Forward Looking Statements

Information set forth in this Current Report on Form 8-K contains forward-looking statements that involve numerous risks and uncertainties. The statements contained in this communication that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities and Exchange Act of 1934 including, without limitation, statements regarding the potential consummation of the Asset Sale subject to the terms and conditions set forth in the Purchase Agreement. All forward-looking statements included in this communication are based on information available to GSI on the date hereof. In some cases, you can identify forward-looking statements by terminology such as may, can, will, should, could, expects, plans, anticipates, intends, believes, estimates, predicts, potential, targets, goals, continue, preliminary, guidance, or variations of such words, similar expressions, or the negative of these terms or other comparable terminology. No assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what impact they will have on GSI's results of operations or financial condition. Accordingly, actual results may differ materially and adversely from those expressed in any forward-looking statements. Undue reliance should not be placed on any forward-looking statements, which speak only as of the date made. Neither GSI nor any other person can assume responsibility for the accuracy and completeness of forward looking statements. There are various important factors that could cause actual results to differ materially from those in any such forward-looking statements, many of which are beyond GSI's control, including, but not limited to, the failure to satisfy the conditions to closing the Asset Sale. GSI will not undertake and specifically declines any obligation to update any forward-looking statement. For additional information please refer to GSI's most recent Form 10-K, 10-Q and 8-K reports filed with the SEC.
