WILSON BANK HOLDING COMPANY

LEBANON, TENNESSEE

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Wilson Bank Holding Company (the Company) of proxies for the Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held on Tuesday, April 10, 2012, at the Company's main office, 623 West Main Street, Lebanon, Tennessee 37087, at 7:00 p.m. (CDT). This proxy material was first mailed to shareholders on or about March 9, 2012.

All valid proxies which are received will be voted in accordance with the recommendations of the Board of Directors unless otherwise specified thereon and will be voted **For** election of the director nominees set out below and **For** the ratification of Maggart & Associates, P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012. A proxy may be revoked by a shareholder at any time prior to its use by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Only holders of record of the Company's common stock, par value \$2.00 per share (the Common Stock), at the close of business on February 11, 2012 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, the Company had 7,344,197 shares of Common Stock issued and outstanding, the holders of which are entitled to one vote for each share held on each of the matters to be voted upon at the Annual Meeting. The representation in person or by proxy of at least a majority of the outstanding shares entitled to vote is necessary to provide a quorum at the meeting. The directors shall be elected by a plurality of the votes cast in the election by the holders of Common Stock represented and entitled to vote at the Annual Meeting. The approval of the ratification of Maggart & Associates, P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012, will be approved if the number of shares of Common Stock voted in favor of the proposal exceeds the number of shares of Common Stock voted against it. The Board of Directors of the Company does not know of any other matters which will be presented for action at the Annual Meeting other than those proposed in this Proxy Statement, but the persons named in the proxy (who are directors of the Company) intend to vote or act with respect to any other proposal which may be presented for action according to their best judgment. Abstentions and non-votes are accounted as present in determining whether a quorum is present. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Pursuant to the rules of the New York Stock Exchange (the NYSE), if your broker does not receive instructions from you, your broker will not be able to vote your shares in the election of directors. So long as a quorum is present, a non-vote or abstention will have no effect on the approval of the nominees to the Company's board of directors, the approval of the ratification of Maggart & Associates, P.C. as the Company's independent registered public accounting firm or on approval of any other proposal that properly comes before the Annual Meeting.

The cost of solicitation of proxies will be borne by the Company, including expenses in connection with preparing, assembling, and mailing this Proxy Statement. Such solicitation will be made by mail, and may also be made by the Company's regular officers or employees personally or by telephone or other form of electronic communication. The Company may reimburse brokers, custodians and nominees for their expenses in sending proxies and proxy materials to beneficial owners.

Wilson Bank and Trust (the Bank) is located in Lebanon, Tennessee and is a wholly-owned subsidiary of the Company. The Bank is the only subsidiary of the Company.

STOCK OWNERSHIP

There are no persons who are the beneficial owners of more than 5% of the Company's Common Stock, its only class of voting securities.

The following table sets forth information regarding the beneficial ownership of the Company's Common Stock as of February 11, 2012 (unless otherwise noted), for:

each of our directors and nominees;

each of our executive officers named in the Summary Compensation Table (the "Named Executive Officers"); and

all of our directors and executive officers as a group.

The percentages of shares outstanding provided in the table are based on 7,344,197 voting shares outstanding as of February 11, 2012. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC") and generally includes voting or investment power with respect to securities. Unless otherwise indicated, each person or entity named in the table has sole voting and investment power, or shares voting and investment power with his or her spouse, with respect to all shares of stock listed as owned by that person. The number of shares shown does not include the interest of certain persons in shares held by family members in their own right. Shares issuable upon exercise of options that are exercisable within sixty days of February 11, 2012 are considered outstanding for the purpose of calculating the percentage of outstanding shares of Company Common Stock held by the individual, but not for the purpose of calculating the percentage of outstanding shares held by any other individual.

Description of the Board and Committees of the Board

The Company does not have an executive compensation or nominating committee. The Board of Directors of the Company also serves as the Board of Directors of the Bank. The Board of Directors of the Company and the Board of Directors of the Bank, based upon recommendations by the Personnel Committee of the Board of Directors of the Bank, establish general compensation policies and programs for the Company and the Bank and determine annually the compensation to be paid to Company and Bank employees, including executive officers. The Board of Directors does not believe it is necessary to have a nominating committee because the Boards of Directors of the Company and the Bank act as a nominating committee for directors and officers of the Company and the Bank and develop general criteria concerning the qualifications and selection of directors and officers (including recommendations made by shareholders of the Company) and recommending candidates for such positions. All of the Company's directors participate in the consideration of director nominees.

Each potential director nominee is evaluated on the same basis regardless of whether he or she is recommended by management, by a director or by a shareholder. The Board of Directors has not adopted a policy with respect to minimum qualifications for directors, nor has the Board of Directors adopted a formal diversity policy for nominees. Rather, the Board of Directors annually reviews and determines the specific qualifications and skills that one or more directors must possess in the context of the then needs of the Board of Directors with respect to experience, expertise and age. In making recommendations for nominees to the Board of Directors, the Board of Directors seeks to include directors who, when taken together with the other nominees and continuing directors, will create a Board of Directors that offers a diversity of education, professional experience, background, age, perspective, viewpoints and skill. Each of the nominees for director to be elected at the Annual Meeting was nominated and recommended by the Board of Directors.

The Company has not received director nominee recommendations from any shareholders for the term commencing in 2012 and expiring in 2015. The Board of Directors will consider nominees recommended by shareholders, provided that such recommendations are submitted to the Board of Directors in writing, describe the reasons why the shareholder finds the recommended person to be a qualified candidate and comply with the requirements of the Company's Bylaws.

On September 28, 2009, the Board of Directors adopted a retirement policy for board members which requires that a director that served on the Board of Directors as of the policy's implementation must retire from the Board of Directors at the first annual meeting of shareholders following his or her 80th birthday. Directors elected to the Board of Directors for the first time after the policy's implementation will be required to retire from the Board of Directors at the first annual meeting of shareholders following the director's 70th birthday. Notwithstanding the foregoing, the mandatory retirement age policy will not prohibit any current director from serving out the remainder of his existing term or from being elected and serving for at least one full three year term to which the director may be elected following implementation of the policy.

The Board of Directors of the Company has no standing committees. The Board of Directors of the Bank has ten standing committees consisting of the Audit, Executive, Personnel, Finance, Marketing, Building, Investment, Long Range Planning, Data Processing and Board Relations Committee. The Chairman of the Company, Mr. J.A. Patton, is a member of all committees. The Chairman of the Board of Directors of the Bank, Mr. Clemons, and Mr. Richerson are also members of all of the committees with the exception that Mr. Clemons and Mr. Richerson are not members of the Personnel Committee or the Audit Committee. The members of each committee are generally appointed in May of each year and serve until the following May. Therefore, the committee members identified below may not have been on each identified committee for the entire 2011 fiscal year. Unless otherwise provided below, the members identified below are the current members of the applicable committees.

Audit Committee. The Company does not have a separately-designated standing audit committee. The Bank, however, does have a separately-designated standing audit committee, composed of Messrs. J. Bell, J. Comer and J. Franklin, with Mr. VanHooser serving as Chairman. The Audit Committee reviews annual and interim reports of the independent auditors and provides advice and assistance regarding the accounting, auditing and financial reporting practices of the Company and the Bank. The Audit Committee operates pursuant to the terms of a charter which was adopted by the Board of Directors in December 2004 and amended in February 2009 (the "Audit Committee Charter"). A copy of the Audit Committee Charter is not available on the Company's website, but is attached to this Proxy Statement as Appendix A. All of the Audit Committee's members are independent under the current listing standards of the NYSE. While the Board of Directors believes that certain of its audit committee members are financially literate and have a level of financial sophistication necessary to serve on the Audit Committee, it has determined that the Company does not have an "audit committee financial expert" as defined by the SEC's rules and regulations serving on the Audit Committee. The Board of Directors believes that at least one of the current members of the Audit Committee has a level of experience regarding banking operations and the application of generally accepted accounting principles as to provide valuable service to the Audit Committee in its role of overseeing the financial reporting process of the Company and the Bank. The Board of Directors further believes that the current members of the Company's Board of Directors provide a breadth of experience and level of community relationships that are important to the Company and that the Company does not believe that it could attract an additional director that meets the requirements of an "audit committee financial expert" who also has those similar relationships. In making its determination, the Board of Directors particularly considered the size and nature of the Company's business and the importance of knowledge of the local communities served by the Bank. The Audit Committee held five meetings during 2011.

Executive Committee. The Executive Committee is composed of Messrs. C. Bell, J. Comer, H. Patton and J. Trice, with Mr. J. Bell serving as Chairman. The Executive Committee reviews corporate activities, makes recommendations to the Board of Directors on policy matters and makes executive decisions on matters that do not require a meeting of the full Board of Directors. The Executive Committee held twelve meetings during 2011.

Personnel Committee. The Personnel Committee, composed of Messrs. J. Comer, J. Trice and R. VanHooser, with Mr. H. Patton serving as Chairman, considers and recommends to the Board of Directors the salaries of all Bank personnel, including the Named Executive Officers. This committee, all of the members of which are independent under the listing standards of the NYSE, held seven meetings during 2011. This Committee does not have a written charter. Compensation decisions for the Company's executive officers, including its Named Executive Officers, are made by the Board of Directors of the Company upon recommendation of the Personnel Committee.

The agenda for meetings of the Personnel Committee is determined by its Chairman with the assistance of the Company's Secretary and the Company's Chief Executive Officer. Personnel Committee meetings are regularly attended by the Chairman of the Board, the Chief Executive Officer and the Chief Human Resources Officer. When considering the compensation of Mr. Clemons and Mr. Richerson, the Personnel Committee meets in executive session. The Personnel Committee's Chairman reports the committee's recommendations on executive compensation to the Board of Directors. The Company's human resources and accounting departments support the Personnel Committee in its duties and may be delegated authority to fulfill certain administrative duties regarding the compensation programs.

Finance Committee. The Finance Committee is the credit review board of the Bank. This committee reviews loan applications meeting certain criteria and approves those found creditworthy. In addition, this committee reviews all loans that are funded. The committee is comprised of Messrs. C. Bell, J. Bell, Bentley, Franklin and VanHooser, with J. Comer serving as Chairman. The Finance Committee held twelve meetings during 2011.

Marketing Committee. The Marketing Committee is composed of Messrs. C. Bell, Freeman and VanHooser with Mr. Bentley serving as Chairman. The Marketing Committee recommends the direction of the marketing efforts of the Company and the Bank. This committee held four meetings during 2011.

Building Committee. The Building Committee is composed of Messrs. Franklin, H. Patton and J. Trice with Mr. Freeman serving as Chairman. This committee makes recommendations to the Company's and the Bank's Boards of Directors on the immediate and future building needs of the Company and the Bank. This committee held five meetings during 2011.

Investment Committee. The Investment Committee is composed of Messrs. Bentley, H. Patton and VanHooser with Mr. C. Bell serving as Chairman. The Investment Committee reviews and directs the investment portfolio of the Bank. This committee held six meetings during 2011.

Long Range Planning Committee. The Long Range Planning Committee is composed of Messrs. Bentley and Mr. Trice with J. Bell serving as Chairman. This committee explores strategic opportunities available to the Company and recommends the direction the Company should take on these matters. This committee held one meeting in 2011.

Data Processing Committee. The Data Processing Committee is composed of Messrs. J. Bell and Comer with Mr. Franklin serving as Chairman. The Data Processing Committee reviews the computer hardware and software needs of the Company and makes recommendations regarding purchases thereof to the Board of Directors. This committee held four meetings during 2011.

Board Relations Committee. The Board Relations Committee is composed of Messrs. Bentley and Freeman, with Mr. H. Patton serving as Chairman. The Board Relations Committee's primary responsibility is to plan for the Board of Director's future responsibilities and ensure that the Bank's Board of Directors meets the future needs of the Bank. This committee had no meetings during 2011.

During the fiscal year ended December 31, 2011, the Board of Directors of the Bank held fourteen meetings with the Board of Directors of the Company also meeting fifteen times. Each director attended at least 99% of the aggregate number of meetings of both the Bank's and the Company's Boards of Directors and the committees on which such director served. The Company encourages each member of the Board of Directors to attend the Annual Meeting of Shareholders, and all of the Company's directors attended the 2011 Annual Meeting of Shareholders.

The Company's Board of Directors has established procedures for the Company's shareholders to communicate with members of the Board of Directors. Shareholders may communicate with any of the Company's directors, including the chairperson of any of the committees of the Board of Directors, by writing to a director c/o Wilson Bank Holding Company, 623 West Main Street, Lebanon, Tennessee 37087.

Board Leadership Structure. The Company separates the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company, while the Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for Board meetings and presides over meetings of the full Board.

Board's Role in Risk Oversight. While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board of Directors assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls, and discusses with management, the internal auditors, and the independent registered public accountants the Company's policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance. The Audit Committee also assists the Board in fulfilling its duties and oversight responsibilities relating to the Company's compliance and ethics programs, including compliance with legal and regulatory requirements.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Exchange Act requires the Company's executive officers and directors and persons who beneficially own more than ten percent of the Common Stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent beneficial owners are required by federal securities regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms and written representations from certain reporting persons furnished to the Company, the Company believes that its officers, directors and greater than ten percent beneficial owners, if any, were in compliance with all applicable Section 16(a) filing requirements in the 2011 fiscal year, except for two late filings by Mr. Comer, one late filing by Mr. Freeman, two late filings by Mr. Richerson and one late filing by Mr. Trice.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES LISTED ABOVE.

(a) Includes fees related to the annual independent audit of the Company's financial statements, reviews of the Company's annual report on Form 10-K and quarterly reports on Form 10-Q and fees related to the audit of the effectiveness of the Company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.

(b) Includes fees related to the audit of the Company's 401(k) plan and the Bank's HUD audit.

(c) Includes fees related to the preparation of the Company's tax returns and other tax related assistance.

The Audit Committee considered these fees and concluded that the performance of these services was consistent with Maggart & Associates, P.C.'s independence.

The Audit Committee also has adopted a formal policy concerning approval of audit and non-audit services to be provided by the independent auditor to the Company. The Audit Committee pre-approved all audit and non-audit services provided by Maggart & Associates, P.C. during fiscal 2011.

AUDIT COMMITTEE REPORT FOR 2011

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited financial statements. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received from the independent registered public accounting firm the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and discussed with it, the firm's independence from the Company and its management. The Audit Committee has considered whether the independent

registered public accounting firm provision of non-audit services to the Company is compatible with maintaining the registered public accounting firm's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, for filing with the SEC.

EXECUTIVE COMPENSATION

Risk Assessment of Compensation Policies

The Board has reviewed our compensation policies as generally applicable to our employees and believes that our policies do not encourage excessive and unnecessary risk taking, and that the level of risk that they do encourage is not reasonably likely to have a materially adverse effect on the Company.

Compensation Discussion and Analysis

Decisions with respect to compensation of the Company's and the Bank's executive officers, including the Chief Executive Officer and the other Named Executive Officers, as identified in the Summary Compensation Table, for fiscal year 2012 were made by the Board of Directors of the Bank based upon recommendations by the Personnel Committee. Discussions regarding the non-equity compensation of the Company's and the Bank's executive officers that are not Named Executive Officers are made by the Chief Executive Officer in consultation with such officer's supervisor. For these officers, the Chief Executive Officer is responsible for establishing the framework for how these individuals are compensated. The components of compensation of executive officers consist of a base salary, an annual cash incentive, amounts contributed under the executive officer's Executive Salary Continuation Agreement and matching and profit-sharing contributions under the Company's 401(k) plan (as well as health and disability insurance and other non-cash benefits similar to those of all employees of the Bank or Company). At times, these executive officers have also been awarded equity based compensation in the form of time vested stock options; however, the Personnel Committee and the Chief Executive Officer have historically focused on cash-based compensation that is currently paid out, using stock options primarily in connection with promotions or changes in duties. The Company utilizes the Executive Salary Continuation Agreements, described in more detail below, to provide for post retirement payments to the Named Executive Officers. No member of the Personnel Committee served as an officer or employee of the Company or of any of its subsidiaries during 2011.

The overarching policy of the Personnel Committee and the Board of Directors in determining executive compensation, including the compensation of the Chief Executive Officer, is to attract and retain the highest quality talent to lead the Company and to reward key executives based upon their individual performance and the performance of the Bank and the Company. The Personnel Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation packages provided to key employees remain competitive relative to the compensation paid to similarly situated executives of peer companies. The Personnel Committee believes that providing incentives to and rewarding the performance of the Company's executive officers enhances the profitability of the Company. To that end, the Personnel Committee believes that the compensation paid to its executive officers should include base salary and a significant cash incentive opportunity designed to reward performance as measured against established goals. The Personnel Committee does not utilize equity-based compensation as a significant component of the compensation paid to the Named Executive Officers. However, the Company granted stock option awards to Ms. Pominski and Mr. McDearman for 1,000 shares each during 2011. These options were intended to supplement the compensation granted to Ms. Pominski and Mr. McDearman. The intention of the Personnel Committee, however, is to continue to utilize future equity based compensation primarily in connection with promotions or changes in duties.

Executive compensation programs impact all employees by setting general levels of compensation and helping to create an environment of goals, rewards and expectations. Because we believe the performance of every employee is important to our success, we are mindful of the effect of executive compensation and incentive programs on all of our employees.

At our 2011 Annual Meeting of Shareholders, we held our first shareholder advisory vote on the compensation of our Named Executive Officers and our shareholders overwhelmingly approved our fiscal year 2010 executive compensation program. Of the 4,110,132 votes cast, 4,023,466, or 97.9%, were in favor of approval. The Personnel Committee has considered the results of the vote on our 2010 executive compensation program and concluded that the shareholders support the Company's compensation policies and procedures which the Personnel Committee believes provide a competitive pay-for-performance package that effectively incentivizes our Named Executive Officers and encourages long-term retention. The Company's strong financial performance in fiscal year 2011 reinforces the Personnel Committee's view that our executive compensation program is achieving its objectives, and the Personnel Committee made no significant changes to the program during the year. The Personnel Committee will continue to consider shareholder views about our core compensation principles and objectives when determining executive compensation.

Each year the Personnel Committee reviews and approves a base salary for Mr. Clemons taking into account several factors, including prior year base salary, responsibilities, tenure, performance, salaries paid to chief executive officers of other financial institutions of a similar size in similar markets, the Bank's overall pay scale, including retirement benefits payable to Mr. Clemons, and the Bank's recent performance. Taking into consideration these factors, the Personnel Committee approved an increase of 3% to the 2011 base salary of Mr. Clemons when compared to 2010. In setting the base salaries of the other Named Executive Officers, the Personnel Committee considers the recommendations of Mr. Clemons, who makes his recommendations regarding these salaries based on the same factors described above. Based on those criteria, the Personnel Committee approved a 3% increase to the 2011 base salary of Mr. Richerson. Mr. Whitaker, Mr. McDearman, and Ms. Pominski each received larger increases (approximately 10%, 21%, and 5%, respectively) than the other two Named Executive Officers in a continuing effort to raise their compensation to levels that are competitive within the Company's market areas. In the case of Mr. Whitaker and Mr. McDearman, the increases, which were larger than prior years, were also the result of the fact that these individuals have taken on more responsibilities within the Bank.

Mr. Clemons and Mr. Richerson are eligible for an annual cash incentive, which we refer to as bonus, pursuant to a formula determined by the Board of Directors that is based upon the Company's after tax earnings for the fiscal year. In 2011, Mr. Clemons was eligible for a cash incentive payment equal to 1.5% of the Company's after tax earnings, while Mr. Richerson was eligible for a cash incentive payment equal to 1.15% of the Company's after tax earnings. In total, Mr. Clemons and Mr. Richerson were paid cash incentive payouts totaling \$158,073 and \$121,891, respectively. Because Mr. Clemons and Mr. Richerson's cash incentive award is a percentage of the Company's after tax earnings, the Company's performance directly impacts the size of these payments. As the Company's performance improves, the cash payments similarly increase.

Mr. Whitaker, Ms. Pominski and Mr. McDearman were eligible for, and received, a cash incentive payment determined by the return on assets (ROA) performance of the Bank, which payment was calculated on a basis consistent with the Bank's other employees. Return on assets is the quotient of the Company's 2011 net earnings divided by the Company's average assets for 2011. For 2011, the ROA targets and related cash incentive payouts as a percentage of the base salary of Messrs. Whitaker and McDearman were 10.5% at .70 ROA, 11% at .80 ROA, 11.5% at .90 ROA and Ms. Pominski was 9% at .70 ROA, 9.5% at .80 ROA, 10% at .90 ROA.

In 2011, the Bank's ROA was 0.64%. Although the Bank did not achieve the minimum ROA target established, the Board of Directors decided to pay cash incentive payments to Messrs. Whitaker and McDearman and Ms. Pominski at threshold levels in recognition of their significant contribution to the Bank and in light of the fact that the Bank's net earnings increased 11.3% over 2010's net earnings even during a very challenging economic environment. The Personnel Committee and the Board of Directors approved the payout of a cash bonus totaling 10.5% of the base salary of Mr. Whitaker and Mr. McDearman and 9.0% of the base salary for Ms. Pominski, or \$19,950, \$18,456 and \$10,237, respectively.

Messrs. Whitaker and McDearman and Ms. Pominski were also eligible to receive monthly cash payments under the Company's cash-based incentive plan upon the attainment of certain Company and individual performance goals. For Mr. Whitaker these goals included goals related to loan fees, loan volume, mortgage loan income, credit life goals, past due loan percentage and timely employee reviews. For Mr. McDearman, these goals included each branch in his division meeting budget, as well as the Bank meeting budget. For Ms. Pominski, these goals included expense control and audit related goals. Incentives paid to Messrs. Whitaker and McDearman, and Ms. Pominski in 2011 related to these performance goals totaled \$23,500, \$20,991 and \$7,200, respectively, which was the maximum amounts that could be received for Ms. Pominski and Mr. McDearman and 80% of the maximum amount that could be received for Mr. Whitaker.

Employees, including executive officers, also receive a matching grant of \$.35 from the Company for each one dollar (\$1) up to a maximum of 6% of the amount contributed each year by the employee to his or her 401(k) account. No employee is entitled to contribute more than \$16,500. The Company historically has also contributed additional funds into each employee's 401(k) account under a profit-sharing arrangement based upon each employee's base salary as a percentage of the Company's total payroll. During 2011, Messrs. Clemons, Richerson,

Whitaker and McDearman and Ms. Pominski received contributions totaling \$26,075, \$24,570, \$21,992, \$20,540 and \$12,517, respectively, as compared to \$5,145, \$5,145, \$4,001, \$3,430 and \$2,022, respectively, in 2010. The significant increase in the contribution levels between the two years is reflective of the Bank's decision to reinstate profit sharing contributions in 2011 after suspending those contributions in 2010.

The Bank has entered into Executive Salary Continuation Agreements with certain of its senior executive officers, including Messrs. Clemons, Richerson, Whitaker and McDearman and Ms. Pominski, which agreements were amended on December 30, 2008. These agreements, as amended, provide for the payment of an annual cash benefit to each of these executive officers (or his or her beneficiaries) following the executive's separation from service from the Bank under a variety of circumstances.

If a Named Executive Officer retires from the Bank after reaching age 65, he or she is entitled to receive a percentage of his or her then current base salary payable in equal monthly installments for 180 months beginning the month following the month in which such executive officer's retirement occurs. The percentage of salary payable to each of Messrs. Clemons, Richerson, Whitaker and McDearman and Ms. Pominski following retirement after reaching age 65 is 30%, 30%, 20%, 10% and 10%, respectively.

If a Named Executive Officer retires prior to reaching age 65, his or her retirement will be considered "early retirement" under the Executive Salary Continuation Agreements if he or she has attained the age of 55 and has been continuously employed by the Bank for twenty years. If the Named Executive Officer's retirement qualifies as "early retirement" or the Named Executive Officer dies prior to the commencement of benefit payments under the agreements then he or she shall be entitled to receive a benefit equal to the accrual balance of the executive officer under the agreement as of the last day of the plan year immediately preceding the executive's early retirement date or death, as the case may be, payable in equal monthly installments for 180 months beginning the month following the month in which the executive's early retirement occurs in the case of "early retirement" and in a lump sum within 30 days following the executive's death in the case of death. At December 31, 2011, the accrual balance and vested balance for each of the Named Executive Officers was as follows:

Named Executive Officer	September 30, Accrual Balance at December 31, 2011	September 30, Vested Balance at December 31, 2011
J. Randall Clemons	\$ 681,089	\$ 681,089
Elmer Richerson	463,038	463,038
Gary Whitaker	126,490	
John McDearman	19,672	
Lisa Pominski	20,668	

In the event that a Named Executive Officer becomes disabled prior to reaching early retirement or retirement, the Bank is obligated to pay to the executive officer an annual benefit equal to 60% of the executive officer's salary and bonus at the time of disability, payable in equal monthly installments for a period of 180 months.

In the event that the employment of a Named Executive Officer terminates for any reason other than death, disability or retirement by his or her voluntary action or he or she is discharged by the Bank without cause, the Bank is required to pay to the executive the vested portion of his or her accrual balance as of the date of termination in equal monthly installments for a period of 180 months commencing on the first month following the executive officer's 65th birthday. Under the terms of the Executive Salary Continuation Agreements, a participant becomes 100% vested in his or her accrual balance earned as of the last day of the immediately preceding plan year upon attaining age 55 and completing 20 years of continuous employment with the Bank. At December 31, 2011, each of the Named Executive Officers were vested in the following percentages:

Named Executive Officer	September 30, Percentage Vested at December 31, 2011
J. Randall Clemons	100%
Elmer Richerson	100%
Gary Whitaker	
John McDearman	
Lisa Pominski	

The Bank has purchased life insurance policies or other assets to provide the benefits payable to the Named Executive Officers and other executive officers that are a party to Executive Salary Continuation Agreements with the Bank. These insurance policies are the sole property of the Bank and are payable to the Bank. At December 31, 2011, the total liability of the Bank to the Named Executive Officers under these Executive Salary Continuation Agreements totaled \$1,310,957 while the cash surrender value and face amount of the policies associated with these Named Executive Officers totaled approximately \$1,438,678 and \$4,774,114, respectively.

Payment of benefits under the Executive Salary Continuation Agreements is contingent on the executive officer not competing with the Bank for one year after termination of employment. In the event there is a change in control of the Bank or the Company, the benefits become fully vested without regard to the non-competition agreement and will be paid out in accordance with the terms of the agreements following the named executive officer's termination of service. A change in control is the acquisition of 50% or more of the shares of the Bank or the Company, or a merger, consolidation or similar transaction involving the Bank or the Company, or the cessation by either of their business activities or existence.

The Executive Salary Continuation Agreements were amended during 2008 to bring the Agreements into compliance with the requirements of Internal Revenue Code Section 409A, along with simplifying the calculation of the benefits received at retirement.

In addition to the above-described compensation, the Company provided automobile (and in the case of Mr. Clemons and Mr. Richerson, fuel) allowances in 2011 of \$5,546, \$4,969, \$7,800 and \$7,800 for each of Messrs. Clemons, Richerson, Whitaker and McDearman.

For 2012, base salaries have been set at \$370,800, \$288,400, \$209,000 \$198,000 and \$125,127, respectively, for Messrs. Clemons, Richerson, Whitaker and McDearman, and Ms. Pominski, respectively.

As part of its role, the Personnel Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that compensation paid under the cash incentive plans are generally fully deductible for federal income tax purposes. However, in certain situations, the Personnel Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

On October 22, 2004, the American Jobs Creation Act of 2004 was signed into law, changing the tax rules applicable to nonqualified deferred compensation arrangements. The Company amended the Executive Salary Continuation Agreements in December 2008 to comply with the final regulations issued under these tax law changes.

Beginning on January 1, 2006, the Company began accounting for stock-based payments including those issued under its Stock Option Plan in accordance with the requirements of FASB ASC Topic 718.

Personnel Committee Interlocks and Insider Participation

During fiscal 2011, the Personnel Committee of the Board of Directors of the Bank was composed of Messrs. Comer, Trice, and VanHooser with Mr. H. Patton serving as Chairman. With the exception of Mr. VanHooser who was an officer of the Bank until 1996, none of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. There are no relationships among the Company's executive officers, members of the Personnel Committee or entities whose executives serve on the Board of Directors or the Personnel Committee that require disclosure under applicable regulations of the SEC.

No executive officer of the Company or the Bank has served as a member of the compensation committee of another entity, one of whose executive officers served on the Personnel Committee. No executive officer of the Company or the Bank has served as a director of another entity, one of whose executive officers served on the Personnel Committee. No executive officer of the Company or the Bank has served as a member of the compensation committee of another entity, one of whose executive officers served as a director of the Company or the Bank.

Certain Relationships and Related Transactions

Some directors and principal officers of the Company at present, as in the past, are customers of the Bank and have had and expect to have loan transactions with the Bank in the ordinary course of business. In addition, some of the directors and officers of the Bank are at present, as in the past, affiliated with businesses which are customers of the Bank and which have had and expect to have loan transactions with the Bank in the ordinary course of business. These loans were made in the ordinary course of business and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other parties. In the opinion of the Board of Directors, these loans do not involve more than a normal risk of collectability or present other unfavorable features.

During 2011, John R. Trice Appraisals, Inc. was paid an aggregate of \$198,000 for 495 appraisals and inspections performed in connection with loans originated by the Bank. This company is owned 100% by John R. Trice, a director of the Company and the Bank. John R. Trice Appraisals, Inc. primarily performs appraisals for real estate loans. The payments to Trice Appraisals are reimbursed in full by the persons and/or entities whose properties were appraised. The customer is given the option of selecting an appraiser from the Bank's approved listing. This extensive listing is approved annually by the Board of Directors. Mr. Trice abstains from voting on the approved appraisers. There is also a disclosure made to the customer, as required by law, indicating that Mr. Trice is a director of the Bank.

During 2011, Jack Bell Builders was paid an aggregate of \$1,173,000 by the Bank for repairs and maintenance of several of the Bank's branch offices and the construction of a new branch. This company is owned 100% by Jack Bell, a director of the Company and the Bank. Mr. Jack Bell is the son of Mr. Charles Bell, another director of the Company. The Building Committee makes recommendations to the Board of Directors on the projects for which Mr. Bell is given consideration. Mr. Bell excuses himself and refrains from voting when discussions and/or votes are taken on a particular building project. Mr. Charles Bell also excuses himself and refrains from voting on any building project in which Jack Bell Builders has an interest.

Related party transactions between the Company or the Bank and the directors or executive officers are approved in advance by the Company's or the Bank's Board of Directors.

APPENDIX A

Wilson Bank Holding Company

Audit Committee Charter

I. Purpose

The purpose of the Audit Committee (the **Committee**) of Wilson Bank Holding Company (the **Company**) is to assist the Board of Directors (the **Board**) with its oversight responsibilities regarding: (i) the integrity of the Company's financial statements; (ii) the integrity of the accounting and financial reporting processes of the Company and the audits of the financial statements; (iii) the Company's compliance with legal and regulatory requirements; (iv) the independent auditor's qualifications and independence; and (v) the performance of the Company's internal audit function and independent auditor. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the **SEC**) to be included in the Company's annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

Notwithstanding the foregoing, the Committee's responsibilities are limited to oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements as well as the Company's financial reporting process, accounting policies, internal audit function, internal control over financial reporting and disclosure controls and procedures. The independent auditor is responsible for performing an audit of the Company's annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles and reviewing the Company's quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosure are complete and accurate and in accordance with generally accepted accounting principles and applicable laws, rules and regulations. Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company's internal auditor (or others responsible for the internal audit function, including contracted non-employee or audit or accounting firms engaged to provide internal audit services) (the **internal auditor**) and the Company's independent auditor) from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Further, auditing literature, particularly Statement of Accounting Standards No. 71, defines the term **review** to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term **review** as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

II. Membership

The Committee shall consist of at least three members of the Board. Each Committee member must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three (3) years and must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. In addition, except as may be acceptable to the Board, each Committee member shall satisfy the independence requirements of the New York Stock Exchange and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the **Exchange Act**).

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board. Committee members may be removed from the Committee, with or without cause, by the Board.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. The Committee shall meet separately, periodically, with management, with the internal auditor and with the independent auditor.

All non-management directors that are not members of the Committee may at the discretion of the Committee, attend and observe meetings of the Committee, but shall not be entitled to vote. The Committee may, at its discretion, include in its meetings members of the Company's management, representatives of the independent auditor, the internal auditor, and any other financial personnel employed or retained by the Company or any other persons whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the Committee may also exclude from its meetings any persons it deems appropriate, including, but not limited to, any non-management director that is not a member of the Committee.

The Committee may retain any independent counsel, experts or advisors (accounting, financial or otherwise) that the Committee believes to be necessary or appropriate to carry out its duties. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and to any advisors employed by the Committee.

The Committee may conduct or authorize investigations into any matters within the scope of the powers and responsibilities delegated to the Committee.

IV. Powers and Responsibilities

Interaction with the Independent Auditor

1. *Appointment and Oversight.* The Committee shall be directly responsible and have sole authority for the appointment, compensation, retention and oversight of the work of the independent auditor (including resolution of any disagreements between Company management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company, and the independent auditor shall report directly to the Committee.

2. *Pre-Approval of Services.* Before the independent auditor is engaged by the Company or its subsidiaries to render audit or permissible non-audit services, the Committee shall preapprove the engagement. Committee pre-approval of audit and non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Committee regarding the Company's engagement of the independent auditor, provided the policies and procedures are detailed as to the particular service, the Committee is informed of each service provided and such policies and procedures do not include delegation of the Committee's responsibilities under the Exchange Act to the Company's management. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting. If the Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Committee must be informed of each non-audit service provided by the independent auditor. Committee pre-approval of non-audit services (other than review and attest services) also will not be required if such services fall within available exceptions established by the SEC.

3. *Independence of Independent Auditor.* The Committee shall, at least annually, review the independence and quality control procedures of the independent auditor and the experience and qualifications of the independent auditor's senior personnel that are providing audit services to the Company. In conducting its review:

The Committee shall actively engage in a dialogue with the independent auditor with respect to any disclosed relationships or services that, in the view of the Committee, may impact the objectivity and independence of the independent auditor and for the taking, or recommending that the full Board take, appropriate action to oversee the independence of the independent auditor. The Committee shall satisfy itself of the auditor's independence.

(ii) The Committee shall confirm with the independent auditor that the independent auditor is in compliance with the partner rotation requirements established by the SEC.

(iii) The Committee shall discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as then in effect.

6. *Recommendation to Include Financial Statements in Annual Report.* The Committee shall, based on the review and discussions in paragraphs 4(iii) and 5(iii) above, and based on the disclosures received from the independent auditor regarding its independence and discussions with the auditor regarding such independence pursuant to subparagraph 3(i) above, determine whether to recommend to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year subject to the audit.
