Item 2.02. Results of Operations and Financial Condition.

On July 25, 2012, we reported our financial results for our second fiscal quarter ended June 30, 2012. See the press release dated July 25, 2012, a copy of which is furnished as Exhibit 99 to this current report on Form 8-K.

Item 2.05. Costs Associated With Exit or Disposal Activities.

On July 25, 2012, we announced plans to exit the Hong Kong market through either a shut down or sale of our Hong Kong capital markets business. We have determined that an exit from the Hong Kong market is appropriate to eliminate the current loss run-rate. The exit is expected to be complete before the end of our third fiscal quarter ending September 30, 2012.

As a result of the exit, whether through a shutdown or sale of the business, we expect to recognize cash proceeds, which will be partially offset by restructuring-related expenses. At this time, we are not able to estimate the costs or total amount or range of amounts expected to be incurred in connection with the exit. We intend to file an amendment to this current report on Form 8-K promptly after an estimate of the costs can be determined.

This current report on Form 8-K contains forward-looking statements. Statements that are not historical or current facts, including statements about beliefs and expectations, are forward-looking statements. These forward-looking statements cover, among other things, the timing of the market exit and the recognition of cash proceeds. Forward-looking statements are subject to inherent risks and uncertainties, both known and unknown, that are difficult to predict and important factors could cause actual results to differ materially from those anticipated, including (1) exiting the Hong Kong market may not be completed within the expected timeframe, (2) the extent to which cash proceeds may exceed restructuring-related expenses, and (3) the other factors identified in our annual report on Form 10-K for the year ended December 31, 2011 under Risk Factors in Part I, Item 1A and Management's Discussion and Analysis of Financial Condition and Results of Operations in Part II, Item 7, as the same may be updated in our subsequent reports filed with the Securities and Exchange Commission (available at www.piperjaffray.com and www.sec.gov). Forward-looking statements speak only as of the date they are made, and readers are cautioned not to place undue reliance on them. We undertake no obligation to update them in light of new information or future events.

Item 7.01 Regulation FD Disclosure.

On July 25, 2012, we issued a press release announcing our plans to exit the Hong Kong market as described in Item 2.05 above, a copy of which is furnished as Exhibit 99 to this current report on Form 8-K.

The information contained in Exhibit 99 is being furnished, and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities under Section 18. Furthermore, the information contained in Exhibit 99 shall not be deemed to be incorporated by reference into our filings under the Securities Act of 1933, as amended, or the Exchange Act.
