Item 1.01. Entry into a Material Definitive Agreement.

On January 28, 2009 and January 29, 2009, Interlink Electronics, Inc. (the Company) entered into individual Redemption Agreements and Releases of Claims dated January 28, 2009 and January 29, 2009 (collectively, the Harvest Agreements) with Harvest Small Cap Partners, L.P. and Harvest Technology Partners, L.P. (collectively, the Harvest Funds), holders of 8% convertible notes (the Notes) and warrants issued by the Company.

The Harvest Agreements provide that the Company will redeem the Notes from the individual Harvest Funds and, in exchange, the Harvest Funds' rights under Purchase Agreements and Registration Rights Agreements dated July 18, 2007 between the Company and the individual Harvest Funds are terminated and the Company is released from all claims of the Harvest Funds against the Company. The Harvest Agreements, therefore, settle as to the Funds the default alleged by other holders of the Notes that was discussed in the Company's 8-K dated December 23, 2008. Pursuant to the Harvest Agreements, the Company paid \$288,885.34 in principal and accrued interest to the Harvest Funds.

On January 28, 2009, the Company entered into individual Redemption Agreements and Releases of Claims dated January 28, 2009 (the SS Agreements) with Special Situations Fund III Q.P., L.P., Special Situations Funds III, L.P., Special Situations Technology Fund, L.P. and Special Situations Technology Funds II, L.P. (collectively the SS Funds), holders of Notes and warrants issued by the Company.

The SS Agreements provide that the Company will redeem the Notes from the individual SS Funds and, in exchange, (i) certain rights of the SS Funds under Sections 7.2, 7.3 and 7.4 of the Purchase Agreements dated July 18, 2007 between the Company and the individual SS Funds are terminated, (ii) the Registration Rights Agreements dated July 18, 2007 and July 19, 2007 between the Company and the individual SS Funds are terminated, except for certain indemnification provisions, and (iii) the Company is released from any claim by the SS Funds relating to the timely registration of certain securities under the Registration Rights Agreements. The Agreements, therefore, settle the default alleged by the SS Funds with regard to the Notes that was discussed in the Company's 8-K dated December 23, 2008. Pursuant to the SS Agreements, the Company paid \$2,983,594.44 in principal and accrued interest to the SS Funds.

Item 1.02. Termination of a Material Definitive Agreement.

As discussed above, when the Company entered into the Harvest Agreements, certain Purchase Agreements and Registration Rights Agreements dated July 18, 2007, which were described in the Company's 8-K dated July 18, 2007, between the Company and the individual Harvest Funds were terminated.

Additionally, when the Company entered into the SS Agreements, certain Registration Rights Agreements dated July 18, 2007 and July 19, 2007, which were described in the Company's 8-K dated July 18, 2007, between the Company and the individual SS Funds, were terminated;

however, the Company and the SS Funds have agreed that the indemnification provisions contained in Section 6 of the Registration Rights Agreements will survive such termination.

In order to be consistent on the terms of redemption with all note holders, the Company has informed the Harvest Funds and the previously redeeming note holders (see the Company's 8-K dated January 22, 2009 regarding previous redemptions) that it intends to honor, for those holders, the provisions of the Purchase Agreements and Registration Rights Agreements which have survived for the SS Funds.
