**Item 5.02(e) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

Delcath Systems, Inc. (the Company) announced that the Board of Directors (the Board) has promoted William Appling, age 50, to the newly created position of Executive Vice President, Research & Development and Global Operations. Mr. Appling will report directly to the Company's President and Chief Executive Officer (CEO), Eamonn P. Hobbs. Prior to Mr. Appling's recent appointment as Executive Vice President, Research & Development and Global Operations, he served as the Company's Senior Vice President, Medical Device Research and Development, a position he has held since he joined the Company in October 2010. Prior to joining the Company, Mr. Appling spent 22 years at AngioDynamics, Inc., holding various senior level management positions including Senior Vice President, Research and Development. Mr. Appling's current annual base salary is \$256,500. Mr. Appling is also eligible to participate in the Company's Annual Incentive Plan with a target cash bonus equal to 40% of his annual base salary.

Concurrently with the promotion of Mr. Appling, the Board modified Dr. Krishna Kandarpa's title to Executive Vice President, Chief Scientific Officer. Dr. Kandarpa will continue to report directly to the Company's President and CEO, Eamonn P. Hobbs.

The Company also announced that Harold Mapes, Executive Vice President, Global Operations, will be leaving the employment of the Company, effective July 5, 2013. It is anticipated that Mr. Mapes will receive certain severance payments, and will continue to serve as a consultant to the Company.

On June 26, 2013, the Company issued a press release announcing the above matters, a copy of which release is filed as Exhibit 99.1 to this Form 8-K and which is incorporated by reference herein.
