**SUMMARY ANNUAL REPORT FOR**

**SHAREPLUS FEDERAL BANK 401(K) PLAN AND TRUST**

This is a summary of the annual report for the SHAREPLUS FEDERAL BANK 401(K) PLAN AND TRUST (Employer Identification Number 75-1004819) for the plan year January 1, 2012 through December 31, 2012. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

**Basic Financial Statement**

Benefits under the plan are provided by a trust fund. Plan expenses were \$201,509. These expenses included \$18,667 in administrative expenses and \$182,082 in benefits paid to participants and beneficiaries, and \$760 in other expenses. A total of 74 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, as of the end of the plan year on December 31, 2012 was \$3,246,684, compared to \$2,526,905 as of the beginning of the plan year. During the plan year the plan's net assets increased by \$719,779. This increase was attributed to unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of \$921,288, including employer contributions of \$151,908, employee contributions of \$301,868, other contributions/other income of \$0 and earnings from investments of \$467,512.

**Information Regarding Plan Assets**

The U.S. Department of Labor's regulations require that an independent qualified public accountant audit the plan's financial statements unless certain conditions are met for the audit requirement to be waived. This plan met the audit waiver conditions for the plan year beginning January 1, 2012 and therefore has not had an audit performed. Instead, the following information is provided to assist you in verifying that the assets reported on the Form 5500 were actually held by the plan.

At the end of the plan year, the plan had qualifying plan assets at the following institution(s):

Reliance Trust Company: \$2,580,010

The plan receives year-end statements from these regulated financial institutions that confirm the above information.

The remainder of the plan's assets were held in individual participant accounts with investments directed by participants and beneficiaries and with account statements from regulated financial institutions furnished to the participant or beneficiary at least annually, qualifying employer securities and loans to participants and other qualifying assets.

Plan participants and beneficiaries have a right, upon request and free of charge, to receive copies of the financial institution year-end statements. If you want to examine or request copies of the financial institution year-end statements, please contact Ms. Diane Stephens, who is a representative of the plan administrator, at 5224 West Plano Parkway, Plano, TX 75093, or by telephone at 972-931-5311.

If you are unable to obtain or examine copies of the regulated financial institution statements, you may contact the regional office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) for assistance by calling toll-free 866-444-EBSA (3272).
