SECURITIES DEALING

5. Dealings in exceptional circumstances

A **PDMR** or **employee insider**, who is not in possession of **inside information** in relation to BHP Billiton, may be given clearance to **deal** if he or she is in severe financial difficulty or there are other exceptional circumstances. Clearance may be given for such a person to sell (but not purchase) BHP Billiton **securities** when he or she would otherwise be prohibited by this document from doing so. The determination of whether the person in question is in severe financial difficulty or whether there are other exceptional circumstances can only be made by the Director designated for this purpose.

A person may be in severe financial difficulty if he or she has a pressing financial commitment that cannot be satisfied otherwise than by selling the relevant BHP Billiton **securities**. A liability of such a person to pay tax would not normally constitute severe financial difficulty unless the person has no other means of satisfying the liability. A circumstance will be considered exceptional if the person in question is required by a court order to transfer or sell the BHP Billiton **securities** or there is some other overriding legal requirement for him or her to do so.

The UK Financial Services Authority must be consulted at an early stage regarding any application by a **PDMR** to **deal** in exceptional circumstances.

Where a request involves the consideration of exceptional circumstances justifying a sale as the only reasonable course of action, particulars of those exceptional circumstances must accompany the relevant clearance request. BHP Billiton may be required to notify the nature of such exceptional circumstances to the relevant stock exchanges.

6. Exercise of Options

- (a) Where BHP Billiton has been in an exceptionally long **prohibited period** or it has had a number of consecutive **prohibited periods**, clearance may be given to allow the exercise of an option or right under an **employees share scheme** or the conversion of a convertible **security**, where the final date for the exercise of such option or right, or conversion of such **security**, falls during a **prohibited period** and the **employee insider** or **PDMR** could not reasonably have been expected to exercise it at a time when he or she was free to **deal**.
- (b) Where the exercise or conversion is permitted pursuant to section 6(a) above, clearance may not be given for the sale of the BHP Billiton **securities** acquired pursuant to such exercise or conversion including the sale of sufficient BHP Billiton **securities** to fund the costs of the exercise or conversion and/or any tax liability arising from the exercise or conversion unless:
 - (i) a binding undertaking to do so was entered into when BHP Billiton was not in a **prohibited period**; or
 - (ii) clearance may be given under Part A, section 3.

7. Savings schemes

Subject to the law, an **employee insider** or **PDMR** may enter into a scheme under which only BHP Billiton **securities** are purchased pursuant to a regular standing order or direct debit or by regular deduction from the person's salary, or where such BHP Billiton **securities** are acquired by way of a standing election to re-invest dividends or other distributions received, or are acquired as part payment of the person's remuneration without regard to the provisions of this document, if the following provisions are complied with:

- (a)

Edgar Filing: BHP BILLITON LTD - Form 6-K

the *employee insider* or *PDMR* does not enter into the scheme during a *prohibited period*, unless the scheme involves the part payment of remuneration in the form of BHP Billiton *securities* and is entered into upon the commencement of the person's employment or in the case of a non-executive Director his or her appointment to the Board;

SECURITIES DEALING

- (b) the *employee insider* or *PDMR* does not carry out the purchase of the BHP Billiton *securities* under the scheme during a *prohibited period*, unless the *employee insider* or *PDMR* entered into the scheme at a time when BHP Billiton was not in a *prohibited period* and that person is irrevocably bound under the terms of the scheme to carry out a purchase of BHP Billiton *securities* (which may include the first purchase under the scheme) at a fixed point in time which falls in a *prohibited period*;
- (c) the *employee insider* or *PDMR* does not cancel or vary the terms of his or her participation, or carry out sales of BHP Billiton *securities* within the scheme during a *prohibited period*; and
- (d) before entering into the scheme, cancelling the scheme or varying the terms of his or her participation or carrying out sales of BHP Billiton *securities* within the scheme, the *employee insider* or *PDMR* obtains clearance in accordance with this document.

8. Acting as a trustee

- (a) Where an *employee insider* or *PDMR* is acting as a trustee, *dealing* in BHP Billiton *securities* by that trust is permitted during a *prohibited period* where:
 - (i) the *employee insider* or *PDMR* is not a beneficiary of the trust; and
 - (ii) the decision to *deal* is taken by the other trustees or by investment managers on behalf of the trustees independently of the *employee insider* or *PDMR*,

unless such *dealing* would contravene the insider trading provisions of the Corporations Act 2001 (Aust), the Criminal Justice Act 1993 (UK) or the market abuse provisions of the FSMA.

- (b) Where there is a trust in respect of which a *employee insider* or *PDMR* is acting as a trustee and the trust is proposing to *deal* in BHP Billiton *securities*, Australian legal advice must be sought by Company Secretariat in advance.
- (c) The other trustees or investment managers acting on behalf of the trustees can be assumed to have acted independently where the decision to *deal*:
 - (i) was taken without consultation with, or other involvement of, the *employee insider* or *PDMR*; or
 - (ii) was delegated to a committee of which the *employee insider* or *PDMR* is not a member.

SECURITIES DEALING

Part B: Other considerations

9. Awards of securities and options

- (a) The grant of options by the Board under an *employees share scheme* to individuals who are not *PDMRs* may be permitted during a *prohibited period* if such grant could not reasonably be made at another time and failure to make the grant would be likely to indicate that BHP Billiton was in a *prohibited period*.
- (b) The award by BHP Billiton of BHP Billiton *securities*, the grant of options and the grant of rights (or other interests) to acquire BHP Billiton *securities* to *PDMRs* is permitted in a *prohibited period* if:
 - (i) the award or grant is made under the terms of an *employees share scheme* and the scheme was not introduced or amended during the relevant *prohibited period*; and
 - (ii) either:
 - (i) the terms of such *employees share scheme* set out the timing of the award or grant and such terms have either previously been approved by shareholders or summarised or described in a document sent to shareholders; or
 - (ii) the timing of the award or grant is in accordance with the timing of previous awards or grants under the scheme; and
- (c) the terms of the *employees share scheme* set out the amount or value of the award or grant or the basis on which the amount or value of the award or grant is calculated and do not allow the exercise of discretion; and
- (d) the failure to make the award or grant would be likely to indicate that BHP Billiton is in a *prohibited period*.
