ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On March 31, 2017, Integra LifeSciences Holdings Corporation (the Company) entered into an amendment (the Amendment) to that certain Fourth Amended and Restated Credit Agreement, dated as of December 7, 2016 (as so amended by the Amendment, the Credit Agreement) among the Company, a syndicate of lending banks, and Bank of America, N.A., as Administrative Agent.

The Amendment establishes a \$700 million delayed draw term loan A facility, resulting in credit facilities having an aggregate principal amount of up to \$2.2 billion being available to the Company. Subject to the satisfaction of customary conditions, the delayed draw term loan will be borrowed in connection with, and the proceeds of which will be used (together with borrowings under our existing revolving credit facility) to consummate and finance, the acquisition contemplated by the Asset Purchase Agreement dated February 14, 2017 between the Company and DuPuy Synthes, Inc., a Delaware corporation. In connection with the Amendment, we expect that the financing commitments from Bank of America, N.A. and JPMorgan Chase Bank, N.A. issued to us in February will be terminated.

A copy of the Amendment is attached as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment and of the Credit Agreement.

The press release issued by the Company announcing its entering into the Amendment is attached as Exhibit 99.1 to this Current Report on Form 8-K.
