Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers

2007 Long-Term Incentive Program Performance Adjustment

On June 26, 2009, a subcommittee of the Compensation Committee (the Subcommittee) of the Board of Directors of Embarq Corporation (Embarq or the Company) approved a performance adjustment for the tranche of restricted stock units (RSUs) originally granted on February 22, 2007 under the Company's 2006 Equity Incentive Plan (the 2006 Plan) and scheduled to vest on February 22, 2010 as part of the Company's 2007 Long-Term Incentive program (the 2007 LTI program). The 2007 LTI program provides that the number of RSUs granted in this tranche could be increased to up to 200% or decreased to 0% of the initial grant based upon the weighted achievement of performance objectives related to the Company's total shareholder return relative to the S&P 500 Index (50% weighting), and return on invested capital (50% weighting), as adjusted for certain items, measured over a three-year period ending December 31, 2009. The performance adjustment will be applied in accordance with the terms of the Agreement and Plan of Merger, dated as of October 26, 2008 between the Company, CenturyTel, Inc. (CenturyTel) and Cajun Acquisition Company (the Merger Agreement) to determine the number of time-vested CenturyTel RSUs that will be received by holders of Embarq RSUs under the 2007 LTI program upon the completion of the merger.

The Subcommittee determined that the achievement of the performance metrics under the 2007 LTI program resulted in a performance adjustment percentage of 200% for the period up to the date of the closing of the merger (the Closing Date), as provided in the Merger Agreement. That performance adjustment percentage will be multiplied by the pro rated number of nominal shares underlying the Embarq RSUs for such period. As required by the Merger Agreement, performance for the period beginning on the Closing Date through the end of the performance period will be deemed to have been achieved at the target performance level.

2008 Long-Term Incentive Program Performance Adjustment

On June 26, 2009, the Subcommittee also approved an adjustment for the RSUs originally granted on March 2, 2008 under the 2006 Plan and scheduled to vest on March 2, 2011 as part of the Company's 2008 Long-Term Incentive program (the 2008 LTI program). The 2008 LTI program provides that the number of RSUs granted could be increased to up to 200% or decreased to 0% of the initial grant based upon the weighted achievement of performance objectives related to the Company's total shareholder return relative to the S&P 500 Index (50% weighting), and economic value added (50% weighting), as adjusted for certain items, measured over a three-year period ending December 31, 2010. The performance adjustment will be applied in accordance with the terms of the Merger Agreement to determine the number of time-vested CenturyTel RSUs that will be received by holders of Embarq RSUs under the 2008 LTI program upon completion of the merger.

The Subcommittee determined that the achievement of the performance metrics under the 2008 LTI program resulted in a performance adjustment percentage of 138% for the period up to the Closing Date, as provided in the Merger Agreement. That performance adjustment percentage will be multiplied by the pro rated number of nominal shares underlying the Embarq RSUs for such period. As required by the Merger Agreement, performance for the period beginning on the Closing Date through the end of the performance period will be deemed to have been achieved at the target performance level.

Non-Employee Director Award Agreement Amendment

Embarq's Non-Employee Director Compensation Program provides for the grant of RSUs upon initial election of each non-employee director. The terms of the initial grant provide for settlement of the RSUs on the date of the third regular annual stockholders' meeting following the grant date. The terms of the award also provide that the RSUs would settle on a pro-rata basis in the event of a change in control as set forth in the form of Director Award Agreement, a form of which is filed as Exhibit 10.3 to the Company's Form 8-K filed on August 1, 2006.

Richard A. Gephardt, a non-employee director of the Company, was appointed to the Board of Directors on June 22, 2007 and his initial RSU award was made on August 3, 2007. Mr. Gephardt is expected to serve on the Board of Directors of CenturyTel following the completion of the merger between Embarq and CenturyTel. In light of this expected service, on June 26, 2009, the Subcommittee determined to modify the terms of Mr. Gephardt's initial grant to provide that the merger with CenturyTel would not accelerate settlement of the RSUs on a pro-rata basis and provide for a fixed vesting date of April 30, 2010.

Amendment to Employment Agreement with Thomas McEvoy

Embarq, Thomas J. McEvoy and CenturyTel have entered into an amendment (the "Amendment") dated as of June 26, 2009 to the Employment Agreement dated December 9, 1997 between Embarq and Mr. McEvoy, as amended as of December 23, 2008 (the "Employment Agreement"). Under the Employment Agreement and the Amendment, the expected change in Mr. McEvoy's total compensation following the completion of the merger with CenturyTel will constitute a Constructive Discharge (as defined in the Employment Agreement). The Amendment provides that Mr. McEvoy shall have the right to provide the required 60-day notice of termination of employment for Constructive Discharge until a date of Mr. McEvoy's choosing between the Closing Date and the first anniversary of the Closing Date, at which time Mr. McEvoy would be entitled to the severance benefits provided by the Employment Agreement, except that severance benefits will be calculated in accordance with his compensation on the Closing Date rather than the date of notice of Constructive Discharge. A copy of the Amendment to Mr. McEvoy's Employment Agreement is attached as Exhibit 10.1 and is incorporated herein by reference.
