**Item 1.01. Entry into a Material Definitive Agreement.**

The disclosures contained in Item 2.01 Completion of Acquisition or Disposition of Assets of this Current Report on Form 8-K are incorporated into this Item 1.01 by reference.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On September 29, 2017, affiliates of Medical Properties Trust, Inc. (the Company) and MPT Operating Partnership, L.P. (the Operating Partnership), and together with the Company and its consolidated subsidiaries, we or our) completed the previously announced acquisition of the real estate interests of ten acute care hospitals and one behavioral health facility from IASIS Healthcare LLC (IASIS), along with ancillary land and buildings, for a combined purchase price and investment of approximately \$1.4 billion. The portfolio is now operated by Steward Health Care System LLC (Steward), which separately completed its merger transaction with IASIS on September 29, 2017.

Specifically, pursuant to the terms of an asset purchase agreement with IASIS and its affiliates, dated May 18, 2017, we acquired from IASIS and its affiliates all of their interests in the real estate of eight acute care hospitals and one behavioral health facility, along with ancillary land and buildings, for an aggregate purchase price of approximately \$700 million. At closing, these facilities were leased to Steward pursuant to the existing master lease agreement. In addition, pursuant to the terms of the agreement, we made mortgage loans in an aggregate amount of approximately \$700 million, secured by first mortgages in two acute care hospitals. The real estate master lease and mortgage loans have substantially similar terms, which have an initial fixed term expiration of October 31, 2031 and includes three 5-year extension options, plus annual inflation protected escalators. The initial GAAP yield for the properties under the master lease is approximately 10.2% per annum.

The table below sets forth pertinent details with respect to the hospitals in the acquired portfolio:

Hospital	Property Type	Location	Form of Investment	Licensed Beds
Davis Hospital and Medical Center	Acute care	Layton, UT	Mortgage	220
Jordan Valley Medical Center	Acute care	West Jordan, UT	Mortgage	171
Odessa Regional Medical Center	Acute care	Odessa, TX	Lease	225
Salt Lake Regional Medical Center	Acute care	Salt Lake City, UT	Lease	158

Mountain Point Medical Center	Acute care	Lehi, UT	Lease	40
<b>Total Licensed Beds</b>				<b>2,440</b>

In addition, in conjunction with the real estate and mortgage loans transactions described above, we invested approximately \$100 million in minority preferred interests of Steward. We have no management authority or control of Steward except for certain protective rights consistent with a minority passive ownership interest, such as a limited right to approve certain extraordinary transactions.

We financed the transaction with all-debt financing, which included borrowings under our revolving credit facility and the issuance of unsecured debt securities, and cash on hand.
