EXPLANATORY NOTE:

Birks & Mayors Inc. (the Company), together with its wholly-owned subsidiary, Mayor's Jewelers, Inc., finalized an amendment and extension of its senior secured revolving credit facility, dated June 8, 2011. The Company's \$132 million senior secured revolving credit facility, which was set to expire on December 17, 2011, bearing interest in the range of a LIBOR rate plus 2.5% to 3.0% (based on excess availability thresholds) for up to a \$124 million tranche of the facility and in the range of a LIBOR rate plus 4.5% to 5.0% (based on excess availability thresholds) for an \$8 million tranche of the facility was amended and extended with a new line limit of \$115 million and will bear interest in the range of a LIBOR rate plus 2.25% to a LIBOR rate plus 3.0% (based on excess availability and interest coverage thresholds). The amended senior secured revolving credit facility also contains an accordion feature that would allow the Company to increase the amount of the facility by \$25 million. The Company also amended and extended the term and amount of its \$12.5 million senior secured term loan, which was set to expire on December 17, 2011 and bearing interest at 16%, to a new loan amount of \$18 million and bearing interest at 11% (or one month LIBOR plus 8%, whichever is greater). These two credit facilities have a four-year term expiring in June 2015 and will primarily be used to finance working capital, capital expenditures, provide liquidity to fund day-to-day operations and for other general corporate purposes.

The foregoing description of the senior secured revolving credit facility and the secured term loan agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the senior secured revolving credit facility and the secured term loan agreement, copies of which will be filed in July 2011 as exhibits to the Company's Form 20-F.

On June 8, 2011, the Company issued a press release announcing the amendment and extension of its senior secured revolving credit facility and its secured term loan agreement, which press release is furnished as Exhibit 99.1 to this Form 6-K.

BIRKS & MAYORS ANNOUNCES CLOSING OF AN AMENDMENT AND

EXTENSION OF ITS SENIOR SECURED REVOLVING CREDIT FACILITY

Montreal, Quebec. June 8, 2011- Birks & Mayors Inc. (the Company or Birks & Mayors) (AMEX:BMJ) today announced the closing of an amendment and extension of its senior secured revolving credit facility and its senior secured term loan. The Company's \$132 million senior secured revolving credit facility, which was set to expire on December 17, 2011, has been amended and extended to be in the amount of \$115 million and will expire on June 8, 2015. In addition, the Company amended its \$12.5 million senior secured term loan, which was also set to mature on December 17, 2011, to \$18 million with a maturity date of June 8, 2015. The interest rate on the amended senior secured term loan was reduced from 16% per annum to a rate of 11% per annum (or one month LIBOR plus 8%, whichever is greater). These two credit facilities will primarily be used to finance working capital, capital expenditures, provide liquidity to fund the Company's day-to-day operations and for other general corporate purposes.

We are very pleased that our lenders continue to support the Company by allowing us to extend the terms of our borrowing arrangements under both senior secured credit facilities under favorable terms and at lower interest rates. As a result of our overachieving our goals to deleverage the Company over the last two fiscal years, we have been able to reduce the amount of our aggregate lines of credit. However, the new revolving credit facility contains an uncommitted accordion feature of \$25 million, should the need arise for greater borrowing capacity. The renewal of our credit facilities for four years on more favorable terms will provide the Company with the necessary tools to continue to grow our business and improve the profitability of the Company, said Tom Andruskevich, President and Chief Executive Officer.

Birks & Mayors is a leading operator of 61 luxury jewelry stores in the United States and Canada. The Company operates 32 stores under the Birks brand in most major markets in Canada and 26 stores under the Mayors brand in Florida and Georgia, two retail locations in Calgary and Vancouver under the Brinkhaus brand, and one retail location in Orlando under the Rolex brand.
