Please read the proxy statement that was filed with the U.S. Securities Exchange Commission (SEC) on August 8, 2018, the supplement to the proxy statement filed with the SEC on August 29, 2018 and the enclosed Supplement in their entirety, as together they contain information that is important to your decisions in voting at the Annual Meeting. The enclosed Supplement, together with the proxy statement, our 2017 Annual Report on Form 10-K and our other proxy materials, are also available on our website www.ziopharm.com, under Investors SEC Filings and on www.proxyvote.com.

Your vote is important. Whether or not you plan to attend the Annual Meeting, we encourage you to review the proxy materials and to vote as soon as possible. Information with respect to voting procedures can be found in the enclosed Supplement and our proxy statement. If you have already voted and do not submit new voting instructions, your previously submitted proxy or voting instructions will be voted at the Annual Meeting with respect to all other proposals, but will not be counted in determining the outcome of the Proposal No. 5, the election of Dr. Braunstein to the Board. PROPOSAL NO. 5

ELECTION OF AN ADDITIONAL DIRECTOR

At the Annual Meeting, six (6) directors are to be elected to serve until the 2019 Annual Meeting of Stockholders, or until their earlier death, resignation or removal.

Biographical and stock ownership information with respect to the five director nominees described in Proposal No. 1 of the Proxy Statement and certain other information relating to the Company's board of directors is set forth in the Proxy Statement under the captions "Proposal No. 1 Election of Directors," "Current Directors, Director Nominees and Executive Officers" and "Stock Ownership."

The board, acting upon the recommendation of our corporate governance and nominating committee, has nominated Scott Braunstein, in addition to the nominees described in Proposal No. 1 of the Proxy Statement, as a nominee to stand for election as a director to serve until the next annual meeting of stockholders. Dr. Braunstein was recommended by one of our non-management directors and considered as part of a search process conducted by the corporate governance and nominating committee for potential director candidates, and then our board independently evaluated his candidacy. If elected, Dr. Braunstein has consented his willingness to serve as one of our directors; however, if he should be unable to serve, the shares of common stock represented by proxies may be voted for a substitute director nominee designated by the board.

Assuming that all nominees are elected at the Annual Meeting pursuant to Proposal No. 1 and Proposal No. 5, we will have one vacancy on our board following the Annual Meeting. Vacancies on the board may be filled only by persons elected by a majority of the remaining directors or may be elected by a plurality of the stockholder votes cast. A director elected by the board to fill a vacancy, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term or until the director's successor is duly elected and qualified, or until the director's earlier death, resignation or removal. Our board of directors may appoint a director or directors to fill the vacancies on the board at any time following the Annual Meeting.

Based on information provided by Dr. Braunstein, the board has determined that Dr. Braunstein is an independent director, as such term is defined in Nasdaq Rule 5605(a)(2). To be considered independent under Nasdaq rules, a director may not be employed by the Company or engage in certain types of business dealings with the Company. As required, the board has made a determination as to Dr. Braunstein that no relationship exists which, in the opinion of the board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Dr. Braunstein is not related by blood, marriage or adoption to any of our other directors, director nominees or executive officers.

Below is biographical and certain other information, as of the date of this Supplement with respect to Dr. Braunstein, including his principal occupation and business experience for the past five years. The information presented below for Dr. Braunstein, regarding his specific experience, qualifications, attributes and skills which led our corporate governance and nominating committee and our board to conclude that he should be nominated as a director nominee and qualified to serve on the board, if elected at the annual meeting.
