**Item 7.01 Regulation FD Disclosure.**

On August 19, 2013, Archeo, Inc. (Archeo), a division of Marchex, Inc. (Marchex), announced via a posting on Archeo's website at [www.archeodomains.com](http://www.archeodomains.com) an update of domains sold during the second quarter of 2013. The website posting reads as follows:

Archeo Releases Sample List of Domains Sold in Second Quarter

As Archeo continues to operate as a stand-alone division of Marchex, we want to provide an update on our domain sales and inventory.

Marchex released its second-quarter earnings on August 6, 2013 and reported that Archeo had sold 70 domains for approximately \$1.3 million. Today, we're releasing a sample of that list. (See below.)

Since the fourth quarter 2012, approximately 150 domains have sold for approximately \$3.5 million.

Last November, Marchex published a sample list of 2,000 of our more than 200,000 top domains. So far, fewer than 10 names from that list have been sold. This underscores the significant depth and tremendous value of our portfolio.

We're continuing to build out our infrastructure, which will enable a vibrant and transparent domain ecosystem through our marketplace. We're excited for all that's to come and look forward to continuing to share our progress with you periodically.

Thanks again and stay tuned for more updates.

*Rod Diefendorf, Chief Operating Officer, Archeo*
