Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On May 20, 2010, OMNI Energy Services Corp. (the Company) received a letter from the NASDAQ Stock Market (the NASDAQ Letter) indicating that the Company was not in compliance with the continued listing requirements of NASDAQ Listing Rule 5250(c)(1) because the Company did not timely file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2010 (the Form 10-Q). NASDAQ Listing Rule 5250(c)(1) requires the Company to file, on a timely basis, all required periodic financial reports and other documents with the Securities and Exchange Commission. The NASDAQ Letter requests that the Company submit a plan to regain compliance with the continued listing requirements by July 19, 2010.

As previously reported in a Form 12b-25 Notification of Late Filing made by the Company on May 18, 2010, the Audit Committee of the Company's Board of Directors, with the assistance of management, is conducting an internal review related to the Company's accounting for subordinated promissory notes in connection with certain acquisitions which occurred in prior periods. Until the completion of this review, the Company is unable to complete the preparation of its Form 10-Q. The Company plans to file the Form 10-Q as soon as practicable after the completion of this review, the completion of any additional accounting work required as a result of this review, and after the review of its financial statements for the quarter ended March 31, 2010 by the Company's independent registered public accountants.

The Company is in the process of completing a plan to regain compliance with the NASDAQ rules for submission to NASDAQ prior to the July 19, 2010 deadline. It is the Company's intention to regain compliance as soon as practicable pending completion of the aforementioned internal review.

The Company issued a press release on May 24, 2010 disclosing its receipt of the NASDAQ Letter. A copy of the press release is attached hereto as Exhibit 99.1.
