If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Key Energy Services, Inc. (the Company or Key) is unable to file its Quarterly Report on Form 10-Q for the three months ended March 31, 2016 (the Form 10-Q) by the prescribed due date. The Company is in ongoing discussions with its lenders and noteholders regarding its level of indebtedness and level of liquidity and with regard to the Company's compliance, as of March 31, 2016, with the asset coverage ratio contained in the Company's Term Loan and Security Agreement (the Term Loan Facility) among the Company, as Borrower, certain subsidiaries of the Company named as guarantors therein, the financial institutions party thereto from time to time as Lenders, Cortland Capital Market Services LLC, as Agent for the Lenders, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as Sole Lead Arranger and Sole Bookrunner, and Loan and Security Agreement (the ABL Facility), among the Company and Key Energy Services, LLC, as the Borrowers (collectively, the ABL Borrowers), certain subsidiaries of the ABL Borrowers named as guarantors therein, the financial institutions party thereto from time to time as Lenders, Bank of America, N.A., as Administrative Agent for the Lenders, and Bank of America, N.A. and Wells Fargo Bank, National Association, as Co-Collateral Agents for the Lenders. The outcome of these discussions has the potential to impact the presentation of certain items in the Company's consolidated financial statements for the three months ended March 31, 2016 and the Company's discussion of its liquidity and capital resources in the Form 10-Q. As a consequence, the Company was unable to file the Form 10-Q in a timely manner without unreasonable effort and expense. The Company is working diligently to reach a favorable resolution in the above-described discussions and anticipates that the Form 10-Q will be filed on or before the fifth calendar day following its prescribed due date, although there can be no assurance in this regard.

A breach by the Company of the covenants in the Term Loan Facility and the ABL Facility would constitute a default under those facilities and would permit the Company's lenders and noteholders to declare all amounts of outstanding indebtedness, together with accrued interest, to be immediately due and payable, although the Company is entitled to prepay amounts outstanding under the Term Loan Facility and/or provide or include additional term loan collateral during a specified cure period in order to regain compliance with the asset coverage ratio as of March 31, 2016 and, if necessary, expects to do so.
