ITEM 8.01. OTHER EVENTS.

Terreno Realty Corporation (the Company) filed with the Securities and Exchange Commission (SEC) a prospectus supplement dated February 28, 2014 (the Prospectus Supplement), pursuant to which the Company may issue and sell shares of its common stock, having an aggregate offering price of up to \$100,000,000 (the Shares), in amounts and at times to be determined by the Company from time to time, but has no obligation to sell any of the Shares. Actual sales will depend on a variety of factors to be determined by the Company from time to time, including, among others, market conditions, the trading price of the Company's common stock, determinations by the Company of the appropriate sources of funding for the Company and potential uses of funding available to the Company. The Company intends to use the net proceeds from the offering of the Shares, if any, for general corporate purposes, which may include future acquisitions and repayment of indebtedness, including borrowings under our credit facility.

In connection with the offering, the Company entered into four separate equity distribution agreements (collectively, the Distribution Agreements), each dated as of February 28, 2014, with each of KeyBanc Capital Markets Inc., JMP Securities LLC, Mitsubishi UFJ Securities (USA), Inc. and MLV & Co. LLC, as sales agents (collectively, the Sales Agents). Pursuant to the Distribution Agreements, the Company may issue and sell the Shares from time to time through the Sales Agents, as the Company's agents for the offer and sale of the Shares, or to them for resale. Sales of Shares, if any, may be made in negotiated transactions or transactions that are deemed to be at-the-market offerings as defined in Rule 415 of the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange, the existing trading market for the Company's common stock, or sales made to or through a market maker other than on an exchange. The Company will pay each of the Sales Agents a commission which in each case shall not be more than 2.0% of the gross sales price of Shares through it as the Company's agent under the applicable Distribution Agreement.

The offering of the Shares pursuant to any Distribution Agreement will terminate upon the earlier of (1) the issuance and sale of all of the Shares subject to the Distribution Agreements and (2) the termination of the Distribution Agreement by either the Company or the respective Sales Agent at any time in the respective party's sole discretion.

The Shares will be issued pursuant to the Prospectus Supplement and the Company's registration statement on Form S-3 (File No. 333-189561) filed with the SEC on June 24, 2013 and declared effective on July 3, 2013.

The foregoing description of the Distribution Agreements is qualified in its entirety by reference to the form of Distribution Agreement filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference.
