Proposal 3 Proposal to ratify the appointment of SingerLewak LLP as the company's independent registered public accounting firm.

For information regarding this proposal, see the section of this Proxy Statement entitled **PROPOSAL 3 PROPOSAL TO RATIFY THE APPOINTMENT OF SINGERLEWAK LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**.

Shares represented by properly executed proxies received by the Company will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, **FOR** each of the director nominees identified on such proxy card for such directors, and **FOR** each of Proposals 2 and 3 as the holder of such shares is entitled to vote. Although management does not know of any matter other than the proposals described above to be acted upon at the Annual Meeting, unless contrary instructions are given, shares represented by valid proxies will be voted by the persons named on the accompanying proxy card in accordance with their respective best judgment in respect of any other matters that may properly be presented for a vote at the Annual Meeting.

Execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person, and any person giving a proxy has the right to revoke it at any time before it is exercised by: (a) filing with the Secretary of Salem, prior to the commencement of the Annual Meeting, either a duly executed written notice dated subsequent to such proxy revoking the same or a duly executed proxy bearing a later date, or (b) attending the Annual Meeting and voting in person.

The mailing address of the principal executive offices of the Company is 4880 Santa Rosa Road, Camarillo, California 93012, and its telephone number is (805) 987-0400.

Record Date, Quorum and Voting

There were outstanding on the Record Date 18,761,931 shares of Class A common stock, par value \$0.01 per share (**Class A common stock**), and 5,553,696 shares of Class B common stock, par value \$0.01 per share (**Class B common stock**) (the **Class A common stock** and the **Class B common stock** are collectively referred to as the **common stock**). Each share of outstanding Class A common stock is entitled to one vote on each matter to be voted on at the Annual Meeting and

Table of Contents

each share of outstanding Class B common stock is entitled to ten votes on each matter to be voted on at the Annual Meeting, except that, as provided in the Company's Amended and Restated Certificate of Incorporation, the holders of Class A common stock shall be entitled to vote as a class, exclusive of the holders of the Class B common stock, to elect two Independent Directors. The two Independent Directors shall be elected by a majority of the votes of the shares of Class A common stock present in person or represented by proxy and entitled to vote on the election of the Independent Directors; the remaining six directors will be elected by a majority of the votes of the shares of Class A common stock and Class B common stock present in person or represented by proxy and entitled to vote on the election of such directors. For information regarding the election of the Independent Directors, see the section of this Proxy Statement entitled PROPOSAL 1 ELECTION OF DIRECTORS.

The presence, in person or by proxy, of the holders of at least a majority of the voting power of the common stock issued and outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. In the event there are not sufficient shares for a quorum at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Only votes cast in person at the Annual Meeting or received by proxy before the beginning of the Annual Meeting will be counted. Giving us your proxy means you authorize us to vote your shares at the Annual Meeting in the manner you direct. If your shares are held in your name, you can vote by proxy in three convenient ways as follows:

On-Line Voting: Go to <http://www.proxyvote.com> and follow the instructions

By Telephone: Call toll-free 1-800-690-6903 and follow the instructions

By Mail: Complete, sign, date and return your proxy card in the enclosed envelope

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. on June 21, 2012.

Under Delaware law and the Company's Amended and Restated Certificate of Incorporation and Bylaws, abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. With regard to the election of directors, votes may be cast in favor of or against any particular director nominee. With regard to Proposals 2 and 3, votes may be cast in favor of or against the respective proposal. Any stockholder proposals that properly come before the Annual Meeting require, in general, the affirmative vote of a majority of the voting power of the shares of Class A common stock and Class B common stock present, in person or represented by proxy, at the Annual Meeting and entitled to vote on the subject matter. For Proposals 1, 2 and 3, abstentions will be counted in tabulations of the votes cast on a proposal and will have the same effect as a vote against the proposal, whereas broker non-votes will not be counted for purposes of determining whether the proposal has been approved. If you hold shares of our common stock through a broker, bank or other nominee, then you hold shares in street name. Thus, you must instruct the broker, bank or other nominee as to how to vote your shares. Under the rules of the New York Stock Exchange (NYSE), if you do not provide such instructions, the firm that holds your shares will have discretionary authority to vote your shares with respect to routine matters. Pursuant to NYSE rules, Proposals 1 and 2 are not considered routine matters. Thus, your broker will not have discretionary authority to vote your shares in connection with Proposals 1 and 2 if you do not provide it with instructions.

Electronic Access to Proxy Materials

Pursuant to applicable United States Securities and Exchange Commission (SEC) rules, the Company is making this proxy statement and its Annual Report on Form 10-K available to its stockholders electronically via the Internet at www.proxyvote.com. On or about May 4, 2012, we will mail to stockholders a Notice containing instructions on how to access this proxy statement along with our Annual Report on Form 10-K as well as instructions on how to vote online. The Notice also instructs you on how you may submit your proxy vote securely over the Internet or by telephone. You will not automatically receive a printed copy of the proxy statement and annual report. If you would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials as set forth in the Notice.

Table of Contents

Solicitation

The cost of preparing, assembling and sending the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card will be paid by the Company. Following the delivery of this Proxy Statement, directors, officers and other employees of the Company may solicit proxies by mail, telephone, facsimile or other electronic means or by personal interview. Such persons will receive no additional compensation for such services. Brokerage houses and other nominees, fiduciaries and custodians nominally holding shares of Class A common stock of record will be requested to forward proxy soliciting material to the beneficial owners of such shares, and will be reimbursed by the Company for their reasonable charges and expenses in connection therewith.

Householding

With regard to the delivery of Annual Reports and Proxy Statements, under certain circumstances the SEC permits a single set of such documents or, where applicable, one Notice, to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder, however, still receives a separate proxy card. This procedure, known as "householding," reduces the amount of duplicate information received at a household and reduces delivery and printing costs as well. A number of banks, brokers and other firms have instituted householding and have previously sent a notice to that effect to certain of the Company's stockholders whose shares are registered in the name of such bank, broker or other firm. As a result, unless the stockholders receiving such notice gave contrary instructions, only one Annual Report and/or Proxy Statement, as applicable, will be delivered to an address at which two or more stockholders reside. If any stockholder residing at such an address wishes to receive a separate Annual Report or Proxy Statement for the Annual Meeting or for future stockholder meetings, such stockholder should telephone toll-free 1-800-579-1639, or write to Salem Communications Corporation c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. A separate set of proxy materials relating to the Annual Meeting will be sent promptly following receipt of your request. In addition, if any stockholder who previously consented to householding desires to receive a separate copy of a Proxy Statement or Annual Report, as applicable, for each stockholder at his or her same address, such stockholder should contact his or her bank, broker or other firm in whose name the shares are registered or contact the Company at the address or telephone number listed on page 1 of this Proxy Statement. Similarly, a stockholder may use any of these methods if such stockholder is receiving multiple copies of a Proxy Statement or Annual Report and would prefer to receive a single copy in the future.

Board Composition

As a national media presence focused on the Christian and family themed audience and the conservative news talk audience, our business involves an operational structure that operates on a broad scale and encompasses research, technical developments, and marketing functions in a context characterized by rapidly evolving technologies, exposure to business cycles, and significant competition. The Company's Nominating and Corporate Governance Committee is responsible for reviewing and assessing with the board the appropriate skills, experience, and background sought of board members in the context of our business and the then-current membership on the board. This assessment of board skills, experience, and background includes numerous diverse factors, such as understanding of and experience in radio and new media; understanding of our audience and the ministries that serve them; and finance, marketing and advertising experience. The priorities and emphasis of the Nominating and Corporate Governance Committee and of the board with regard to these factors may change from time to time to take into account changes in the Company's business and other trends, as well as the portfolio of skills and experience of current and prospective board members. The Nominating and Corporate Governance Committee and the board will review and assess the continued relevance of and emphasis on these factors as part of the board's annual self-assessment process and in connection with candidate searches to determine if they are effective in helping to satisfy the board's goal of creating and sustaining a board that can appropriately support and oversee the Company's activities.

We believe that it is important for our board members to have diverse backgrounds, skills and experiences and seek such diversity in nominating director candidates. One goal of this diversity of backgrounds, skills and experience is to assist the board in its oversight concerning our business and operations. We consider the key skills, qualifications and experience listed below as important for our directors to have in light of our current business and structure. The directors' biographies provided later in this Proxy Statement note each director's relevant skills, qualifications and experience. As part of an annual effectiveness review, the board evaluates its composition to ensure that the board as a whole sufficiently represents a diverse set of relevant background, skill and experience.

Senior Executive Leadership Experience. Directors who have served in senior executive leadership positions are important to us, as they bring experience and perspective in analyzing, shaping, and overseeing the execution of important operational and policy issues at a senior level. The insights and guidance of these directors, particularly those directors who have experience at businesses or organizations that operated on a global scale, faced significant competition, and/or involved technology or other rapidly evolving business models, enhance our board's ability to assess and respond to situations faced by the Company.

Edgar Filing: SALEM COMMUNICATIONS CORP /DE/ - Form DEF 14A

Public Company Board Experience. Directors who have served on other public company boards can offer insights with regard to the dynamics and operation of a board of directors; corporate governance matters, including experience with respect to the relationship of a board to the CEO and other management personnel; the importance of particular public company agenda and oversight matters; and oversight of a changing mix of strategic, operational, and compliance-related matters.

Table of Contents

Knowledge of accounting and financial reporting processes, as well as the financial markets, financing and funding operations, is important because it assists our directors in understanding and overseeing the Company's financial reporting, internal controls, capital structure, financing and investing activities.

Relevant Experience with our Audiences and Programmers. Directors who have relevant experience with the Christian and family themed audience and the conservative news talk audience can provide insight and expertise in assisting the board's implementation of Company strategies for growing our business by providing an engaging experience with our radio stations, Internet sites and other services. Directors with experience and knowledge of the business of our programmers and content providers can also assist the board with analyzing, reviewing and approving mutually beneficial and significant relationships between these content providers and the Company.

Director Independence and Executive Sessions

The Company's board of directors evaluated the independence of each of the Company's directors pursuant to the listing standards of the NASDAQ Stock Market (NASDAQ Rules). During this review, and as more specifically described in the section of this Proxy Statement entitled "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS", below, the board of directors considered various transactions and relationships among directors (and their affiliates or family members), members of the Company's senior management, affiliates and subsidiaries of the Company and certain other parties that occurred during the past three fiscal years. This review was conducted to determine whether, under the NASDAQ Rules, any such relationships or transactions would affect the board of directors' determination as to each director's independence from management.

Upon conclusion of this review, the board of directors determined that, of the directors nominated for election at the Annual Meeting, a majority of the board (comprised of Messrs. Davenport, Hinz, Riddle, Venverloh and Weinberg) is, or in the case of nominee Frank Wright, will if elected be, independent of the Company and its senior management as required by the NASDAQ Rules. As part of its evaluation of the independence of nominee Frank Wright, the board of directors considered

his position as an executive officer of the NRB and determined that his service in such position does not have an adverse impact upon the board's determination that Mr. Wright will, if elected, be considered independent of the Company and its senior management as required by the NASDAQ Rules.

The NASDAQ Rules also require that independent members of the board of directors meet periodically in executive sessions during which only independent directors are present. The Company's independent directors have met separately in such executive sessions and in the future will regularly meet in executive sessions as required by the NASDAQ Rules.

Committees of the Board of Directors

The Company's board of directors has three committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The following table identifies the independent members of the board of directors and lists the members and chairman of each of these committees:

Richard A. Riddle	I	X	X	C
Jonathan Ververloh	I	X		X
Dennis M. Weinberg	I	C		X

Audit Committee

The Audit Committee currently consists of Messrs. Weinberg (Chairman), Hinz, Riddle and Ververloh, each of whom is independent under the NASDAQ Rules and applicable SEC rules and regulations. The board of directors has determined that Mr. Weinberg, the Audit Committee Chairperson, qualifies as an audit committee financial expert, as defined and required by applicable SEC rules and regulations.

The Audit Committee held four regularly-scheduled meetings and three special meetings in 2011 and operates under a written charter adopted by the board of directors. The Audit Committee and the Company's board of directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website (www.salem.cc) and a copy of the charter may be obtained upon written request from the Secretary of the Company. **Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.**

The Audit Committee's responsibilities are generally to assist the board of directors in fulfilling its legal and fiduciary responsibilities relating to accounting, audit and reporting policies and practices of the Company and its subsidiaries. The Audit Committee also, among other things, oversees the Company's financial reporting process, retains and engages the Company's independent registered public accounting firm, approves

the fees for the Company's independent registered public accounting firm, monitors and reviews the quality, activities and functions of the Company's independent registered public accounting firm, and monitors the adequacy of the Company's operating and internal controls and procedures as reported by management and the Company's independent registered public accounting firm. The Audit Committee Report set forth later in this Proxy Statement provides additional details about the duties and activities of this committee.

Compensation Committee

As provided under applicable laws and rules, the Company's board of directors delegates authority for compensation matters to the Compensation Committee of the board of directors. The Compensation Committee's membership is determined by the board of directors. The Compensation Committee currently consists of Messrs. Davenport (Chairman), Hinz and Riddle, each of whom is independent under the NASDAQ Rules. The Compensation Committee is authorized to review and approve compensation, including non-cash benefits, and severance arrangements for the Company's Section 16 officers and employees and to approve salaries, remuneration and other forms of additional compensation and benefits as it deems necessary. The Compensation Committee also administers the Company's Amended and Restated 1999 Stock Incentive Plan (the "Stock Plan").

The Compensation Committee held three regularly scheduled meetings in 2011. The Compensation Committee meets at least twice annually and at additional times as are necessary or advisable to fulfill its duties and responsibilities.

The role of the Company's Compensation Committee is to oversee the Company's compensation and benefit plans and policies, administer the Stock Plan (including reviewing and approving equity grants to elected officers), and review and approve all compensation decisions relating to elected officers, including those for the Company's Named Executive Officers. In 2011, the actions of the Compensation Committee included: reviewing objective benchmarks and metrics by which a Named Executive Officer's performance can be measured; and analyzing peer compensation and performance data for comparison with the Company's Named Executive Officers. The Compensation Committee has delegated limited authority to Edward G. Atsinger III, the Company's Chief Executive Officer, to grant up to \$150,000 of options to purchase the Company's Class A common stock annually (measured each calendar year without carry-over of unused grant authority from year to year). The \$150,000 is calculated at a price equal to the price of the Company's Class A common stock at the NASDAQ market close on the date the stock options are granted. This delegated authority is subject to prompt notification to the Compensation Committee of the issuance of any such grants and ratification of any such grants at the next regularly scheduled Compensation Committee meeting following the date of such grants.

The Company's Named Executive Officers do not determine or approve any element or component of their own compensation. The Company's CEO provides a recommendation to the Compensation Committee for base salary and annual incentive compensation for the Named Executive Officers reporting to him.

The Compensation Committee operates pursuant to a charter that was approved by the board of directors. The charter sets forth the responsibilities of the Compensation Committee. The Compensation Committee and the Company's board of directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website (www.salem.cc) and a copy of the charter may be obtained from the Secretary of the Company upon written request. ***Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of Messrs. Riddle (Chairman), Davenport, Hinz, Venverloh and Weinberg, each of whom is independent under the NASDAQ Rules. The Nominating and Corporate Governance Committee held three regularly scheduled meetings in 2011.

The Nominating and Corporate Governance Committee is authorized to: (a) develop and recommend a set of corporate governance standards to the board of directors for adoption and implementation, (b) identify individuals qualified to become members of the board of directors, (c) recommend that director nominees be elected at the Company's next annual meeting of stockholders, (d) recommend nominees to serve on each standing committee of the board of directors, (e) lead in the annual review of board performance and evaluation of the board's effectiveness, (f) ensure that succession planning takes place for the position of chief executive officer and other key Company senior management positions, and (g) analyze, review and, where appropriate, approve all related party transactions to which the Company or its subsidiaries or affiliates are a party, all in accordance with applicable rules and regulations.

To qualify as a nominee for service on the board of directors, a candidate must have sufficient time and resources available to successfully carry out the duties required of a Company board member. The Nominating and Corporate Governance Committee desires to attract and retain highly qualified directors who will diligently execute their responsibilities and enhance their knowledge of the Company's core businesses and seeks directors who possess some or all of the skills, qualifications and experience described under "Board Composition" in this Proxy Statement.

Table of Contents

The Nominating and Corporate Governance Committee implements the Company's policy regarding stockholder nominations by considering nominees for director positions that are made by the Company's stockholders. Any stockholder desiring to make such a nomination must submit in writing the name(s) of the recommended nominee(s) to the Secretary of the Company at least 90 days before nor earlier than 120 days prior to the first anniversary of the preceding annual meeting of stockholders. The written submission must also contain biographical information about the proposed nominee, a description of the nominee's qualifications to serve as a member of the board of directors, and evidence of the nominee's valid consent to serve as a director of the Company if nominated and duly elected.

The Company's directors provide oversight of the Company's management and play a key role in shaping the strategic direction of the Company. Consistent with the Company's Nominating and Corporate Governance Charter, the Nominating and Corporate Governance Committee considers various criteria in board candidates, including, the skills, qualifications and experience described under Board Composition in this Proxy Statement, as well as their appreciation of the Company's core purpose, core values, and whether they have time available to devote to board activities. The Nominating and Corporate Governance Committee also considers whether a potential nominee would satisfy:

1. The criteria for director independence established by the NASDAQ; and

2. The SEC's definition of audit committee financial expert.

Whenever a vacancy exists on the board due to expansion of the board's size or the resignation, retirement or term expiration of an existing director, the Nominating and Corporate Governance Committee identifies and evaluates potential director nominees. The Nominating and Corporate Governance Committee considers recommendations of management, stockholders and others. The Nominating and Corporate Governance Committee has sole authority to retain and terminate any search firm to be used to identify director candidates, including approving its fees and other retention terms.

Director candidates are evaluated using the criteria described above and in light of the then-existing composition of the board, including its overall size, structure, backgrounds and areas of expertise of existing directors and the relative mix of independent and employee directors. The Nominating and Corporate Governance Committee also considers the specific needs of the various board committees. The Nominating and Corporate Governance Committee recommends potential director nominees to the full board, and final approval of a candidate for nomination is determined by the full board. This evaluation process is the same for director nominees who are recommended by our stockholders.

The board of directors has adopted a written charter for the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee and the Company's board of directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website (www.salem.cc) and a copy of the charter may be obtained upon written request from the Secretary of the Company. ***Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

The Nominating and Corporate Governance Committee did not receive any recommendations from stockholders proposing candidate(s) for election at the Annual Meeting. None of the directors serving on the Audit Committee, the Compensation Committee, or the Nominating and Corporate Governance Committee are employees of the Company.

Although the board does not have a formal policy on diversity, the Nominating and Corporate Governance Committee and the board review from time-to-time the membership of the board in light of the Company's operations and strategic objectives and consider whether the current board members possess the requisite skills, experience and perspectives to oversee the achievement of those goals. As part of an annual effectiveness review, the Nominating and Corporate Governance Committee evaluates the diversity of the board composition to ensure that it sufficiently represents a diverse set of background, skills and experience.

Board Leadership Structure

Historically, the Company's board of directors has had a general policy that the positions of Chairman of the Board and CEO should be held by separate persons as an aid in the board's oversight of management. This policy has been in effect since the Company began operations. The Chairman of the Board is a full-time senior executive of the Company. The duties of the Chairman of the Board include:

presiding over all meetings of the board;

Table of Contents

preparing the agenda for board meetings in consultation with the CEO and other members of the board;

managing the board's process for annual director self-assessment and evaluation of the board and of the CEO; and

presiding over all meetings of stockholders.

The board of directors believes that there are advantages to having a separate Chairman for matters such as communications and relations between the board members, the CEO, and other senior management; in assisting the board in reaching consensus on particular strategies and policies; and in facilitating robust director, board, and CEO evaluation processes. In addition, having separate Chairman and CEO positions permits the CEO to focus on day-to-day business and allows the Chairman to lead the board in its oversight responsibilities. The board currently consists of the Chairman of the board, Mr. Epperson, the Company's CEO, Mr. Atsinger, and five independent directors. One of Mr. Epperson's roles is to oversee and manage the board of directors and its functions, including setting meeting agendas and running board meetings. In this regard, Mr. Epperson and the board in their advisory and oversight roles are particularly focused on assisting the CEO and senior management in seeking and adopting successful business strategies and risk management policies, and in making successful choices in management succession.

Board's Role in Risk Oversight

The Company's board of directors as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant board committees. These committees then provide reports to the full board. The oversight responsibility of the board and its committees is enabled by management reporting processes that are designed to provide visibility to the board about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession and compensation, legal and compliance, and other risks. The board and its committees oversee risks associated with their respective areas of responsibility, as summarized above.

Director Attendance at Board Meetings and 2011 Annual Meeting of Stockholders

The full board of directors held four regularly-scheduled meetings in 2011. During 2011, each of the Company's incumbent directors attended (either in person or telephonically) all of the regularly-scheduled meetings of the full board of directors. Mr. Weinberg did not participate in the December 2011 Nominating and Corporate Governance Committee meeting. Mr. Venverloh's board start date was September 1, 2011, but he was excused from the September 2011 Audit Committee Meeting. The Company encourages, but does not require, that each director attend the Company's annual meeting of stockholders. In 2011, each of the Company's then directors attended the 2011 annual meeting of stockholders, except for Mr. Epperson, who did not attend.

Communications between Stockholders and the Board

The Company has historically handled communications between stockholders and the board of directors on an *ad hoc* basis. No formal policy or process for such communications has been adopted by the Company as of the date of this Proxy Statement. The Company has, however, taken actions to ensure that the views of its stockholders are communicated to the board or one or more of its individual directors, as applicable. The board considers its responsiveness to such communications as timely and exemplary.

Financial Code of Conduct

The Company has adopted a Financial Code of Conduct that applies to each director of the Company, the Company's CEO, principal financial officer, principal accounting officer, controller and persons performing similar functions. This Financial Code of Conduct has been adopted by the board as a code of ethics that satisfies applicable NASDAQ Rules. The Financial Code of Conduct is available on the Company's Internet website (www.salem.cc) and a copy of the code may be obtained free of charge upon written request from the Secretary of the Company. ***Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

The Company's Nonqualified Deferred Compensation Plan

The Company maintained a non-qualified deferred compensation plan as a benefit for certain designated employees who were within a select group of key management or highly compensated employees. An election to terminate this compensation plan was made by the Company in September 2009, and final distributions of plan funds were made in January 2011, thereby fully and formally terminating the plan.

The primary purpose of this compensation plan was to allow plan participants to defer payment of up to 100% of base salary, commission, bonus compensation, and board fees until retirement or other employment termination. Plan participants could also elect an in-service distribution during a designated calendar year. The plan constituted a fully funded, non-qualified deferred compensation plan.

Material Terms of NEO Employment Agreements Providing For Payment to NEOs upon Termination or Change in Control

Mr. Atsinger's Employment Agreement

Under the terms of his employment agreement, if Mr. Atsinger's employment is terminated by reason of death, his estate is entitled to receive: (a) a payment equal to his base salary through the date of termination to the extent not already paid, (b) a prorated portion of his incentive bonus based on his prior year's incentive bonus, (c) his actual earned incentive bonus for any period not already paid, (d) amounts to which he is entitled under the Company's benefit plans, (e) immediate, 100% vesting of outstanding unvested stock options and other equity-based awards, and (f) continued coverage of his dependents by the Company's health benefit plans for a period of twelve months.

If Mr. Atsinger's employment is terminated upon disability (as defined in his employment agreement), he is entitled to receive: (a) a payment equal to his base salary through the date of termination to the extent not already paid, (b) a severance payment equal to 100% of his then current annual base salary for a period of fifteen (15) months, (c) a prorated portion of his incentive bonus based on his prior year's incentive bonus, (d) his actual earned incentive bonus for any period not already paid, (e) amounts to which he is entitled under the Company's benefit plans, and (f) immediate, 100% vesting of outstanding unvested stock options and other equity-based awards.

If Mr. Atsinger's employment is terminated by the Company without cause (as defined in his employment agreement), he is entitled to receive: (a) a payment equal to his base salary earned but unpaid through the date of termination, (b) a prorated portion of his incentive bonus based on the prior year's incentive bonus, and any incentive bonus amount earned but not yet paid, and, (c) a payment equal to his then current annual base salary for a period of six months.

With the exception of any continued benefits coverage in the event of the death of Mr. Atsinger, all payments to be made by the Company upon termination of employment to Mr. Atsinger will be lump sum payments.

The employment agreement also contains provisions that: (a) grant the Company a right of first refusal on all corporate opportunities presented to Mr. Atsinger, (b) restrict Mr. Atsinger's ability to engage in any business that is competitive with the Company's business for a period of two years following retirement or termination for cause or without good reason, and (c) restrict Mr. Atsinger's ability to interfere with the business of the Company or solicit Company employees for a period of two years following such retirement or termination. Compliance by Mr. Atsinger with these obligations is a material condition to the Company's obligation to provide the above termination benefits.

Mr. Evans' Employment Agreement

Under the terms of his employment agreement, if Mr. Evans' employment is terminated by reason of death, disability or otherwise for cause (as defined in his employment agreement), he or his estate is entitled to receive: (a) a payment equal to his base salary through the date of termination to the extent not already paid, and (b) his actual earned incentive bonus for any period not already paid.

If Mr. Evans' employment is terminated by the Company without cause (as defined in his employment agreement), he is also entitled to receive: (a) a payment equal to his base salary earned but unpaid through the date of termination, (b) his actual earned incentive bonus for any period not already paid, (c) a severance payment in an amount equal to the base salary Mr. Evans would have otherwise received for a period of nine (9) months from the date of termination had he remained employed with the Company, and (d) professional outplacement assistance for twelve (12) consecutive months from the termination date.

Table of Contents

With the exception of professional outplacement services that would be provided by the Company to Mr. Evans over a one-year period in the event of a termination without cause, all payments to be made by the Company upon termination of employment to Mr. Evans would be lump sum payments.

The employment agreement with Mr. Evans also contains a provision that restricts his ability to interfere with the business of the Company or solicit Company employees for a period of six months following termination of employment for any reason. Compliance by Mr. Evans with these obligations is a material condition to the Company's obligation to provide the above termination benefits.

Mr. Santrella's Employment Agreement

Under the terms of his employment agreement, if Mr. Santrella's employment is terminated by reason of death, disability or otherwise for cause (as defined in his employment agreement), he or his estate is entitled to receive: (a) a payment equal to his base salary accrued through the date of termination to the extent not already paid, and (b) his actual earned incentive bonus for any period not already paid.

If Mr. Santrella's employment is terminated by the Company without cause (as defined in his employment agreement), he is also entitled to receive: (a) a payment equal to his base salary accrued through the date of termination to the extent not already paid, and (b) a severance payment in an amount equal to the base salary Mr. Santrella would have otherwise received for a period of six (6) months from the date of termination had he remained employed with the Company.

The employment agreement with Mr. Santrella also contains a provision that restricts his ability to interfere with the business of the Company or solicit Company employees for a period of six (6) months following termination of employment for any reason. Compliance by Mr. Santrella with these obligations is a material condition to the Company's obligation to provide the above termination benefits.

AUDIT COMMITTEE REPORT

This Audit Committee Report shall not be deemed soliciting material or to be filed with the Securities and Exchange Commission (SEC), nor shall any information in this report be incorporated by reference by any general statement into any past or future filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that Salem Communications Corporation and its subsidiaries (the Corporation) specifically incorporates this information by reference into such filing, and shall not otherwise be deemed filed under such Acts.

The purpose of the Audit Committee (the Committee) is to oversee, on behalf of the entire board of directors (the Board): (a) the accounting and financial reporting processes of the Corporation, (b) the audits of the Corporation's financial statements, (c) the qualifications, independence and performance of the public accounting firm engaged as the Corporation's independent registered public accounting firm to prepare or issue an audit report on the financial statements of the Corporation, and (d) the performance of the Corporation's internal auditor and independent registered public accounting firm.

Table of Contents

The Committee has adopted, and annually reviews, a charter outlining the practices it follows. The charter complies with all current regulatory requirements, including requirements pertaining to the NASDAQ Stock Market listing standards definitions, provisions and applicable exceptions concerning the independence of audit committee members.

In 2011, the Committee held seven meetings, four of which were regularly scheduled and three of which were special meetings. The Committee's meeting agendas are established by the Committee chairman based upon the Committee's charter and an annual meeting planner approved by the entire Committee. At each of these meetings, the Committee met with the senior members of the Corporation's financial management team and General Counsel. Additionally, the Corporation's internal auditor met with the full Committee at the four regularly scheduled meetings and the independent registered public accounting firm met with the full Committee at the seven meetings. Prior to each regularly scheduled meeting, the Chairman of the Committee also met privately with the Corporation's independent registered public accounting firm and, separately, with the Corporation's internal auditor, at which times candid discussions of financial management, accounting and internal control issues took place.

The Committee appointed SingerLewak LLP as the Corporation's independent registered public accounting firm for the year ended December 31, 2011, and reviewed with the Corporation's financial managers, the independent registered public accounting firm, and the Corporation's internal auditor, overall audit scopes and plans, the results of internal and external controls and the quality of the Corporation's financial reporting.

The Corporation's management is primarily responsible for the preparation, presentation, and integrity of the Corporation's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. As the Corporation's independent registered public accounting firm, SingerLewak LLP is responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally accepted accounting standards and for expressing an opinion on the conformity of the audited financial statements to accounting principles generally accepted in the United States of America.

The Committee has reviewed and discussed with management the Corporation's audited financial statements as of and for the year ended December 31, 2011. The Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by the Public Company Accounting Oversight Board (PCAOB).

The Committee has received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the rules of the PCAOB and the Committee has discussed with the independent registered public accounting firm that firm's independence from the Corporation and its management. The Committee has also considered whether the independent registered public accounting firm's provision of non-audit services to the Corporation is compatible with the auditor's independence.

Based on the Committee's reviews and discussions referred to above, the Committee recommended to the Board that the audited consolidated financial statements referred to above be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2011, to be filed with the SEC.

The Audit Committee is currently comprised of Dennis M. Weinberg, Chairman, Roland S. Hinz, Richard A. Riddle and Jonathan Venverloh.

Split-Dollar Life Insurance

The company purchased split-dollar life insurance policies for its Chairman and Chief Executive Officer in 1997. During 2011, the then existing policies were cancelled and new policies were entered into. The company is the owner of the policies and is entitled to recover all of the premiums paid on these policies. The company records an asset based on the lower of the aggregate premiums paid or insurance cash surrender value. The premiums were \$230,000, for each of the years ended December 31, 2009 and 2010, and \$990,000 for the year ended December 31, 2011. As of December 31, 2009, 2010, and 2011 we recorded net assets of \$2.4 million, \$2.8 million and \$1.1 million, respectively. Benefits above and beyond the cumulative premiums paid will go to the beneficiary trusts established by each of the Chairman and Chief Executive Officer.

Audit Committee's Pre-Approval Policies and Procedures

In accordance with the Audit Committee's pre-approval policies and procedures and the requirements of applicable law, all services to be provided by SL are pre-approved by the Audit Committee. Pre-approval includes audit services, audit-related services and other permissible non-audit services. Pre-approval is generally provided by the full Audit Committee for up to a year and is detailed as to the particular defined tasks or scope of work and is subject to a specific budget. In some cases, the Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve additional services, and any such pre-approvals granted by the Chairman must then be communicated to the full Audit Committee at or prior to the next scheduled Audit Committee meeting. When assessing whether it is appropriate to engage the independent registered public accounting firm to perform a service, the Audit Committee considers, among other things, whether such services are consistent with the independent registered public accounting firm's independence and whether such services constitute prohibited non-audit functions under Section 201 of the Sarbanes-Oxley Act of 2002. The Audit Committee considered the provision of the services listed in the table above by SL and determined that the provision of such services was compatible with maintaining the independence of SL.

PROPOSAL 2

**PROPOSAL TO INCREASE THE NUMBER OF SHARES RESERVED FOR ISSUANCE UNDER THE
1999 STOCK INCENTIVE PLAN**

General

On May 29, 1999, the Company adopted the 1999 Stock Incentive Plan, as amended in 2001 and further amended and restated in 2003, 2005 and 2009 (the "Stock Plan"), to promote the interests of the Company and its stockholders by using investment interests in the Company to attract, retain and motivate its employees and other persons, to encourage and reward their contributions to the performance of the Company, and to align their interests with the interests of the Company's stockholders.

The maximum number of shares of Class A common stock (for purpose of Proposal 2, the "Class A Common Stock") that may be issued pursuant to awards granted under the Stock Plan is currently 3,100,000 (subject to adjustment as set forth in the Stock Plan). As of April 24, 2012, awards covering a total of 2,215,404 shares were outstanding or had been exercised under the Stock Plan and only 32,407 shares remain available for future awards. The Company relies heavily upon the Stock Plan to recruit, retain and reward qualified employees, officers, consultants, advisors and directors, and the board has approved, subject to approval by the Company's stockholders, an amendment and restatement of the Stock Plan to make available an additional 1,900,000 shares of Class A Common Stock for awards under the Stock Plan (subject to adjustments as set forth in the Stock Plan).

If the stockholders do not approve Proposal 2, and as a consequence, the Company is unable to continue to grant options at competitive levels, we believe that there will be a negative effect to the Company's ability to meet its needs for highly qualified personnel and to manage future growth. Without these proposed new shares, the current shares available for grant under the Stock Plan will not be sufficient to maintain our current option grant practice for promotions or merit awards for current employees after June 2012.

Interest of Certain Persons in Matters to be Acted Upon

Pursuant to the Stock Plan, each of the directors and executive officers, among others, is eligible to receive awards under the Stock Plan. Participation in the Stock Plan is at the discretion of the Board or its appointed committee and, accordingly, future participation by directors, executive officers and other employees under this Stock Plan is not determinable. However, if this proposal is approved, the maximum number of shares available under the Stock Plan will be increased by 1,900,000 shares.

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting, at which a quorum representing a majority of all outstanding shares of Class A common stock and Class B common stock is present and entitled to vote, is required to approve the amendment and restatement of the Stock Plan increasing the available shares of Class A Common Stock by 1,900,000.

If we do not obtain stockholder approval, then Salem will not implement the proposed amendment and restatement of the Stock Plan increasing the available shares of Class A Common Stock by 1,900,000. The Stock Plan will, however, remain in effect.

The board of directors believes that the proposed amendment and restatement of the Stock Plan is in the best interests of Salem and our stockholders for the reasons stated above. **THEREFORE, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR APPROVAL OF PROPOSAL 2.**

Summary of the 1999 Stock Incentive Plan

The following is a summary of the principal features of the Stock Plan as in effect and as proposed to be amended by Proposal 2. The summary is qualified in its entirety by Proposal 2 and the Stock Plan, a copy of which, as proposed to be amended, is attached as Appendix A to this Proxy Statement.

The Stock Plan is administered by the board or a committee of directors appointed by the board, such committee members meeting the requirement of committee membership required by the Stock Plan (the "Administering Body"). Subject to the express provisions of the Stock Plan, the Administering Body is authorized to interpret and construe the Stock Plan and any

Table of Contents

documents defining the rights and obligations of the Company and recipients thereunder, to determine all questions arising thereunder, to adopt and amend such rules and regulations for the administration thereof as it may deem desirable, and otherwise to carry out the terms of the Stock Plan and such other documents. The interpretation and construction by the Administering Body of any provisions of the Stock Plan or of any award thereunder will be conclusive and binding. Any action taken by, or inaction of, the Administering Body relating to the Stock Plan or any awards thereunder will be within the absolute discretion of the Administering Body and will be conclusive and binding upon all persons.

The Administering Body may from time to time in its discretion select the eligible persons to whom, and the times at which, awards will be granted or sold, the nature of each award, the number of shares of Class A Common Stock or the number of rights that make up or underlie each award, the period for the exercise of each award, and such other terms and conditions applicable to each award as the Administering Body will determine. The Administering Body may grant awards singly, in combination or in tandem with other awards, as it determines in its discretion. The purchase price, exercise price, initial value and any and all other terms and conditions of the awards may be established by the Administering Body without regard to existing awards or other grants.

Persons Eligible to Participate in the Stock Plan

The persons eligible to receive awards under the Stock Plan include directors, officers, employees, consultants, and advisors of the Company and its affiliated entities; provided, however, that Incentive Stock Options (defined below) may be granted only to eligible persons meeting the employment requirements of Section 422 of the Internal Revenue Code of 1986, as amended (the "IRC"). For purposes of the Stock Plan, the term "affiliated entities" means any parent corporation or subsidiary corporation of the Company, as defined in Sections 424(e) and 424(f), respectively, of the IRC.

Awards

Subject to certain limitations specified in the Stock Plan, the Administering Body may, in its discretion, grant to eligible persons any one or more of the following awards under the Stock Plan: stock options, performance awards, restricted stock, stock appreciation rights, stock payments, dividend equivalents, stock bonuses, stock sales, phantom stock, and other stock-based benefits. Each award granted under the Stock Plan will be evidenced by an agreement duly executed on behalf of the Company and by the recipient or, in the Administering Body's discretion, a confirming memorandum issued by the Company to the recipient, setting forth such terms and conditions applicable to the award as the Administering Body may in its discretion determine. Payment of the exercise price or other payment for an award shall be payable upon the exercise of a stock option or upon other purchase of shares pursuant to an award granted under the Stock Plan and may be made by (i) legal tender of the United States, (ii) shares of Class A Common Stock (if either the underlying agreement or the Administering Body so permit and if the Company is not prohibited from acquiring its shares), or (iii) such other lawful consideration the Administering Body may deem acceptable in any particular instance.

Stock Options

The Administering Body may grant to eligible persons stock options that either qualify as incentive stock options under Section 422 of the IRC ("Incentive Stock Options") or do not qualify as Incentive Stock Options ("Nonqualified Stock Options").

Exercise Price. The exercise price for each stock option will be determined by the Administering Body as of the date such stock option is granted; *provided, however*, that the exercise price may be no less than (A) the fair market value of the Class A Common Stock subject to the option as of the date the Incentive Stock Option is granted, and (B) in the case of a grant to a Significant Stockholder (defined below), 110% of the fair market value of the Class A Common Stock subject to the option as of the date the Incentive Stock Option is granted. Each stock option and all rights or obligations thereunder will expire on a date determined by the Administering Body, but not later than 10 years after the date the stock option is granted (or five years from the date of grant in the case of an Incentive Stock Option granted to a Significant Stockholder, or for Nonqualified Stock Options, such date later than 10 years after the Stock Option is granted as shall be determined in the discretion of the Administering Body), and will be subject to earlier termination as provided in the Stock Plan or the award document. Except as otherwise provided in the Stock Plan, a stock option will become exercisable, as a whole or in part, on the date or dates specified by the Administering Body and thereafter will remain exercisable until the expiration or earlier termination of the stock option.

Stock options will be exercisable only in whole shares, and fractional share interests will be disregarded. A stock option will be deemed to be exercised when the Secretary or other designated official of the Company receives written notice of such

Table of Contents

exercise from the recipient, together with payment of the exercise price made in accordance with the provisions of the Stock Plan. Notwithstanding any other provision of the Stock Plan, the Administering Body may impose such conditions upon the exercise of stock options (including, without limitation, conditions limiting the time of exercise to specified periods) as may be required to satisfy applicable regulatory requirements, including without limitation Rule 16b-3 and Rule 10b-5 under the Exchange Act, and any amounts required to satisfy any federal, state and local withholding tax requirements prior to issuance of such shares.

For purposes of the Stock Plan, a **Significant Stockholder** shall mean a stockholder who, at the time a stock option is granted to such individual under the Stock Plan, owns more than 10% of the combined voting power of all classes of stock of the Company or of any parent corporation or subsidiary corporation (after application of the attribution rules set forth in Section 424(d) of the IRC). The Stock Plan requires that each option holder must pay the exercise price of an option granted under the Stock Plan either in cash at the time of exercise or pursuant to a same-day sale program developed pursuant to Regulation T of the Federal Reserve Board.

Performance Awards. The Administering Body may grant to eligible persons awards, payable in Class A Common Stock that vest and become payable over a period of time upon attainment of performance criteria established by the Administering Body in connection with the grant of the awards (**Performance Awards**). The Administering Body, in order to qualify an award as a Performance Award, can condition the grant, award, vesting, or exercisability of such an award on the attainment of a pre-established, objective performance goal. For this purpose, a pre-established, objective performance goal may include one or more of the following performance criteria: (a) cash flow, (b) earnings per share (including earnings before interest, taxes, depreciation and amortization), (c) return on equity, (d) total stockholder return, (e) return on capital, (f) return on assets or net assets, (g) income or net income, (h) operating income or net operating income, (i) operating margin, (j) return on operating revenue, and (k) any other similar performance criteria. Each Performance Award and all rights or obligations thereunder will expire on a date determined by the Administering Body, and will be subject to earlier termination as provided in the Stock Plan or the award document.

Restricted Stock. The Administering Body may authorize the grant or sale to eligible persons of Class A Common Stock that is nontransferable and subject to a substantial risk of forfeiture until specific conditions are met (**Restricted Stock**). The Administering Body will determine the purchase price (if any) to be paid for the Restricted Stock, the terms of payment, the restrictions upon the Restricted Stock, and when such restrictions will lapse; *provided, however*, that all shares of Restricted Stock will be subject to the following conditions: (a) the shares may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, alienated or encumbered until the restrictions are removed or expire; (b) the Administering Body may require that the certificates representing Restricted Stock remain in the physical custody of an escrow holder or the Company until all restrictions are removed or expire; (c) each certificate representing Restricted Stock will bear such legend or legends making reference to the restrictions imposed upon such Restricted Stock as the Administering Body deems necessary or appropriate to enforce such restrictions; and (d) the Administering Body may impose such other conditions on Restricted Stock as it deems advisable. Subject to any restrictions imposed upon the Restricted Stock, the recipient thereof will have all rights of a stockholder with respect to the Restricted Stock granted or sold to such recipient, including, without limitation, the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto. Unless the Administering Body determines otherwise, upon a recipient's termination of employment for any reason, all of the recipient's Restricted Stock remaining subject to restrictions on the date of such termination will be repurchased by the Company at the purchase price paid by the recipient (if any).

Stock Appreciation Rights. The Administering Body may grant to eligible persons Stock appreciation rights; that is, rights to receive payments measured with reference to the amount by which the fair market value of a specified number of shares of Class A Common Stock appreciates from a specified date (such as the date of grant of the stock appreciation rights) to the date of exercise. The Administering Body has full discretion to determine the form in which payment of a stock appreciation right will be made and to consent to or disapprove the election of a recipient to receive cash in full or partial settlement of a stock appreciation right. Further, the Administering Body may, at the time a stock appreciation right is granted, impose such conditions on the exercise of the stock appreciation right as may be required to satisfy the requirements of Rule 16b-3 under the Exchange Act (or any other comparable provisions in effect at the time or times in question).

Stock appreciation rights granted under the Stock Plan may be related or unrelated to stock options. A stock appreciation right related to a stock option will entitle the holder of the related stock option, upon exercise of the stock appreciation right, to surrender such stock option, or any portion thereof to the extent previously vested but unexercised, with respect to the number of shares as to which such stock appreciation right is exercised, and to receive payment of an amount determined by multiplying (a) the difference obtained by subtracting the exercise price of a share of Class A Common Stock specified in the related stock option from the fair market value of a share of Class A Common Stock on the date of exercise of such stock

Table of Contents

appreciation right (or as of such other date specified in the instrument evidencing the stock appreciation right), by (b) the number of shares as to which such stock appreciation right is exercised. Such stock option will, to the extent surrendered, then cease to be exercisable. A stock appreciation right granted in connection with a stock option will be exercisable at such time or times, and only to the extent that, the related stock option is exercisable, and will not be transferable except to the extent that such related stock option may be transferable.

The amount payable upon exercise of a stock appreciation right that is unrelated to a stock option will be determined in accordance with the formula described in the preceding paragraph, except that in lieu of the option exercise price specified in the related stock option, the initial base amount specified in the award will be used.

Stock Payments. The Administering Body may grant stock payments of the Company's Class A Common Stock to any eligible person for all or any portion of the compensation (other than base salary) or other payment that would otherwise become payable by the Company to the eligible person in cash.

Dividend Equivalents. The Administering Body may grant dividend equivalents to any recipient under the Stock Plan who has received a stock option, stock appreciation rights or other award denominated in shares of Class A Common Stock. Such dividend equivalents will entitle the holders thereof to receive from the Company during the applicable dividend period (as defined in the Stock Plan) payments equivalent to the amount of dividends payable to holders of the number of shares of Class A Common Stock underlying such stock option, stock appreciation rights or other award. Dividend equivalents may be paid in cash, Class A Common Stock or other awards; and the amount of dividend equivalents paid other than in cash will be determined by the Administering Body by application of such formula as the Administering Body may deem appropriate to translate the cash value of dividends paid to the alternative form of payment of the dividend equivalent. Dividend equivalents will be computed as of each dividend record date and will be payable to recipients thereof at such time as the Administering Body may determine.

Stock Bonuses. The Administering Body may issue shares of Class A Common Stock to eligible persons as bonuses for services rendered or for any other valid consideration on such terms and conditions as the Administering Body may determine.

Stock Sales. The Administering Body may sell to eligible persons shares of Class A Common Stock on such terms and conditions as the Administering Body may determine.

Phantom Stock. The Administering Body may grant to eligible persons awards of phantom stock; that is, a cash bonus granted under the Stock Plan measured by the fair market value of a specified number of shares of Class A Common Stock on a specified date, or measured by the excess of such fair market value over a specified minimum, which may but need not include a dividend equivalent.

Other Stock-Based Benefits. The Administering Body may grant to eligible persons other stock-based benefits not otherwise described above that (a) by their terms might involve the issuance or sale of Class A Common Stock or (b) involve a benefit that is measured, as a whole or in part, by the value, appreciation, dividend yield or other features attributable to a specified number of shares of Class A Common Stock.

Prohibition on Option Repricing

The Stock Plan expressly provides that the Administering Body may not reduce or lower the exercise price, purchase price or initial value of stock options after they have been granted.

Award Limits

In order for the compensation attributable to awards granted under the Stock Plan to qualify as performance-based compensation (as defined in the Stock Plan), no one eligible person will be granted any awards with respect to more than 100,000 shares of Class A Common Stock in any one calendar year. This limitation is subject to adjustment as set forth in the Stock Plan, but only to the extent such adjustment would not affect the status of compensation attributable to awards as performance-based compensation. Further, the aggregate fair market value (determined as of the date of grant) of the Class A Common Stock for which one or more Incentive Stock Options granted to any one eligible person under the Stock Plan (or any other option plan of the Company or any of its affiliated entities) may for the first time become exercisable during any one calendar year will not exceed \$100,000.

Stock Plan Effectiveness and Duration

The Stock Plan became effective as of May 25, 1999 (the *Effective Date*), and pursuant to an amendment approved June 3, 2009, will continue in effect until May 25, 2019 (the *Stock Plan Term*), at which time the Stock Plan will automatically terminate. Notwithstanding the foregoing, each award properly granted under the Stock Plan during the Stock Plan Term will remain in effect after termination of the Stock Plan until such award has been exercised, terminated or expired in accordance with its terms and the terms of the Stock Plan.

Amendment and Termination

The Administering Body may, insofar as permitted by applicable law, rule or regulation, from time to time suspend or discontinue the Stock Plan or revise or amend it in any respect whatsoever, and the Stock Plan as so revised or amended will govern all awards thereunder, including those granted before such revision or amendment; *provided, however* , that no such revision or amendment will alter, impair or diminish any rights or obligations under any award previously granted under the Stock Plan without the written consent of the recipient to whom such award was granted. Without limiting the generality of the foregoing, the Administering Body is authorized to amend the Stock Plan to comply with or take advantage of amendments to applicable laws, rules or regulations, including amendments to the Securities Act, Exchange Act, the IRC (or any rules or regulations promulgated thereunder) or the rules of any exchange or inter-dealer quotation system upon which the Class A Common Stock is listed or traded. No stockholder approval of any amendment or revision shall be required unless (a) such approval is required by the Stock Plan or by applicable law, rule or regulation, or (b) an amendment or revision to the Stock Plan would materially increase the number of shares subject to the Stock Plan (as adjusted under the Stock Plan), materially modify the requirements as to eligibility for participation in the Stock Plan, extend the final date upon which awards may be granted under the Stock Plan, or otherwise materially increase the benefits accruing to recipients in a manner not specifically contemplated herein, or affect the Stock Plan's compliance with Rule 16b-3 or applicable provisions of or regulations under the IRC, and stockholder approval of the amendment or revision is required to comply with Rule 16b-3 or applicable provisions of or rules under the IRC.

Restrictions on Transferability

No award granted under the Stock Plan will be assignable or transferable except (a) by will or by the laws of descent and distribution, (b) subject to the final sentence of this paragraph, upon dissolution of marriage pursuant to a qualified domestic relations order, or (c) in the discretion of the Administering Body and under circumstances that would not adversely affect the interests of the Company, pursuant to a nominal transfer that does not result in a change in beneficial ownership. During the lifetime of a recipient, an award granted to such person will be exercisable only by the recipient (or the recipient's permitted transferee) or such person's guardian or legal representative. Notwithstanding the foregoing, (i) no award owned by a recipient subject to Section 16 of the Exchange Act may be assigned or transferred in any manner inconsistent with Rule 16b-3, and (ii) Incentive Stock Options (or other awards subject to transfer restrictions under the IRC) may not be assigned, transferred or exercisable in violation of Section 422(b)(5) of the IRC (or any comparable or successor provision) or the regulations thereunder, and nothing herein is intended to allow such assignment or transfer.

Stock Subject to the Stock Plan

Subject to stockholder approval of this Proposal 2, there will be 1,932,407 shares of Class A common stock available for issuance under the Stock Plan. If options granted under the Stock Plan expire or otherwise terminate without being exercised, the Class A Common Stock not purchased pursuant to such options again becomes available for issuance under the Stock Plan.

Governing Law

The Stock Plan is governed by and interpreted in accordance with the internal laws of the State of Delaware, without giving effect to the principles of the conflicts of laws thereof.

Federal Income Tax Consequences

General. The following summary of certain federal income tax consequences of the receipt and exercise of awards granted by the Company is based on the laws and regulations in effect as of the date of this Proxy Statement and does not purport to be a complete statement of the law in this area. Furthermore, the discussion below does not address the tax consequences of the receipt and exercise of stock options under foreign, state and/or local tax laws, and such tax laws may not correspond to the federal tax treatment described herein. The exact federal income tax treatment of transactions under the Stock

Table of Contents

Plan will vary depending on the specific facts and circumstances involved. Accordingly, individuals eligible to receive or exercise awards should consult their personal tax advisors with regard to all consequences arising from the grant or exercise of awards and the disposition of any acquired shares prior to engaging in any transaction related to any award.

Stock options granted under the Stock Plan are not subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, and are not qualified under Section 401(a) of the IRC.

Incentive Stock Options. Stock options granted under the Stock Plan may qualify as Incentive Stock Options within the meaning of Section 422 of the IRC. If an optionee exercises an Incentive Stock Option in accordance with its terms and does not dispose of the shares acquired within two years from the date of the grant of the Incentive Stock Option nor within one year from the date of exercise (the Required Holding Periods), an optionee generally will not be subject to regular federal income tax, and the Company will not be entitled to any deduction, on either the grant or the exercise of an Incentive Stock Option. An optionee's basis in the shares acquired upon exercise will be the amount paid upon exercise. Provided an optionee holds the shares as a capital asset at the time of sale or other disposition of the shares, an optionee's gain or loss, if any, recognized on the sale or other disposition will be capital gain or loss. The amount of an optionee's gain or loss will be the difference between the amount realized on the disposition of the shares and the optionee's basis in the shares.

If, however, an optionee disposes of the acquired shares at any time prior to the expiration of the Required Holding Periods, then (subject to certain exceptions), the optionee will recognize ordinary income at the time of such disposition which will equal the excess, if any, of the lesser of (a) the amount realized on such disposition or (b) the fair market value of the shares on the date of exercise, over the optionee's basis in the shares. The Company generally will be entitled to a deduction in an amount equal to the amount of ordinary income recognized by an optionee. Any gain in excess of such ordinary income amount will be a short-term or long-term capital gain, depending on the optionee's holding period. If an optionee disposes of such shares for less than the optionee's basis in the shares, the difference between the amount realized and the optionee's basis will be short-term or long-term capital loss, depending upon the holding period of the shares.

The excess of the fair market value of the shares acquired on the exercise date of an Incentive Stock Option over the exercise price of such option generally is required to be included in the optionee's alternative minimum taxable income for the year in which the option is exercised and, accordingly, may subject an optionee to the alternative minimum tax. See Special Rules for Insiders, below.

Nonqualified Stock Options. In general, there are no tax consequences to the optionee or to the Company on the grant of a stock option which does not qualify as an incentive stock option (a Nonqualified Stock Option). On exercise, however, the optionee generally will recognize ordinary income equal to the excess of the fair market value of the shares as of the exercise date over the purchase price paid for such shares, and the Company will be entitled to a deduction equal to the amount of ordinary income recognized by the optionee. See Special Rules for Insiders, below. Upon a subsequent disposition of the shares received under a nonqualified stock option, the difference between the amount realized on such disposition and the fair market value of the shares on the date of exercise generally will be treated as a capital gain or loss.

Special Rules for Insiders. If an optionee is a director, officer or stockholder subject to Section 16 of the Exchange Act (an Insider) and exercises an option within six months of the date of grant, the timing of the recognition of any ordinary income should be deferred until (and the amount of ordinary income should be determined based on the fair market value (or sales price in the case of a disposition) of the Class A Common Stock upon) the earlier of the following two dates: (i) six months after the date of grant or (ii) a disposition of the Class A Common Stock, unless the Insider makes an election under Section 83(b) of the IRC (an 83(b) Election) within 30 days after exercise to recognize ordinary income based on the value of the Class A Common Stock on the date of exercise. In addition, special rules apply to an Insider who exercises an option having an exercise price greater than the fair market value of the underlying Class A Common Stock on the date of exercise.

Performance Awards and Stock Appreciation Rights. Generally, the recipient of a Performance Award or a holder of a stock appreciation rights will recognize ordinary income equal to the amount paid by the Company under either arrangement on the date the recipient or holder receives payment from the Company. If the Company places a limit on the amount that will be payable under an stock appreciation rights, the holder may recognize ordinary income equal to the value of the holder's right under the stock appreciation rights at the time the value of such right equals such limit and the stock appreciation rights is exercisable. The Company will generally be entitled to a deduction in an amount equal to the ordinary income recognized by the recipient or holder.

Table of Contents

Restricted Stock. Unless the recipient makes an 83(b) Election within 30 days after the receipt of the restricted stock, the recipient is not taxed and the Company is not entitled to a deduction until the restriction lapses, and at that time the recipient will recognize ordinary income equal to the difference between the then fair market value of the Class A Common Stock and the amount, if any, paid by the recipient for the Class A Common Stock, and the recipient's tax basis in the Class A Common Stock will equal the then fair market value of the Class A Common Stock. If the recipient makes a timely 83(b) Election, the recipient will recognize ordinary income at the time of the election equal to the difference between the fair market value of the restricted stock on the date of grant and the amount, if any, paid by the recipient for the Class A Common Stock, and the recipient's tax basis in the Class A Common Stock will equal the fair market value of the Class A Common Stock on the grant date. Any subsequent sale of the Class A Common Stock by the recipient generally will, depending upon the length of the holding period beginning just after the date the restriction on the Class A Common Stock lapses or where an 83(b) Election is made just after the grant date, be treated as long or short term capital gain (loss) equal to the difference between the sale price (the recipient's tax basis) and the recipient's tax basis (sale price). The Company generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the recipient.

Miscellaneous Tax Issues. An award may be granted under the Stock Plan that does not fall clearly into one of the categories described above. The federal income tax treatment of such an award will depend upon the specific terms of such award. In such case, the recipient should consult his or her tax advisor regarding the tax treatment applicable to such award.

Generally, the Company will be required to make arrangements for withholding applicable taxes with respect to any ordinary income recognized by a participant in connection with an award made under the Stock Plan.

With certain exceptions, an individual may not deduct investment-related interest to the extent such interest exceeds the individual's net investment income for the year. Investment interest generally includes interest paid on indebtedness incurred to purchase shares of Class A Common Stock. Interest disallowed under this rule may be carried forward to and deducted in later years, subject to the same limitations.

Special rules will apply in cases where a recipient of an award pays the exercise or purchase price of the award or applicable withholding tax obligations under the Stock Plan by delivering previously owned shares of Class A Common Stock or by reducing the amount of shares otherwise issuable pursuant to the award. The surrender or withholding of such shares will in certain circumstances result in the recognition of income with respect to such shares or a carryover basis in the shares acquired. A recipient should consult his or her tax advisor regarding the tax consequences associated with using previously owned shares of Class A Common Stock or reducing the amount of shares issuable pursuant to the award for the foregoing purposes.

The terms of the agreements pursuant to which specific awards are made to employees under the Stock Plan may provide for accelerated vesting or payment of an award in connection with a change in ownership or control of the Company. In that event and depending upon the individual circumstances of the recipient, certain amounts with respect to such awards may constitute "excess parachute payments" under the "golden parachute" provisions of the IRC. Pursuant to these provisions, a recipient will be subject to a 20% excise tax on any "excess parachute payments" and the Company will be denied any deduction with respect to such payment. A recipient of an award should consult his or her tax advisor as to whether accelerated vesting of an award in connection with a change of ownership or control of the Company would give rise to an excess parachute payment.

Company Withholdings and Information Reports

If an award recipient is an employee of the Company, withholdings required to be made by the Company with respect to ordinary compensation income recognized under stock options ordinarily will be accomplished by withholding the required amount from other cash compensation due from the Company to the employee, by having the employee pay to the Company the required withholding amount, or by such other permissible methods as the Company may deem appropriate. Whether or not such withholdings are required, the Company will make such information reports to the Internal Revenue Service as may be required with respect to any income (whether or not that of an employee) attributable to transactions involving stock options.

The Company s board of directors has selected SingerLewak LLP to serve as its independent registered public accounting firm for the fiscal year ending December 31, 2012. SingerLewak LLP has served as the Company s independent auditor since June 2007. SALEM COMMUNICATIONS CORPORATION

1999 STOCK INCENTIVE PLAN

(AS AMENDED AND RESTATED THROUGH JUNE 22, 2012)

ARTICLE I

PURPOSE OF PLAN

The Company has adopted this Plan to promote the interests of the Company and its stockholders by using investment interests in the Company to attract, retain and motivate employees and other persons, to encourage and reward their contributions to the performance of the Company, and to align their interests with the interests of the Company's stockholders. Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in Article VIII.

ARTICLE II

EFFECTIVE DATE AND TERM OF PLAN

2.1 Term of Plan. This Plan became effective as of the Effective Date and will continue in effect until the earlier of (a) the Expiration Date or (b) the date of any Plan termination pursuant to the provisions of Section 7.2, at which time this Plan shall automatically terminate.

2.2 Effect on Awards. Awards may be granted only during the Plan Term, but each Award granted during the Plan Term will remain in effect after the Expiration Date until such Award has been exercised, terminated or expired in accordance with its terms and the terms of this Plan.

2.3 Stockholder Approval. This Plan was initially approved by the Company's stockholders within 12 months after the Effective Date. The Second Amendment to the Plan was approved by Company's stockholders on June 11, 2003. The Third Amendment to the Plan was approved by the Company's stockholders on May 18, 2005. The Fourth Amendment to the Plan was approved by the Company's stockholders on June 3, 2009. The Fifth Amendment to the Plan was submitted for approval by the Company's stockholders at the Company's Annual Meeting of Stockholders on June 22, 2012. The effectiveness of any Awards granted contingent upon stockholder approval of the Plan or any amendment to the Plan is subject to such stockholder approval.

ARTICLE III

SHARES SUBJECT TO PLAN

3.1 Number of Shares. The maximum number of shares of Common Stock that may be issued pursuant to Awards shall be 5,000,000, subject to adjustment as set forth in Section 3.4.

3.2 Source of Shares. The Common Stock to be issued under this Plan will be made available, at the discretion of the Board, either from authorized but unissued shares of Common Stock or from previously issued shares of Common Stock reacquired by the Company, including, without limitation, shares purchased on the open market.

3.3 Availability of Unused Shares. Shares of Common Stock subject to unexercised portions of any Award that expire, terminate or are canceled, and shares of Common Stock issued pursuant to an Award that are reacquired by the Company pursuant to the this Plan or terms of the Award under which such shares were issued, will again become available for the grant of further Awards under this Plan.

Table of Contents

However, if the exercise price of, or withholding taxes incurred in connection with, an Award is paid with shares of Common Stock, or if shares of Common Stock otherwise issuable pursuant to Awards are withheld by the Company in satisfaction of an exercise price or the withholding taxes incurred in connection with any exercise or vesting of an Award, then the number of shares of Common Stock available for issuance under the Plan will be reduced by the gross number of shares for which the Award is exercised or for which the Award vests, as applicable, and not by the net number of shares of Common Stock issued to the holder of such Award.

3.4 Adjustment Provisions.

(a) **Adjustments.** If the outstanding shares of Common Stock are increased, decreased or exchanged for a different number or kind of shares or other securities, or if additional shares or new or different shares or other securities are distributed in respect of such shares of Common Stock (or any stock or securities received with respect to such Common Stock), including without limitation through merger, consolidation, sale or exchange of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, spin-off or similar transaction, then, subject to Section 7.2, an appropriate and proportionate adjustment shall be made in (i) the maximum number and kind of shares subject to this Plan as provided in Section 3.1, (ii) the number and kind of shares or other securities subject to then outstanding Awards, and (iii) the price for each share or other unit of any other securities subject to, or measurement criteria applicable to, then outstanding Awards.

(b) **No Fractional Interests.** No fractional interests will be issued under this Plan resulting from any adjustments.

(c) **Adjustments Related to Company Stock.** To the extent any adjustments relate to stock or securities of the Company, such adjustments shall be made by the Administering Body, whose determination in that respect shall be final, binding and conclusive.

(d) **Right to Make Adjustment.** The grant of an Award pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or any part of its business or assets.

(e) **Limitations.** No adjustment to the terms of an Incentive Stock Option shall be made unless such adjustment either (i) would not cause such Option to lose its status as an Incentive Stock Option or (ii) is agreed to in writing by the Administering Body and the Recipient.

3.5 Reservation of Shares. The Company will at all times reserve and keep available a number of shares of Common Stock equaling at least the total number of shares of Common Stock issuable pursuant to then outstanding Awards.

ARTICLE IV

ADMINISTRATION OF PLAN

4.1 Administering Body.

(a) **Plan Administration.** This Plan shall be administered by the Board or by a Committee of the Board appointed pursuant to Section 4.1(b).

(b) **Administration by Committee.** The Board in its sole discretion may from time to time appoint a Committee (which may be a subcommittee of an existing committee of the Board) of not less than two Board members to administer this Plan and, subject to applicable law, to exercise all of the powers, authority and discretion of the Board under this Plan. As long as the Board has delegated authority to administer this Plan to the Committee and the Company has a class of equity securities registered under Section 12 of the Exchange Act, this Plan may be administered by the Committee comprised of not less than two (2) Board members appointed by the Board in its sole discretion from time to time, each of whom is (i) a Non-Employee Director, and (ii) in addition, if Awards are to be made to persons subject to Section 162(m) of the IRC and such Awards are intended to constitute Performance-Based Compensation, then each member of the Compensation Committee shall, in addition to being a Non-Employee Director, be an outside director as defined in the regulations adopted under Section 162(m) of the IRC. The Board may from time to time increase or decrease (but not below

two) the number of members of the Committee, remove from membership on the Committee all or any portion of its members, and/or appoint such person or persons as it desires to fill any vacancy existing on the Committee, whether caused by removal, resignation or otherwise. The Board may disband the Committee at any time and reconstitute the Board the administration of this Plan.

4.2 Authority of Administering Body.

(a) Authority to Interpret Plan. Subject to the express provisions of this Plan, the Administering Body shall have the power to implement (including the power to delegate such implementation to appropriate officers of the Company), interpret and construe this Plan and any Awards and Award Documents or other documents defining the rights and obligations of the Company and Recipients hereunder and thereunder, to determine all questions arising hereunder and thereunder, and to adopt and amend such rules and regulations for the administration hereof and thereof as it may deem desirable. The interpretation and construction by the Administering Body of any provisions of this Plan or of any Award or Award Document shall be conclusive and binding. Any action taken by, or inaction of, the Administering Body relating to this Plan or any Award or Award Document shall be within the absolute discretion of the Administering Body and shall be conclusive and binding upon all persons. Subject only to compliance with the express provisions hereof, the Administering Body may act in its absolute discretion in matters related to this Plan and any and all Awards and Award Documents.

(b) Authority to Grant Awards. Subject to the express provisions of this Plan, the Administering Body may from time to time in its discretion select the Eligible Persons to whom, and the time or times at which, Awards shall be granted or sold, the nature of each Award, the number of shares of Common Stock or the number of rights that make up or underlie each Award, the exercise price and period for the exercise of each Award, and such other terms and conditions applicable to each individual Award as the Administering Body shall determine. The Administering Body may grant at any time new Awards to an Eligible Person who has previously received Awards or other grants (including other stock options) regardless of whether such prior Awards or such other grants are still outstanding, have previously been exercised as a whole or in part, or are canceled in connection with the issuance of new Awards. The Administering Body may grant Awards singly, in combination or in tandem with other Awards, as it determines in its discretion. The purchase price, exercise price, initial value and any and all other terms and conditions of the Awards may be established by the Administering Body without regard to existing Awards or other grants; provided, however, that the purchase price, exercise price, and initial value of any existing Award shall not be re-priced or modified by the Administering Body unless all such modifications are approved by the duly authorized vote of a majority of all outstanding shares of the Company as of the date said modification to any existing Award(s) is authorized by the Administering Body. The Administering Body may from time to time delegate authority to the Chief Executive Officer of the Company to grant Awards under this Plan, such authority shall not extend to (a) authority to grant Stock Options covering more than \$150,000 of Common Stock annually (measured each calendar year without carry over of unused grant authority from year to year), subject to the Chief Executive Officer seeking ratification of each such grant at the next regularly scheduled meeting of the Compensation Committee of the Board of Directors, with the \$150,000 being calculated at a price equal to the price of the Common Stock at the NASDAQ market close on the date the Stock Options are granted, (b) any Awards granted at less than Fair Market Value, (c) any Awards vesting in less than one year from the date of grant or (d) Awards to directors or executive officers of the Company who are (or would as of the date of the Award become) subject to Section 16 of the Exchange Act. The Administering Body may designate the Secretary of the Company or other Company employees to assist the Administering Body in the administration of the Plan, and may grant authority to such persons to execute Award Documents evidencing Awards made under this Plan or other documents entered into under this Plan on behalf of the Administering Body or the Company.

(c) Procedures. Subject to the Company's Charter or bylaws or any Board resolution conferring authority on the Committee, any action of the Administering Body with respect to the administration of this Plan shall be taken pursuant to a majority vote of the authorized number of members of the Administering Body or by the unanimous written consent of its members; *provided, however*, that (i) if the Administering Body is the Committee and consists of two members, then actions of the Administering Body must be unanimous, and (ii) if the Administering Body is the Board, actions taken by the Board shall be valid if approved in accordance with applicable law.

4.3 No Liability. No member of the Board or the Committee or any designee thereof will be liable for any action or inaction with respect to this Plan or any Award or any transaction arising under this Plan or any Award, except in circumstances constituting bad faith of such member.

4.4 Amendments.

(a) **Plan Amendment.** The Administering Body may, insofar as permitted by applicable law, rule or regulation, and subject to Section 4.4(c), from time to time suspend or discontinue this Plan or revise or amend it in any respect whatsoever, and this Plan as so revised or amended will govern all Awards hereunder, including those granted before such revision or amendment. Without limiting the generality of the foregoing, the Administering Body is authorized to amend this Plan to comply with or take advantage of amendments to applicable laws, rules or regulations, including the Securities Act, Exchange Act, the IRC or the rules of any exchange or interdealer quotation system upon which the Common Stock is listed or traded. No stockholder approval of any amendment or revision shall be required unless (i) such approval is required by this Plan or by applicable law, rule or regulation or (ii) an amendment or revision to this Plan would materially increase the number of shares subject to this Plan (as adjusted under Section 3.4).

(b) **Award Amendments.** The Administering Body may, with the written consent of a Recipient and subject to the limitations on re-pricing set forth in Section 4.2(b) of this Plan, make such modifications in the terms and conditions of an Award as it deems advisable. Without limiting the generality of the foregoing, the Administering Body may, in its discretion with the written consent of the Recipient, at any time and from time to time after the grant of any Award accelerate or extend the vesting or exercise period of any Award as a whole or in part.

(c) **Limitation.** Except as otherwise provided in this Plan or in the applicable Award Document, no amendment, revision, suspension or termination of this Plan or any outstanding Award may impair or adversely affect any rights or obligations under any Award theretofore granted without the written consent of the Recipient to whom such Award was granted.

4.5 Other Compensation Plans. The adoption of this Plan shall not affect any other stock option, restricted stock, incentive or other compensation plans in effect from time to time for the Company, and this Plan shall not preclude the Company from establishing any other forms of incentive or other compensation for employees, directors, advisors or consultants of the Company, whether or not approved by stockholders.

4.6 Plan Binding on Successors. This Plan shall be binding upon the successors and assigns of the Company.

4.7 References to Successor Statutes, Regulations and Rules. Any reference in this Plan to a particular statute, regulation or rule shall also refer to any successor provision of such statute, regulation or rule.

4.8 Issuances for Compensation Purposes Only. This Plan is intended to constitute an employee benefit plan, as defined in Rule 405 promulgated under the Securities Act, and shall be administered accordingly.

4.9 Invalid Provisions. In the event that any provision of this Plan is found to be invalid or otherwise unenforceable under any applicable law, such invalidity or unenforceability shall not be construed as rendering any other provisions contained herein invalid or unenforceable, and all such other provisions shall be given full force and effect to the same extent as though the invalid and unenforceable provision were not contained herein.

4.10 Governing Law. This Plan shall be governed by and interpreted in accordance with the internal laws of the State of Delaware, without giving effect to the principles of the conflicts of laws thereof.

4.11 Interpretation. Headings herein are for convenience of reference only, do not constitute a part of this Plan, and will not affect the meaning or interpretation of this Plan. References herein to Sections or Articles are references to the referenced Section or Article hereof, unless otherwise specified.

GENERAL AWARD PROVISIONS

5.1 Participation in the Plan.

(a) **Eligibility to Receive Awards.** A person shall be eligible to receive grants of Awards under this Plan if, at the time of the grant of the Award, such person is an Eligible Person or has received an offer of employment from the Company; *provided, however*, that Awards granted to a person who has received an offer of employment will terminate and be forfeited without consideration if the employment offer is not accepted within such time as may be specified by the Company. Status as an Eligible Person will not be construed as a commitment that any Award will be granted under this Plan to an Eligible Person or to Eligible Persons, generally.

(b) **Eligibility to Receive Incentive Stock Options.** Incentive Stock Options may be granted only to Eligible Persons meeting the employment requirements of Section 422 of the IRC.

(c) **Awards to Certain Eligible Persons.** Notwithstanding anything to the contrary herein, the Administering Body may, in order to fulfill the purposes of this Plan, modify grants of Awards to Recipients who are foreign nationals or employed outside of the United States to recognize differences in applicable law, tax policy or local custom.

5.2 Award Documents. Each Award granted under this Plan must be evidenced by an agreement duly executed on behalf of the Company and by the Recipient, or by a confirming memorandum issued by the Company to the Recipient, setting forth such terms and conditions applicable to the Award as the Administering Body may in its discretion determine. Awards will not be deemed made or binding upon the Company, and Recipients will have no rights thereto, until such an agreement is entered into between the Company and the Recipient or such a memorandum is delivered by the Company to the Recipient, but an Award may have an effective date on or after the date of grant but prior to the date of such an agreement or memorandum. Award Documents may but need not be identical and shall comply with and be subject to the terms and conditions of this Plan, a copy of which shall be provided to each Recipient and incorporated by reference into each Award Document. Any Award Document may contain such other terms, provisions and conditions not inconsistent with this Plan as may be determined by the Administering Body. In case of any conflict between this Plan and any Award Document, this Plan shall control.

5.3 Exercise of Stock Options. No Stock Option shall be exercisable except in respect of whole shares, and fractional share interests shall be disregarded. A Stock Option shall be deemed to be exercised when the Secretary or other designated officer of the Company receives written notice of such exercise from the Recipient, together with payment of the exercise price made in accordance with Section 5.4 and any amounts required under Section 5.11 or, with permission of the Administering Body, arrangement for such payment. Notwithstanding any other provision of this Plan, the Company and/or the Administering Body may impose, by rule and/or in Award Documents, such conditions upon the exercise of Stock Options (including without limitation conditions limiting the time of exercise to specified periods) as may be required to satisfy applicable regulatory requirements including, without limitation, Rule 16b-3 and Rule 10b-5 under the Exchange Act, any amounts required under Section 5.11, or any applicable section of the IRC.

5.4 Payment For Awards.

(a) **Payment of Exercise Price.** The exercise price or other payment for an Award shall be payable upon the exercise of a Stock Option or upon other purchase of shares pursuant to an Award granted hereunder by delivery of legal tender of the United States or payment of such other consideration as the Administering Body may from time to time deem acceptable in any particular instance.

(b) **Company Assistance.** The Company shall not assist any person to whom an Award is granted hereunder (including without limitation any officer or director of the Company) in the payment of the purchase price or other amounts payable in connection with the receipt or exercise of that Award by lending such amounts to such person.

Table of Contents

(c) **Cashless Exercise.** If permitted in any case by the Administering Body in its sole discretion, the exercise price for Awards may be paid by delivery of Common Stock to the Company by or on behalf of the person exercising the Award and duly endorsed in blank or accompanied by stock powers duly endorsed in blank, with signatures guaranteed in accordance with the Exchange Act if required by the Company, or retained by the Company from the stock otherwise issuable upon exercise or surrender of vested and/or exercisable Awards or other equity Awards previously granted to the Recipient and being exercised (if applicable) (in either case valued at Fair Market Value as of the exercise date); or such other consideration as the Administering Body may from time to time in the exercise of its discretion deem acceptable in any particular instance; *provided, however*, that, subject to applicable laws and regulations, the Company and/or the Administering Body may allow exercise of an Award in a broker-assisted or similar transaction in which the exercise price is not received by the Company until promptly after exercise.

(d) **No Precedent.** Recipients will have no rights to the assistance described in [Section 5.4\(b\)](#) or to the exercise techniques described in [Section 5.4\(c\)](#), and the Company may offer or permit such assistance or techniques on an *ad hoc* basis to any Recipient without incurring any obligation to offer or permit such assistance or techniques on other occasions or to other Recipients.

5.5 No Employment Rights. Nothing contained in this Plan (or in Award Documents or in any other documents related to this Plan or to Awards granted hereunder) shall confer upon any Eligible Person or Recipient any right to continue in the employ of or engagement by the Company or any Affiliated Entity or constitute any contract or agreement of employment or engagement, or interfere in any way with the right of the Company or any Affiliated Entity to reduce such person's compensation or other benefits or to terminate the employment or engagement of such Eligible Person or Recipient, with or without cause. Except as expressly provided in this Plan or in any statement evidencing the grant of an Award pursuant to this Plan, the Company shall have the right to deal with each Recipient in the same manner as if this Plan and any such statement evidencing the grant of an Award pursuant to this Plan did not exist, including without limitation with respect to all matters related to the hiring, discharge, compensation and conditions of the employment or engagement of the Recipient. Any questions as to whether and when there has been a termination of a Recipient's employment or engagement, the reason (if any) for such termination, and/or the consequences thereof under the terms of this Plan or any statement evidencing the grant of an Award pursuant to this Plan shall be determined by the Administering Body and the Administering Body's determination thereof shall be final and binding.

5.6 Restrictions Under Applicable Laws and Regulations.

(a) **Consents, Approvals.** All Awards granted under this Plan shall be subject to the requirement that, if at any time the Company shall determine, in its discretion, that the listing, registration or qualification of the securities subject to Awards granted under this Plan upon any securities exchange or interdealer quotation system or under any federal, state or foreign law, or the consent or approval of any government or regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such an Award or the issuance, if any, or purchase of shares in connection therewith, such Award may not be exercised as a whole or in part unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company. During the term of this Plan, the Company will use its reasonable efforts to seek to obtain from the appropriate governmental and regulatory agencies any requisite qualifications, consents, approvals or authorizations in order to issue and sell such number of shares of its Common Stock as shall be sufficient to satisfy the requirements of this Plan. The inability of the Company to obtain any such qualifications, consents, approvals or authorizations it deems necessary shall relieve the Company of any liability in respect of the nonissuance or sale of such stock as to which such qualifications, consents, approvals or authorizations pertain.

(b) **No Registration Obligation; Recipient Representations.** The Company shall be under no obligation to register or qualify the issuance of Awards or underlying securities under the Securities Act or applicable state securities laws. Unless the issuance of Awards and underlying securities have been registered under the Securities Act and qualified or registered under applicable state securities laws, the Company shall be under no obligation to issue any Awards or underlying securities unless the Awards and underlying securities may be issued pursuant to applicable exemptions from such registration or qualification requirements. In connection with any such exempt issuance, the Administering Body may require the Recipient to provide a written representation and undertaking to the Company, satisfactory in form and scope to the Company and upon which the Company may reasonably rely, that such Recipient is acquiring such Awards and underlying securities for such Recipient's own account as an investment and not with a view to, or for sale in connection

with, the distribution of any such securities, and that such person will make no transfer of the same except in compliance with any rules and regulations in force at the time of such transfer under the Securities Act and other applicable law, and that if securities are issued without registration, a legend to this effect (together with any other legends deemed appropriate by the Administering Body) may be endorsed upon the securities so issued. The Company may also order its transfer agent to stop transfers of such securities. The Administering Body may also require the Recipient to provide the Company such information and other documents as it may request in order to satisfy the Company as to the investment sophistication and experience of the Recipient and as to any other conditions for compliance with any such exemptions from registration or qualification.

5.7 Additional Conditions. Any Award may also be subject to such other provisions (whether or not applicable to any other Award or Recipient) as the Administering Body deems appropriate, including without limitation provisions to assist the Recipient in financing the purchase of Common Stock through the exercise of Stock Options, provisions for the forfeiture of or restrictions on resale or other disposition of securities acquired under any Award, provisions giving the Company the right to repurchase securities acquired under any Award in the event the Recipient elects to terminate employment with the Company or dispose of such securities, and provisions to comply with federal and state securities laws and federal and state income tax withholding requirements.

5.8 No Privileges of Stock Ownership. Except as otherwise set forth herein, a Recipient or a permitted transferee of an Award shall have no rights as a stockholder with respect to any shares issuable or issued in connection with the Award until the date the Recipient has delivered to the Company all amounts payable and performed all obligations required to be performed in connection with the exercise of the Award, and the Company has issued such shares. Status as an Eligible Person shall not be construed as a commitment that any Award will be granted under this Plan to an Eligible Person or to Eligible Persons generally. No person shall have any right, title or interest in any fund or in any specific asset (including shares of capital stock) of the Company by reason of any Award granted hereunder. Neither this Plan (nor any documents related hereto) nor any action taken pursuant hereto shall be construed to create a trust of any kind or a fiduciary relationship between the Company and any person. To the extent that any person acquires a right to receive an Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.

5.9 Nonassignability. Unless the Administering Body shall otherwise determine on a case-by-case basis, no Award granted under this Plan shall be assignable or transferable except (i) by will or by the laws of descent and distribution, or (ii) subject to the final sentence of this Section 5.9, upon dissolution of marriage pursuant to a qualified domestic relations order. Unless the Administering Body shall otherwise determine on a case-by-case basis, during the lifetime of a Recipient, an Award granted to such person shall be exercisable only by the Recipient (or the Recipient's permitted transferee) or such person's guardian or legal representative. Notwithstanding the foregoing, (i) no Award owned by a Recipient subject to Section 16 of the Exchange Act may be assigned or transferred in any manner inconsistent with Rule 16b-3, and (ii) Incentive Stock Options (or other Awards subject to transfer restrictions under the IRC) may not be assigned, transferred or exercisable in violation of Section 422(b)(5) of the IRC (or any comparable or successor provision) or the regulations thereunder, and nothing herein is intended to allow such assignment or transfer.

5.10 Information to Recipients.

(a) The Company shall determine what, if any, financial and other information shall be provided to Recipients and when such financial and other information shall be provided after giving consideration to applicable federal and state laws, rules and regulations, including without limitation applicable federal and state securities laws, rules and regulations.

(b) The furnishing of financial and other information that is confidential to the Company shall be subject to the Recipient's agreement that the Recipient shall maintain the confidentiality of such financial and other information, shall not disclose such information to third parties, and shall not use the information for any purpose other than evaluating an investment in the Company's securities under this Plan. The Company may impose other restrictions on the access to and use of such confidential information and may require a Recipient to acknowledge the Recipient's obligations under this Section 5.10(b) (which acknowledgment shall not be a condition to Recipient's obligations under this Section 5.10(b)).

5.11 Withholding Taxes. Whenever the granting, vesting or exercise of any Award, or the issuance of any Common Stock or other securities upon exercise of any Award or transfer thereof, gives rise to tax or tax withholding liabilities or obligations, the Company shall have the right to require the Recipient to remit to the Company an amount sufficient to satisfy any federal, state and local withholding tax requirements arising in connection therewith. The Administering Body may, in the exercise of its discretion, allow satisfaction of tax withholding requirements by accepting delivery of shares of Common Stock of the Company or by withholding a portion of shares otherwise issuable in connection with an Award, in each case valued at Fair Market Value as of the date of such delivery or withholding.

5.12 Legends on Awards and Stock Certificates. Each Award Document and each certificate representing securities acquired upon vesting or exercise of an Award shall be endorsed with all legends, if any, required by applicable federal and state securities and other laws to be placed on the Award Document and/or the certificate. The determination of which legends, if any, shall be placed upon Award Documents or the certificates shall be made by the Administering Body and such decision shall be final and binding.

5.13 Effect of Termination of Employment on Awards.

(a) **Termination of Vesting.** Awards will be exercisable by a Recipient (or the Recipient's successor-in-interest) following such Recipient's termination of employment with or service to the Company or any Affiliated Entity only to the extent that installments thereof had become exercisable on or prior to the date of such termination.

(b) **Alteration of Vesting and Exercise Periods.** Notwithstanding anything to the contrary herein, (i) the Administering Body may, in its discretion, designate shorter or longer periods for the vesting or exercise of any Award, or the lapse of transfer or other restrictions pertaining thereto, following a Recipient's termination of employment with the Company or any Affiliated Entity, *provided, however*, that any shorter periods determined by the Administering Body shall be effective only if provided for in the Award Document that evidences the grant to the Recipient of such Award or if such shorter period is agreed to in writing by the Recipient; and (ii) the Administering Body may, in its discretion, elect to accelerate the vesting of all or any portion of any Award that had not become exercisable on or prior to the date of such termination or to extend the vesting period beyond the date of such termination.

(c) **Leave of Absence.** In the case of any employee on an approved leave of absence, the Administering Body may make such provision respecting continuance of Awards granted to such employee as the Administering Body in its discretion deems appropriate.

5.14 Limits on Awards to Eligible Persons. Notwithstanding any other provision of this Plan, in order for the compensation attributable to Awards hereunder to qualify as Performance-Based Compensation, no one Eligible Person shall be granted any Awards with respect to more than 100,000 shares of Common Stock in any one calendar year. The limitation set forth in this Section 5.14 shall be subject to adjustment as provided in Section 3.4 or under Article VII, but only to the extent such adjustment would not affect the status of compensation attributable to Awards hereunder as Performance-Based Compensation.

5.15 Lock-Up Agreements. Each Recipient agrees as a condition to receipt of an Award that, in connection with any public offering by the Company of its equity securities and upon the request of the Company and the principal underwriter (if any) in such public offering, any shares of Common Stock acquired or that may be acquired upon exercise or vesting of an Award may not be sold, offered for sale, encumbered, or otherwise disposed of or subjected to any transaction that will involve any sales of securities of the Company, without the prior written consent of the Company or such underwriter, as the case may be, for a period of not more than 365 days after the effective date of the registration statement for such public offering. Each Recipient will, if requested by the Company or the principal underwriter, enter into a separate agreement to the effect of this Section 5.15.

AWARDS

6.1 Stock Options.

(a) **Nature of Stock Options.** Stock Options may be Incentive Stock Options or Nonqualified Stock Options.

(b) **Option Exercise Price.** The exercise price for each Stock Option shall be determined by the Administering Body as of the date such Stock Option is granted. The exercise price shall be no less than the Fair Market Value of the Common Stock subject to the Stock Option as of the date of grant. Subject to approval by the stockholders, the Administering Body may, with the consent of the Recipient and subject to compliance with statutory or administrative requirements applicable to Incentive Stock Options, amend the terms of any Stock Option to provide that the exercise price of the shares remaining subject to the Stock Option shall be reestablished at a price not less than 100% of the Fair Market Value of the Common Stock on the effective date of the amendment. No modification of any other term or provision of any Stock Option that is amended in accordance with the foregoing shall be required, although the Administering Body may, in its discretion, make such further modifications of any such Stock Option as are not inconsistent with this Plan.

(c) **Option Period and Vesting.** Stock Options granted hereunder shall vest and may be exercised as determined by the Administering Body, except that exercise of such Stock Options after termination of the Recipient's employment by or service to the Company shall be subject to Section 5.13. Each Stock Option granted hereunder and all rights or obligations thereunder shall expire on such date as shall be determined by the Administering Body, but not later than ten years after the date the Stock Option is granted (or, for Nonqualified Stock Options, such date later than ten years after the Stock Option is granted as shall be determined in the discretion of the Administering Body) and shall be subject to earlier termination as provided herein or in the Award Document. The Administering Body may, in its discretion at any time and from time to time after the grant of a Stock Option, accelerate vesting of such Stock Option as a whole or part by increasing the number of shares then purchasable, provided that the total number of shares subject to such Stock Option may not be increased. Except as otherwise provided herein, a Stock Option shall become exercisable, as a whole or in part, on the date or dates specified by the Administering Body and thereafter shall remain exercisable until the exercise, expiration or earlier termination of the Stock Option.

(d) **Termination.** Unless determined otherwise by the Administering Body in its sole discretion, Stock Options shall expire on the earliest of (i) one year from the date on which the Recipient ceases to be an Eligible Person for any reason other than death; (ii) one year from the date of the Recipient's death; or (iii) with respect to each installment of such Stock Option, the fifth anniversary of the vesting date of such installment. If a Recipient who is an employee of the Company or any Affiliated Entity ceases for any reason to be such an employee, that portion of the Stock Option that has not yet vested shall terminate, unless the Administering Body accelerates the vesting schedule in its sole discretion (in which case, the Administering Body may impose whatever conditions it considers appropriate on the accelerated portion). Stock Options granted to a Recipient who is not such an employee may be made subject to such other termination provisions as determined appropriate by the Administering Body.

(e) **Special Provisions Regarding Incentive Stock Options.**

(i) Notwithstanding anything herein to the contrary, the exercise price and vesting period of any Stock Option intended to qualify as an Incentive Stock Option shall comply with the provisions of Section 422 of the IRC and the regulations thereunder. As of the Effective Date, such provisions require, among other matters, that (A) the exercise price must not be less than the Fair Market Value of the underlying stock as of the date the Incentive Stock Option is granted, and not less than 110% of the Fair Market Value as of such date in the case of a grant to a Significant Stockholder; and (B) that the Incentive Stock Option not be exercisable after the expiration of ten years from the date of grant of such Incentive Stock Option, or the expiration of five years from the date of grant in the case of an Incentive Stock Option granted to a Significant Stockholder.

Table of Contents

(ii) If for any reason other than death or Permanent Disability, the employment or service of a Recipient of Incentive Stock Options with the Company or any Affiliated Entity terminates, such Recipient's Incentive Stock Options, whether or not vested, shall cease to qualify as such and will be treated as Nonqualified Stock Options as of the earlier of: (A) the date such Incentive Stock Options would expire in accordance with their terms had the Recipient remained employed with or in service to the Company or any Affiliated Entity; and (B) three months after the date of termination of the Recipient's employment or service.

(iii) If as a result of death or Permanent Disability, the employment or service of a Recipient of Incentive Stock Options with the Company or any Affiliated Entity terminates, such Recipient's Incentive Stock Options, whether or not vested, shall cease to qualify as such and will be treated as Nonqualified Stock Options as of the earlier of: (A) the date such Incentive Stock Options would expire in accordance with their terms had the Recipient remained employed with the Company or any Affiliated Entity; and (B) one year after the date of termination of the Recipient's employment or service.

(iv) The aggregate Fair Market Value (determined as of the respective date or dates of grant) of the Common Stock for which one or more Stock Options granted to any Recipient under this Plan (or any other option plan of the Company or any Parent Corporation or Subsidiary Corporation) may for the first time become exercisable as Incentive Stock Options under such plans during any one calendar year shall not exceed \$100,000.

(v) Award Documents evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to comply with the applicable provisions of Section 422 of the IRC.

(vi) Any Stock Options granted as Incentive Stock Options pursuant to this Plan that for any reason fail or cease to qualify as such shall be treated as Nonqualified Stock Options. If the limit described in Section 6.1(f)(iv) is exceeded, the earliest granted Stock Options will be treated as Incentive Stock Options, up to such limit.

6.2 Performance Awards.

(a) **Grant of Performance Awards.** The Administering Body shall determine in its discretion the pre-established, objective performance criteria (which need not be identical and may be established on an individual or group basis) governing Performance Awards, the terms thereof, and the form and time of payment of Performance Awards.

(b) **Payment of Performance Awards.** Upon satisfaction of the conditions applicable to a Performance Award, payment will be made to the Recipient in shares of Common Stock valued at Fair Market Value as of the date payment is due.

6.3 Restricted Stock.

(a) **Award of Restricted Stock.** The Administering Body shall determine the Purchase Price (if any), the terms of payment of the Purchase Price, the restrictions upon the Restricted Stock, and when such restrictions shall lapse.

(b) **Requirements of Restricted Stock.** All shares of Restricted Stock granted or sold pursuant to this Plan will be subject to the following conditions:

(i) **No Transfer.** The shares may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, alienated or encumbered until the restrictions are removed or expire;

(ii) **Certificates.** The Company may require that the certificates representing Restricted Stock granted or sold to a Recipient pursuant to this Plan remain in the physical custody of an escrow holder or the Company until all restrictions are removed or expire;

Table of Contents

(iii) **Restrictive Legends.** Each certificate representing Restricted Stock granted or sold to a Recipient pursuant to this Plan will bear such legend or legends making reference to the restrictions imposed upon such Restricted Stock as the Company deems necessary or appropriate to enforce such restrictions; and

(iv) **Other Restrictions.** The Administering Body may impose such other conditions on Restricted Stock as the Administering Body may deem advisable, including, without limitation, restrictions under the Securities Act, under the Exchange Act, under the requirements of any stock exchange or interdealer quotation system upon which such Restricted Stock or shares of the same class are then listed or traded and under any blue sky or other securities laws applicable to such shares.

(c) **Lapse of Restrictions.** The restrictions imposed upon Restricted Stock will lapse in accordance with such terms or other conditions as are determined by the Administering Body.

(d) **Rights of Recipient.** Subject to the provisions of [Section 6.3\(b\)](#) and any restrictions imposed upon the Restricted Stock, the Recipient will have all rights of a stockholder with respect to the Restricted Stock granted or sold to such Recipient under this Plan, including, without limitation, the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto.

(e) **Termination of Employment.** Unless the Administering Body in its discretion determines otherwise, if a Recipient's employment with the Company or any Affiliated Entity terminates for any reason, all of the Recipient's Restricted Stock remaining subject to restrictions on the date of such termination of employment shall be repurchased by the Company at the Purchase Price (if any) paid by the Recipient to the Company, without interest or premium, and otherwise returned to the Company without consideration.

6.4 Stock Appreciation Rights.

(a) **Granting of Stock Appreciation Rights.** The Administering Body may at any time and from time to time approve the grant to Eligible Persons of Stock Appreciation Rights, related or unrelated to Stock Options.

(b) Stock Appreciation Rights Related to Options.

(i) A Stock Appreciation Right granted in connection with a Stock Option granted under this Plan will entitle the holder of the related Stock Option, upon exercise of the Stock Appreciation Right, to surrender such Stock Option, or any portion thereof to the extent previously vested but unexercised, with respect to the number of shares as to which such Stock Appreciation Right is exercised, and to receive payment of an amount computed pursuant to [Section 6.4\(b\)\(iii\)](#). Such Stock Option will, to the extent surrendered, then cease to be exercisable.

(ii) A Stock Appreciation Right granted in connection with a Stock Option hereunder will be exercisable only when, and only to the extent that, the related Stock Option is exercisable, will not be transferable except to the extent that such related Stock Option may be transferable, will not expire later than the underlying Stock Option, and will be exercisable only when the Fair Market Value of the Common Stock subject to the underlying Stock Option exceeds the exercise price of such Stock Option.

(iii) Upon the exercise of a Stock Appreciation Right related to a Stock Option, the Recipient will be entitled to receive payment of an amount determined by multiplying (A) the difference obtained by subtracting the exercise price of a share of Common Stock specified in the related Stock Option from the Fair Market Value of a share of Common Stock on the date of exercise of such Stock Appreciation Right (or as of such other date or as of the occurrence of such event as may have been specified in the instrument evidencing the grant of the Stock Appreciation Right), by (B) the number of shares as to which such Stock Appreciation Right is exercised.

Table of Contents

(c) **Stock Appreciation Rights Unrelated to Options.** The Administering Body may grant Stock Appreciation Rights unrelated to Stock Options to Eligible Persons. Section 6.4(b)(iii) shall be used to determine the amount payable at exercise under such Stock Appreciation Right, except that in lieu of the exercise price specified in the related Stock Option, the initial base amount specified in the Award shall be used.

(d) **Limits.** Notwithstanding the foregoing, the Administering Body, in its discretion, may place a dollar limitation on the maximum amount that will be payable upon the exercise of a Stock Appreciation Right under this Plan.

(e) **Payments.** Payment of the amount determined under the foregoing provisions may be made solely in whole shares of Common Stock valued at their Fair Market Value on the date of exercise of the Stock Appreciation Right or, alternatively, at the sole discretion of the Administering Body, in cash or in a combination of cash and shares of Common Stock as the Administering Body deems advisable. The Administering Body has full discretion to determine the form in which payment of a Stock Appreciation Right will be made and to consent to or disapprove the election of a Recipient to receive cash in full or partial settlement of a Stock Appreciation Right. If the Administering Body decides to make full payment in shares of Common Stock, and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

6.5 Stock Payments. The Administering Body may approve Stock Payments of the Company's Common Stock to any Eligible Person for all or any portion of the compensation (other than base salary) or other payment that would otherwise become payable by the Company to the Eligible Person in cash, on such terms and conditions as the Administering Body may determine. Stock Payments will replace such cash payments at the Fair Market Value of the Common Stock on the date payment is due.

6.6 Dividend Equivalents. The Administering Body may grant Dividend Equivalents to any Recipient who has received a Stock Option, Stock Appreciation Right or other Award denominated in shares of Common Stock. Dividend Equivalents may be paid in cash, Common Stock or other Awards; the amount of Dividend Equivalents paid other than in cash shall be determined by the Administering Body by application of such formula as the Administering Body may deem appropriate to translate the cash value of dividends paid to the alternative form of payment of the Dividend Equivalent. Dividend Equivalents shall be computed as of each dividend record date and shall be payable to recipients thereof at such time as the Administering Body may determine. Notwithstanding the foregoing, the payment of a Dividend Equivalent with respect to a Stock Option or Stock Appreciation Right intended to constitute Performance-Based Compensation shall not be contingent upon the exercise of such Stock Option or Stock Appreciation Right.

6.7 Stock Bonuses. The Administering Body may issue shares of Common Stock to Eligible Persons as bonuses for services rendered or for any other valid consideration on such terms and conditions as the Administering Body may determine.

6.8 Stock Sales. The Administering Body may sell to Eligible Persons shares of Common Stock on such terms and conditions as the Administering Body may determine.

6.9 Phantom Stock. The Administering Body may grant Awards of Phantom Stock. Phantom Stock is a cash bonus granted under this Plan measured by the Fair Market Value of a specified number of shares of Common Stock on a specified date, or measured by the excess of such Fair Market Value over a specified minimum, which may but need not include a Dividend Equivalent.

6.10 Other Stock-Based Benefits. The Administering Body is authorized to grant Other Stock-Based Benefits. Other Stock-Based Benefits are any arrangements granted under this Plan not otherwise described above that (a) by their terms might involve the issuance or sale of Common Stock or (b) involve a benefit that is measured, as a whole or in part, by the value, appreciation, dividend yield or other features attributable to a specified number of shares of Common Stock.

6.11 Termination of Employment. Except as otherwise provided for in this Plan or determined by the Administering Body in its discretion, all Awards granted to a Recipient, and all of such Recipient's rights thereunder, shall terminate upon termination for any reason of such Recipient's employment with the Company or any Affiliated Entity (or cessation of any other service relationship between the Recipient and the Company or any Affiliated Entity in place as of the date the Award was granted).

ARTICLE VII

REORGANIZATIONS

7.1 Corporate Transactions Not Involving a Change in Control. If the Company shall consummate any Reorganization not involving a Change of Control in which holders of shares of Common Stock are entitled to receive in respect of such shares any securities, cash or other consideration (including without limitation a different number of shares of Common Stock), each Award outstanding under this Plan shall thereafter be exercisable, in accordance with this Plan, only for the kind and amount of securities, cash and/or other consideration receivable upon such Reorganization by a holder of the same number of shares of Common Stock as are subject to that Award immediately prior to such Reorganization, and any adjustments will be made to the terms of the Award in the sole discretion of the Administering Body as it may deem appropriate to give effect to the Reorganization.

7.2 Corporate Transactions Involving a Change in Control. Unless otherwise set forth in an Award Document or in this [Section 7.2](#), as of the effective time and date of any Change in Control, this Plan and any then outstanding Awards (whether or not vested) shall automatically terminate unless (a) provision is made in writing in connection with such transaction for the continuance of this Plan and for the assumption of such Awards, or for the substitution for such Awards of new awards covering the securities of a successor entity or an affiliate thereof, with appropriate adjustments as to the number and kind of securities and exercise prices or other measurement criteria, in which event this Plan and such outstanding Awards shall continue or be replaced, as the case may be, in the manner and under the terms so provided; or (b) the Board otherwise shall provide in writing for such adjustments as it deems appropriate in the terms and conditions of the then-outstanding Awards (whether or not vested), including without limitation (i) accelerating the vesting of outstanding Awards and/or (ii) providing for the cancellation of Awards and their automatic conversion into the right to receive the securities, cash or other consideration that a holder of the shares underlying such Awards would have been entitled to receive upon consummation of such Change in Control had such shares been issued and outstanding immediately prior to the effective date and time of the Change in Control (net of the appropriate option exercise prices). If, pursuant to the foregoing provisions of this [Section 7.2](#), this Plan and the Awards shall terminate by reason of the occurrence of a Change in Control without provision for any of the actions described in clause (a) or (b) hereof, then subject to [Section 5.13](#) and [Section 6.11](#), any Recipient holding outstanding Awards shall have the right, at such time immediately prior to the consummation of the Change in Control as the Board shall designate, to exercise or receive the full benefit of the Recipient's Awards to the full extent not theretofore exercised, including any installments which have not yet become vested.
