Item 4.01 Changes in Registrant's Certifying Accountant.

On August 27, 2011, the Audit Committee of the Board of Directors of Actuate Corporation (the Registrant) approved the appointment of Grant Thornton LLP as its independent, registered public accounting firm to audit the Registrant's financial statements. The Registrant notified KPMG LLP of its dismissal as its independent, registered public accounting firm on August 29, 2011.

The audit reports of KPMG LLP on the consolidated financial statements of the Registrant as of and for the years ended December 31, 2010 and 2009 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. The audit reports of KPMG LLP on the effectiveness of internal control over financial reporting as of December 31, 2010 and 2009 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except that KPMG LLP's report indicates that the Registrant did not maintain effective internal control over financial reporting as of December 31, 2010 because of the effect of a material weakness on the achievement of the objectives of the control criteria and contains an explanatory paragraph that states a material weakness related to the Company's income tax provision review controls has been identified.

The Registrant plans to remediate by the end of fiscal 2011 the material weakness identified in fiscal year 2010. During the three months ended June 30, 2011, in response to the material weakness identified in the Form 10-K as filed with the Securities and Exchange Commission on March 11, 2011, the Registrant implemented the following control measures:

Hired an additional tax professional to enhance the review of the tax provision calculations

Identified unusual items during the quarter for further review and analysis

During the two fiscal years ended December 31, 2010 and the subsequent interim period through August 27, 2011, there were no: (1) disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion on the subject matter of the disagreement, or (2) reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation SK except for the material weakness identified as of December 31, 2010 discussed above.

The Registrant provided KPMG LLP with a copy of this Current Report on Form 8-K and has requested that KPMG LLP furnish it with a letter addressed to the SEC stating whether or not it agrees with the above statements. A copy of such letter is filed herein as Exhibit 16.1 to this Current Report on Form 8-K.

During the two most recent fiscal years, and in the subsequent interim periods through August 27, 2011, the Registrant has not consulted with Grant Thornton LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Registrant's financial statements, and neither a written report was provided to the Registrant or oral advice was provided that Grant Thornton LLP concluded was an important factor considered by the Registrant in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).
