To our Stockholders:

You are cordially invited to attend the annual meeting of stockholders of Natural Alternatives International, Inc. to consider and act upon the following matters:

Your vote is important. Whether or not you plan to attend the meeting, we urge you to vote your shares at your earliest convenience. This will help ensure the presence of a quorum at the meeting. Voting your shares now will not prevent you from attending or voting your shares at the meeting if you desire to do so.

Only stockholders and persons holding proxies from stockholders may attend the meeting. If you plan to attend, please bring a photo ID. If your shares are held in the name of a broker, trust, bank or other nominee, you will need to bring a recent brokerage statement, proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares.

PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Natural Alternatives International, Inc., a Delaware corporation (the Company or we, our, or us), for use at the annual meeting of stockholders to be held on Friday, December 1, 2006, at 1:00 p.m. Pacific time, at the San Diego Marriott Del Mar, 11966 El Camino Real, San Diego, California 92130, and at any adjournment thereof (the Annual Meeting). We expect to mail this proxy statement and the enclosed proxy card on or about October 24, 2006 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

Who can vote?

You may vote if you were a stockholder of record as of the close of business on October 4, 2006. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of October 4, 2006, approximately 6,825,862 shares of our common stock, par value \$0.01 per share, were issued and outstanding, net of 70,000 treasury shares.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of October 4, 2006, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A proxy allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow the people named on the proxy card (Mark A. LeDoux and Randell Weaver) to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by Internet or by mail. Shares held in street name may be voted by telephone or by Internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by Internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date. You may also send a written notice of revocation to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California 92078, Attention: Mr. Randell Weaver, Secretary.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and voted. If you vote your shares by proxy and later decide you would like to attend the meeting and vote your shares in person, you will need to provide a written notice of revocation to the secretary of the meeting before your proxy is voted.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes on each proposal. An abstention from voting will be used for the purpose of establishing a quorum, and will be considered a vote against a proposal. A broker non-vote will also be used for the purpose of establishing a quorum, but will not otherwise be counted in the voting process. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the Annual Meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

How many votes are required to approve each of the proposals?

For the election of the two Class I directors, a plurality of the votes is required. This means that the two candidates who receive the most votes will be elected to the two available Class I positions on the Board of Directors. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve the other proposal. See, however, Proposal 2 Effect of Ratification.

As of October 4, 2006, our executive officers and directors held of record or beneficially approximately 1,708,676 shares, or 25%, of our issued and outstanding common stock. Our executive officers and directors have indicated their intention to vote for the election of each of the nominees for the Class I directors and for the other proposal described in this proxy statement.

Who pays for this proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries, custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, telegram or other means. No additional compensation will be paid to these individuals for any such services. If necessary, we also may retain Mellon Investor Services LLC to help us solicit proxies and pay a fee to Mellon Investor Services LLC for any such solicitation services provided.

Board Meetings

The Board of Directors held six regular meetings during the fiscal year ended June 30, 2006. All of the members of the Board of Directors were present at each of the six meetings.

Independence

Nasdaq rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that four of our five directors are independent under the listing standards of the Nasdaq Stock Market. The members determined to be independent are Messrs. Davis, Dunn, Lane and Weldon.

Board Committees

The Board of Directors has an Audit Committee, a Human Resources Committee, which functions as a compensation committee, and a Nominating Committee. Membership on each committee is limited to independent directors as defined under the listing standards of the Nasdaq Stock Market. In addition, members of the Audit Committee must also meet the independence standards for audit committee members adopted by the Securities and Exchange Commission (SEC). The members of the committees of our Board of Directors are as follows:

Audit Committee	Human Resources Committee	Nominating Committee
Joe E. Davis (Chairman)*	Lee G. Weldon (Chairman)	Lee G. Weldon (Chairman)
Alan G. Dunn	Joe E. Davis	Joe E. Davis
Alan J. Lane*	Alan G. Dunn	Alan J. Lane

* The Board of Directors has determined that Messrs. Davis and Lane are each an audit committee financial expert as defined by applicable rules adopted by the SEC.

During the fiscal year ended June 30, 2006, the Audit Committee held nine regular meetings, the Human Resources Committee held six regular meetings, and the Nominating Committee held five regular meetings.

Audit Committee. The Audit Committee operates under a charter originally adopted by the Board of Directors in 2000, and amended and restated in April 2004. A copy of the Amended and Restated Audit Committee Charter effective as of April 30, 2004 was included as Attachment A to the proxy statement for our 2004 Annual Meeting of Stockholders filed with the SEC on October 28, 2004. The general function of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of the Company, including the integrity of our financial statements and disclosures; the surveillance of administration and financial controls and our compliance with legal and regulatory requirements; the qualification, independence and performance of our independent registered public accounting firm; and the performance of our internal audit function and control procedures. The Audit Committee is responsible for reviewing and recommending matters to the Board of Directors, but has no authority to make final decisions except as set forth in the Audit Committee's charter. The Audit Committee has the sole authority to appoint, determine funding for, and oversee our independent registered public accounting firm.

Human Resources Committee. The Human Resources Committee operates under a charter adopted by the Board of Directors in January 2006. The primary purpose of the Human Resources Committee is to oversee the Company's overall compensation and incentive programs for its executive officers and certain other key personnel. Among other things, the Human Resources Committee helps administer the Company's incentive compensation and equity-based plans and makes recommendations to the Board of Directors with respect to the granting of awards under such plans, and otherwise recommends to the Board of Directors the amount of compensation to be paid or awarded to our officers and certain other personnel including salary, bonuses, stock option grants, other cash or stock awards under our management cash incentive and equity incentive plans, retirement and other compensation.

Nominating Committee. The Nominating Committee operates under a charter adopted by the Board of Directors in August 2004. A copy of the Nominating Committee Charter effective as of August 27, 2004 is not currently available on the Company's website but was included as Attachment B to the proxy statement for our 2004 Annual Meeting of Stockholders filed with the SEC on October 28, 2004. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, reviews director compensation and benefits, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See [Stockholder Communications with Directors](#) below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee's evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets Nasdaq and/or SEC requirements relating to independence and/or financial expertise, as applicable, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting the Company's business strategies, financial and operational performance and corporate governance practices. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with the Board of Directors. Under the policy, stockholders may communicate with the Board of Directors as a whole, with the independent directors, with a committee of the Board, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California, 92078, Attn: Corporate Secretary. The envelope must contain a clear notation indicating that the enclosed letter is a Stockholder-Board Communication or Stockholder-Director Communication. All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board, or certain specified individual directors. The Corporate Secretary will review the communications received from stockholders at the above designated address on a regular basis and if they are relevant to the Company's operations and policies, they will be copied and forwarded to the appropriate director or directors as expeditiously as reasonably practicable. By way of example, communications that are unduly hostile, threatening, obscene, illegal or similarly inappropriate will not be forwarded to any director. Matters deemed to be trivial in the sole discretion of the Corporate Secretary will be delivered to the appropriate director or directors at the next regularly scheduled meeting of the Board of Directors. The Corporate Secretary will periodically provide the Board of Directors with a summary of all communications received that were not forwarded and will make those communications available to any director upon request. The Board of Directors will determine whether any communications sent to the Board of Directors should be properly addressed by the entire Board or a committee thereof and whether a response to the communication is warranted.

Attendance at Annual Meetings

The members of the Board of Directors are encouraged, but not required, to attend each of the Company's annual meetings of stockholders. It may not be possible or practicable, in light of other business commitments of the directors, for all of the members of the Board of Directors to attend all of the Company's annual meetings of stockholders. At the Company's last annual meeting of stockholders held on December 2, 2005, each of the members of the Board of Directors attended the annual meeting.

Director Compensation

Each of the non-employee directors (Messrs. Davis, Dunn, Lane and Weldon) receives an annual retention fee of \$10,000, and a fee of \$1,000 for each board and committee meeting such director attends. The annual retention fee is paid in advance at the beginning of each year of a director's term, which is determined to commence on the date of the annual meeting held to elect any class of directors and to continue until the next annual meeting of stockholders held to elect any class of directors. Directors appointed during a term year may receive a proportional amount of the annual retention fee for that year. Options and other equity awards may be granted to directors on a discretionary basis. Mr. LeDoux receives no additional compensation for serving as a director. Directors are reimbursed for travel and other expenses incurred in connection with attending board and committee meetings. The Company also may invite directors and their spouses to attend Company-related events and generally provides for, or reimburses expenses of, such directors' and spouses' travel, food and lodging for attendance at such events.

PROPOSAL 1

ELECTION OF CLASS I DIRECTORS

Members of each class of our Board of Directors are elected to serve for a three-year term. The three-year terms of the members of each class are staggered, so that each year the members of a different class are due to be elected at the annual meeting. The Class I directors currently are serving a term that is due to expire at the Annual Meeting. The Class II directors currently are serving a term that is due to expire at our next annual meeting, and the Class III director is serving a term that is due to expire at the next annual meeting thereafter.

Nominees

At the Annual Meeting two Class I directors are to be elected, each to serve until the next annual meeting of stockholders held to elect Class I directors and until their respective successor is elected and qualified or until their respective death, resignation or removal. The Board of Directors proposes the election of the nominees named below, who currently are Class I members of our Board of Directors.

Unless authorization to do so is withheld, proxies received will be voted for the nominees named below. If any nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. The persons nominated for election have agreed to serve if elected, and the Board of Directors has no reason to believe that the nominees will be unable to serve.

Our Board of Directors proposes the election of the following nominees as Class I members of the Board of Directors:

Mark A. LeDoux

Joe E. Davis

Our Board of Directors unanimously recommends that you vote FOR the election of each of the nominees as a Class I director of the Company.

PROPOSAL 2

RATIFICATION OF SELECTION OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended June 30, 2006 was Ernst & Young LLP. The Audit Committee of the Board of Directors has selected and approved Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2007. One or more representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions and to make a statement if they desire to do so.

Audit Fees

The aggregate fees billed to the Company by Ernst & Young LLP for professional services rendered for the audit of our annual financial statements, the reviews of the financial statements included in our Quarterly Reports on Form 10-Q and other services provided in connection with our statutory and regulatory filings during each of the last two fiscal years ended June 30, were:

2006	\$ 245,582
2005	\$ 191,307

Audit-Related Fees

The aggregate fees billed to the Company by Ernst & Young LLP for assurance and related services reasonably related to the performance of the audit or review of our financial statements for each of the last two fiscal years ended June 30, and not included under Audit Fees above, were:

2006	\$ 92,973
2005	\$ 9,646

The 2006 fees were for the audit of Real Health Laboratories, Inc. as of October 31, 2005. We acquired Real Health Laboratories, Inc. on December 5, 2005. The 2005 fees were for services associated with assistance provided by Ernst & Young LLP in connection with internal control reporting requirements under Section 404 of the Sarbanes-Oxley Act of 2002.

Tax Fees

The aggregate fees billed to the Company by Ernst & Young LLP in each of the last two fiscal years ended June 30 for professional services for tax compliance, tax advice, and tax planning were:

2006	\$ 0
2005	\$ 0

All Other Fees

There were no other fees billed to the Company by Ernst & Young LLP for products and services provided during the fiscal years ended June 30, 2006 and June 30, 2005.

Pre-Approval Policies and Procedures

On June 23, 2003, the Audit Committee approved certain policies and procedures under which all audit and non-audit services performed by our independent registered public accounting firm must be approved in advance by the Audit Committee. Under these policies and procedures, proposed services to be provided by our independent registered public accounting firm may either be pre-approved without consideration of specific case-by-case services by the Audit Committee (general pre-approval), or require the specific pre-approval of the Audit Committee (specific pre-approval). The Audit Committee may delegate either type of pre-approval authority to one or more of its members, who would then be required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by our independent registered public accounting firm. Any proposed services exceeding pre-approved cost levels or budgeted amounts also will require specific pre-approval by the Audit Committee. In granting both general and specific pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence, as well as whether our independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as familiarity with our business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance our ability to manage or control risk or improve audit quality. The term of any general pre-approval will be 12 months, unless the Audit Committee determines otherwise.

Audit Services. The annual audit services engagement terms and fees are subject to specific pre-approval by the Audit Committee. Audit services include the annual financial statement audit and quarterly reviews, subsidiary audits, and other services necessary for the auditors to form an opinion on the Company's consolidated financial statements. The Audit Committee monitors the audit services engagement no less frequently than quarterly and also approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other items. In addition, the Audit Committee may grant general pre-approval to other audit services, which include statutory or financial audits for subsidiaries of the Company and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or issued in connection with securities offerings.

Audit-Related Services. The Audit Committee may grant general pre-approval of audit-related services, which are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services include due diligence services pertaining to any potential business acquisitions or dispositions, consultations related to accounting, financial reporting or disclosure matters not classified as audit services, assistance with the implementation of new accounting and financial reporting rules and guidance, financial audits of employee benefit plans, and assistance with internal control reporting requirements.

Tax Services. To the extent the Company retains its independent registered public accounting firm to provide tax services, the Audit Committee may grant general pre-approval for those tax services that historically have been provided by its independent registered public accounting firm and that the Audit Committee has reviewed and determined would not impair the independence of the auditor. Generally, tax services involving large and complex transactions must be specifically pre-approved by the Audit Committee.

Other Services. The Audit Committee may grant general pre-approval to those permissible non-audit services that it determines are routine and recurring services and that would not impair auditor independence. All other services not otherwise classified above must be specifically pre-approved by the Audit Committee.

Procedures. All services proposed to be provided by our independent registered public accounting firm that do not require specific pre-approval by the Audit Committee are submitted to the Company's Chief Financial Officer, who determines whether such services are included within those that have received general pre-approval by the Audit Committee. All services proposed to be provided by our independent registered public accounting firm that require specific pre-approval by the Audit Committee are submitted to the Audit Committee by both the independent registered public accounting firm and the Company's Chief Financial Officer. The Chief Financial Officer is responsible for monitoring the performance of the services provided by the independent registered public accounting firm, determining whether such services are in compliance with the Audit Committee's pre-approval policies, and reporting the results of his monitoring on a periodic basis to the Audit Committee. The amount of audit-related, tax and other services provided to the Company by Ernst & Young LLP described above that were pre-approved by the Audit Committee in accordance with its policies and procedures was \$92,973 of the total of \$92,973 or 100% for fiscal 2006, and \$9,646 of the total of \$9,646 or 100% for fiscal 2005.

Effect of Ratification

Under the terms of each agreement, the officer's employment is at-will and the employment may be terminated at any time, with or without cause, by either the officer or the Company. Each officer receives an annual salary, payable no less frequently than monthly, and may receive certain employee benefits available generally to all employees or specifically to executives, including bonus compensation in a manner and at a level determined from time to time by the Board of Directors, medical, dental, vision, term life, short and long term disability, long term care, and participation in the Company's Employee Stock Purchase Plan. Mr. Dullea is also entitled to receive an amount equal to \$530 per month as payment or reimbursement for golf club membership dues. The annual salaries of each executive officer under the employment agreements in effect at June 30, 2006 were:

Under the terms of each of the employment agreements for the above-named officers, each officer is entitled to a severance benefit, including standard employee benefits available to other corporate officers, in the event the officer is terminated by the Company without cause in an amount equal to one year's compensation, provided the officer executes and delivers to the Company a general release of claims, with the exception of Mr. Dullea who is entitled to receive a severance benefit in an amount equal to two years' compensation if he is terminated by the Company without cause on or before December 5, 2007, and 18 months' compensation if he is terminated by the Company without cause after December 5, 2007. Mr. Dullea also is entitled to receive a reasonable amount for executive outplacement services during his severance period if he is terminated by the Company without cause. If an officer does not execute and deliver a general release of claims, the severance benefit is reduced to one month's compensation. If an officer is terminated by the Company without cause upon a change in control, each officer is entitled to receive a severance benefit in an amount equal to two years' compensation, provided the officer executes and delivers to the Company a general release of claims. If the officer does not execute and deliver a general release of claims, the severance benefit is reduced to one month's compensation. In addition, if any officer is terminated by the Company without cause upon a change of control, all then outstanding options held by the officer become fully exercisable and remain so for the term of the option, provided that the officer executes and delivers to the Company a general release of claims. Mr. Dullea's employment agreement further provides that in the event of his death and receipt by the Company of a general release of claims on behalf of his estate, all his then outstanding options become fully exercisable.

On June 29, 2006, the employment agreements by and between the Company and Timothy E. Belanger, and by and between the Company and Mark E. Zimmerman, were terminated. HUMAN RESOURCES COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Human Resources Committee of the Board of Directors oversees the Company's overall compensation and incentive programs for its executive officers and certain other key personnel. Among other things, the Human Resources Committee helps administer the Company's incentive compensation and equity-based plans and makes recommendations to the Board of Directors with respect to the granting of awards under such plans, and otherwise recommends to the Board of Directors the amount of compensation to be paid or awarded to our executive officers and other key personnel including salary, bonuses, stock option grants, other cash or stock awards under our management cash incentive and equity incentive plans, retirement and other compensation. All of the members of the Human Resources Committee are independent directors.

Executive Compensation Policies and Programs

Our executive compensation programs are designed to attract and retain highly qualified executives and to motivate them to improve long-term stockholder returns by achieving both short- and long-term strategic Company goals. Our compensation programs seek to link a significant portion of each executive's compensation directly to individual and Company performance and to align the financial interests of our executives with those of our stockholders. There are three basic components to our executive compensation program: salary and benefits, annual cash incentive bonuses, and long-term incentive compensation in the form of stock options and other equity-based compensation. Each component is addressed in the context of individual and Company performance, competitive conditions and equity among employees.

Salary and Benefits. We design our executive salary structure to be competitive. We believe a competitive salary structure is important if we are to retain our executives and other key employees and attract highly qualified executives when needed. To determine whether our salary structure is competitive, we periodically review

available information about prevailing salaries and compensation programs offered by companies within our geographic area that are similar to us in size and type of business conducted. We take into account not only the amount of our base salary but also our overall benefits package. Our executive benefits include vacation, medical, dental, vision, term life, and disability. An individual executive's salary and benefits package will vary within our framework based on responsibilities, experience, leadership, potential future contribution, and demonstrated individual performance.

Annual Incentive Bonus. Each executive officer is eligible to receive an annual cash bonus under our management cash incentive plan. The plan is designed to reward executive officers and other key personnel for significant contributions to our performance during the fiscal year. Each fiscal year, the Board of Directors, based on recommendations from the Human Resources Committee, establishes various goals related to one or more of the following categories: Company performance, functional/departmental performance and/or individual performance. Each goal is weighted and a portion of any bonus may be subject to the discretion of the Board of Directors. The successful completion of each goal may be evaluated on a pass/fail basis, or may be designated three performance levels: a threshold, a target and an outstanding level. These levels are intended to motivate our executives by providing substantial bonus payments for the achievement of financial goals. The bonus earned will be directly related to the participant's performance and determination of achievement, if any, of each performance goal and may be in the form of a percent of salary and/or a flat dollar amount. Any award under the plan must be approved by the Human Resources Committee after our audited financial results for the fiscal year are completed. If a participant is terminated or resigns, the participant forfeits all rights to any award under the plan.

Long-Term Incentive Compensation. Each executive officer is eligible to participate in our 1999 Omnibus Equity Incentive Plan (the *Plan*). Under the Plan, the Board of Directors, based on recommendations from the Human Resources Committee, may grant incentive and nonqualified stock options, restricted stock, stock appreciation rights, and stock units to executive officers and other personnel, non-employee directors and consultants. As of June 30, 2006, only incentive and nonqualified stock options have been granted under the plan.

Options to buy shares of our common stock are awarded with an exercise price equal to or greater than the fair market value of our common stock on the date of grant. Accordingly, the executive is rewarded only if the market price of our common stock appreciates.

Stock options are designed to align the interests of our executive officers with those of our stockholders by encouraging executives to enhance the value of the Company and, thus, the price of our common stock and the stockholders' return.

Defined Benefit Plan. We sponsor a defined benefit pension plan that provides retirement benefits to employees based generally on years of service and compensation during the last five years before retirement. Effective June 20, 1999, the Board of Directors amended the plan to freeze the accrued benefit of each plan member at its then current amount and to no longer allow inactive plan members or other employees to become active members of the plan. Mr. LeDoux and Dr. Wise are plan members.

Other Plans. We have a profit sharing plan under Section 401(k) of the Internal Revenue Code of 1986, as amended (the *Code*), whereby executive officers and other employees may contribute a percentage of their compensation. Prior to January 1, 2004, we matched 50% of the first 6% of a participant's compensation contributed to the plan. Effective January 1, 2004, the plan was amended to require that we match 100% of the first 3% of a participant's compensation contributed to the plan and 50% of the next 2% of a participant's compensation contributed to the plan. We also have an employee stock purchase plan that allows executive officers and other eligible employees to have a maximum of 15% of their compensation withheld through payroll deductions to buy shares of our common stock at the lower of 85% of (i) the fair market value at the beginning of each offering period, or (ii) the fair market value on predetermined dates.

Chief Executive Officer. Mr. LeDoux, the Chairman of the Board and our Chief Executive Officer, is awarded a base salary and is evaluated substantially in accordance with the foregoing policies, with the exception that any bonus he may receive under our management cash incentive plan is in the discretion of the Board of Directors and not subject to predefined goals. In September 2004, the Human Resources Committee recommended and the Board of Directors approved, a 3.75% increase in Mr. LeDoux's salary from \$242,190 to \$251,272. The increase was based on an evaluation of Mr. LeDoux's contributions to the Company, the accomplishments achieved by the Company, and a review of executive compensation at other public-companies in the San Diego, California area and changes in the Consumer Price Index for the San Diego Urban Area.

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees and directors, including all of our officers and our non-employee directors. The Audit Committee periodically reviews the policy and the Company's compliance with the policy. We will furnish a copy of our Code of Business Conduct and Ethics, free of charge, upon written request to the Company at 1185 Linda Vista Drive, San Marcos, California 92078, Attn: Chief Financial Officer. Our Code of Business Conduct and Ethics is not incorporated in, and is not a part of, this proxy statement and is not proxy-soliciting material.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and any person who owns more than 10% of our common stock, to file with the SEC initial reports of ownership of our common stock within 10 days of becoming a director, executive officer or greater than 10% stockholder, and reports of changes in ownership of our common stock before the end of the second business day following the day on which a transaction resulting in a change of ownership occurs. Directors, executive officers and greater than 10% stockholders are required by SEC regulations to provide us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on our review of the copies of such reports provided to us and written representations that no other reports were required, during the fiscal year ended June 30, 2006, all Section 16(a) filing requirements applicable to our directors, executive officers and greater than 10% stockholders were complied with, except for the following reports that were not timely filed: (i) a report was filed on behalf of Mr. LeDoux on December 19, 2005 to report the sale of 600 shares of the Company's common stock on December 14, 2005; and (ii) a report was filed on behalf of Mr. Davis on May 24, 2006 to report his exercise of a non-qualified stock option on May 22, 2006, that inadvertently failed to report the shares of common stock he acquired as a result of such exercise in the number of securities beneficially owned by him. An amendment to such report to report the shares acquired as a result of the exercise was filed on behalf of Mr. Davis on October 16, 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 5, 2005, the Company acquired Real Health Laboratories, Inc., a California corporation (RHL). The acquisition of RHL by the Company was effected pursuant to the terms of a Stock Purchase Agreement. John F. Dullea and Carolyn A. Dullea, as the trustees of The John F. and Carolyn A. Dullea Trust dated June 20, 2001, were one of the selling stockholders and received \$2,043,514 in cash from the Company and 216,751 shares of the Company's common stock. Following the acquisition, Mr. Dullea retained his position as President of RHL and in June 2006 became an Executive Vice President of the Company.
