DESCRIPTION OF COMMON STOCK

The following is a description of the material terms of the Common Stock, as well as other material terms of our Amended and Restated Certificate of Incorporation, as amended (the Company Certificate), and our Amended and Restated Bylaws (the Bylaws). This description is only a summary. You should read it together with the Company Certificate and Bylaws, which are included as exhibits to the registration statement of which this prospectus is part and incorporated by reference herein.

General

We currently have 150,000,000 authorized shares of Common Stock, par value \$0.001 per share, of which 18,196,217 shares were issued and outstanding as of June 24, 2013. As of June 24, 2013, (i) 10,610,715 shares of Common Stock are reserved for issuance in connection with the Series A Preferred Stock, (ii) 10,714,286 shares of Common Stock are reserved for issuance in connection with the Existing Warrants, exercisable at any time until September 2, 2021 at an initial exercise price of \$7.00 per share of Common Stock (subject to customary anti-dilution adjustments), (iii) 2,342,829 shares of Common Stock are reserved for issuance upon exercise of outstanding stock options or settlement of restricted stock units and (iv) 8,749,239 shares of Common Stock are reserved for issuance upon conversion of 4.50% Convertible Senior Notes.

Other than as described in this prospectus or any applicable prospectus supplement, no stockholder has any preemptive right or other similar right to purchase or subscribe for any additional securities issued by the Company, and no stockholder has any right to convert Common Stock into other securities. No shares of Common Stock are subject to redemption or any sinking fund provisions. All the outstanding shares of Common Stock are fully paid and non-assessable. Subject to the rights of the holders of the Preferred Stock, the holders of Common Stock are entitled to dividends when, as and if declared by the Board from funds legally available therefor and, upon liquidation, to a pro-rata share in any distribution to stockholders.

Pursuant to Delaware law and the Company Certificate, our Board by resolution may establish one or more series of Preferred Stock and fix the number of shares constituting such series, the designation of such series, the voting powers (if any) of the shares of such series and the preferences and relative, participating, optional or other special rights, if any, and any qualifications, limitations or restrictions thereof, of the shares of such series, such rights and preferences being senior to the rights of holders of Common Stock. Other than the Series A Preferred Stock, no shares of Preferred Stock are currently outstanding.

Voting and Other Rights

Each share of Common Stock entitles the holder thereof to one vote on all matters upon which stockholders are permitted to vote. The Bylaws provide that directors will be elected by a plurality of votes cast at a meeting of stockholders by the stockholders entitled to vote in the election and, except as otherwise required by law, whenever any corporate action other than the election of directors is to be taken, it shall be authorized by a majority of the votes cast at a meeting of stockholders by the stockholders entitled to vote thereon.

Anti-Takeover Effects of Various Provisions of Delaware Law and the Company Certificate and Bylaws

Provisions of the Delaware General Corporation Law (the DGCL) could make it more difficult to acquire us by means of a tender offer, a proxy contest or otherwise, or to remove incumbent officers and directors. These provisions, summarized below, are expected to discourage types of coercive takeover practices and inadequate takeover bids and to encourage persons seeking to acquire control of us to first negotiate with us. We believe that the benefits of increased protection of our potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us outweigh the disadvantages of discouraging takeover or acquisition proposals because, among other things, negotiation of these proposals could result in an improvement of their terms.

Delaware Anti-Takeover Statute. We have elected to be subject to Section 203 of the DGCL, an anti-takeover statute. In general, Section 203 prohibits a publicly-held Delaware corporation from engaging in a business combination with an interested stockholder for a period of three years following the time the person became an interested stockholder, unless (with certain exceptions) the business combination or the transaction in which the person became an interested stockholder is approved in a prescribed manner. Generally, a business combination includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. Generally, an interested stockholder is a person who, together with affiliates and associates, owns (or within three years prior to the determination of interested

Table of Contents

stockholder status did own) 15 percent or more of a corporation's voting stock. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by the Board, including discouraging attempts that might result in a premium over the market price for the shares of Common Stock.

No Cumulative Voting. The DGCL provides that stockholders are denied the right to cumulate votes in the election of directors unless a corporation's certificate of incorporation provides otherwise. The Company Certificate prohibits cumulative voting.

Classified Board. The DGCL permits a corporation to divide its board of directors into up to three classes with staggered terms of office. Our Board is divided into three classes of directors, each class constituting approximately one-third of the total number of directors, with the classes serving staggered terms. At each annual meeting of stockholders, the class of directors to be elected at the meeting will be elected for a three-year term and the directors in the other two classes will continue in office. We believe that classified directors will help to assure the continuity and stability of our Board and our business strategies and policies as determined by our Board. The use of a classified board may delay or defer a change in control of the Company or removal of incumbent management.

Limitation of Liability and Indemnification of Officers and Directors. The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties as directors. The Company Certificate and Bylaws include provisions that indemnify, to the fullest extent allowable under the DGCL, the personal liability of directors or officers for monetary damages for actions taken as a director or officer of the Company, or for serving at our request as a director or officer or in another position at another corporation or enterprise, as the case may be. The Company Certificate and Bylaws also provide that we must indemnify and advance expenses to our directors and officers, subject to our receipt of an undertaking from the indemnitee as may be required under the DGCL. We are also expressly authorized to carry directors' and officers' insurance to protect the Company and our directors, officers, employees and agents from certain liabilities.

The limitation of liability and indemnification provisions in the Company Certificate and the Bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duties. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. We may be adversely affected to the extent that, in a class action or direct suit, we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. Except as set forth in the Company's periodic reports as incorporated herein by reference, there is currently no pending material litigation or proceeding involving any of our directors, officers, employees or agents for which indemnification is sought.

Authorized but Unissued Shares of Common Stock. Our authorized but unissued shares of Common Stock will be available for future issuance without approval by the holders of Common Stock. We may use additional shares for a variety of corporate purposes, including future public offerings to raise additional capital, employee benefit plans and as consideration for or to finance future acquisitions, investments or other purposes. The existence of authorized but unissued shares of Common Stock could render more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Undesignated Preferred Stock. Our Company Certificate and Bylaws authorize undesignated Preferred Stock. As a result, our Board may, without the approval of holders of Common Stock, issue shares of Preferred Stock with super voting, special approval, dividend or other rights or preferences on a discriminatory basis that could impede the success of any attempt to acquire us. These and other provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control or management of the Company.

Amendments to Organizational Documents

The DGCL provides generally that the affirmative vote of a majority of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or bylaws.

Listing

Our Common Stock is listed on the NYSE under the trading symbol XPO.

DESCRIPTION OF PREFERRED STOCK

The following description of the terms of the Preferred Stock we may issue sets forth certain general terms and provisions of any series of Preferred Stock to which any prospectus supplement may relate. Particular terms of the Preferred Stock offered by any prospectus supplement and the extent, if any, to which these general terms and provisions will apply to any series of Preferred Stock so offered will be described in the prospectus supplement relating to the applicable Preferred Stock. The applicable prospectus supplement may also state that any of the terms set forth in this description are inapplicable to such series of Preferred Stock. This description does not purport to be complete and is subject to and qualified in its entirety by reference to applicable Delaware law and the provisions of the Company Certificate relating to Preferred Stock.

We currently have 10,000,000 authorized shares of Preferred Stock, par value \$0.001 per share, of which 74,275 shares of our Series A Preferred Stock were issued and outstanding as of June 24, 2013. Preferred Stock may be issued independently or together with any other securities and may be attached to or separate from the other securities.

Pursuant to Delaware law and the Company Certificate, our Board by resolution may establish one or more series of Preferred Stock and fix the number of shares constituting such series, the designation of such series, the voting powers (if any) of the shares of such series and the preferences and relative, participating, optional or other special rights, if any, and any qualifications, limitations or restrictions thereof, of the shares of such series. Such rights, preferences, powers and limitations as may be established could have the effect of discouraging an attempt to obtain control of the Company.

The Board, in approving the issuance of a series of Preferred Stock and the applicable prospectus supplement, will set forth with respect to such series, the following:

the number of shares constituting such series;

the designation of such series;

the voting powers, if any, of the shares of such series; and

the preferences and relative, participating, optional or other special rights, if any, and any qualifications, limitations or restrictions thereof, of the shares of such series.

The terms of each series of Preferred Stock will be described in the prospectus supplement related to such series of Preferred Stock and will contain a discussion of any material U.S. Federal income tax considerations applicable to such series of Preferred Stock.

Table of Contents

DESCRIPTION OF DEBT SECURITIES

We may issue Debt Securities under one or more indentures or supplemental indentures between us and the trustee identified in the applicable prospectus supplement. Any indenture or supplemental indenture will be subject to, and governed by, the Trust Indenture Act of 1939, as amended. The statements made in this prospectus relating to the Debt Securities to be issued under the indenture(s) or supplemental indenture(s) are summaries of certain anticipated provisions of the indenture(s) or supplemental indenture(s) and are not complete. We will file a copy of the supplemental indenture(s) with the SEC at or before the time of the offering of the applicable series of Debt Securities. You should refer to those indenture(s) or supplemental indenture(s) for the complete terms of the Debt Securities.

General

We may issue Debt Securities that rank senior or subordinated. The Debt Securities referred to as senior securities will be direct obligations of the Company and will rank equally and ratably in right of payment with other indebtedness of the Company that is not subordinated. We may issue Debt Securities that will be subordinated in right of payment to the prior payment in full of senior indebtedness, as defined in the applicable indenture or supplemental indenture and prospectus supplement, and may rank equally and ratably with any other subordinated notes and any other subordinated indebtedness. We refer to these Debt Securities as subordinated securities.

The Company may issue the Debt Securities under this prospectus up to an aggregate principal amount of \$500,000,000, in one or more series, in each case as we may establish in one or more indentures or supplemental indentures. If any Debt Securities are issued at an original issue discount, then such Debt Securities may have such greater principal amount as shall result in an aggregate initial offering price not to exceed \$500,000,000, after taking into account such original issue discount. The Company need not issue all Debt Securities of one series at the same time. Unless we otherwise provide, we may reopen a series, without the consent of the holders of such series, for issuances of additional securities of that series.

Our rights and the rights of our creditors (including the holders of our Debt Securities) and stockholders to participate in distributions by any of our subsidiaries upon that subsidiary's liquidation or reorganization or otherwise would be subject to the prior claims of that subsidiary's creditors, except to the extent that a creditor may have the benefit of a guarantee from that subsidiary or we may ourselves be a creditor with recognized claims against that subsidiary.

We anticipate that any indenture will provide that the Company may, but need not, designate more than one trustee under an indenture, each with respect to one or more series of the Debt Securities. Any trustee under any indenture may resign or be removed with respect to one or more series of the Debt Securities, and the Company may appoint a successor trustee to act with respect to that series.

The applicable prospectus supplement will describe the specific terms relating to the series of the Debt Securities the Company will offer, including, to the extent applicable, the following:

the title and series designation of the Debt Securities and whether they are senior securities or subordinated securities;

the aggregate principal amount of the Debt Securities and any limit upon such principal amount;

the percentage of the principal amount at which the Company will issue the Debt Securities and, if other than the principal amount of the Debt Securities, the portion of the principal amount of the Debt Securities payable upon maturity of the Debt Securities;

The Company may issue Debt Securities at less than the principal amount payable upon maturity. We refer to these securities as original issue discount securities. If material or applicable, we will describe in the applicable prospectus supplement special U.S. Federal income tax, accounting and other considerations applicable to original issue discount securities. The Company may also issue Debt Securities that are guaranteed by one or more of its subsidiaries, in which case the registration statement to which this prospectus relates will be amended to include such guarantees prior to such offering.

Denominations, Interest, Registration and Transfer

Unless otherwise described in the applicable prospectus supplement, the Company will issue the Debt Securities of any series that are registered securities in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000, other than global securities, which may be of any denomination.

Unless otherwise specified in the applicable prospectus supplement, the Company will pay the interest and principal and any premium at the corporate trust office of the trustee. At the Company's option, however, the Company may make payment of interest by check mailed to the address of the person entitled to the payment as it appears in the applicable register or by wire transfer of funds to that person at an account maintained within the United States.

If the Company does not punctually pay or duly provide for interest on any interest payment date, the defaulted interest will be paid either:

to the person in whose name the Debt Security is registered at the close of business on a special record date the applicable trustee will fix; or

in any other lawful manner, all as the applicable indenture or supplemental indenture describes.

You may exchange or transfer Debt Securities at the office of the applicable trustee. The trustee acts as the Company's agent for registering Debt Securities in the names of holders and transferring Debt Securities. The Company may change this appointment to another entity or perform it itself. The entity performing the role of maintaining the list of registered holders is called the registrar. It will also perform transfers.

You will not be required to pay a service charge to transfer or exchange Debt Securities, but you may be required to pay for any tax or other governmental charge associated with the exchange or transfer. The security registrar will make the transfer or exchange only if it is satisfied with your proof of ownership.

Global Securities

If so set forth in the applicable prospectus supplement, the Company may issue the Debt Securities of a series in whole or in part in the form of one or more global securities that will be deposited with a depository identified in the prospectus supplement. The Company may issue global securities in either registered or bearer form and in either temporary or permanent form. The specific terms of the depository arrangement with respect to any series of Debt Securities will be described in the applicable prospectus supplement.

Each series of Warrants will be issued under a separate warrant certificate to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the Warrants and will not assume any obligation or relationship of agency or trust for or with any holders or beneficial owners of Warrants. The following summary of certain provisions of the Warrants does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of the warrant certificate that will be filed with the SEC in connection with the offering of such Warrants.

PLAN OF DISTRIBUTION

We may sell the securities offered by this prospectus and applicable prospectus supplements:

to or through underwriters or through dealers;

in short or long transactions;

through agents;

directly to purchasers; or

through a combination of any such methods of sale.

If underwriters are used to sell securities, we will enter into an underwriting agreement or similar agreement with them at the time of the sale to them. In that connection, underwriters may receive compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of the securities for whom they may act as agent. Any such underwriter, dealer or agent may be deemed to be an underwriter within the meaning of the Securities Act.

The applicable prospectus supplement relating to an offering of securities will set forth:

the offering terms, including the name or names of any underwriters, dealers or agents;

the purchase price of the securities being offered and the proceeds to us, if any, from such sale;

any underwriting discounts, concessions, commissions and other items constituting compensation to underwriters, dealers or agents;

any initial public offering price;

any discounts or concessions allowed or re-allowed or paid by underwriters or dealers to other dealers;

in the case of the Debt Securities, the interest rate, maturity and redemption provisions;

details regarding over-allotment options under which underwriters may purchase additional securities from us, if any;

the securities exchanges on which the securities may be listed, if any; and

Edgar Filing: XPO Logistics, Inc. - Form S-3/A

any other information we think is important.

If underwriters or dealers are used in the sale, the securities will be acquired by the underwriters or dealers for their own account and may be resold from time to time in one or more transactions in accordance with the rules of the NYSE:

at a fixed price or prices that may be changed from time to time;

at market prices prevailing at the time of sale;

at prices related to such prevailing market prices; or

at negotiated prices.

The securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. Unless otherwise set forth in an applicable prospectus supplement, the obligations of underwriters or dealers to purchase the securities will be subject to certain conditions

Table of Contents

precedent and the underwriters or dealers will be obligated to purchase all the securities if any are purchased. Any public offering price and any discounts or concessions allowed or re-allowed or paid by underwriters or dealers to other dealers may be changed from time to time.

Any broker-dealers or agents that are involved in selling the securities may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by the underwriters and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

We may enter into hedging transactions with broker-dealers and the broker-dealers may engage in short sales of the securities in the course of hedging the positions they assume with us, including, without limitation, in connection with distributions of the securities by those broker-dealers. We may enter into option or other transactions with broker-dealers that involve the delivery of the securities offered hereby to the broker-dealers, who may then resell or otherwise transfer those securities. We may also loan or pledge the securities offered hereby to a broker-dealer and the broker-dealer may sell the securities offered hereby so loaned or upon a default may sell or otherwise transfer the pledged securities offered hereby.

Securities may be sold directly by us or through agents designated by us from time to time. Any agent involved in the offer or sale of the securities in respect of which this prospectus and a prospectus supplement is delivered will be named, and any commissions payable by us to such agent will be set forth, in the prospectus supplement. Unless otherwise indicated in the prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

If so indicated in the prospectus supplement, we will authorize underwriters, dealers or agents to solicit offers from certain specified institutions to purchase securities from us at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. Such contracts will be subject to any conditions set forth in the prospectus supplement and the prospectus supplement will set forth the commissions payable for solicitation of such contracts. Institutions to which such offers may be made, when authorized, include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and such other institutions as may be approved by the Company. The underwriters and other persons soliciting such contracts will have no responsibility for the validity of such arrangements or the performance of the Company or such institutions thereunder.

Underwriters, dealers and agents may be entitled under agreements entered into with us to be indemnified by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution by us to payments which they may be required to make. The terms and conditions of such indemnification will be described in an applicable prospectus supplement and will be subject to the restrictions and limitations contained in the applicable provisions, if any, of Delaware law and the Company Certificate. Underwriters, dealers and agents may be customers of, engage in transactions with or perform services for us in the ordinary course of business, for which they receive compensation. However any possible conflicts of interest of any underwriter, dealer or agent will be disclosed in the applicable prospectus supplement.

Any underwriters to whom securities are sold by us for public offering and sale may make a market in such securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of the trading market for any securities.

Certain persons participating in any offering of securities may engage in transactions that stabilize, maintain or otherwise affect the price of the securities offered in accordance with Regulation M under the Exchange Act. In connection with any such offering, the underwriters or agents, as the case may be, may purchase and sell securities in the open market. These transactions may include over-allotment and stabilizing transactions and purchases to cover syndicate short positions created in connection with the offering. Stabilizing transactions consist of certain bids or purchases for the purpose of preventing or retarding a decline in the market price of the securities and syndicate short positions involve the sale by the underwriters or agents, as the case may be, of a greater number of securities than they are required to purchase from us in the offering. The underwriters may also impose a penalty bid, whereby selling concessions allowed to syndicate members or other broker-dealers for the securities sold for their account may be reclaimed by the syndicate if such securities are repurchased by the syndicate in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the securities, which may be higher than the price that might otherwise prevail in the open market, and if commenced, may be discontinued at any time. These transactions may be effected on the NYSE, in the over-the-counter market or otherwise. These activities will be described in more detail in the sections entitled "Plan of Distribution or Underwriting" in the applicable prospectus supplement.

Each series of offered securities will be a new issue, other than the shares of Common Stock, which are listed on the NYSE. We may elect to list any series of offered securities on an exchange, and in the case of the Common Stock, on any additional exchange, but unless otherwise specified in the applicable prospectus supplement, we shall not be obligated to do so.

ITEM 15. Indemnification of Directors and Officers.

Article VIII of the Company Certificate, as amended, provides as follows:

The Company shall indemnify any person who was, is or is threatened to be made a party to a proceeding (as hereinafter defined) by reason of the fact that he or she (i) is or was a director or officer of the Company or (ii) while a director or officer of the Company, is or was serving at the request of the Company as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise, to the fullest extent permitted under the DGCL, as the same exists or may hereafter be amended. Such right shall be a contract right and as such shall run to the benefit of any director or officer who is elected and accepts the position of director or officer of the Company or elects to continue to serve as a director or officer of the Company while this Article VIII is in effect. Any repeal or amendment of this Article VIII shall be prospective only and shall not limit the rights of any such director or officer of the obligations of the Company with respect to any claim arising from or related to the services of such director or officer in any of the foregoing capacities prior to any such repeal or amendment to this Article VIII. Such right shall include the right to be paid by the Company expenses incurred in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the DGCL, as the same exists or may hereafter be amended. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Company within sixty (60) days after a written claim has been received by the Company, the claimant may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense is not permitted under the DGCL, but the burden of proving such defense shall be on the Company. Neither the failure of the Company (including the Board or any committee thereof, independent legal counsel, or stockholders) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor as actual determination by the Company (including the Board or any committee thereof, independent legal counsel, or stockholders) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of his or her heirs, executors, administrators and personal representatives. The rights conferred above shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, by-law, resolution of stockholders or directors, agreement, or otherwise.

Table of Contents

Without limiting the generality of the foregoing, to the extent permitted by then applicable law, the grant of mandatory indemnification pursuant to this Article VIII shall extend to proceedings involving the negligence of such person.

The Company may additionally indemnify any employee or agent of the Company to the fullest extent permitted by law.

As used herein, the term proceeding means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative, any appeal in such action, suit or proceeding, and any inquiry or investigation that could lead to such action, suit or proceeding.

Article IX of the Company Certificate, as amended, provides as follows:

A director of the Company shall not be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper benefit. Any repeal or amendment of this Article IX by the stockholders of the Company shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director of the Company arising from an act or omission occurring prior to the time of such repeal or amendment. In addition to the circumstances in which a director of the Company is not personally liable as set forth in the foregoing provisions of this Article IX, a director shall not be liable to the Company or its stockholders to such further extent as permitted by any law hereafter enacted, including, without limitation, any subsequent amendment to the DGCL.

Article VII, Section 8 of the Bylaws provides that the Company will indemnify its directors and officers to the fullest extent permitted by the DGCL and may, if and to the extent authorized by the Board, so indemnify such other persons whom it has the power to indemnify against any liability, reasonable expense or other matter whatsoever.

Section 145 of the DGCL provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses including attorneys' fees, judgments, fines and amounts paid in settlement in connection with various actions, suits or proceedings, whether civil, criminal, administrative or investigative other than an action by or in the right of the corporation, a derivative action, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful.

A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses including attorneys' fees incurred in connection with the defense or settlement of such actions, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

In addition, the registrant maintains directors' and officers' liability insurance policies.

ITEM 17. Undertakings

(a) The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) under the Securities Act (Rule 424(b)) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that clauses (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those clauses is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement;

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

4. That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) under the Securities Act shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B under the Securities Act relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) under the Securities Act for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B under the Securities Act, for liability purposes of the issuer

and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

5. That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
- (d) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the Trustee to act under subsection (a) of Section 310 of the Trust Indenture Act, in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.
