Capitalized terms used below and not defined herein have the meanings ascribed to them in the Indenture.

(a) Events of Default; Withholding of Notice.

The occurrence of any of the following events will constitute an Event of Default under the Indenture: (1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the New Secured Notes; (2) default for 30 days or more in the payment when due of interest on or with respect to the New Secured Notes; (3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 25.0% in principal amount of the then outstanding New Secured Notes (with a copy to the Trustee) to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1), (2) or (8) below; (4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the New Secured Notes, if both: (a) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated final maturity; and (b) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, an aggregate amount to be determined at any one time outstanding; (5) failure by the Issuer or any other Significant Party to pay final non-appealable judgments aggregating in excess of an amount to be determined, which final judgments remain unpaid, undischarged and unstayed for a period of more than 90 days after such judgments become final, and in the event such judgments are covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgments or decrees which is not promptly stayed; (6) certain events of bankruptcy or insolvency with respect to the Issuer or any other Significant Party (to the extent permitted by law); (7) the Guarantee of any Significant Party shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Party, as the case may be, denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of the Indenture or the release of any such Guarantee in accordance with the Indenture; (8) the security interest in the Collateral created under any Security Document shall, at any time,

cease to be in full force and effect and constitute a valid and perfected Lien with the priority required by the Indenture for any reason other than the satisfaction in full of all obligations under the Indenture and discharge of the Indenture or in accordance with the terms of the Intercreditor Agreements or the Security Documents or any security interest created under any Security Document shall be invalid or unenforceable, in each case, on any material portion of the Collateral purported to be covered thereby, or the Issuer or any Guarantor required to grant a security interest in Collateral shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is

invalid or unenforceable and in each case such failure or such assertion shall have continued uncured or unrescinded for a period of 30 days; or (9) failure of any Person required by the terms of the Indenture to be a Guarantor as of the Issue Date to execute a supplemental indenture to the Indenture within five Business Days following the Issue Date.

If any Event of Default (other than an Event of Default specified in clause (6) above occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25.0% in principal amount of the then total outstanding New Secured Notes (with a copy to the Trustee) may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal, premium, if any, and interest shall be due and payable immediately. The Trustee shall have no obligation to accelerate the New Secured Notes if, in the best judgment of the Trustee, acceleration is not in the best interest of the Holders of the New Secured Notes.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) above with respect to the Issuer, all outstanding New Secured Notes shall be due and payable without further action or notice.

If a Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall send to Holders of Notes a notice of the Default within 90 days after it occurs. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

(b) Authentication and Delivery of New Secured Notes; Application of Proceeds.

At least one Officer shall execute the New Secured Notes on behalf of the Issuer by manual or facsimile signature.

If an Officer whose signature is on a New Secured Note no longer holds that office at the time such New Secured Note is authenticated, such New Secured Note shall nevertheless be valid.

A New Secured Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual or facsimile signature of the Authentication Agent. The signature shall be conclusive evidence that the New Secured Note has been duly authenticated and delivered under the Indenture.

On the Issue Date, the Authentication Agent shall, upon receipt of an Issuer Order (an Authentication Order), authenticate and deliver the Initial Notes. In addition, at any time, from time to time, the Authentication Agent shall upon receipt of an Authentication Order authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes issued under the Indenture.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate New Secured Notes. An authenticating agent may authenticate New Secured Notes whenever the Trustee may do so. Each reference in the Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

The New Secured Notes shall be issuable in minimum denominations of \$1.0 and integral multiples of \$1.0 thereafter.

The Company will not receive any proceeds from the issuance of the New Secured Notes pursuant to the Plan of Reorganization.

(c) Release of Collateral.

Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements or as provided in the Indenture, including upon sales or other dispositions of assets in compliance with the covenant entitled Asset Sales, the designation of a Restricted Guarantor as an Unrestricted Subsidiary with

(d) Satisfaction and Discharge.

The Indenture shall be discharged and shall cease to be of further effect as to all the New Secured Notes and the Security Documents and pledges thereunder will be released, when either:

(b) no Default (other than that resulting from borrowing funds to be applied to make such deposit or any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to the Indenture or the New Secured Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under any Senior Credit Facilities or any other material agreement or instrument governing Indebtedness (other than the Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than resulting from any borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);
