CANADIAN PACIFIC ANNOUNCES US\$700 MILLION DEBT OFFERING

CALGARY, AB Canadian Pacific Railway Limited (TSX:CP)(NYSE:CP) announced that its wholly-owned subsidiary, Canadian Pacific Railway Company, is issuing:

US\$700 million of 2.900% Notes due 2025

The transaction is expected to close on February 2, 2015, subject to customary closing conditions.

The offering is being made in the United States under the base shelf prospectus dated July 11, 2013 and the prospectus supplement dated January 28, 2015. The net proceeds from this offering will be used for general corporate purposes, including reducing short term indebtedness, which indebtedness was used to fund capital investments and share repurchases under our normal course issuer bid.

The joint book-running managers of the debt offering are Morgan Stanley, BofA Merrill Lynch, HSBC, J.P. Morgan, Citigroup, RBC Capital Markets and Wells Fargo Securities.

A copy of the prospectus supplement and the accompanying prospectus for the offering may be obtained by contacting Morgan Stanley & Co. LLC, Attn: Prospectus Department, 180 Varick Street, 2nd Floor, New York, NY 10014, telephone: 1-866-718-1649, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Attn: Prospectus Department, 222 Broadway, 11th Floor, New York, NY 10038, telephone: 1-800-294-1322, e-mail: dg.prospectus_requests@baml.com, HSBC Securities (USA) Inc., Attn: Transaction Management Group, 452 Fifth Avenue, New York, NY, 10018, telephone: 1-866-811-8049 and J.P. Morgan Securities LLC, Attn: Investment Grade Syndicate Desk, 383 Madison Ave, New York, NY 10179, telephone: 212-834-4533.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor will there be any sale of these securities, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

Note on forward-looking information

This news release contains certain forward-looking information within the meaning of applicable securities laws relating, but not limited to, reduction of short term indebtedness and the timing and completion of the proposed debt offering. This forward-looking information also includes, but is not limited to, statements concerning expectations, beliefs, plans, goals, objectives, assumptions and statements about possible future events, conditions, and results of operations or performance. Forward-looking information may contain statements with words or headings such as financial expectations , key assumptions , anticipate , believe , expect , plan , will , outlook , should or similar suggesting future outcomes. To the extent that CP has provided guidance using non-GAAP financial measures, the Company may not be able to provide a reconciliation to a GAAP measure, due to unknown variables and uncertainty related to future results.

Undue reliance should not be placed on forward-looking information as actual results may differ materially from the forward-looking information. Forward-looking information is not a guarantee of future performance. By its nature, CP's forward-looking information involves numerous assumptions, inherent risks and uncertainties that could cause actual results to differ materially from the forward looking information, including but not limited to the following factors: changes in business strategies; general North American and global economic, credit and business conditions; risks in agricultural production such as weather conditions and insect populations; the availability and price of energy commodities; the effects of competition and pricing pressures; industry capacity; shifts in market demand; changes in commodity prices; uncertainty surrounding timing and volumes of commodities being shipped via CP; inflation; changes in laws and regulations, including regulation of rates; changes in taxes and tax rates; potential increases in maintenance and operating costs; uncertainties of investigations, proceedings or other types of claims and litigation; labour disputes; risks and liabilities arising from derailments; transportation of dangerous goods; timing of completion of capital and maintenance projects; currency and interest rate fluctuations; effects of changes in market conditions and discount rates on the financial position of pension plans and investments; and various events that could disrupt operations, including severe weather, droughts, floods, avalanches and earthquakes as well as security threats and governmental response to them, and technological changes. The foregoing list of factors is not exhaustive.

These and other factors are detailed from time to time in reports filed by CP with securities regulators in Canada and the United States. Reference should be made to Management's Discussion and Analysis in CP's annual and interim reports, Annual Information Form and Form 40-F. Readers are cautioned not to place undue reliance on forward-looking information. Forward-looking information is based on current expectations, estimates and projections and it is possible that predictions, forecasts, projections, and other forms of forward-looking information will not be achieved by CP. Except as required by law, CP undertakes no obligation to update publicly or otherwise revise any forward-looking information, whether as a result of new information, future events or otherwise.
