PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

February 25, 2011

This proxy statement, which is first being mailed to stockholders on approximately January 25, 2011, is furnished in connection with the solicitation by the Board of Directors of Destination Maternity Corporation (the "Company") of proxies to be used at the 2011 Annual Meeting of Stockholders of the Company (the "Annual Meeting"), to be held at 9:15 a.m., Eastern Standard Time, on February 25, 2011 at 3000 Two Logan Square, 18th & Arch Streets, Philadelphia, Pennsylvania 19103, and at any adjournments or postponements thereof. If proxies in the accompanying form are properly executed and returned prior to voting at the meeting, the shares of the Company's common stock ("Common Stock") represented thereby will be voted as instructed on the proxy. If no instructions are given on a properly executed and returned proxy, the shares of the Common Stock represented thereby will be voted for the election of the nominees for director named below, for approval of the amendment to the Company's 2005 Equity Incentive Plan, as amended and restated, for the ratification of the appointment of KPMG LLP as independent registered public accountants and in support of management on such other business as may properly come before the Annual Meeting or any adjournments thereof. Any proxy may be revoked by a stockholder prior to its exercise upon written notice to the Secretary of the Company, by delivering a duly executed proxy bearing a later date, or by the vote of a stockholder cast in person at the Annual Meeting. All references herein to the Company's fiscal years refer to the fiscal year ended on September 30 in the year mentioned. For example, the Company's fiscal year 2010 ended on September 30, 2010.

VOTING

Holders of record of Common Stock on Tuesday, January 18, 2011 will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of that date, there were 6,351,647 shares of Common Stock outstanding and entitled to vote. The presence, in person or by proxy, of holders of Common Stock entitled to cast at least a majority of the votes which all holders of the Common Stock are entitled to cast will constitute a quorum for purposes of the transaction of business. Each share of Common Stock entitles the holder thereof to one vote on the election of each of the nominees for director and on any other matter that may properly come before the Annual Meeting. Stockholders are not entitled to cumulative voting in the election of directors. Directors are elected by a plurality of the votes cast and votes may be cast in favor of or withheld from each director nominee. Votes that are withheld from a director nominee will be excluded entirely from the vote for such nominee and will have no effect thereon.

Abstentions and broker non-votes (described below) are counted in determining whether a quorum is present. Abstentions with respect to any proposal other than the election of directors (Proposal 1) or the advisory vote on frequency of holding advisory votes on executive compensation (Proposal 5) will have the same effect as votes against the proposal, because, in the case of all other proposals approval requires a vote in favor of the proposal by a majority of the shares entitled to vote present at the Annual Meeting in person or represented by proxy. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for some of the

Table of Contents

proposals because the beneficial owners have not instructed the broker on how to vote on such proposals and the broker does not have discretionary authority to vote in the absence of instructions. Brokers are entitled to vote uninstructed shares with respect to the ratification of the selection of independent registered public accountants, but brokers are not entitled to vote uninstructed shares with respect to the election of directors, the amendment to the Company's 2005 Equity Incentive Plan or the two advisory votes related to executive compensation. Broker non-votes are not considered to be shares entitled to vote (other than for quorum purposes), and will therefore have no effect on the outcome of any of the matters to be voted upon at the Annual Meeting.

The cost of solicitation of proxies by the Board of Directors will be borne by the Company. Proxies may be solicited by mail, personal interview, telephone or facsimile and, in addition, directors, officers and regular employees of the Company may solicit proxies by such methods without additional remuneration. Banks, brokerage houses and other institutions, nominees or fiduciaries will be requested to forward the proxy materials to beneficial owners in order to solicit authorizations for the execution of proxies. The Company will, upon request, reimburse such banks, brokerage houses and other institutions, nominees and fiduciaries for their expenses in forwarding such proxy materials to the beneficial owners of the Common Stock.

CORPORATE GOVERNANCE

Significant Corporate Governance Change: Board Size

Currently, our Board of Directors has eleven members. The Board of Directors intends to decrease its size to seven members pending the results of the election at the Annual Meeting. The Board believes a decrease in its size is in the best interest of the Company and its stockholders based on the Board's belief that seven members is a more appropriate, typical and efficient public company board size.

Board Leadership Structure

The Board's policy is that the roles of the Non-Executive Chair of the Board and the Chief Executive Officer should be separate and should not be held simultaneously by the same individual enabling the Board to benefit from independent Board leadership. Mr. Elam M. Hitchner, III, an independent director, has served as the Non-Executive Chairman of the Board since last year's Annual Meeting. As Mr. Hitchner is not seeking re-election to the Board at the Annual Meeting, the identity of the Company's Non-Executive Chair of the Board after the Annual Meeting is unknown at this time and will be determined at the Board meeting held immediately after the Annual Meeting.

Inasmuch as the Non-Executive Chair of the Board is independent, the Board does not believe that a lead director is currently necessary. However, the Board in executive session would establish a lead director in the event of the need for emergency succession actions with respect to either or both the Non-Executive Chair and the Chief Executive Officer or for other purposes as the Board may determine. The independent directors who chair the Company's Audit, Compensation, and Nominating and Corporate Governance Committees also provide leadership to the Board in their assigned areas of responsibility. The Board believes its current structure and operation as described here properly safeguard the independence of the Board.

Corporate Governance Principles

We maintain Corporate Governance Principles that provide a structure within which directors and management can effectively pursue the Company's objectives for the benefit of its stockholders. Our Corporate Governance Principles are available on the Company's investor website at <http://investor.destinationmaternity.com> or to our stockholders by writing to our Secretary at the following address: Destination Maternity Corporation, Attention: General Counsel and Secretary, 456 North Fifth Street, Philadelphia, Pennsylvania, 19123.

Table of Contents

Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics is designed to promote the highest standards of business conduct in our relationships with each other and with our customers, suppliers and others. The Code of Business Conduct and Ethics contains basic principles to guide directors, officers and employees of our Company. Our Code of Business Conduct and Ethics is available on the Company's investor website at <http://investor.destinationmaternity.com> or to our stockholders by writing to our Secretary at the following address: Destination Maternity Corporation, Attention: General Counsel and Secretary, 456 North Fifth Street, Philadelphia, Pennsylvania, 19123.

Board Independence

The Company's Corporate Governance Principles require that a majority of the Company's directors be independent. The Nasdaq Stock Market listing standards require that a majority of the Company's directors be independent and that the Audit, Compensation and Nominating and Corporate Governance Committees be comprised entirely of independent directors. The Board of Directors has adopted standards to assist it in making the annual determination of each director's independence status. These director independence standards, which are set forth in our Corporate Governance Principles, are consistent with the Nasdaq listing standards. A director will be considered independent if he or she meets the requirements of our director independence standards and the independence criteria in the Nasdaq listing standards.

The Board of Directors has affirmatively determined that all of the Company's current directors, except Mr. Krell and Ms. Matthias, and all of the nominee directors, except Mr. Krell, have no direct or indirect material relationship with the Company and satisfy the requirements to be considered independent.

The Board of Directors has determined that each of the Company's current Audit, Compensation and Nominating and Corporate Governance Committees is composed solely of independent directors. Independence for Audit Committee purposes requires compliance with applicable independence rules of the Securities and Exchange Commission (the SEC) in addition to the Nasdaq listing standards. In making the independence determinations for the Board and its committees, the Board reviewed all of the directors' relationships with the Company. This review is based primarily on a review of the responses of the directors to questions regarding employment, business, family, compensation and other relationships with the Company and its management.

None of the members of the Compensation Committee is currently an officer or employee of the Company. No interlocking relationship exists between any member of the Company's Board of Directors or compensation committee of any other company.

The Board of Directors and

Committee Meetings

During fiscal year 2010, the Board of Directors held eight meetings that were called and held in person and two meetings that were called and held telephonically. Each incumbent director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and committees of the Board of Directors on which he or she served.

We expect all of our directors to attend the annual meetings of stockholders. All of the directors, who were serving on the Board of Directors at that time, attended last year's annual meeting of stockholders.

The Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Table of Contents

Audit Committee. During fiscal year 2010, the Audit Committee, which currently consists of Mr. Barry Erdos, *Chair*, Mr. Elam M. Hitchner, III, Ms. Anne T. Kavanagh, and Mr. William A. Schwartz, Jr., held nine meetings, all of which were called and held in person. Mr. Erdos is designated as the audit committee financial expert. Mr. Erdos has no direct or indirect material relationship with the Company and satisfies the requirements to be considered independent. The function of the Audit Committee is to assist the Board of Directors in preserving the integrity of the financial information published by the Company through the review of financial and accounting controls and policies, financial reporting requirements, alternative accounting principles that could be applied and the quality and effectiveness of the independent registered public accountants. The Audit Committee Charter is posted on the Company's investor website.

Compensation Committee. During fiscal year 2010, the Compensation Committee, which currently consists of Mr. Arnaud Ajdler, *Chair*, Mr. Erdos, Mr. Joseph A. Goldblum, Mr. B. Allen Weinstein and Mr. David Schlessinger, held eight meetings, of which two were held telephonically as scheduled. The Compensation Committee considers recommendations of the Company's management regarding compensation, bonuses and fringe benefits of the executive officers of the Company, and determines whether the recommendations of management are consistent with general policies, practices, and compensation scales established by the Board of Directors. In addition, the Compensation Committee administers the Company's equity-based compensation plans. The Compensation Committee also reviews, and discusses with management, the Compensation Discussion and Analysis (CD&A) to be included in the Company's annual proxy statement or annual report, as applicable, and determines whether to recommend to the Board of Directors that the CD&A be included in the proxy statement or annual report. The Compensation Committee Charter is posted on the Company's investor website.

Nominating and Corporate Governance Committee. During fiscal year 2010, the Nominating and Corporate Governance Committee, which currently consists of Ms. Kavanagh, *Chair*, Mr. Ajdler, Mr. Goldblum, Mr. Hitchner and Ms. Melissa Payner-Gregor, held five meetings, of which two were held telephonically as scheduled. The Nominating and Corporate Governance Committee functions include establishing the criteria for selecting candidates for nomination to the Board of Directors, actively seeking candidates who meet those criteria, and making recommendations to the Board of Directors of nominees to fill vacancies on, or as additions to, the Board of Directors.

The Nominating and Corporate Governance Committee will consider director candidates who have relevant business experience, are accomplished in their respective fields, and who possess the skills and expertise to make a significant contribution to the Board of Directors, the Company and its stockholders. It is the Nominating and Corporate Governance Committee's policy to consider Director nominees in a manner that seeks to produce the best candidates with a diversity of qualities, backgrounds and complementary skills. Director nominees should have high-leadership business experience, knowledge about issues affecting the Company and the ability and willingness to apply sound and independent business judgment. The Nominating and Corporate Governance Committee applies the same criteria to nominees recommended by stockholders. Such recommendations should be submitted in writing to the attention of the Nominating and Corporate Governance Committee, c/o Destination Maternity Corporation, 456 North Fifth Street, Philadelphia, Pennsylvania, 19123, and should not include self-nominations. The Nominating and Corporate Governance Committee Charter is posted on the Company's investor website.

Board Role in Risk Oversight

The Board of Directors takes an active role in risk oversight. The Board oversees the Company's strategic planning and the risks inherent in the operation of its business. The Board of Directors administers its risk oversight function through the full Board of Directors and each of its committees. Management of the Company, which is responsible for day-to-day risk management, identifies and assesses the Company's risks on a regular basis, and develops steps to mitigate and manage risks. The Board of Directors receives regular reports on

Table of Contents

management's risk assessment and management process and exercises its risk oversight function by carefully evaluating the reports it receives from management and by making inquiries of management with respect to areas of particular interest. Each of the Board committees is responsible for oversight of risk management practices for categories of top risks relevant to their functions, as summarized below. The Board as a group also reviews risk management practices and a number of significant risks.

The Audit Committee assists the Board with its risk oversight in a variety of areas, including financial reporting, internal controls, and legal and regulatory compliance. The Audit Committee has oversight of the Company's internal audit function and the Company's Code of Business Conduct and Ethics. The Audit Committee also appoints the independent registered public accounting firm and approves the services it provides to the Company. The Compensation Committee oversees risk in connection with compensation programs, including incentive compensation plans and equity-based plans. The Nominating and Corporate Governance Committee oversees risk in connection with corporate governance practices. All of these committees make regular reports of their activities to the full Board.

Compensation of Directors

Directors who are also our employees receive no additional compensation for serving as a director or as a member of any Committee of the Board of Directors. Our current arrangements for non-employee directors are as follows:

The Company pays each non-employee director a retainer of \$6,250 per quarter. Upon conclusion of the annual meeting of stockholders each year, the Company grants each non-employee director 2,000 shares of restricted stock pursuant to the Company's 2005 Equity Incentive Plan that will vest on the earlier of: (1) one year from the date of grant or (2) one day before the Company's next Annual Meeting of Stockholders, subject to acceleration in the event of the non-employee director's death or disability or upon a change in control of the Company.

Each non-employee director is compensated for his or her service at each meeting of our Board of Directors at a rate of \$1,500 for Board meetings scheduled to be held in person and attended by such non-employee director. Non-employee directors are not compensated for attendance at Board of Directors or Committee meetings scheduled to be held telephonically. Additionally, the Chair of each of the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee is paid a quarterly retainer at the rates reflected in the below table, and each non-employee director who is a member of a Committee is compensated for his or her services at each meeting of a Committee scheduled to be held in person and attended by such non-employee director, at the following rates:

Committee / Position	Quarterly Retainer	Meeting Fee
Audit Committee		
Chair	\$ 2,500	\$ 1,500
Member	n/a	\$ 1,500
Compensation Committee

Member	n/a	\$ 1,000
Nominating and Corporate Governance Committee

In November 2010, the Board of Directors determined that each of Mr. Erdos, Mr. Ajdler, Mr. Hitchner and Ms. Kavanagh should receive additional compensation for certain extraordinary services provided for, and at the direction of, the Board. Specifically, the following additional compensation was awarded: (i) Mr. Erdos was

awarded \$25,000 in cash and a one-time grant of 2,000 shares of common stock and (ii) each of Mr. Ajdler, Mr. Hitchner and Ms. Kavanagh was awarded \$15,000 in cash and a one-time grant of 1,500 shares of common stock. The shares of stock will be issued on the day before the Annual Meeting.

Upon the conclusion of fiscal year 2009, our former Chief Executive Officer and Non-Executive Chairman of the Board of Directors, Mr. Dan W. Matthias, entered into a Letter Agreement with the Company whereby he agreed not to seek re-election to the Board of Directors at the Annual Meeting held on January 22, 2010. Accordingly, following the Annual Meeting held on January 22, 2010, Mr. Matthias no longer served as a member of the Board of Directors.

On November 4, 2009, the Company announced that Mr. Hitchner, a director of the Company since 1994, would be appointed as the Non-Executive Chairman of the Board (the Non-Executive Chairman), replacing Mr. Matthias, our co-founder and former Chief Executive Officer, who did not seek re-election to the Board of Directors. The Compensation Committee of our Board of Directors (the Committee) established that the Non-Executive Chairman will be entitled to the following compensation (in addition to the compensation otherwise payable to the Non-Executive Chairman pursuant to the Company's current non-employee director compensation policy as described herein): (a) an additional retainer of \$6,250 per quarter; and (b) an additional 1,000 shares of restricted stock granted upon election or re-election of the Non-Executive Chairman to that position by the Board following the annual meeting of stockholders each year, vesting one year from the date of grant, subject to acceleration in the event of the Non-Executive Chairman's death or disability or upon a change of control of the Company.

In addition, the Committee approved a special one-time grant of 1,000 shares of restricted stock to Mr. Hitchner upon his appointment as Non-Executive Chairman, which vest on the earlier of: (1) one year from the date of grant or (2) one day before the Annual Meeting, subject to acceleration in the event of the Non-Executive Chairman's death or disability or upon a change of control of the Company.

Board members are also reimbursed for their reasonable travel expenses incurred to attend meetings of our Board of Directors or Committees of the Board of Directors on which they serve.

In fiscal year 2010 our non-employee directors received the following compensation:

In November 2009, Mr. Matthias entered into a letter agreement with us, which confirmed that he would not seek re-election to the Board of Directors after the expiration of his term in January 2010. COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Compensation Committee of our Board of Directors (the Committee) has developed and implemented compensation policies, plans and programs that seek to enhance our profitability, and thus stockholder value, by aligning the financial interests of our senior management with those of our stockholders. Our compensation arrangements are designed to attract and retain corporate officers and other key employees and to motivate them to perform to the full extent of their abilities, in the best long-term interests of our stockholders.

Composition of the Committee

The Committee currently consists of Mr. Arnaud Ajdler, *Chair*, Mr. Barry Erdos, Mr. Joseph A. Goldblum, Mr. David Schlessinger and Mr. B. Allen Weinstein. None of these individuals has ever been an officer or employee of the Company. Each member of the Committee is considered to be an independent director under Nasdaq rules and the rules of the SEC. The Report of the Compensation Committee is set forth below after this Compensation Discussion and Analysis section.

The Committee meets at least once annually regarding compensation decisions. In fiscal year 2010 the Committee met eight times.

Significant Actions Taken

Significant actions taken by the Committee during fiscal year 2010 and thereafter include the following:

- (1) Approval of a Letter Agreement with Rebecca C. Matthias in connection with her retirement at the end of fiscal year 2010;
- (2) Approval of an Agreement to provide severance benefits to the Company's Chief Merchandising Officer, Lisa Hendrickson, in the event that her employment is involuntarily terminated in connection with a change in control of the Company; and
- (3) Establishment of special bonus arrangements for Ms. Hendrickson and the Company's Senior Vice President & Chief Financial Officer, Judd P. Tirnauer.

In addition to a discussion of our compensation philosophy in general, the following discussion highlights these specific decisions.

Total Compensation and Allocation Between Compensation Elements

Both the total amount of compensation paid to our named executive officers and the portion of total compensation represented by each element of compensation have been determined by the Committee with reference to the individual capabilities, contributions, and strategic importance of each executive officer. The Committee members apply their independent judgment and experience in making these subjective determinations.

Other significant factors that may be considered by the Committee include the executive's experience and expertise, the pay levels for peers within the Company, the pay levels in the marketplace for similar positions and our performance as a whole. In evaluating these considerations, the Committee may from time to time seek the input of an independent compensation consultant (although no consultant was used during fiscal year 2010).

Table of Contents

Benchmarking

As noted above, one reason the Committee may retain an independent consultant is to evaluate compensation decisions in the context of similar decisions made by other companies in our industry. In that case, we look to the consultant to help us identify these peer companies. The Hay Group identified the following companies as our peers in fiscal year 2007:

Aeropostale, Inc.	dELiA s Inc.
BEBE	Dress Barn, Inc.
Cache	Guess, Inc.
Casual Male Retail Group, Inc.	Gymboree
Cato Corporation	J. Crew Group, Inc.
Charlotte Russe Holding, Inc.	Jos. A. Bank Clothiers, Inc.
Chico s FAS	New York & Co., Inc.
Christopher & Banks Corp.	Tween Brands
Coldwater Creek, Inc.	United Retail Group, Inc.
DEB Shops, Inc.	Wet Seal, Inc.

The Committee continues to believe that these companies represent an appropriate peer group (excluding those companies that are no longer publicly held) and from time to time will examine publicly disclosed pay practices of these companies when evaluating proposed changes in the compensation of our executives.

Participation of Management in the Compensation Process

Mr. Krell was consulted regularly by the Committee in fiscal year 2010 with respect to compensation decisions regarding, and the individual performance of, named executive officers other than himself. While his input in such matters is afforded great weight, the ultimate decision on all named executive officer compensation matters was made only by the Committee or the Board of Directors. The individual performance of Mr. Krell was evaluated by the Committee and the Board of Directors, without input from any manager.

At the request of the Committee, management assembles and distributes to the Committee, in advance of its meeting or meetings, information requested by the Committee to assist the Committee in its compensation decisions. Such information may include corporate financial data, historical compensation data (for us or members of our peer group) and information regarding the accounting, tax or legal consequences of proposed compensation arrangements, as prepared by internal personnel or external advisors.

Effect of Historical Contractual Arrangements

The Committee s compensation decisions are made in light of our current and foreseeable future circumstances and with an eye toward conformity with perceived best practices. However, the Committee s approach to compensation is also influenced by our existing contractual commitments to named executive officers, some of which originated many years ago. When appropriate and practicable, the Committee will negotiate with named executive officers to update such legacy commitments to reflect changed circumstances or evolving commercial practices.

Elements of Compensation

The principal elements of our named executive officers compensation are: (1) base salary, (2) annual cash bonuses, (3) special or discretionary cash bonuses, (4) equity-based incentives, and (5) severance and change in control benefits.

Table of Contents

Base Salary: The base salary of each named executive officer constitutes compensation for discharging such named executive officer's job responsibilities and is intended to achieve comparability with the base salaries of senior executives at similar companies holding comparable positions, taking into account such factors as the individual executive's experience, tenure and alternative employment opportunities.

Individual salary adjustments also take into account individual performance contributions for the year, as well as sustained performance contributions over a number of years and significant changes in responsibilities, if any. The assessment of individual performance is subjective and is not intended to correlate to specific corporate performance measures.

The Committee's decisions regarding fiscal year 2010 salary increases are reflected below:

Executive Officer	Fiscal Year 2009 Base Salary Rate	Fiscal Year 2010 Base Salary Rate
Edward M. Krell Chief Executive Officer & President	\$ 650,000	\$ 650,000
Lisa Hendrickson Chief Merchandising Officer	\$ 433,768	\$ 433,768
Judd P. Tirnauer Senior Vice President & Chief Financial Officer	\$ 325,000	\$ 331,500
Rebecca C. Matthias Former Chief Creative Officer	\$ 571,731	\$ 438,327 (1)

(1) Pursuant to the Letter Agreement with Ms. Matthias regarding her retirement at the end of fiscal year 2010 (described below), Ms. Matthias served the Company in a part-time capacity from June 15, 2010 through September 30, 2010 and earned (i) a base salary at an annualized rate of \$571,731 (unchanged from fiscal year 2009) through June 15, 2010; and (ii) a base salary at an annualized rate of \$114,346 (20% of her full time equivalent pay) from June 16, 2010 to September 30, 2010. Thus, the total amount of base salary Ms. Matthias earned during fiscal year 2010 was \$438,327.

Mr. Tirnauer's base salary increase for fiscal year 2010 was 2% and was intended to approximate changes in the cost of living since the date of his last salary increase in July 2008.

The base salary rates for Mr. Krell, Ms. Hendrickson and Ms. Matthias were not changed by the Committee during fiscal year 2010.

The Committee has not yet made any determinations as to fiscal year 2011 salary increases for named executive officers.

Annual Bonuses: We pay annual bonuses in cash based on our achievement of corporate performance goals established by the Committee, with input from senior management. The target amount for each executive's annual bonus is expressed as a percentage of the executive's base salary and is reflected in the table entitled "Grants of Plan-Based Awards" under the heading "Estimated Future Payouts Under Non-Equity Incentive Plan Awards." The percentage is based primarily on the executive's level of responsibility (and, therefore, his or her ability to influence our business results). For each named executive officer, the target percentages were established contractually in their respective Employment Agreements (or, in the case of Ms. Hendrickson, in her Letter Agreement). As illustrated in the table entitled "Grants of Plan-Based Awards" under the heading "Estimated Future Payouts Under Non-Equity Incentive Plan Awards," each executive's actual bonus payment may be lower or higher than the target amount, based on actual corporate performance relative to the specified goals. In determining the amount of the annual bonus payable to an executive when the applicable performance goals have been met, the Committee may exercise negative discretion to reduce the amount of such annual bonus to ensure that the amount ultimately paid is commensurate with the executive's contribution to the Company's performance.

Table of Contents

The Committee has utilized this same annual bonus approach for several years, and the arrangement is codified as our Management Incentive Program. The terms of the Management Incentive Program are described in greater detail in the Proxy Statement for our January 19, 2007 annual meeting of stockholders.

For fiscal years 2009 and 2010, the Committee continued to use Adjusted EBITDA as the relevant performance metric for annual bonus purposes because it believes that continued profitability will be the key driver to increase stockholder value. For this purpose Adjusted EBITDA represents earnings before interest, taxes, depreciation and amortization, adjusted to exclude: (i) loss on impairment of tangible or intangible assets; (ii) gain or loss on disposal of assets; (iii) gain or loss from the early extinguishment, redemption or repurchase of debt, (iv) stock-based compensation expense and (v) the impact of any changes to accounting principles that become effective during the relevant year. In addition, for fiscal year 2011, Adjusted EBITDA will exclude any expenses incurred by the Company in connection with certain extraordinary, unusual or infrequently occurring events reported in the Company's public filings.

Fiscal Year 2010 Bonuses: With respect to fiscal year 2010 bonuses for named executive officers under the Management Incentive Program, on December 22, 2009 the Committee established that the level of Adjusted EBITDA which would have yielded 100% of target bonus was \$43.9 million and that the level of Adjusted EBITDA which would have yielded the maximum bonus payment (200% of target bonus) was \$50.0 million. In November 2010, the Committee determined that the Company's Adjusted EBITDA for fiscal year 2010 was approximately \$48.3 million (10.1% above the target level for Adjusted EBITDA and 24.7% above the Company's actual Adjusted EBITDA for the 2009 fiscal year of approximately \$38.8 million). Based on the performance goals established by the Committee for fiscal year 2010, the Committee determined that the Company's Adjusted EBITDA for such fiscal year resulted in payment of 172.8% of target bonus under the Management Incentive Program. Pursuant to this determination the Committee determined that the following cash bonuses were payable to the following named executive officers of the Company under the Management Incentive Program: (a) Edward M. Krell, Chief Executive Officer & President: \$1,123,200 (or 172.8% of Mr. Krell's target bonus, which target bonus is equal to 100% of Mr. Krell's fiscal year 2010 base salary of \$650,000); (b) Judd P. Tirnauer, Senior Vice President & Chief Financial Officer: \$286,416 (or 172.8% of Mr. Tirnauer's target bonus, which target bonus is equal to 50% of Mr. Tirnauer's fiscal year 2010 base salary of \$331,500) and (c) Rebecca C. Matthias, former President & Chief Creative Officer: \$757,429 (or 172.8% of Ms. Matthias' target bonus, which target bonus was equal to 100% of the base salary of \$438,327 actually paid to Ms. Matthias for fiscal year 2010). The Committee, with the advice of Mr. Krell, determined that Ms. Hendrickson would not be paid a bonus under the Management Incentive Program for fiscal year 2010, despite the achievement of the performance metric. However, the Committee did authorize the payment of a \$216,884 bonus to Ms. Hendrickson in December 2010 in satisfaction of, and subject to the terms of, the special bonus opportunity granted to Ms. Hendrickson in November 2009 (see below description under *Discretionary or Special Bonuses*).

Fiscal Year 2011 Bonuses: With respect to fiscal year 2011 bonuses for named executive officers under the Management Incentive Program, on December 28, 2010 the Committee established that the level of Adjusted EBITDA which would yield 100% of target bonus is \$59.3 million (a 22.7% increase from fiscal year 2010 Adjusted EBITDA) and that the level of Adjusted EBITDA which would yield the maximum bonus payment (200% of target bonus) is \$66.0 million (a 36.5% increase from fiscal year 2010 Adjusted EBITDA).

Discretionary or Special Bonuses: In addition to maintaining an annual bonus program with payments tied to the achievement of pre-established corporate performance goals, the Committee may also authorize the payment of additional cash bonuses on a discretionary or special basis, to reward extraordinary corporate and/or individual accomplishments or to accomplish specific recruitment or retention objectives.

In anticipation of Ms. Matthias' retirement at the end of fiscal year 2010 and given the Committee's determination of Ms. Hendrickson's value to the Company, the Committee determined that encouraging Ms. Hendrickson's continued service through and beyond the end of fiscal year 2010 is an important objective.

Table of Contents

Therefore, the Committee established an opportunity for Ms. Hendrickson to earn a special bonus of \$216,884 (50% of her base salary) if she remained continuously employed by the Company through December 15, 2010. The special bonus would also be paid to Ms. Hendrickson if her employment was terminated by the Company without cause prior to December 15, 2010. Ms. Hendrickson earned and was paid this bonus in December 2010.

In November 2010, given the Committee's determination of Ms. Hendrickson's and Mr. Tirnauer's value to the Company, the Committee also established an opportunity for Ms. Hendrickson to earn a special cash bonus of \$100,000 and for Mr. Tirnauer to earn a special cash bonus of \$45,084. Each of Ms. Hendrickson and Mr. Tirnauer will be paid his or her respective special bonus on December 10, 2011 if he or she remains continuously employed by the Company through December 10, 2011. These special bonuses will in either case also be paid if the recipient's employment is terminated by the Company without cause prior to December 10, 2011.

Equity-Based Incentives: The Committee makes equity incentive awards annually. Annual equity awards are generally issued after the completion of the applicable fiscal year and, once issued, are retained only if specified service-based vesting requirements are also satisfied, subject to accelerated vesting in certain circumstances. The Committee believes the service-based vesting condition encourages management retention and the use of stock as the form of payment rewards the creation of only sustained stockholder value.

In January 2010, the Committee made the following equity awards to named executive officers: (a) Mr. Krell was granted stock options with respect to 30,000 shares; (b) Ms. Hendrickson was granted stock options with respect to 10,000 shares; and (c) Mr. Tirnauer was granted stock options with respect to 20,000 shares. The size of these equity awards was determined by the Committee after a review of fiscal year 2009 performance (and, with respect to Ms. Hendrickson and Mr. Tirnauer, after consultation with Mr. Krell regarding each executive's performance in fiscal year 2009) and taking into consideration the grantees' other compensation, the value of our shares on the date of grant and the Committee's subjective judgment regarding the size of award necessary to strongly encourage both the retention of the grantees and their continued efforts on our behalf.

The above awards are all subject to conventional service-based vesting over five years and an additional vesting requirement that our stock achieve a particular price target over a specified period, subject to acceleration in certain cases. Details of these awards, as well as the other awards described above, are shown below in the table entitled "Grants of Plan-Based Awards."

The Committee's decision to use stock options rather than restricted stock for these awards was based on several factors. First, only a limited number of shares remain available under the Company's 2005 Equity Incentive Plan for purposes of restricted stock awards. Second, in light of market conditions at the time of grant, the Committee believed that the grant of an option (particularly an option with a performance vesting condition) presented greater incentive than would otherwise exist in a restricted stock grant of similar fair value.

The Committee has not yet made any determinations as to equity awards for named executive officers based on fiscal year 2010 performance.

Severance and Change in Control Benefits: The specific terms of our severance and change in control arrangements are discussed below under the heading "Potential Payments upon Termination or Change in Control."

The Committee has noted the prevalence of severance and change in control arrangements among our peer companies and believes that such arrangements, when properly tailored, are appropriate and necessary. Specifically, the Committee has concluded that such commitments are required to retain the continued service of Mr. Krell, Ms. Hendrickson and Mr. Tirnauer and, in the case of any potential change in control, to enable those executives to evaluate objectively the benefits to our stockholders of the transaction, notwithstanding its potential effects on their own job security.

Table of Contents

The Committee also believes that reasonable severance and change in control benefits (1) should be established with reference to an executive's position and current cash compensation opportunities, not with reference to his or her tenure, (2) should be conditioned upon execution of a release of claims against the employer and its affiliates, and (3) should be conditioned on the executive's commitment not to compete for a reasonable period following any cessation of his or her employment.

Consistent with these principles, on October 13, 2010, the Committee approved an agreement (the *Hendrickson Agreement*) between the Company and Ms. Hendrickson that provides for the payment of certain severance benefits to Ms. Hendrickson if her employment is involuntarily terminated in connection with a change in control of the Company. Prior to that time, Ms. Hendrickson was our only named executive officer that was not party to an agreement with us providing for such benefits. The Committee approved the *Hendrickson Agreement* to provide for more consistent treatment of our named executive officers in this regard and secure Ms. Hendrickson's continued loyalty to us and to our stockholders' interests.

Supplemental Retirement Benefits: During fiscal year 2007, the Committee approved a Supplemental Retirement Agreement with Ms. Matthias. Other executives do not participate in such arrangements and, at this time, the Committee does not intend to implement similar arrangements for other executives. A more detailed description of this arrangement can be found below, under the heading *Pension Benefits for Fiscal Year 2010*.

Letter Agreement with Rebecca Matthias

On November 6, 2009, we announced the retirement of Rebecca C. Matthias as President and Chief Creative Officer of the Company effective June 15, 2010. In connection with Ms. Matthias' retirement, we entered into a Letter Agreement with Ms. Matthias. We entered into the Letter Agreement to encourage Ms. Matthias' commitment to a smooth transition of leadership, to secure her continued availability as a strategic advisor to us, to secure a general release of claims (including Ms. Matthias' acknowledgement that, except as otherwise provided in the Letter Agreement, we have fully satisfied all of our compensation obligations to her), and in consideration for her agreement that her non-competition commitment to us will extend until September 30, 2014.

The Letter Agreement provided for Ms. Matthias' full-time employment through June 15, 2010 (the *Transition Date*). Following the Transition Date, Ms. Matthias agreed to serve as a part-time employee until the end of fiscal year 2010 (the *Termination Date*), at which point Ms. Matthias' employment terminated. Following the Termination Date and through September 30, 2012 (the *Consultancy Period*), Ms. Matthias agreed to make herself available to us for strategic planning, merchandising, public relations, publicity and other matters as requested by our Chief Executive Officer.

In consideration of the services described above, we paid Ms. Matthias: (i) a base salary at an annualized rate of \$571,731 (unchanged from fiscal year 2009) from the Effective Date through the Transition Date; (ii) a base salary at an annualized rate of \$114,346 (20% of her full time equivalent pay) from the Transition Date to the Termination Date, and (iii) certain fringe benefits which continued through the Termination Date. As noted above, the Letter Agreement also provides that Ms. Matthias was eligible for (and, in fact, did receive) a pro-rata cash bonus under our Management Incentive Program for fiscal year 2010. In addition, the Letter Agreement provided for the vesting on the Termination Date of the final tranche of the stock option granted to Ms. Matthias on November 28, 2005 (related to 8,000 shares) and the 10,000 shares of restricted stock issued to her in respect of fiscal year 2009 performance. Ms. Matthias agreed to forego receipt of 10,000 additional shares of restricted stock that would have otherwise been issuable to her in respect of fiscal year 2009 performance.

Finally, as discussed below under the heading of *Pension Benefits for Fiscal Year 2010*, the Letter Agreement provides that, for purposes of determining Ms. Matthias' vested status under her Supplemental Retirement Agreement, her service during fiscal year 2010 would be counted as full-time service.

Additional Compensation Information

Tax and Accounting Considerations Affecting Executive Compensation. We endeavor to design our equity incentive awards so that they are accounted for under standards governing equity-based arrangements and, more specifically, so that they are afforded fixed treatment under those standards. We generally attempt to structure our compensation arrangements to permit full tax deductibility within the limits of Section 162(m) of the Internal Revenue Code. However, the Committee reserves the right to approve compensation that is not fully deductible.

Compensation Risk Analysis. The Committee is keenly aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking. In designing our compensation programs, the Committee seeks to mitigate such risk by:

- (a) providing a meaningful portion of total compensation in the form of equity incentives that vest over multiple years (to encourage an appropriately long-term focus);
- (b) capping annual cash bonuses for named executive officers under the Management Incentive Program at 200% of base salary for Mr. Krell and Ms. Matthias and 100% of base salary for Mr. Tirnauer and Ms. Hendrickson, respectively (to provide appropriate balance between short- and long-term objectives); and
- (c) reserving the discretion to reduce annual bonuses otherwise payable under the Management Incentive Program (to allow recognition of the relationship between individual executive contributions and the achievement of specified performance metrics).

Moreover, while we have not implemented a formal stock ownership guideline for our management team, we note that Mr. Krell already maintains a substantial direct stock ownership position. We believe that this ownership position provides a significant incentive for Mr. Krell to ensure that his actions, and the actions of all those reporting to him, are focused on the creation of sustainable stockholder value and the avoidance of excessive risk.

Option Exercises and Stock Vested during Fiscal Year 2010

Name	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (\$)
Edward M. Krell			9,000	232,150

- (1) This amount reflects the net issuance of shares to Ms. Matthias in connection with her cashless exercise of stock options with respect to an aggregate of 158,475 shares.

Pension Benefits for Fiscal Year 2010

As discussed above, we entered into a Supplemental Retirement Agreement with Ms. Matthias on March 2, 2007 (the "SERP Agreement"). The amount of the benefit payable under the SERP Agreement is the actuarial present value of a single life annuity equal to 60% of Ms. Matthias' deemed final pay, commencing upon cessation of employment. For this purpose, deemed final pay means Ms. Matthias' annual base salary as of

Table of Contents

March 2, 2007, increased by 3% for each new fiscal year, beginning before October 1, 2012, that occurs before Ms. Matthias' cessation of employment. The benefit vested 33 1/3% on March 2, 2007. Starting on September 30, 2007 and on each September 30 thereafter until fully vested, the benefit vested either (i) 15%, if during that entire fiscal year Ms. Matthias provided continuous full-time service to the Company, or (ii) 7.5%, if during that entire fiscal year Mr. Matthias provided at least continuous 50% part-time service to the Company (subject to full acceleration if, following a change in control, her employment ceased due to a termination without cause or a resignation with good reason).

Ms. Matthias' SERP Agreement was amended by the Letter Agreement entered into in connection with her retirement at the end of fiscal year 2010 (see the Compensation Discussion and Analysis for a further discussion of the Letter Agreement with Ms. Matthias). The amendment provides that, for purposes of determining the vested status of Ms. Matthias' benefits under the SERP Agreement, Ms. Matthias will be credited with having served during fiscal year 2010 on a full-time basis. Accordingly, Ms. Matthias was fully vested in her benefits under the SERP Agreement upon her retirement. Those benefits were paid in December 2010 in a single lump sum of \$4,166,000.

The following table sets forth pension or other benefits providing for payment at, following, or in connection with, retirement, granted or accrued to our named executive officers during our fiscal year 2010:

Name	Plan Name	Number of Years Credited Service (#) (1)	Present Value of Accumulated Benefit (\$) (2)	Payments During Last Fiscal Year (\$)
Rebecca C. Matthias	SERP Agreement	4	4,123,753	

- (1) This number reflects Ms. Matthias' years of service since the SERP Agreement was adopted and is relevant in determining the vested status of her SERP benefit. That said, Ms. Matthias had served us for more than 25 years prior to the implementation of the SERP Agreement and the SERP Agreement was adopted in recognition of this past service.
- (2) The value in this column represents the present value of our vested obligation under the SERP Agreement as recognized for financial reporting purposes for fiscal year 2010. Assumptions used in the calculation of this amount are included in Note 18 to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2010.

Potential Payments upon Termination or Change in Control

We have entered into agreements with each of our current named executive officers that provide payments and benefits to the executive in the event of his or her termination of employment under various circumstances, including a change of control. The following tables reflect the amount of compensation payable to each of our current named executive officers upon these various events. The amounts shown assume that such termination was effective as of September 30, 2010, the last day of our fiscal year, and thus includes termination-related amounts earned through such time. The amounts are calculated using various assumptions and are therefore only estimates of the amounts that could become payable to our current named executive officers. The actual amounts to be paid out can only be determined at the time of an actual termination or change in control.

General Amounts Due Upon Termination. Generally, upon a termination of employment for any reason, each current named executive officer is entitled to receive the payment of certain accrued obligations, including the following (none of which are included on the trigger event tables presented below for each named executive officer):

annual base salary through the date of termination, to the extent not paid;

any annual bonus earned but not previously paid with respect to a year ended prior to the date of termination;

Table of Contents

any accrued, but unused, vacation pay;

any unreimbursed business expenses; and

the vested portion of the named executive officer's supplemental retirement benefit (applicable only as to Ms. Matthias).

Edward M. Krell

Termination without Cause or Resignation due to Good Reason. Upon a termination of employment without cause or resignation due to good reason, Mr. Krell will be entitled to the following payments and/or benefits:

a cash lump sum payment equal to (A) three times the sum of (1) Mr. Krell's annual base salary, plus (2) his target annual bonus amount, (B) any annual bonus payable for the year ended prior to the date of termination, and (C) any accrued but unpaid vacation pay;

payment of a pro-rata portion of the annual bonus he would otherwise be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year;

all outstanding stock options, restricted stock and restricted stock units will become fully vested;

continued provision of an automobile and automobile insurance coverage for a period of 1 year following termination;

transfer of (but not further payment of premiums on) any key man life insurance policy then held on his life;

continued provision, for a period of 3 years, of supplemental long term disability premiums providing a monthly disability benefit of \$18,000;

continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan until the earlier of (1) the end of the 3 year period following termination, or (2) his eligibility for Medicare or coverage under another employer's group health plan (or in the case of his eligible dependents, cessation of their status as eligible dependents); and

payment for full outplacement services to an agency selected by Mr. Krell, based on customary fees charged by nationally rated firms engaged in such services.

Mr. Krell is bound by certain non-competition and non-solicitation covenants which extend for a period of 36 months following termination of employment.

Death. In the event of his termination of employment due to death, Mr. Krell's executors, legal representatives or administrators will be entitled to the following payments and/or benefits:

Edgar Filing: Destination Maternity Corp - Form DEF 14A

payment of a pro-rata portion of the annual bonus he otherwise would be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and

all outstanding stock options, restricted stock and restricted stock units will become fully vested.

Disability. In the event of his termination of employment due to disability, Mr. Krell will be entitled to the following payments and /or benefits:

monthly supplemental disability payments equal to one-twelfth (1/12) of his annual base salary as of the date of termination for a period of 30 months following the termination;

continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan until the earlier of (1) the end of the 30 month period following termination, or (2) his eligibility for Medicare or coverage under another employer's group health plan (or in the case of his eligible dependents, cessation of their status as eligible dependents);

continued provision of an automobile and automobile insurance coverage for a period of 1 year following termination;

transfer of (but not further payment of premiums on) any key man life insurance policy then held on his life;

payment of a pro-rata portion of the annual bonus he otherwise would be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and

all outstanding stock options, restricted stock and restricted stock units will become fully vested.

Amounts payable to Mr. Krell in the event of a termination due to disability will be reduced by (1) any disability or life insurance benefits payable to Mr. Krell, with respect to the same period, under any of our funded disability or death benefit plans, policies or arrangements, under the Social Security Act, or under Mr. Krell's supplemental long-term disability policies for which the Company pays the premiums, and (2) by any amounts earned by Mr. Krell for the performance of personal services during the same period.

In addition, if it is determined that any payment by us to or for the benefit of Mr. Krell would be a so-called "excess parachute payment" and, therefore, result in the imposition on the executive of an excise tax under Section 4999 of the Code, Mr. Krell shall receive a payment sufficient to place him in the same after tax position as if no excise tax had been applicable ("parachute gross-up payment"), provided that the parachute gross-up payment will only be payable if the total of all payments by us to or for the benefit of Mr. Krell, inclusive of such parachute gross-up payment, (on an after tax basis to Mr. Krell) will be at least 20% more than the largest amount that could be payable to Mr. Krell (on an after tax basis to Mr. Krell) without causing the application of the excise tax described above. However, if Mr. Krell resigns his employment without good reason within the 6 month period immediately following a change in control, payments by us to or for the benefit of Mr. Krell shall be limited to the largest amount that could be payable to Mr. Krell without causing the application of the excise tax described above.

In order to receive any severance or termination payments or benefits described above, Mr. Krell is required to execute and deliver a general release and non-disparagement agreement in a form prescribed by us.

Description of Triggering Events

Cause. Mr. Krell's employment may be terminated by us for "cause" upon the commission of any act of fraud, theft, misconduct, negligence, or Mr. Krell's unwillingness or refusal to perform his job (other than by reason of illness, injury or incapacity).

Good Reason. (1) This amount represents the value of otherwise unvested stock options to purchase an aggregate of 192,000 shares of Common Stock, based on the difference between the exercise price of the options and \$32.92, the closing price of our Common Stock on September 30, 2010. The actual value ultimately realized with respect to these options, if any, will vary depending on the date the options are exercised.

(3) This amount represents a cash bonus paid to Mr. Krell in November 2010 under our Management Incentive Program for fiscal year 2010 performance.

(4) This amount represents the estimated present value of 30 months of supplemental disability payments equal to one-twelfth of Mr. Krell's annual base salary as of September 30, 2010, including the value of any benefit payable under our long-term disability plan and under

Edgar Filing: Destination Maternity Corp - Form DEF 14A

Mr. Krell's supplemental long-term disability policies for which the Company pays the premiums. The aggregate benefit payable under the long-term disability policies for which we pay the premiums for the 30 month period would be \$531,000.

- (5) This amount represents premium payments for 30 months of health coverage.

- (6) This amount represents the value of the following benefits: (1) use of an automobile and automobile insurance coverage for 12 months, with an estimated aggregate value of \$24,117, and (2) the transfer to Mr. Krell of a key man term life insurance policy on Mr. Krell's life, with an estimated value of \$740 (representing the premium paid in fiscal year 2010).

- (7) This amount is equal to three times the sum of (1) Mr. Krell's annual base salary as of September 30, 2010, and (2) the target annual bonus payable to Mr. Krell for fiscal year 2010.

- (10) Mr. Krell's non-competition commitments extend for three years beyond his termination of employment. Our parachute gross-up analysis includes an assumption that Mr. Krell's non-compete commitments have a fair market value of \$2,600,000 which amount is equal to two times the sum of (1) Mr. Krell's fiscal year 2010 base salary and (2) Mr. Krell's target annual bonus for fiscal year 2010. While we have not solicited a formal valuation of the non-compete, based on Mr. Krell's role and responsibilities with us, we believe the value is reasonable. The Company's parachute gross-up analysis is based on a variety of other assumptions, including, without limitation, that all stock options would be cashed out upon closing of the relevant transaction.
