PROXY STATEMENT

FOR 2018 ANNUAL MEETING OF STOCKHOLDERS

To Be Held at 1:30 p.m. Pacific Time on Wednesday, June 20, 2018

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our board of directors (the Board of Directors) for use at the 2018 annual meeting of stockholders of Box, Inc., a Delaware corporation, and any postponements, adjournments or continuations thereof (the Annual Meeting). The Annual Meeting will be held virtually on Wednesday, June 20, 2018 at 1:30 p.m. Pacific Time. You can attend the Annual Meeting by visiting www.virtualshareholdermeeting.com/BOX2018, where you will be able to listen to the meeting live, submit questions and vote online. The Notice of Internet Availability of Proxy Materials (the Notice) containing instructions on how to access this proxy statement and our annual report is first being mailed on or about May 8, 2018 to all stockholders entitled to vote at the Annual Meeting.

The information provided in the question and answer format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in this proxy statement are inactive textual references only.

What matters am I voting on?

You will be voting on:

the election of three Class I directors to serve until our 2021 annual meeting of stockholders and until their successors are duly elected and qualified;

a proposal to approve, on an advisory basis, the compensation of our named executive officers;

a proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending January 31, 2019; and

any other business as may properly come before the Annual Meeting.

How does the Board of Directors recommend I vote on these proposals?

Our Board of Directors recommends a vote:

FOR the election of Dana Evan, Steven Krausz, and Aaron Levie as Class I directors;

FOR the approval, on an advisory basis, of the compensation of our named executive officers; and

FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending January 31, 2019.

Who is entitled to vote?

Holders of either class of our common stock as of the close of business on April 27, 2018 (the Record Date) may vote at the Annual Meeting. As of the Record Date, there were 128,807,185 shares of our Class A common stock outstanding and 11,109,518 shares of our Class B common stock outstanding. Our Class A common stock and Class B common stock will vote as a single class on all matters described in this proxy statement for which your vote is being solicited. Stockholders are not permitted to cumulate votes with respect to the election of directors. Each share of Class A common stock is entitled to one vote on each proposal and each share of Class B Common Stock is entitled to 10 votes on each proposal. Our Class A common stock and Class B common stock are collectively referred to in this proxy statement as our common stock.

Table of Contents

Registered Stockholders. If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote live at the Annual Meeting. Throughout this proxy statement, we refer to these registered stockholders as stockholders of record.

Street Name Stockholders. If shares of our common stock are held on your behalf in a brokerage account or by a bank or other nominee, you are considered to be the beneficial owner of shares that are held in street name, and the Notice was forwarded to you by your broker, bank or other nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock live at the Annual Meeting unless you follow your broker, bank or other nominee's procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker, bank or other nominee will provide a voting instruction form for you to use. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as street name stockholders.

How many votes are needed for approval of each proposal?

Proposal No. 1: The election of directors requires a plurality of the voting power of the shares of our common stock present virtually or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Plurality means that the nominees who receive the largest number of votes cast For such nominees are elected as directors. As a result, any shares not voted For a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. You may vote For or Withhold on each of the nominees for election as a director. Broker non-votes will have no effect on the outcome of this proposal.

Proposal No. 2: The approval, on an advisory basis, of the compensation of our named executive officers, requires the affirmative vote of at least a majority of the voting power of our common stock present virtually or by proxy at the Annual Meeting and entitled to vote thereon to be approved. You may vote For, Against, or Abstain with respect to this proposal. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote Against this proposal. Broker non-votes will have no effect on the outcome of this proposal. However, because this proposal is an advisory vote, the result will not be binding on our Board of Directors or our company. Our Board of Directors and our Compensation Committee will consider the outcome of the vote when determining named executive officer compensation in the future.

Proposal No. 3: The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending January 31, 2019, requires the affirmative vote of a majority of the voting power of the shares of our common stock present virtually or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote Against this proposal. Broker non-votes will have no effect on the outcome of this proposal.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting to properly hold an annual meeting of stockholders and conduct business under our amended and restated bylaws and Delaware law. The presence, virtually or by proxy, of a majority of the voting power of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions, withhold votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

Table of Contents

How do I vote?

If you are a stockholder of record, there are four ways to vote:

by Internet at www.proxyvote.com, 24 hours a day, seven days a week, until 11:59 p.m. Eastern Time on June 19, 2018 (have your Notice or proxy card in hand when you visit the website);

by toll-free telephone until 11:59 p.m. Eastern Time on June 19, 2018 at 1-800-690-6903 if you are a registered stockholder or 1-800-454-8683 if you are a beneficial stockholder (be sure to have your Notice or proxy card in hand when you call);

by completing and mailing your proxy card so it is received prior to the Annual Meeting (if you received printed proxy materials); or

by attending the Annual Meeting by visiting www.virtualshareholdermeeting.com/BOX2018, where stockholders may vote and submit questions during the meeting (have your Notice or proxy card in hand when you visit the website).

Even if you plan to attend the Annual Meeting, we recommend that you also vote by proxy so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to direct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning a voting instruction form, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares live at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Can I change my vote?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

entering a new vote by Internet or by telephone;

completing and returning a later-dated proxy card;

notifying the Secretary of Box, Inc., in writing, at Box, Inc., 900 Jefferson Ave., Redwood City, California 94063; or

attending and voting at the Annual Meeting (although attendance at the Annual Meeting will not, by itself, revoke a proxy).

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

What do I need to do to attend the Annual Meeting?

You will be able to attend the Annual Meeting online, submit your questions during the meeting and vote your shares electronically at the meeting by visiting www.virtualshareholdermeeting.com/BOX2018. To participate in the Annual Meeting, you will need the control number included on your Notice or proxy card. The Annual Meeting webcast will begin promptly at 1:30 p.m. Pacific Time on June 20, 2018. We encourage you to access the meeting prior to the start time. Online check-in will begin at 1:15 p.m. Pacific Time, and you should allow ample time for the check-in procedures.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board of Directors. Aaron Levie, Dylan Smith, and Peter McGoff have been designated as proxy holders by our Board of Directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board of Directors as described above. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (SEC), we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about May 8, 2018 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact and cost of our annual meetings of stockholders.

How are proxies solicited for the Annual Meeting?

Our Board of Directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers, banks or other nominees for reasonable expenses that they incur in sending our proxy materials to you if a broker, bank or other nominee holds shares of our common stock on your behalf. In addition, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Our directors and employees will not be paid any additional compensation for soliciting proxies.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for their customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter: the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending January 31, 2019. Your broker will not have discretion to vote on any other proposals, which are non-routine matters, absent direction from you.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the Current Report on Form 8-K as soon as they become available.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure called householding, which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, our proxy materials to multiple stockholders who share

Table of Contents

the same address unless we have received contrary instructions from one or more of such stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the Notice and, if applicable, our proxy materials, such stockholder may contact us at the following address:

Box, Inc.

Attention: Investor Relations

900 Jefferson Ave.

Redwood City, California 94063

Tel: (877) 729-4269

Street name stockholders may contact their broker, bank or other nominee to request information about householding.

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at next year's annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for the 2019 annual meeting of stockholders, our Secretary must receive the written proposal at our principal executive offices not later than January 8, 2019. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act) regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

Box, Inc.

Attention: Secretary

900 Jefferson Ave.

Redwood City, California 94063

Our amended and restated bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our amended and restated bylaws provide that the only business that may be conducted at an annual meeting of stockholders is business that is (i) specified in our proxy materials with respect to such annual meeting, (ii) otherwise properly brought before such annual meeting by or at the direction of our Board of Directors, or (iii) properly brought before such meeting by a stockholder of record entitled to vote at such annual meeting who has delivered timely written notice to our Secretary, which notice must contain the information specified in our amended

and restated bylaws. To be timely for our 2019 annual meeting of stockholders, our Secretary must receive the written notice at our principal executive offices:

not earlier than February 22, 2019; and

not later than the end of the day on March 24, 2019.

In the event that we hold the 2019 annual meeting of stockholders more than 30 days before or more than 60 days after the one-year anniversary of the Annual Meeting, notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before the 2019 annual meeting of stockholders and no later than the close of business on the later of the following two dates:

the 90th day prior to the 2019 annual meeting of stockholders; or

Table of Contents

the 10th day following the day on which public announcement of the date of our 2019 annual meeting of stockholders is first made.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting of stockholders does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

Nomination of Director Candidates

Holders of our common stock may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our Board of Directors and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see the section titled "Board of Directors and Corporate Governance - Stockholder Recommendations for Nominations to the Board of Directors."

In addition, our amended and restated bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our amended and restated bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our amended and restated bylaws, which, in general, require that the notice be received by our Secretary within the time periods described above under the section titled "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

Availability of Bylaws

A copy of our amended and restated bylaws is available on our website at <http://www.box.com/investors>. You may also contact our Secretary at the address set forth above for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Director Independence

Our Class A common stock is listed on the New York Stock Exchange. Under the listing standards of the New York Stock Exchange, independent directors must comprise a majority of a listed company's board of directors. In addition, the listing standards of the New York Stock Exchange require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent. Under the listing standards of the New York Stock Exchange, a director will only qualify as an independent director if, in the opinion of that listed company's board of directors, that director does not have a material relationship with the company (either directly or as a partner, shareholder or officer of an organization that has a relationship within the company).

Audit committee members must also satisfy the additional independence criteria set forth in Rule 10A-3 under the Exchange Act, and the listing standards of the New York Stock Exchange. Compensation committee members must also satisfy the additional independence criteria set forth in Rule 10C-1 under the Exchange Act and the listing standards of the New York Stock Exchange.

Our Board of Directors has undertaken a review of the independence of each of our directors. Based on information provided by each director concerning his or her background, employment and affiliations, our Board of Directors has determined that none of Ms. Evan and Messrs. Krausz, O Driscoll, Reiner, and Stein has a material relationship with the company (either directly or as a partner, shareholder or officer of an organization that has a relationship within the company) and that each of these directors is independent as that term is defined under the applicable rules and regulations of the SEC and the listing standards of the New York Stock Exchange. In making these determinations, our Board of Directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the section titled Related Person Transactions.

Board Leadership Structure

Aaron Levie currently serves as both the Chairman of our Board of Directors and as our Chief Executive Officer. Our independent directors bring experience, oversight and expertise from outside of our company, while Mr. Levie brings company-specific experience and expertise. As one of our founders, Mr. Levie is best positioned to identify strategic priorities, lead critical discussion and execute our business plans. We believe that the structure of our Board of Directors and its committees provides effective independent oversight of management while Mr. Levie's combined role enables strong leadership, creates clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

Lead Independent Director

Our Corporate Governance Guidelines provide that if our Chief Executive Officer serves as Chairman of our Board of Directors or if the Chairman is not otherwise independent, our Board of Directors will appoint a Lead

Independent Director. Because Mr. Levie is our Chairman and Chief Executive Officer, our Board of Directors has appointed Mr. O Driscoll to serve as our Lead Independent Director. As Lead Independent Director, Mr. O Driscoll presides over regularly scheduled executive sessions of our independent directors, serves as a liaison between our Chairman and our independent directors and performs such additional duties as our Board of Directors otherwise determines and delegates.

Board Meetings and Committees

During our fiscal year ended January 31, 2018, our Board of Directors held nine meetings (including regularly scheduled and special meetings), and each incumbent director attended at least 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he or she has been a director and (ii) the total number of meetings held by all committees of our Board of Directors on which he or she served during the periods that he or she served.

Although we do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of stockholders, we encourage, but do not require, our directors to attend. Seven directors attended our 2017 annual meeting of stockholders.

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees of our Board of Directors is described below. Each member of our Compensation Committee is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code. Our Compensation Committee is, among other things, responsible for the following:

reviewing and approving our Chief Executive Officer's and other executive officers' annual base salaries, incentive compensation plans, including the specific goals and amounts, equity compensation, employment agreements, severance arrangements and change in control agreements, and any other benefits, compensation or arrangements;

administering our equity compensation plans;

During our fiscal year ended January 31, 2018, our Compensation Committee held five meetings.

Nominating and Corporate Governance Committee

During our fiscal year ended January 31, 2018, our Nominating and Corporate Governance Committee consisted of Ms. Evan and Messrs. Reiner and Stein, with Mr. Reiner serving as the chair. On April 10, 2018, Ms. Evan was appointed chair of the committee. Each member of our Nominating and Corporate Governance Committee meets the requirements for independence under the listing standards of the New York Stock Exchange and SEC rules and regulations. Our Nominating and Corporate Governance Committee is, among other things, responsible for the following:

evaluating and making recommendations regarding the composition, organization and governance of our Board of Directors and its committees;

overseeing annual performance evaluations of the Board of Directors and its committees;

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee is or has been an officer or employee of our company. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee (or other board committee performing equivalent functions) of any entity that has one or more of its executive officers serving on our Board of Directors or Compensation Committee.

Considerations in Evaluating Director Nominees

Our Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our Nominating and Corporate Governance Committee will consider the current size and composition of our Board of Directors and the needs of our Board of Directors and the respective committees of our Board of Directors. Some of the qualifications that our Nominating and Corporate Governance Committee considers include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest and other commitments. Nominees must also have the ability to offer advice and guidance to our Chief Executive Officer based on past experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are affiliated. Director candidates must have sufficient time available in the judgment of our Nominating and Corporate Governance Committee to perform all Board of Directors and committee responsibilities. Members of our Board of Directors are expected to prepare for, attend, and participate in all Board of Directors and applicable committee meetings. Other than the foregoing, there are no stated minimum criteria for director nominees, although our Nominating and Corporate Governance Committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders' best interests.

Although our Board of Directors does not maintain a specific policy with respect to board diversity, our Board of Directors believes that our Board of Directors should be a diverse body, and our Nominating and Corporate Governance Committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, our Nominating and Corporate Governance Committee may take into account the benefits of diverse viewpoints. Our Nominating and Corporate Governance Committee also considers these and other factors as it oversees the annual Board of Directors and committee evaluations. After completing its review and evaluation of director candidates, our Nominating and Corporate Governance Committee recommends to our full Board of Directors the director nominees for selection.

Stockholder Recommendations for Nominations to the Board of Directors

Our Nominating and Corporate Governance Committee will consider candidates for director recommended by stockholders holding at least one percent (1%) of the fully diluted capitalization of our company continuously for at least twelve (12) months prior to the date of the submission of the recommendation, so long as such recommendations comply with our amended and restated certificate of incorporation and amended and restated bylaws and applicable laws, rules and regulations, including those promulgated by the SEC. Our Nominating and Corporate Governance Committee will evaluate such recommendations in accordance with its charter, our amended and restated bylaws, our policies and procedures for director candidates, as well as the regular director nominee criteria described above. This process is designed to ensure that our Board of Directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. Eligible stockholders wishing to recommend a candidate for nomination should contact our General Counsel or our Legal Department in writing. Such recommendations must include information about the candidate, a statement of support by the recommending stockholder, evidence of the recommending stockholder's ownership of our common stock and a signed letter from the candidate confirming willingness to serve on our Board of Directors. Our Nominating and Corporate Governance

Committee has discretion to decide which individuals to recommend for nomination as directors.

Table of Contents

Under our amended and restated bylaws, stockholders may also nominate persons for our Board of Directors. Any nomination must comply with the requirements set forth in our amended and restated bylaws and should be sent in writing to our General Counsel or our Legal Department at Box, Inc., 900 Jefferson Ave., Redwood City, California 94063. To be timely for our 2018 annual meeting of stockholders, our General Counsel or Legal Department must receive the nomination no earlier than February 22, 2019 and no later than March 24, 2019.

Communications with the Board of Directors

Interested parties wishing to communicate with our Board of Directors or with an individual member or members of our Board of Directors may do so by writing to our Board of Directors or to the particular member or members of our Board of Directors, and mailing the correspondence to our General Counsel at Box, Inc., 900 Jefferson Ave., Redwood City, California 94063. Our General Counsel, in consultation with appropriate members of our Board of Directors as necessary, will review all incoming communications and, if appropriate, all such communications will be forwarded to the appropriate member or members of our Board of Directors, or if none is specified, to the Chairman of our Board of Directors.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

Our Board of Directors has adopted Corporate Governance Guidelines that address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. In addition, our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer, and other executive and senior financial officers. The full text of our Corporate Governance Guidelines and our Code of Business Conduct and Ethics is posted on the Corporate Governance portion of our website at <http://www.box.com/investors>. We will post amendments to our Code of Business Conduct and Ethics or waivers of our Code of Business Conduct and Ethics for directors and executive officers on the same website.

Risk Management

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, cyber security, legal and compliance, and reputational. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of risks the company faces, while our Board of Directors, as a whole and assisted by its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are appropriate and functioning as designed.

Our Board of Directors believes that open communication between management and our Board of Directors is essential for effective risk management and oversight. Our Board of Directors meets with our Chief Executive Officer and other members of our senior management team at quarterly meetings of our Board of Directors, where, among other topics, they discuss strategy and risks facing the company, as well at such other times as they deem appropriate.

While our Board of Directors is ultimately responsible for risk oversight, our board committees assist our Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. Our Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures, legal and regulatory compliance, and discusses with management and the independent auditor guidelines and policies with respect to risk assessment and risk

management. Our Audit Committee also reviews our major financial risk exposures and the

Table of Contents

steps management has taken to monitor and control these exposures. Our Audit Committee also monitors certain key risks on a regular basis throughout the fiscal year, such as risk associated with internal control over financial reporting and liquidity risk. Our Nominating and Corporate Governance Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the management of risk associated with board organization, membership and structure, and corporate governance. Our Compensation Committee assesses risks created by the incentives inherent in our compensation policies. Finally, our full Board of Directors reviews strategic and operational risk in the context of reports from the management team, receives reports on all significant committee activities at each regular meeting, and evaluates the risks inherent in significant transactions.

Director Compensation

Under our Outside Director Compensation Policy, members of our Board of Directors who are not employees of Box (outside directors) receive compensation in the form of equity and cash, as described below:

Cash Compensation

Each year, each outside director will be eligible to receive a cash retainer of \$30,000 for serving on our Board of Directors. In addition, each year, outside directors will also be eligible to receive the following cash fees for service on the committees of our Board of Directors:

Committee	Committee Member Annual Retainer	Committee Chair Annual Retainer
Audit Committee	\$ 8,000	\$ 20,000
Compensation Committee	\$ 8,000	\$ 12,000
Nominating and Corporate Governance Committee	\$ 4,000	\$ 8,000

In addition, each year our Lead Independent Director will be eligible to receive a cash retainer of \$12,000 for service as our Lead Independent Director.

Equity Compensation

Upon joining our Board of Directors, each newly-elected outside director will receive an equity award with a value of \$450,000 (Initial Award). The Initial Award will be comprised of stock options and restricted stock units, each having a value of 50% of the aggregate Initial Award. The Initial Award will vest generally over a three-year period, subject to continued service through each vesting date.

On the date of each annual meeting of our stockholders, each outside director will receive an equity award with a value of \$200,000 (Annual Award). The Annual Award will be comprised of stock options and restricted stock units, each having a value of 50% of the aggregate Annual Award. The Annual Award will fully vest upon the earlier of the 12-month anniversary of the grant date or the next annual meeting, in each case, subject to continued service through the vesting date. An outside director will not be eligible for an Annual Award unless the outside director has been a director for at least one full calendar year or since the previous year's annual meeting.

Notwithstanding the vesting schedules described above, the vesting of each equity award will accelerate in full upon a change in control.

The number of restricted stock units subject to an Initial Award or Annual Award will be determined by dividing the specified value of the restricted stock units by the average closing price of a share of our Class A common stock for the 30-trading day period ending the trading day before the grant date. The number of stock options subject to an Initial Award or Annual Award will be determined by multiplying the number of shares of our Class A common stock determined in the preceding sentence by two.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of eight members. In accordance with our amended and restated certificate of incorporation, our Board of Directors is divided into three staggered classes of directors. At the Annual Meeting, three Class I directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of his or her successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our Board of Directors may have the effect of delaying or preventing changes in control of our company.

Nominees

Our Nominating and Corporate Governance Committee has recommended, and our Board of Directors has approved, Dana Evan, Steven Krausz, and Aaron Levie, as nominees for election as Class I directors at the Annual Meeting. If elected, Ms. Evan and each of Messrs. Levie and Krausz, and Ms. Evans will serve as Class I directors until our 2021 annual meeting of stockholders and until their successors are duly elected and qualified. Each of the nominees is currently a director of our company. For information concerning the nominees, please see the section titled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote by telephone or over the Internet but do not give instructions with respect to the voting of directors, your shares will be voted "For" the election of Messrs. Levie and Krausz and Ms. Evan. We expect that each of Messrs. Levie and Krausz and Ms. Evan will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee designated by our Board of Directors to fill such vacancy. If you are a street name stockholder and you do not give voting instructions to your broker, bank or other nominee, your broker, bank or other nominee will leave your shares unvoted on this matter.

Vote Required

The election of directors requires a plurality of the voting power of the shares of our common stock present virtually or by proxy and entitled to vote at the Annual Meeting to be approved. Broker non-votes will have no effect on this proposal.

EACH OF THE NOMINEES NAMED ABOVE.**

PROPOSAL NO. 2

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act), enables stockholders to approve, on an advisory or non-binding basis, the compensation of our named executive officers as disclosed pursuant to Section 14A of the Exchange Act. This proposal, commonly known as a Say-on-Pay proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation as a whole. This vote is not intended to address any specific item of compensation or any specific named executive officer, but rather the overall compensation of all of our named executive officers and the philosophy, policies and practices described in this proxy statement.

The Say-on-Pay vote is advisory, and therefore is not binding on us, our Compensation Committee or our Board of Directors. The Say-on-Pay vote will, however, provide information to us regarding investor sentiment about our executive compensation philosophy, policies and practices, which our compensation committee will be able to consider when determining executive compensation for the remainder of the current fiscal year and beyond. Our Board of Directors and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the compensation of our named executive officers as disclosed in this proxy statement, we will endeavor to communicate with stockholders to better understand the concerns that influenced the vote and consider our stockholders' concerns, and our compensation committee will evaluate whether any actions are necessary to address those concerns.

At our 2016 annual meeting of stockholders, our stockholders recommended that we hold a Say-on-Pay vote each year. Accordingly, we expect that the next Say-on-Pay vote after this year's vote will take place at our 2019 annual meeting of stockholders.

We believe that the information provided in the section titled Executive Compensation, and in particular the information discussed in the section titled Executive Compensation Compensation Discussion and Analysis Compensation Philosophy, demonstrates that our executive compensation program was designed appropriately and is working to ensure management's interests are aligned with our stockholders' interests to support long-term value creation. Accordingly, we ask our stockholders to vote For the following resolution at the Annual Meeting:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation paid to the named executive officers, as disclosed in the proxy statement for the Annual Meeting pursuant to the compensation disclosure rules of the SEC, including the compensation discussion and analysis, compensation tables and narrative discussion, and other related disclosure.

Vote Required

Approval of the advisory vote on the compensation of our named executive officers requires the approval of a majority of the voting power of the shares of our common stock present virtually or by proxy and entitled to vote at the Annual Meeting. Abstentions are treated as shares present virtually or by proxy and entitled to vote at the Annual Meeting and, therefore, will have the same effect as a vote Against this proposal. Broker non-votes will have no effect on the outcome of the vote.

As an advisory vote, this proposal is non-binding. Although the vote is non-binding, our Board of Directors and our Compensation Committee value the opinions of our stockholders, and will consider the outcome of the vote when

making future compensation decisions for our named executive officers.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL, ON AN
ADVISORY BASIS, ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

At the Annual Meeting, our stockholders are being asked to ratify the appointment of E&Y as our independent registered public accounting firm for our fiscal year ending January 31, 2019. REPORT OF THE AUDIT COMMITTEE

The Audit Committee is a committee of the Board of Directors comprised solely of independent directors as required by the listing standards of the New York Stock Exchange and rules and regulations of the Securities and Exchange Commission (SEC). The Audit Committee operates under a written charter approved by the Board of Directors, which is available on the company s website at <http://www.box.com/investors>. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter and the Audit Committee s performance on an annual basis.

With respect to the company s financial reporting process, the management of the company is responsible for (1) establishing and maintaining internal controls and (2) preparing the company s consolidated financial statements. The company s independent registered public accounting firm, Ernst & Young LLP (E&Y), is responsible for performing an independent audit of the company s consolidated financial statements and of the company s internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. It is the responsibility of the Audit Committee to oversee these activities. It is not the responsibility of the Audit Committee to prepare the company s financial statements. These are the fundamental responsibilities of management. In the performance of its oversight function, the Audit Committee has:

reviewed and discussed the audited financial statements with management and E&Y;

discussed with E&Y the matters required to be discussed by the statement on Auditing Standards No. 1301, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board; and

received the written disclosures and the letter from E&Y required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant s communications with the Audit Committee concerning independence, and has discussed with E&Y its independence.

Based on the Audit Committee s review and discussions with management and E&Y, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended January 31, 2018 for filing with the Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

Fiscal 2018 Executive Compensation Highlights

For our fiscal year ended January 31, 2018, the key highlights of our executive compensation program included:

Below Market CEO Compensation. Throughout his tenure as our Chief Executive Officer, Mr. Levie has expressed a preference to our Compensation Committee that his cash compensation be modest so we could invest in other areas of the business. Mr. Levie maintained this preference in fiscal year 2018 during which he declined any new equity grants and cash compensation increases. As such, his target cash and total cash compensation is well below the 25th percentile in our compensation peer group.

Pay for Performance Annual Incentive Compensation Payouts. A significant portion of our executives compensation was in cash incentive compensation to promote our pay for performance philosophy. We exceeded each of the corporate goals linked to our cash incentive compensation plan for fiscal year 2018, which resulted in the payouts described below to our named executive officers based on this strong performance.

Peer Group. We modified our compensation peer group to add seven new companies and remove two former members of the compensation peer group that had been acquired and were no longer relevant. Consistent with the other companies in our compensation peer group, the seven new companies were selected to reflect our revenue, market capitalization and growth trajectory when the compensation peer group was determined.

Increases to Target Cash Compensation. With respect to our named executive officers employed with us in fiscal year 2017, we maintained the target bonus percentages of these named executive officers (other than Mr. McGoff) for fiscal year 2018. However, we increased their base salaries, which raised the overall target cash compensation of each of these named executive officers, to make their cash compensation more competitive with similarly situated executives of our compensation peer group. Although Mr. Levie's cash compensation was well below comparable compensation for the CEOs of our peer group in fiscal year 2018, Mr. Levie continued to prefer to receive modest cash compensation and declined our Compensation Committee's recommendation to increase his target bonus percentage and base salary.

Equity Award Grants. Mr. Levie requested that any equity awards he would have otherwise been granted in fiscal 2018 be re-allocated to the overall equity budget used for issuance to our employees. In fiscal 2018, we granted the following types of equity awards to our named executive officers: (a) time-based and performance-based stock options to Messrs. Levin and Smith as part of our annual focal review, (b) stock options and restricted stock units to Ms. Carullo in connection with her joining Box, and (c) restricted stock units to Mr. McGoff as part of our annual focal review and in connection with his promotion to Chief Legal Officer. The awards granted Messrs. Levin, McGoff and Smith were granted to increase their total unvested equity awards to a level competitive with that provided by companies in our compensation peer group.

Performance-based Stock Options. To further align our stockholders' interests with Messrs. Levin's and Smith's interests, as noted above, certain of the stock options were granted in the form of performance-based stock options to Messrs. Levin and Smith. These performance-based stock options are subject to time-based vesting and further require that the closing price of our Class A common stock be maintained before the four-year anniversary of the grants at a level 25% higher than the options' exercise price (rounded down to the nearest whole penny) for a period of 30 consecutive trading days.

Table of Contents***Compensation Philosophy***

Our executive compensation program is structured to provide compensation plans, policies, and programs that attract and retain the best talent for positions of substantial responsibility, provide incentives for such persons to perform to the best of their abilities, and to promote the success of our business. The following table identifies the main elements of our executive compensation program and the reasons for each:

Element	Reasons for Providing Element
Base Salary	Provide our named executive officers compensation for their services based on their knowledge, skills, past performance, and experience
Cash Incentive Compensation	Encourage our named executive officers to achieve short-term individual and company goals that drive our growth
Equity	Provide long-term retention and incentives to our named executive officers that align their interests with our stockholders' interests
Welfare and Other Employee Benefits	Provide for our named executive officers' health and well-being
Change in Control and Severance Benefits	Provide our named executive officers with a measure of security in order to minimize any distractions related to termination of employment and/or change in control and allow our named executive officers to focus on their duties and responsibilities to maximize stockholder value

Impact of 2017 Stockholder Advisory Vote on Compensation of Named Executive Officers

We conducted a Say-on-Pay vote at our 2017 annual meeting of stockholders. 99.6% of the votes cast by stockholders were in favor of approving the compensation of our named executive officers. While evaluating our executive compensation program in 2017, our Compensation Committee considered the results and maintained the compensation philosophy and objectives and general approach to executive compensation from the prior year.

Processes and Procedures for Compensation Decisions

Our Compensation Committee is responsible for the compensation program for our executive officers and reports to our Board of Directors on its discussions, decisions and other actions.

Involvement of Management

In fiscal year 2018, typically, our former President and former Chief Operating Officer (while he held the role), along with our Chief Financial Officer, Chief Legal Officer, and certain of our other management team members, attended Compensation Committee meetings and were involved in the determination of compensation for our other executive officers. In addition, if he or the Compensation Committee determined that it was appropriate, our Chief Executive Officer would attend Compensation Committee meetings. These senior executive officers made recommendations to

our Compensation Committee regarding short-term and long-term compensation for all executive officers (other than with respect to their own compensation) based on our results, an individual executive officer's contribution toward these results and their individual performance against their individual goals. Our Compensation Committee then reviewed the recommendations and other data provided by outside compensation advisors and management, and made decisions as to compensation for each executive officer.

Table of Contents***Use of Outside Advisors***

Our Compensation Committee is authorized to retain the services of executive compensation advisors, as it sees fit, for the establishment of our compensation programs and related policies. For our fiscal year ended January 31, 2018, our Compensation Committee retained Compensia, a national compensation consulting firm, to provide it with information, recommendations, and other advice relating to executive compensation on an ongoing basis. Compensia now serves at the discretion of our Compensation Committee. Among other things, our Compensation Committee engaged Compensia to assist in developing and updating an appropriate group of peer companies to help us determine the level of overall compensation for our executive officers and assess each separate element of compensation, with a goal of ensuring that the compensation we offer to our executive officers is competitive, fair, motivating and retentive.

Peer Group Compensation Data

With Compensia's assistance, our Compensation Committee approved a group of public companies to be included when conducting a competitive market analysis of executive officer compensation. For our compensation decisions made prior to September 2017, which included the target total cash compensation increases and equity awards approved in April 2017, our compensation peer group was made up of publicly-traded companies in the software & services or technology hardware & equipment industries that generally had revenues between \$100 million and \$800 million, experienced strong year-over-year growth in revenue, and had a market capitalization between \$500 million and \$7 billion.

In September 2017, our Compensation Committee re-analyzed our compensation peer group to inform its executive compensation review and, in light of our growth in market capitalization, the acquisition of two companies in our peer group, and its desire to have a larger peer group, added seven new companies to our compensation peer group. This modified compensation peer group is made up of publicly-traded companies in the software & services industry that generally had revenues between \$100 million and \$1.1 billion, experienced strong year-over-year growth in revenue, and had a market capitalization between \$1 billion and \$9 billion. The two compensation peer groups used in fiscal year 2018 were:

Table of Contents

Our Compensation Committee believed these companies were appropriate for our compensation peer group because they were similarly sized, operated in the same or similar industries as us, had similar growth trajectories, and reflected our competitive market for senior executives.

In setting the elements of compensation for our named executive officers, our Compensation Committee reviewed base salary, target annual incentive compensation opportunity, target total cash compensation (*i.e.*, base salary plus target incentive opportunity), annual long-term incentive, and total direct compensation values for our named executive officers and those of similarly situated executives of our compensation peer group. Compensia provided data at the 25th, 50th, 60th, and 75th percentiles for such compensation, and our Compensation Committee used this data as a reference. Our Compensation Committee did not benchmark any compensation element to a specific percentile, and our Compensation Committee instead set our named executive officers' compensation at levels it deemed appropriate after considering such other factors as each of our named executive officers' contributions, our short-term and long-term objectives, and prevailing market conditions.

Executive Compensation Program Elements

The following sections describe each element of our executive compensation program, provide the rationale for each such element, and explain how our Compensation Committee determined compensation amounts and awards for our fiscal year ended January 31, 2018.

Base Salary

Base salary is the main fixed element of our named executive officers' cash compensation. Base salary compensates our named executive officers for services they provide to us during the fiscal year. Our Compensation Committee typically performs an annual review during which it considers adjustments to our named executive officers' base salaries after considering such factors as the prevailing market conditions and the named executive officer's responsibilities, knowledge, skills, experience, and performance. These adjustments allow us to remain competitive in attracting and retaining executive talent.

In April 2017, we increased base salaries for Messrs. Smith and McGoff to make their base salaries more competitive with similarly situated executives of our compensation peer group. In October 2017, we increased Mr. McGoff's base salary in connection with his promotion to Chief Legal Officer. Ms. Carullo's base salary at the start of her employment with us in August 2017 was set through arm's-length negotiation, considering such factors as the prevailing market conditions, market data for new-hire base salaries, and her prospective role and responsibilities.

The base salaries of our named executive officers who remain with us as executive officers are listed in the table below.

Named Executive Officer	Base Salary			
	Entering Fiscal 2018	Base Salary Effective April 1, 2017	Base Salary Effective August 1, 2017	Base Salary Effective October 1, 2017
Mr. Levie	\$ 180,000	\$ 180,000	\$ 180,000	\$ 180,000
Ms. Carullo			\$ 370,000	\$ 370,000
Mr. Smith	\$ 300,000	\$ 340,000	\$ 340,000	\$ 340,000
Mr. McGoff	\$ 320,000	\$ 325,000	\$ 325,000	\$ 350,000

In April 2017, Mr. Levin received an increase in base salary from \$300,000 to \$340,000 to be more competitive with similarly situated executives at the companies in our compensation peer group.

The total base salaries paid to our named executive officers during our fiscal year ended January 31, 2018 are listed in the *Summary Compensation Table* below.

Table of Contents***Non-Equity Incentive Plan Compensation***

We use performance-based cash incentives to motivate our named executive officers to achieve our annual financial and operational objectives, while making progress towards our longer-term strategic and growth goals. Typically, near the beginning of each fiscal year, our Compensation Committee adopts the performance criteria and targets for the incentive compensation plan for that fiscal year, which identifies the plan participants and establishes the target cash incentive opportunity for each participant, the performance measures and the associated target levels for each measure, and the potential payouts based on actual performance for the fiscal year.

Fiscal Year 2018 Bonus Plan.

Overview & Structure. In March 2017, our Compensation Committee adopted and approved the performance criteria and targets for fiscal year 2018 under our omnibus Executive Incentive Plan (the Fiscal 2018 Executive Bonus Plan). The Fiscal 2018 Executive Bonus Plan provided for potential performance-based incentive payouts to all non-sales employees at the grade of senior director or higher, including our named executive officers.

The Fiscal 2018 Executive Bonus Plan provided opportunities for cash incentive compensation payouts based on our actual achievement of pre-established corporate financial objectives. The target levels for the financial objectives were set at levels determined to be challenging and requiring substantial skill and effort by senior management. The Fiscal 2018 Executive Bonus Plan provided for an annual performance period with annual payouts and was designed this way because it gave our Compensation Committee a full year to assess performance against our annual operating plan.

Target Annual Incentive Compensation Opportunities. In April 2017, in connection with its review of our executive compensation program, our Compensation Committee approved the target annual incentive compensation opportunities of our named executive officers, as set forth in the table below. In setting the target annual incentive compensation opportunities, our Compensation Committee considered each named executive officer's performance, individual contributions, responsibilities, experience, prior annual incentive compensation amount, and peer group market data. Our Compensation Committee has set the target annual incentive compensation opportunities for our named executive officers as percentages of their base salaries paid throughout the year.

For fiscal year 2018, our Compensation Committee increased the percentage for Mr. McGoff by 5 percentage points from the percentage determined for fiscal year 2017 to make his target annual incentive compensation opportunity (as a percentage of base salary) more competitive with the target annual incentive compensation opportunities (as percentages of base salaries) provided by peer companies to similarly situated executives. This increased percentage applied retroactively to the base salary paid to Mr. McGoff in fiscal year 2018. Ms. Carullo's target annual incentive compensation opportunity was set at the same level as Messrs. Levie and Smith and was pro-rated based on the number of days she was employed with us in fiscal year 2018. Our Compensation Committee maintained the percentages for our other named executive officers from those determined for fiscal year 2017.

The target annual cash incentive compensation opportunities established for fiscal year 2018 for our named executive officers who remain with us (Mr. Levin was not paid an annual incentive for fiscal year 2018) were:

Named Executive Officer	Fiscal 2018 Target Annual Incentive Compensation Opportunity (as a % of base salary for Fiscal 2018)	Fiscal 2018 Target Annual Incentive Compensation Opportunity
Mr. Levie	55%	\$ 99,000
Ms. Carullo	55%	\$ 102,586
Mr. Smith	55%	\$ 183,444
Mr. McGoff	50%	\$ 165,829

Corporate Performance Measures. To measure performance for the Fiscal 2018 Executive Bonus Plan, our Compensation Committee selected revenue and non-GAAP operating loss as the corporate performance measures that best supported our annual operating plan and enhanced long-term value creation. We define (i) revenue as GAAP revenue as reflected in our quarterly and annual financial statements; and (ii) non-GAAP operating loss as GAAP operating loss as reflected in our quarterly and annual financial statements adjusted to exclude expenses related to stock-based compensation, intangible assets amortization, and other special items. Each element was weighted equally under the Fiscal 2018 Executive Bonus Plan.

The targets required for 100% achievement under our Fiscal 2018 Executive Bonus Plan and our results were:

Performance Measure	Target (in millions)	Result (in millions)	Achievement of Target
Revenue	\$ 502.0	\$ 506.1	100.8%
Non-GAAP Operating Loss	\$ 61.2	\$ 56.0	108.5%

Methodology. Our Compensation Committee assesses performance and determines payouts under either of our bonus plans in a two-part process: (1) first, our Compensation Committee measures actual performance against the pre-established goals for the performance period; and (2) second, after the end of the performance period, our Compensation Committee exercises discretion to determine the actual payout. As a threshold matter, our named executive officers were eligible for annual incentive compensation payouts with respect to a particular performance measure only if we met or exceeded 95% of the applicable performance target for our fiscal year ended January 31, 2018. A high threshold is required to ensure that significant achievement is prerequisite to receive any incentive payment. With respect to the revenue component, achievement percentage equals payment percentage until 103% achievement, and achievement over 103% may be rewarded using an accelerator where each point of performance above 103% achievement increases payout percentage by two percentage points. With respect to the non-GAAP operating income component, achievement percentage equals payment percentage until 100% achievement, and achievement over 100% is increased by 0.5 percentage points for each point of performance above 100%, up to a maximum payout percentage of 110%.

Caps on Payment. The cap on total payouts of the non-GAAP operating loss component was set to manage potential incentive compensation costs and maintain appropriate incentives for our named executive officers.

Successful Performance in Fiscal Year 2018 and Payout. For fiscal year 2018, we exceeded the Fiscal 2018 Executive Bonus Plan as follows: (1) approximately 100.8% achievement in revenue and (2) approximately 108.5% achievement in non-GAAP operating income. The revenue measure achievement resulted in a payout percentage of 100.8% of target and the non-GAAP operating income measure achievement resulted in a payout percentage of 104.2% of target. As each metric was weighted 50%, this resulted in a calculated payout percentage of approximately 102.5%. Mr. Levin did not receive a payout under the Fiscal 2018 Executive Bonus Plan because he resigned from his employment with us before the payouts under the Fiscal 2018 Executive Bonus Plan were made. The total payouts to our named executive officers under the Fiscal 2018 Executive Bonus Plan were:

Named Executive Officer	Target Annual Incentive Compensation Opportunity	Actual Incentive Compensation
Mr. Levie	\$ 99,000	\$ 95,000
Ms. Carullo	\$ 102,586	\$ 108,000
Mr. Smith	\$ 183,444	\$ 175,000
Mr. McGoff	\$ 165,829	\$ 170,000

Table of Contents

The cash incentive awards earned by our named executive officers during our fiscal year ended January 31, 2018, are listed in the *Summary Compensation Table* below.

Equity Awards

The Compensation Committee grants equity awards to all of our employees, including our named executive officers, so their long-term interests are aligned with our stockholders' interests.

The Compensation Committee determines the size of the equity awards we grant to our named executive officers in connection with their hire through arm's-length negotiation, considering such factors as the prevailing market conditions, market data for new-hire awards, the named executive officer's expected cash compensation, the equity award's potential incentive and retention value, and the named executive officer's prospective role and responsibilities.

The Compensation Committee also periodically grants equity awards to our named executive officers for promotions, as additional incentive to continue service with us, or to recognize exceptional corporate and individual performance. The Compensation Committee rarely applies a fixed formula when determining the size of these equity awards because we grant an amount of equity that properly rewards the named executive officer for his or her contribution to the growth in our long-term stockholder value. In doing so, the Compensation Committee considers factors such as the economic value of the named executive officer's unvested equity awards and the ability of this equity to satisfy our retention objectives; the named executive officer's performance, contributions, responsibilities, and experience; the equity awards granted by our compensation peer group to similarly situated executives; a compensation analysis performed by Compensia; prior to the resignation of our former President and former Chief Operating Officer, his equity award recommendations; and internal equity considerations.

For fiscal year 2018, Mr. Levie requested that any equity awards he would have otherwise been granted be re-allocated to the overall equity budget for issuance to our employees. Our Compensation Committee honored his request and, as such, he received no equity awards in fiscal year 2018.

In April 2017, after considering the peer group data provided by Compensia, the unvested equity award holding value and the anticipated future contributions of our named executive officers, our Compensation Committee granted annual equity awards to Messrs. Smith, McGoff and Levin at a level competitive with the annual long-term incentives provided by the companies in our compensation peer group to similarly situated executives, as follows: (i) a time-based stock option covering 225,000 shares and a separate performance-based stock option covering 225,000 shares to Mr. Smith, (ii) an award of 70,000 restricted stock units to Mr. McGoff and (iii) a time-based stock option covering 250,000 shares and a separate performance-based stock option covering 250,000 shares to Mr. Levin. Messrs. Smith and Levin received stock options (instead of solely receiving awards of restricted stock units) because the Committee believed it appropriate to more directly tie their incentive opportunity to increases in stockholder value. Each of these stock options has an exercise price per share of \$16.68 and vested as to 1/4th of the option on March 20, 2018, and 1/48th of the option is scheduled to vest each full month thereafter, subject to (i) the applicable named executive officer's continued service with us through the applicable vesting date and (ii) in the case of the performance-based stock options only, the closing stock price of our Class A common stock having maintained before the four-year anniversary of grant, a level 25% higher than the option's exercise price (rounded down to the nearest whole penny) for a period of 30 consecutive trading days. Mr. Levin's performance-based stock options were canceled in connection with his resignation as an employee in September 2017. Mr. McGoff's award of restricted stock units vested as to 1/4th of the award on March 20, 2018, and 1/16th of the award is scheduled to vest each quarter thereafter, subject to his continued service with us through the applicable vesting date.

In connection with Ms. Carullo's hire, in July 2017, our Compensation Committee granted Ms. Carullo the following equity awards, which became effective upon the commencement of her employment with us in August

Table of Contents

2017: (i) a time-based stock option covering 400,000 shares and (ii) an award of 200,000 restricted stock units. The stock option has an exercise price per share of \$19.01 and will vest as to 1/4th of the option on August 1, 2018, and 1/48th of the option is scheduled to vest each full month thereafter, subject to her continued service with us through the applicable vesting date. The award of restricted stock units will vest as to 1/4th of the award on September 20, 2018, and 1/16th of the award is scheduled to vest each quarter thereafter, subject to her continued service with us through the applicable vesting date.

In addition, in connection with Mr. McGoff's promotion to Chief Legal Officer, in October 2017, our Compensation Committee granted him an award of 85,000 restricted stock units. This award of restricted stock units will vest as to 1/4th of the award on September 20, 2018, and 1/16th of the award is scheduled to vest each quarter thereafter, subject to his continued service with us through the applicable vesting date.

Employee Benefit Plans

Our named executive officers participate in our employee benefits programs on the same terms as our other U.S.-based, full-time employees with no special executive programs.

We have a 401(k) Savings Plan (the "401(k) Plan") which qualifies as a tax-qualified retirement plan under Section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, participating employees may elect to contribute up to 100% of their eligible compensation, subject to certain limitations. We have not made any matching contributions to date. As a tax-qualified retirement plan, contributions to the 401(k) Plan and earnings on those contributions are not taxable to our employees until they are distributed from the 401(k) Plan, and any contributions we make are deductible by us when made.

We maintain other welfare benefit plans, including health, dental and vision insurance; medical and dependent care flexible spending accounts; short- and long-term disability insurance; life insurance; and accidental death and dismemberment insurance, which are generally consistent with those offered by companies we compete with for employees. For our fiscal year ended January 31, 2018, we also paid certain amounts on behalf of our named executive officers for basic life insurance, as indicated in the *Summary Compensation Table* below.

Perquisites and Other Personal Benefits

We generally do not provide perquisites or other personal benefits to our named executive officers, but we may provide perquisites or other personal benefits in the future for purposes of recruitment, motivation, or retention; to assist an individual named executive officer in the performance of his or her duties; and in other limited circumstances. In fiscal year 2018, certain of our named executive officers received minimal perquisites, and reimbursement for taxes on these perquisites, under programs available to all employees and on the same terms as those provided to other employees. Our Compensation Committee will periodically review and approve all future practices concerning perquisites and other personal benefits.

Change in Control and Severance Arrangements

We have entered into change in control and severance agreements, or change in control agreements, with our named executive officers, which require us to make specific payments and benefits in connection with the termination of such named executive officers' employment under certain circumstances. We believe that these change in control agreements provide retention value by encouraging our named executive officers to continue service with us and increase stockholder value by reducing any potential distractions caused by the possibility of an involuntary termination of employment or a potential change in control, allowing our named executive officers to focus on their

duties and responsibilities. In October 2017, in connection with his promotion, Mr. McGoff's change in control agreement was amended to provide the same vesting acceleration benefit that

Table of Contents

Messrs. Levie and Smith would receive under their change in control agreements upon a qualifying termination in connection with a change in control. For a summary of the material terms and conditions of these severance and change in control arrangements, see the section titled Potential Payments upon Termination or Change in Control contained in this proxy statement.

Other Compensation Policies

Our insider trading policy prohibits all employees including our named executive officers from engaging in the following activities with respect to our common stock: trading in derivative securities, hedging transactions, short sales, pledging stock as collateral, or holding stock in a margin account. From time to time, our officers and directors may elect to enter into 10b5-1 trading plans. As of May 1, 2018, Messrs. Levin and Smith had active 10b5-1 trading plans. We have not adopted policies with respect to minimum stock ownership requirements for our named executive officers or policies that allow us to recover any cash or equity-based incentive compensation from our named executive officers when the payment of such compensation was based upon financial results that were subsequently the subject of a financial restatement.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code (Section 162(m)) generally limits the amount we may deduct from our federal income taxes for compensation paid to our CEO and certain other executive officers to \$1 million per executive officer per year, subject to certain exceptions. The regulations under Section 162(m) have a transition rule that applies to companies, such as ours, that become subject to Code Section 162(m) by reason of becoming publicly held through an initial public offering. Under to this rule, certain compensation granted during a transition period (and, with respect to RSUs, that are paid out before the end of the transition period) currently is not counted toward the deduction limitations of Section 162(m) if the compensation is paid under a compensation arrangement that was in existence before the effective date of the initial public offering and certain other requirements are met. While certain of our equity awards may be eligible to be excluded from our deductibility limitation of Code Section 162(m) pursuant to this transition rule, our Compensation Committee has not adopted a policy that all equity or other compensation must be deductible.

We currently expect our transition period to expire at our annual meeting of stockholders to be held in 2019, although it could expire earlier in certain circumstances. In approving the amount and form of compensation for our executive officers in the future, we generally will consider all elements of the cost to us of providing such compensation, including the potential impact of Section 162(m), as well as our need to maintain flexibility in compensating executive officers in a manner designed to promote our goals. Our Compensation Committee, may, in its judgment, authorize compensation payments that will or may not be deductible when it believes that such payments are necessary to compensate our named executive officers in a manner that best promotes our business objectives.

Parachute Payments and Deferred Compensation

Certain service providers may be subject to an excise tax under Section 4999 of the Internal Revenue Code if they receive payments or benefits in connection with a change in control that exceeds certain prescribed limits, and we, or a successor, may forfeit a deduction on the amounts subject to this excise tax under Section 280G of the Internal Revenue Code. Section 409A of the Internal Revenue Code (Section 409A) imposes significant additional taxes on a service provider if the service provider receives deferred compensation that does not meet the requirements of Section 409A.

Except for tax gross-ups for de minimis token gifts offered to employees, in our fiscal year ended January 31, 2018, we did not provide (and had no agreements or obligations to provide) any of our named executive officers with a gross-up payment or other reimbursement for any excise tax liability he or she might owe under Section 4999 or for any additional tax he or she might owe under Section 409A.

Table of Contents***Accounting Considerations***

Authoritative accounting guidance on stock compensation requires measurement of the compensation expense for all share-based awards made to employees (such as our named executive officers) and directors based on the grant date fair value of the awards. Our Compensation Committee considers the accounting expense associated with equity awards. Even though our named executive officers and directors may realize no value from their equity awards, these values have been calculated for accounting purposes and reported in the tables below. This guidance also requires us to recognize the compensation cost of share-based awards in our income statements over the period that the named executive officer or director is required to continue service with us in order to vest in the equity award.

Risk Considerations

Our Compensation Committee reviews and discusses with management the risks arising from our compensation philosophy and practices applicable to all employees to determine whether they encourage excessive risk-taking and to evaluate compensation policies and practices that could mitigate such risks. In addition, our Compensation Committee has engaged Compensia to independently review our executive compensation program. Based on these reviews, our Compensation Committee structures our executive compensation program to encourage our named executive officers focus on both short-term and long-term success. We do not believe that our executive compensation program creates risks that are reasonably likely to have a material adverse effect on us.

Compensation Committee Report

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis provided above with management. Based on such review and discussion, our Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and our Annual Report on Form 10-K for our fiscal year ended January 31, 2018.

Respectfully submitted by the members of our Compensation Committee of the Board of Directors:

Josh Stein (Chair)

Potential Payments upon Termination or Change of Control

We have entered into change in control and severance agreements, or change in control agreements, with our named executive officers, which require us to make specific payments and benefits in connection with the termination of such named executive officers' employment under certain circumstances. These change in control agreements superseded any other agreement or arrangement relating to severance benefits with these named executive officers or any terms of their option agreements related to vesting acceleration or other similar severance-related terms. In October 2017, Mr. McGoff's change in control agreement was amended to provide 100% acceleration (instead of 24 months acceleration) of his equity awards upon a qualifying termination in connection with a change in control.

The descriptions that follow describe such payments and benefits that may be owed by us to each of our named executive officers (other than Mr. Levin) upon the named executive officer's termination under certain circumstances, pursuant to the named executive officer's change in control agreement (in Mr. McGoff's case, as amended in October 2017). Mr. Levin did not become entitled to receive any payments or benefits under his change in control and severance agreement in connection with his resignation as Chief Operating Officer in August 2017 and therefore he is not included in the tabular disclosure below. We have described Mr. Levin's transition agreement after the tables below.

The change in control agreements will remain in effect for an initial term of three years. At the end of the initial term, each agreement will automatically renew for an additional one-year period unless either party provides notice of nonrenewal within 90 days prior to the date of the automatic renewal. The change in control agreements also acknowledge that each of these named executive officers is an at-will employee, whose employment can be terminated at any time.

In order to receive the severance benefits described below, each of these named executive officers is obligated to execute a release of claims against us, provided such release of claims becomes effective and irrevocable no later than 60 days following such named executive officer's termination date, and to continue to comply with the terms of the named executive officer's confidential information and intellectual property assignment agreement with us.

In the event of a termination of employment without cause (as generally defined below) outside of the change in control period (as generally defined below), such named executive officer will receive the following:

continued payments of base salary for six months; and

paid COBRA benefits for six months.

In the event of a termination of employment without cause or a resignation for good reason (as generally defined below) during the change of control period, Messrs. Levie, Smith and McGoff will receive the following:

a lump-sum payment of 12 months of base salary;

a lump-sum payment equal to 100% of his target bonus;

paid COBRA benefits for 12 months; and

100% acceleration of equity awards.

In the event of a termination of employment without cause or a resignation for good reason (as generally defined below) during the change of control period, Ms. Carullo will receive the following:

a lump-sum payment of 12 months of base salary;

a lump-sum payment equal to 100% of her target bonus;

paid COBRA benefits for 12 months; and

24 months acceleration of equity awards.

Table of Contents

In the event any payment to one of these named executive officers is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code (as a result of a payment being classified as a parachute payment under Section 280G of the Internal Revenue Code), the named executive officer will be entitled to receive such payment as would entitle him to receive the greatest after-tax benefit of either the full payment or a lesser payment which would result in no portion of such severance benefits being subject to excise tax.

For the purpose of the change of control agreements, **cause** means generally the occurrence of any of the following:

an act of dishonesty by the named executive officer in connection with the named executive officer's responsibilities as an employee;

the named executive officer's conviction of, or entry of a plea of guilty or nolo contendere to, a felony or any crime involving fraud or embezzlement;

the named executive officer's gross misconduct;

the unauthorized use or disclosure by the named executive officer of our proprietary information or trade secrets or those of any other party to whom the named executive officer owes an obligation of nondisclosure as a result of the named executive officer's relationship with us;

the named executive officer's willful breach of any obligations under any written agreement or covenant with us;

the named executive officer's failure to cooperate with an investigation by a governmental authority; or

the named executive officer's continued failure to perform his or her duties after notice and a cure period.

For the purpose of the change in control agreements with Messrs. Levie and Smith, **good reason** means generally the named executive officer's voluntary termination of employment following the expiration of any cure period following the occurrence of one or more of the following without the named executive officer's consent:

a material reduction of the named executive officer's duties, authorities or responsibilities other than a reduction following a change in control where the named executive officer assumes similar functional duties for a stand-alone business unit due to the company becoming part of a larger entity; provided that a reduction resulting from the company not being a stand-alone business unit following a change in control will affirmatively be grounds for good reason;

a material reduction of the named executive officer's base salary; or

a material change in the geographic location of the named executive officer's primary work facility or location.

For the purpose of the change in control agreements with Ms. Carullo and Mr. McGoff, "good reason" means generally the named executive officer's voluntary termination of employment following the expiration of any cure period following the occurrence of one or more of the following without the named executive officer's consent:

a material reduction of the named executive officer's duties, authorities or responsibilities other than a reduction following a change in control due to the company being part of a larger entity where the named executive officer assumes similar functional duties;

a material reduction of the named executive officer's base salary; or

a material change in the geographic location of the named executive officer's primary work facility or location.

Table of Contents

For the purpose of the change in control agreements, change in control period means generally the period beginning three months prior to, and ending 12 months following, a change in control of the company.

The following table provides information concerning the estimated payments and benefits that would be provided in the circumstances described above for each of the named executive officers serving as of the end of fiscal year 2018 pursuant to the change in control agreements in effect at that time. Payments and benefits are estimated assuming that the triggering event took place on the last business day of our fiscal year ended January 31, 2018, and the price per share of our Class A common stock is the closing price of the New York Stock Exchange as of that date. There can be no assurance that a triggering event would produce the same or similar results as those estimated below if such event occurs on any other date or at any other price, or if any other assumption used to estimate potential payments and benefits is not correct. Due to the number of factors that affect the nature and amount of any potential payments of benefits, any actual payments and benefits may be different.

Dan Levin Transition Agreement

On July 9, 2017, in connection with his resignation as our President and Chief Operating Officer, we entered into a transition agreement with him. Under that agreement, Mr. Levin agreed to provide transition services for up to three years. Mr. Levin resigned as an employee effective September 15, 2017 although he continues to serve on our board of directors. We and Mr. Levin agreed that he would continue to vest in his outstanding equity awards through March 20, 2018 but any equity awards scheduled to vest after March 20, 2018 would be forfeited on September 15, 2017 (without the transition agreement, he would have continued to vest in those equity awards based on his service on our board of directors). Mr. Levin also agreed that he would not receive compensation under our Outside Director Compensation Policy until he is first reelected to the board of directors after September 15, 2017.

CEO Pay Ratio

Under SEC rules, we are required to provide the following information regarding the relationship between the annual total compensation of Mr. Levie, our Chairman and Chief Executive Officer, and the median annual total compensation of our employees (other than Mr. Levie) for fiscal year 2018:

Mr. Levie's annual total compensation, as reported in the Summary Compensation Table for Fiscal Year 2018 table included in this proxy statement, was \$275,200.

The median of the annual total compensation of all employees (other than Mr. Levie) of the Company (including our consolidated subsidiaries) was \$181,100.

Based on the above, for fiscal year 2018, the ratio of Mr. Levie's annual total compensation to the median of the annual total compensation of all employees was 1.52 to 1.

This pay ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K under the Securities Act of 1933, as amended. We determined the median of the annual total compensation of our employees as of January 31, 2018, at which time we had approximately 1,784 full-time and part-time regular employees globally, approximately 1,538 of whom are U.S. employees, and approximately 246 (or approximately 13.8% of our total employee population) of whom are located outside of the United States. We then compared the annualized base salaries, bonuses earned, commissions earned and equity compensation of our employees (other than Mr. Levie) to determine the median employee. Once we identified our median employee, we estimated such employee's annual total compensation in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, yielding the median annual total compensation disclosed above. With respect to the annual total compensation of Mr. Levie, we used the amount reported in the Total Compensation column in the Summary Compensation Table for Fiscal Year 2018 table included in this proxy statement.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information with respect to the beneficial ownership of our capital stock as of March 31, 2018 for:

each person or group of affiliated persons known by us to be the beneficial owner of more than 5% of our Class A common stock or Class B common stock;

each of our named executive officers;

each of our directors and nominees for director; and

all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules and regulations of the SEC, and thus it represents sole or shared voting or investment power with respect to our securities. Unless otherwise indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all shares that they beneficially owned, subject to applicable community property laws.

Applicable percentage ownership is based on 128,485,125 shares of our Class A common stock and 11,224,411 shares of our Class B common stock outstanding as of March 31, 2018. Shares of our Class B common stock are voluntarily convertible into shares of our Class A common stock at the option of the holder, are generally automatically convertible into shares of our Class A common stock upon transfer. All outstanding shares of our Class B common stock will automatically convert into shares of our Class A common stock once the aggregate number of shares of our Class B common stock represents less than 5% of the then outstanding shares of Class A and Class B common stock.

In computing the number of shares of capital stock beneficially owned by a person and the percentage ownership of such person, we deemed to be outstanding all shares of our capital stock subject to options held by the person that are currently exercisable or exercisable within 60 days of March 31, 2018 and issuable upon the vesting of RSUs held by the person within 60 days of March 31, 2018. However, we did not deem such shares of our capital stock outstanding for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Box, Inc., 900 Jefferson Ave., Redwood City, California 94063. The information provided in the table is based on our records, information filed with the SEC and information provided to us, except where otherwise noted.
