a change of address or update other personal data?

It is important that our records contain your most up-to-date personal data. If you need to request a change of address or update other personal data, please call Computershare at 1-800-816-9078, write to them at the address listed in Question 31, or visit the *Investor Centre* at www.computershare.com.

28. How do I modify my reinvestment election?

You may modify your reinvestment election by submitting an updated enrollment form to Computershare, by telephone at 1-800-816-9078 or by visiting the *Investor Centre* at www.computershare.com. Your enrollment form must be received and processed before 12:00 noon, Central Time on a dividend record date to be effective for the dividend distributed to you as a stockholder as of that date.

29. How may I close my Plan account?

You may close your Plan account by requesting that all shares be issued to you in the form of a stock certificate and that a check be issued for the value of any fractional share amount. Alternatively, you may close your Plan account by requesting that all shares be sold on the open market and a check be sent to you for the proceeds, less the administrative service charge in effect at the time (See Question 9), for all full and fractional shares. To close your account, you can access your account online at www.computershare.com. Account closing requests can also be submitted via telephone or mailed to Computershare at its address in Question 30 together with the transaction form included with your statement. In the event a Participant's notice of termination is received near a record date for an account whose dividends are to be reinvested, Computershare, in its sole discretion, may either distribute such dividends in cash or reinvest them in shares on behalf of the terminating Participant. In the event reinvestment is made, Computershare will process the termination as soon as practicable, but in no event later than five business days after the investment is completed.

Closing your account does not affect your dividend reinvestment election. If you wish to stop future reinvestment of dividends and the re-establishment of an account, your request should state that you do not want future dividends reinvested or should be sent with a new enrollment form electing no dividend reinvestment. If you select no dividend reinvestment and your request is received and processed after 12:00 noon, Central Time on a dividend record date, the dividend

Table of Contents

distributed to you as a stockholder as of that date will be reinvested and your account will not be closed until after you receive the shares resulting from the dividend pending reinvestment.

31. What reports will I receive?

Transaction statements of your account will be sent to you when there is activity in your account. Each statement will show the amount invested, the purchase or sale price of the Plan transactions, the number of shares purchased or sold and the applicable service charges, as well as any activity associated with share deposits or withdrawals. Please notify Computershare promptly either in writing or by telephone if your address changes. In addition, you will be sent copies of the same communications sent to all other holders of shares of BankFinancial common stock, such as annual reports and proxy statements. You will also be sent any required Internal Revenue Service information statements.

Please retain all transaction statements for your records. The statements contain important tax and other information.

32. What if BankFinancial issues a stock dividend or declares a stock split or rights offering?

Any stock dividend or split shares distributed by BankFinancial to holders of shares of common stock held in the Plan accounts will be added to your account balance. You will receive a statement indicating the number of shares added as a result of the transaction. In the event of a rights offering, you will receive rights based upon the total number of whole shares you own, whether the shares are held in the form of a physical certificate or held in a the Plan account.

33. How do I vote my Plan shares at stockholders meetings?

In connection with any meeting of BankFinancial stockholders, you will be sent a proxy card or request for voting instructions representing both the shares for which you hold physical certificates and the shares held in your Plan account. Those shares will be voted as you indicate on the returned proxy card or request form. Fractional shares will be voted. If you sign and return the proxy card or request form and no voting instructions are given with respect to any item on the proxy card or request form, all of your shares will be voted in accordance with the recommendations of BankFinancial's Board of Directors.

As an alternative to returning your proxy card or request form, you may also be able to vote by telephone or online by following the instructions in the proxy materials if that method is available.

34. Can the Plan be changed?

Yes. BankFinancial and Computershare may suspend, modify or terminate the Plan at any time. All participants will be sent notice of any suspension, modification or termination. If the Plan is terminated, certificates for whole shares held in your Plan account will be issued and a cash payment will be made for any fractional shares. BankFinancial reserves the right to deny, suspend or terminate participation by a participant who is using the Plan for purposes inconsistent with the intended purpose of the Plan. In such event, Computershare will notify you in writing and will continue to safekeep your shares but will no longer accept optional cash investments or reinvest your dividends. Computershare will issue a certificate for your shares to you upon written request.

Computershare also may terminate your Plan account if you do not own at least twenty-five (25) shares. In the event your Plan account is terminated for this reason, a check for the cash value of the fractional share will be sent to you and your account will be closed.

35. What are the responsibilities of BankFinancial and Computershare under the Plan?

Neither BankFinancial nor Computershare will be liable for any act or omission to act, which was done in good faith, including without limitation any claims based on delays in processing stockholder directions or requests and any claim of liability arising out of the failure to terminate a participant's account upon the participant's death prior to receipt of notice in writing of the death along with a request to terminate participation from a qualified representative of the deceased.

You should recognize that neither BankFinancial nor Computershare could assure you of a profit or protect you against a loss on shares purchased through the Plan. Although BankFinancial currently contemplates the continuation of quarterly dividends, the payment of dividends is subject to the discretion of BankFinancial's Board of Directors and will depend upon future earnings, the financial condition of BankFinancial and other factors. Dividends may increase or decrease.

36. What are the federal income tax consequences of participating in the Plan?

Participants in the Plan are advised to consult their own tax advisors with respect to the tax consequences of participation in the Plan (including federal, state, local and other tax laws and U.S. tax withholding laws) applicable to their particular situations.

Cash dividends reinvested under the Plan will be taxable for U.S. federal income tax purposes as having been received by you even though you have not actually received them in cash. Although Computershare will reinvest dividends on Plan shares, you remain solely responsible for any income taxes payable on such dividends. Dividend income (consisting of dividends and any transaction or trading fees paid on your behalf by BankFinancial) paid to Computershare on your behalf will be reported to the U.S. Internal Revenue Service on Form 1099 DIV, a copy of which will be sent to you.

You will not recognize gain or loss for U.S. federal income tax purposes upon a transfer of shares to your Plan account or the withdrawal of whole shares from your account. You will generally recognize gain or loss upon the receipt of cash for fractional shares held in the Plan. You will also recognize gain or loss when shares are sold. The amount of gain or loss will be the difference between the amount that you receive for the shares sold and your tax basis in the shares. In order to determine the tax basis for shares in your account, you need to retain all account statements. If you sell shares through the Plan, Computershare will send a Form 1099-B to you and the U.S. Internal Revenue Service after the end of the year showing the total proceeds of the transactions.

IRS Regulations require Computershare to have a valid and effective tax certification form on file beforehand, in order to avoid the application of U.S. withholding taxes at the then effective rate to payments for dividends (including reinvested dividends) and/or sales. For U.S. persons, Form W-9 is required. For non-U.S. persons, Form W-8BEN is required from the beneficial owners of the shares. Taxes withheld for the year will be shown on the tax information forms furnished by Computershare to you under IRS rules.

Item 15. Indemnification of Directors and Officers.

Articles 12 and 13 of the Articles of Incorporation of the Corporation set forth circumstances under which directors, officers, employees and agents of the Corporation may be insured or indemnified against liability that they incur in their capacities as such:

Article 12. Indemnification.

Section A. Indemnification. The Corporation: (1) shall indemnify its current and former Directors (including any Director who was or is also an officer of the Corporation), whether serving the Corporation or at its request serving any other entity, including, without limitation, any subsidiary or other affiliate of the Corporation, to the fullest extent required or permitted by the MGCL (but, in the case of any amendment to the MGCL, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than such law permitted the Corporation to provide prior to such amendment), including the advancement of expenses under procedures permitted or required by applicable law and to the fullest extent permitted by applicable law; (2) shall indemnify (including the advancement of expenses under procedures permitted or required by applicable law) its current and former officers to the fullest extent, consistent with applicable law, as may be required in a contract approved by the Board of Directors pursuant to a resolution approved by a majority of Directors then in office, or as may be required the Bylaws of the Corporation; and (3) may, to the extent not required pursuant to paragraph (2) of this Section A of this Article 12, indemnify (including the advancement of expenses under procedures permitted or required by applicable law) current and former officers and other employees and agents of the Corporation as may be authorized by the Board of Directors in the specific case and permitted by applicable law or the Bylaws of the Corporation; provided, however, that, except as provided in Section B of this Article 12 with respect to proceedings to enforce rights to indemnification or in a contract approved by the Board of Directors pursuant to a resolution approved by a majority of Directors then in office, the Corporation shall not indemnify any such indemnitee in connection with a proceeding (or part

Table of Contents

thereof) initiated by such indemnitee unless such proceeding (or part thereof) was authorized by the Board of Directors pursuant to a resolution approved by a majority of the Directors then in office.

Section B. Procedure. If a claim under Section A of this Article 12 is not paid in full by the Corporation within 60 days after a written claim has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 30 days, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, the indemnitee shall also be entitled to be reimbursed the expense of prosecuting or defending such suit against the Corporation. It shall be a defense to any action for advancement of expenses that the Corporation has not received both: (1) an undertaking as required by law to repay such advances in the event it shall ultimately be determined that the standard of conduct for indemnification has not been met; and (2) a written affirmation by the indemnitee of his or her good faith belief that the standard of conduct necessary for indemnification by the Corporation has been met. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the MGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by an indemnitee to whom the Corporation has not agreed to advance expenses, be a defense to such suit. In any suit brought by the indemnitee to enforce any right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article or otherwise, shall be on the Corporation.

Section C. Non-Exclusivity. The rights to indemnification and to the advancement of expenses conferred in this Article shall not be exclusive of any other right that any person may have or hereafter acquire under any statute, this Charter, the Bylaws of the Corporation, any contract, agreement, vote of stockholders or disinterested Directors, or otherwise.

Section D. Insurance. The Corporation may maintain insurance, at its expense, to protect itself or any Director, officer, employee or agent of the Corporation or another corporation, partnership, limited liability company, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the MGCL.

Section E. Miscellaneous. The Corporation shall not be liable for any payment under this Article 12 in connection with a claim made by any indemnitee to the extent such indemnitee has otherwise actually and unconditionally received payment under any insurance policy, agreement, or otherwise, of the amounts otherwise indemnifiable hereunder. The rights to indemnification and to the advancement of expenses conferred in Sections A and B of this Article 12 shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a Director

Table of Contents

or officer of the Corporation and shall inure to the benefit of the indemnitee's heirs, executors and administrators. Any repeal or modification of this Article 12 shall not in any way diminish any rights of any person to indemnification or advancement of expenses of or the obligations of the Corporation arising hereunder with respect to events occurring, or claims made, while this Article is in force.

Article 13. Limitation of Liability.

An officer or Director of the Corporation, as such, shall not be liable to the Corporation or its stockholders for money damages except: (A) to the extent that it is proved that the person actually received an improper benefit or profit in money, property or services for the amount of the benefit or profit in money, property or services actually received; or (B) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. If the MGCL is amended to further eliminate or limit the personal liability of officers and directors, then the liability of officers and Directors of the Corporation shall be further eliminated or limited to the fullest extent permitted by MGCL, as so amended. Any repeal or modification of this Article 13 by the stockholders of the Corporation shall not adversely affect any right or protection of a Director or officer of the Corporation existing at the time of such repeal or modification.

In addition, the Corporation has entered into Employment Agreements with F. Morgan Gasior, James J. Brennan, Paul A. Cloutier, Robert O. Shaughnessy and Christa N. Calabrese pursuant to which the Corporation has undertaken contractually to provide indemnification in the manner described above.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
