On December 23, 2009, Ascent Solar Technologies, Inc. (the Company) announced that effective January 15, 2010, Prem Nath, Ph.D. will resign as the Company's Senior Vice President of Production Operations. In connection with the resignation, the Company and Dr. Nath have executed a Separation Agreement and General Release dated as of December 18, 2009 (the Separation Agreement). Pursuant to the terms of the Separation Agreement, in addition to any benefits to which he is entitled pursuant to his Executive Employment Agreement, Dr. Nath will receive payments totaling \$156,000. Also, 7,500 restricted stock units eligible for vesting on December 31, 2009 will be deemed vested as of that date. In the Separation Agreement, Dr. Nath provides the Company with standard covenants and a general release of claims, and agrees to be bound by non-competition and non-solicitation terms for a period of 18 months.

Contemporaneously with the Separation Agreement, the Company and Dr. Nath executed a consultant agreement (the Consultant Agreement) pursuant to which Dr. Nath will continue to provide services to the Company for approximately 18 months after his resignation as an officer of the Company. The Company anticipates that Dr. Nath will continue to offer assistance on an as-needed basis in the areas of production processes and other operations. In consideration for, and conditioned upon, Dr. Nath's continued services under the Consultant Agreement, half of the restricted stock units and stock options currently held by Dr. Nath that are due to vest in 2010 through 2012 will vest during the term of the Consultant Agreement.
