BIRKS & MAYORS REPORTS FULL YEAR FISCAL 2011 FINANCIAL RESULTS AND

FIRST QUARTER FISCAL 2012 SALES RESULTS

Montreal, Quebec. July 6, 2011 - Birks & Mayors Inc. (the Company or Birks & Mayors) (NYSE AMEX:BMJ), which operates 61 luxury jewelry stores across Canada, Florida and Georgia, reported financial results for the fiscal year ended March 26, 2011 (fiscal 2011) as well as sales results for the thirteen weeks ended June 25, 2011 (first quarter fiscal 2012).

Fiscal 2011 Financial Results:

Net sales increased 6.2% to \$270.9 million from \$255.1 million in the prior year;

Comparable store sales increased by 2%, as compared to the prior year period;

The gross profit margin grew by 180 basis points over the prior year; and

The net loss decreased by \$11.7 million, or \$1.03 per share, to \$7.7 million, or \$0.68 per share, from a net loss of \$19.5 million, or \$1.71 per share, in the prior year.

First Quarter Fiscal 2012 Sales Results:

Net sales increased 18.8% to \$71.2 million from \$59.9 million in the prior year's comparable period; and

Comparable store sales increased 10% as compared to the prior year period.

Net sales for fiscal 2011 increased 6.2%, or \$15.9 million, to \$270.9 million, as compared to \$255.1 million for the fiscal year ended March 27, 2010 (fiscal 2010). The increase in net sales was primarily driven by a 2% increase in comparable store sales, representing \$3.8 million of the increase, as well as the impact of \$2.1 million of higher sales from two new stores net of lower sales related to the closing of six stores during the fiscal 2010. Also impacting the increase in sales in fiscal 2011 was \$9.6 million of higher sales related to translating the sales of our Canadian operations into U.S. dollars due to the stronger Canadian dollar. The comparable stores sales increase of 2% reflects a 1% increase in comparable store sales in the U.S. and a 2% increase in comparable store sales in Canada. The increase in comparable store sales in both countries during fiscal 2011 was primarily related to an increase in the average sale transaction as demand for luxury retail products began to slowly increase in both Canada and the U.S.

Edgar Filing: BIRKS & MAYORS INC. - Form 6-K

Gross profit for fiscal 2011 was \$116.1 million, or 42.8% of net sales, as compared to \$104.5 million, or 41.0% of net sales, in fiscal 2010. The 180 basis point increase in gross profit margin was primarily attributable to reduced promotional pricing associated with the improving economic environment in both the U.S. and Canada.

Table of Contents

Selling, general and administrative expenses for fiscal 2011 were \$107.2 million, or 39.6% of net sales, as compared to \$106.3 million, or 41.7% of net sales, in fiscal 2010. The \$0.9 million increase was primarily driven by \$3.8 million of higher expenses related to foreign currency translation and \$1.1 million of lease termination costs related to early lease termination fees for three underperforming stores closed at the beginning of fiscal 2012 partially offset by a \$1.9 million reduction in marketing expenses, \$1.4 million of lower general operating expenses resulting from our continued efforts to reduce general corporate overhead costs and \$0.7 million of lower compensation expenses. Excluding the impact of foreign currency translation and the lease termination costs, expenses were \$4.0 million lower than the prior year.

Inventory totaled \$141.8 million at March 26, 2011, as compared to \$143.8 million at March 27, 2010, a decrease of \$2.0 million, or 1.4%. Excluding the impact of \$3.5 million of foreign currency translation, the Company's inventory decreased by \$5.5 million compared to prior year end. The decrease was primarily driven by a 6% decrease in comparable store inventory.

The Company generated \$10.3 million of operating cash flow in fiscal 2011, which far exceeded the Company's goals for the year.

Bank indebtedness (which represents amounts borrowed on the Company's senior secured revolving credit facility) totaled \$61.9 million for fiscal 2011, as compared to \$64.5 for fiscal 2010, a decrease of \$2.6 million. Excluding the impact of \$0.9 million of foreign currency translation, bank indebtedness is lower than the prior year end by \$3.5 million. The decrease in bank indebtedness is a result of the Company utilizing cash flow from operations to de-leverage the Company by lowering the level of funding under the Company's senior secured revolving credit facility. The Company's excess borrowing capacity was \$20.5 million as of March 26, 2011 compared to \$17.9 million at the end of the prior fiscal year.

Sales for the first quarter of fiscal 2012 increased 18.8% or \$11.3 million, to \$71.2 million, as compared to \$59.9 million during the first quarter of last fiscal year. The increase in sales reflects higher comparable store sales of 10% and \$2.3 million of higher sales related to translating the sales of the Company's Canadian operations into U.S. dollars due to the stronger Canadian dollar. The increase in comparable store sales of 10% was comprised of a 15% increase in sales of the U.S. stores and a 6% increase in sales from the stores in Canada.

Tom Andruskevich, President and Chief Executive Officer of Birks & Mayors, commented: Fiscal 2011 marked a significant turn-around in operating performance since the very difficult economic environment we experienced in the previous two years. As we enter the new fiscal year, we are very encouraged by our strong first quarter sales performance along with the confidence and support demonstrated by our lenders in amending our credit facilities and extending our line of credit by four years, at improved terms. We plan to continue to build on our sales momentum and will continue to manage the level and productivity of our inventory, control expenses and limit capital expenditures while continuing to focus on providing superior customer service and maintaining strong client relationships.
