Dear Stockholder:

You are cordially invited to attend our Annual Meeting of Stockholders on Tuesday, May 14, 2019, at 11:00 a.m., Eastern Daylight Saving Time, at our corporate offices at One CIT Drive, Livingston, New Jersey 07039. Internet and telephone voting are available until 11:59 p.m., Eastern Daylight Saving Time, the day prior to the meeting.

In connection with our Annual Meeting, we have provided our stockholders with our Notice of Annual Meeting, Proxy Statement, proxy card and 2018 Annual Report. These documents provide detailed information related to the matters to be addressed during the Annual Meeting, as well as our business activities and operating performance. On April 4, 2019, we mailed to our stockholders a notice of the Internet availability of proxy materials (Access Notice) containing instructions on how to access these materials online. Electronic delivery expedites your receipt of proxy materials, while lowering expenses and reducing the environmental impact of our Annual Meeting. If you received an Access Notice by mail, you will not receive printed copies of the materials unless you request them by following the instructions in the Access Notice.

In addition to the formal items of business to be brought before the Annual Meeting, we will respond to stockholder questions. **Whether or not you are personally able to attend the Annual Meeting, please complete, sign and date the enclosed proxy card and return it in the enclosed postage paid envelope as soon as possible, or follow the instructions to vote online or by telephone.** Your vote is very important. Submitting your vote by proxy will not limit your right to attend the Annual Meeting.

On behalf of the entire Board of Directors, we thank you for your support of CIT and hope to see you at our Annual Meeting.

Sincerely,

Ellen R. Alemany

Chairwoman and Chief Executive Officer

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 14, 2019

To the Stockholders of CIT Group Inc.:

Notice is hereby given that the 2019 Annual Meeting of Stockholders (the **Annual Meeting**) of CIT Group Inc., a Delaware corporation (**CIT**), will be held at CIT's offices at One CIT Drive, Livingston, New Jersey 07039, on Tuesday, May 14, 2019 at 11:00 a.m., Eastern Daylight Saving Time, for the following purposes, as more fully described in the accompanying proxy statement (the **Proxy Statement**):

1. to elect CIT's Board of Directors to serve until the next annual meeting of stockholders the Board has nominated for election the following twelve nominees: Ellen R. Alemany, Michael L. Brosnan, Michael A. Carpenter, Dorene C. Dominguez, Alan Frank, William M. Freeman, R. Brad Oates, Gerald Rosenfeld, Vice Admiral John R. Ryan, USN (Ret.), Sheila A. Stamps, Khanh T. Tran and Laura S. Unger;
2. to ratify the appointment of Deloitte & Touche LLP as CIT's independent registered public accounting firm for 2019;
3. to hold a non-binding advisory vote on executive compensation; and
4. to transact such other business as may properly come before the Annual Meeting.

Only stockholders of record as of the close of business on March 21, 2019, are entitled to receive notice of, to attend, and to vote at the Annual Meeting. Internet and telephone voting are available until 11:59 p.m., Eastern Daylight Saving Time, the day immediately prior to the Annual Meeting. To ensure that your vote is counted at the Annual Meeting, please vote your proxy as soon as possible.

Instructions to vote online, by telephone or by mail are in the Question and Answer section of the Proxy Statement included with this notice of Annual Meeting (**Notice of Annual Meeting**) and can also be found in the notice of the Internet availability of proxy materials mailed to you on April 4, 2019 (**Access Notice**). To vote online, by telephone or by mail, **you need your personal Control Number, which is included in the Access Notice**. There is no charge for requesting printed proxy materials. Stockholders who request printed proxy materials for 2019 will continue to receive printed proxy materials in future years until such time as they may opt out of paper delivery. To facilitate timely delivery of the proxy materials for the Annual Meeting, please make your request on or before May 1, 2019.

Go to www.cit.com to be connected to CIT's website.

By Order of the Board of Directors,

James P. Shanahan

General Information

Our Board of Directors (the **Board**) is soliciting proxies from our stockholders in connection with our annual meeting of stockholders (**Annual Meeting**) to be held on May 14, 2019, and any adjournment of such meeting. No business can be conducted at the Annual Meeting unless a majority of all outstanding shares entitled to vote are either present in person or represented by proxy at the Annual Meeting. The only matters to be brought before the Annual Meeting are those referred to in this proxy statement (**Proxy Statement**). If any additional matters are properly presented at the Annual Meeting, the persons named as proxies may vote your shares in their discretion.

As permitted by rules adopted by the U.S. Securities and Exchange Commission (**SEC**), we have elected to provide access to this Proxy Statement, proxy card and our 2018 Annual Report (**Annual Report**) to you electronically via the Internet at www.proxyvote.com, beginning on April 4, 2019. We believe that these rules allow CIT Group Inc. (**CIT** or the **Company**) to provide you with the information you need while reducing the environmental impact of the Annual Meeting and reducing expenses. If you are a holder of record, you will also receive this Proxy Statement, proxy card and our Annual Report by mail.

If you received a notice of the Internet availability of proxy materials mailed on April 4, 2019 (**Access Notice**) you will not receive a printed copy of the proxy materials in the mail. The Access Notice instructs you how to access and review all of the important information contained in the Proxy Statement, proxy card and Annual Report. The Access Notice also instructs you how to submit your vote over the Internet, by telephone or by mail. If you received an Access Notice and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials included in the Access Notice or as set forth below under **How do I vote? Vote by Mail**.

Questions and Answers About the Annual Meeting and Voting

When and where is the Annual Meeting?

When: Tuesday, May 14, 2019, at 11:00 a.m., Eastern Daylight Saving Time.

Where: One CIT Drive, Livingston, New Jersey 07039.

Who is soliciting my vote?

CIT's Board of Directors is soliciting your vote for our Annual Meeting.

What will I vote on?

You are being asked to vote:

to elect the directors to serve on CIT's Board until the next annual meeting of stockholders – the Board has nominated for election the following twelve nominees: Ellen R. Alemany, Michael L. Brosnan, Michael A. Carpenter, Dorene C. Dominguez, Alan Frank, William M. Freeman, R. Brad Oates, Gerald Rosenfeld, Vice Admiral John R. Ryan, USN (Ret.), Sheila A. Stamps, Khanh T. Tran and Laura S. Unger (Proposal 1);

to ratify the appointment of Deloitte & Touche LLP (Deloitte) as CIT's independent registered public accounting firm for 2019 (Proposal 2); and

to approve executive compensation on an advisory basis (Proposal 3).

You may also vote on any other business that properly comes before the Annual Meeting.

What is the record date for the Annual Meeting?

The record date for the Annual Meeting is the close of business on March 21, 2019 (**Record Date**). The Record Date is used to determine those stockholders who are entitled to vote at the Annual Meeting and at any adjournment or postponement thereof.

How many votes can be cast by all stockholders?

A total of 99,017,411 votes may be cast on each matter presented, consisting of one vote for each share of CIT common stock, par value \$0.01 per share, which was outstanding on the Record Date. There is no cumulative voting.

How many votes must be present to hold the Annual Meeting?

Edgar Filing: CIT GROUP INC - Form DEF 14A

A quorum of a majority of the votes entitled to be cast, or 49,508,706 votes, must be present in person or represented by proxy to hold the Annual Meeting. We urge you to vote by proxy even if you plan to attend the Annual Meeting. This will help us know as soon as possible that enough votes will be present to hold the Annual Meeting. In determining whether a quorum exists, we will include in the count shares represented by proxies that reflect abstentions and broker non-votes (as further described in this Proxy Statement under "What happens if I hold my shares through a broker but do not give my broker specific voting instructions?").

Questions and Answers About the Annual Meeting and Voting

How do I vote?

You may vote by proxy or in person at the Annual Meeting

If you are a *holder of record* (that is, if your shares are registered in your own name with our transfer agent), we have furnished you with the proxy materials, including a proxy card. You may vote by mail, by telephone, on the Internet, or by attending the Annual Meeting and voting in person, as described below.

If you hold your shares in *street name* (that is, you hold your shares through a broker, bank or other holder of record), please refer to the information on the voting instruction form forwarded to you by your bank, broker or other holder of record to determine which voting options are available to you.

Vote by Mail

To vote by mail, simply mark, sign and date the proxy card and return it in the postage-paid envelope provided. If you received an Access Notice, you can vote by mail by requesting paper copies of the Proxy Statement, proxy card and other materials by calling 1-800-579-1639, or going to www.proxyvote.com or by sending an email to sendmaterial@proxyvote.com and requesting a proxy card.

If you request a proxy card by e-mail, please send a blank e-mail to sendmaterial@proxyvote.com with your Control Number in the subject line. Your Control Number can be found in the Access Notice. Upon receipt of your request, the proxy card and printed copies of the Annual Report and other proxy materials will be mailed to you. Upon receipt, simply mark, sign and date your proxy card and return it in the enclosed postage pre-paid envelope.

If you request printed copies, then in future years, you will continue to receive printed copies of the proxy card and other proxy materials automatically until such time as you may opt-out of receiving printed copies.

If you wish to vote by mail, please make your request for paper copies of the proxy card and other proxy materials on or before May 1, 2019. Votes by mailed proxy card must be received at CIT Group Inc., c/o Vote Processing, Broadridge, 51 Mercedes Way, Edgewood, NY 11717 by 8:00 a.m., Eastern Daylight Saving Time, on May 14, 2019, the day of the Annual Meeting.

Vote by Telephone

You can vote by calling 1-800-690-6903. You will need your Control Number, which can be found in the Access Notice. Use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m., Eastern Daylight Saving Time, on May 13, 2019.

Vote on the Internet

You can also choose to vote on the Internet by going to www.proxyvote.com. You will need your Control Number, which can be found in the Access Notice. Use the Internet to transmit your vote up until 11:59 p.m., Eastern Daylight Saving Time, on May 13, 2019.

Vote at the Annual Meeting

If you want to vote in person at the Annual Meeting and you are a holder of record, you must register with the Inspector of Election at the Annual Meeting (**Inspector of Election**), and produce valid, government-issued photo identification, such as a driver's license or passport. If you want to vote in person at the Annual Meeting and you hold your shares in street name, you must obtain an additional proxy from your bank, broker or other holder of record authorizing you to vote. You must bring such proxy to the Annual Meeting, present it to the Inspector of Election, and produce valid, government-issued photo identification, such as a driver's license or passport.

Table of Contents

Questions and Answers About the Annual Meeting and Voting

What does it mean to give a proxy?

A proxy is your designation of another person to vote stock you own. Your properly completed proxy card will appoint Douglas S. Witte, Shannon Lowry Bender and James P. Shanahan, each of whom is an officer of CIT, as proxies to vote your shares in the manner directed by you. Your proxy card permits you to direct the proxies to vote for or against, or abstain from voting, regarding each of the nominees for director and each of Proposals 2 and 3. All of your shares entitled to vote and represented by a properly completed proxy card received prior to the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with your instructions.

How many votes will be required to elect directors or to adopt the other proposals?

Because this election is not a contested election, a nominee for director must receive a favorable (i.e., a for) vote from a majority of the votes cast at the Annual Meeting in order to be elected. A nominee for director shall be elected to the Board if the votes cast for such nominee s election exceed the votes cast against such nominee s election. Votes cast exclude abstentions and broker non-votes (as further described below under What happens if I hold my shares through a broker but do not give my broker specific voting instructions?).

The affirmative vote of a majority of the shares present at the Annual Meeting in person or by proxy and entitled to vote is required to: (a) ratify the appointment of CIT s independent registered public accounting firm (Proposal 2); and (b) approve the non-binding advisory vote on executive compensation (Proposal 3). Abstentions will not be included in the affirmative vote and thus will have the same effect as a vote against each of Proposals 2 and 3. Although the advisory vote on Proposal 3 is non-binding, as provided by law, the Board will review the result of the vote and may take it into account in considering executive compensation going forward.

Can a director be elected without receiving votes from a majority of the shares outstanding?

Yes. Pursuant to the By-Laws of CIT (By-Laws) and our corporate governance guidelines (**Corporate Governance Guidelines**), if the election of directors is uncontested, meaning that the only nominees are those recommended by the Board, each nominee for director must receive more votes for than against his or her election. Abstentions and broker non-votes (as further described below under What happens if I hold my shares through a broker but do not give my broker specific voting instructions?) are not counted for these purposes. Any nominee who fails to receive the required vote for his or her election must promptly tender his or her resignation to the Chairwoman of the Board. If an incumbent director fails to receive the required vote for re-election, the Nominating & Governance Committee of the Board (the **Governance Committee**) will promptly consider the resignation submitted by such director and will recommend to the Board whether to accept such resignation. The Board will act on the recommendation of the Governance Committee no later than 90 days following the date of the Annual Meeting. See Corporate Governance Majority Voting for Directors and Corporate Governance Appointment of Directors in this Proxy Statement.

Under the By-Laws, a director may be elected by a plurality of the votes cast in a contested election, whereby a stockholder has provided notice of an intention to nominate one or more candidates to compete with the Board s nominees, in accordance with the requirements of the By-Laws, and such stockholder has not withdrawn such nomination by the tenth day before we mail our Notice of Annual Meeting. This means that the twelve nominees who receive the most votes for would be elected, even if it is less than a majority of the total shares outstanding, and

stockholders would not be permitted to vote against a nominee.

The election of directors at the Annual Meeting is uncontested.

Questions and Answers About the Annual Meeting and Voting

[Can I change or revoke my proxy?](#)

Yes, you may change your vote or revoke your proxy at any time before it is exercised. To do so, you should:

send in a new proxy card with a later date;

send a written revocation to the Corporate Secretary;

cast a new vote by telephone or Internet; or

attend the Annual Meeting and vote in person.

Written revocations of a prior vote must be sent by mail to CIT's Corporate Secretary at One CIT Drive, Livingston, NJ 07039, or by delivering a duly executed proxy bearing a later date. If you attend the Annual Meeting and vote in person, your vote will revoke any previously submitted proxy. If you hold your shares in street name, you must contact your broker if you wish to change your vote.

[What if I do not return a signed proxy card, or do not return a signed proxy card on a timely basis?](#)

If you are a holder of record and you do not return a signed proxy card to vote shares held in your name, or if your signed proxy card is received by CIT after 8:00 a.m., Eastern Daylight Saving Time, on May 14, 2019, those shares will not be voted. If you vote by telephone or Internet before 11:59 p.m., Eastern Daylight Saving Time, on May 13, 2019, or vote in person at the Annual Meeting, then you do not need to return a signed proxy card, and your shares will be voted as instructed.

[What if I return a signed proxy card but do not indicate my vote for one or more of the matters on my proxy card?](#)

If you return a signed proxy card without indicating your vote, your shares will be voted for each of the twelve nominees named in Proposal 1 Election of Directors, and for Proposals 2 and 3 (except in the case of a broker non-vote as described below under What happens if I hold my shares through a broker but do not give my broker specific voting instructions?).

[What happens if I hold my shares through a broker but do not give my broker specific voting instructions?](#)

Under New York Stock Exchange (NYSE) rules, if you hold your shares in street name with a broker who is a member of the NYSE and do not instruct your broker as to how to vote your shares, your broker can vote your shares on the ratification of the selection of our independent registered public accounting firm (Proposal 2), in your broker's discretion. Absent specific voting instructions, however, your broker cannot vote on the election of directors (Proposal 1) or the non-binding advisory vote on executive compensation (Proposal 3), and your proxy would represent shares

reflecting a broker non-vote with respect to Proposals 1 and 3.

A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner, or person entitled to vote, and does not have discretionary authority to vote the shares. This could occur on Proposals 1 and 3, but not on Proposal 2.

Shares represented by proxies that reflect a broker non-vote will, like abstentions, be counted for purposes of determining whether a quorum exists. However, with respect to Proposal 1, abstentions and broker non-votes will not be considered votes cast, and, therefore will have no effect on whether a director is elected. With respect to Proposal 3, while abstentions will have the same effect as votes cast against such Proposal, broker non-votes will not be counted as entitled to vote on Proposal 3 and thus will have no effect on the outcome of such votes.

Table of Contents

Questions and Answers About the Annual Meeting and Voting

Brokers who are members of the Financial Industry Regulatory Authority may vote shares held by them in nominee name if they are permitted to do so under the rules of any national securities exchange to which they belong. A member broker of the NYSE is prohibited, under NYSE rules, from voting on matters that are not routine if the beneficial owner has not provided the broker with voting instructions.

Why haven't I received a printed copy of the Proxy Statement, proxy card or Annual Report?

We have elected to take advantage of the SEC's rule that allows us to furnish proxy materials to you online. We believe electronic delivery will expedite your receipt of materials, while lowering costs and reducing the environmental impact of our Annual Meeting by reducing printing and mailing of full sets of proxy materials. On April 4, 2019, we mailed to our stockholders who did not opt out of printed copies an Access Notice containing instructions on how to access our Proxy Statement, proxy card and Annual Report online. If you received such Access Notice by mail, you will not receive a printed copy of the proxy materials, unless you specifically request one no later than May 1, 2019. The Access Notice contains instructions on how to receive a paper copy of the Annual Report, proxy card and other proxy materials. If you request a printed copy of the 2019 proxy materials, you will continue to receive printed proxy materials in future years until such time as you opt out of paper delivery.

What if multiple stockholders share the same address?

SEC rules permit CIT to deliver a single Access Notice or, if a stockholder does not participate in electronic delivery of proxy materials, a single printed copy of the proxy materials, to stockholders who share the same address unless CIT has received contrary instructions from any stockholder at that address. This procedure, known as householding, is designed to reduce CIT's printing costs and postage fees. Each stockholder who participates in householding retains a separate right to vote on all matters presented at the Annual Meeting. If you participate in householding and wish to receive a separate copy of the Access Notice or proxy materials, please call 1-866-540-7095 or mail your request to: CIT Group Inc., c/o Broadridge Householding Department, 51 Mercedes Way, Edgewood, NY 11717. A separate copy of the Access Notice or proxy materials, as applicable, will be delivered promptly upon request. Any such stockholder may also opt out of householding and continue to receive separate copies of the Access Notice or proxy materials in the future by notifying CIT at the above-referenced address or telephone number. Other stockholders who have multiple accounts in their names or who share an address with other stockholders can request householding by notifying CIT at the above-referenced address or telephone number.

Is this Proxy Statement available on the Internet?

Yes. You can also view this Proxy Statement on the Internet by going to CIT's website at www.cit.com/2019proxy. You can elect to receive future proxy statements and annual reports over the Internet instead of receiving paper copies by mail by following the instructions set forth in the Access Notice or as set forth above under Questions and Answers About the Annual Meeting and Voting How do I vote?

Will my vote be confidential?

Yes. We have a policy of confidentiality in the voting of shares. Individual stockholder votes are kept confidential, unless disclosure is: (i) necessary to meet legal requirements or to assert or defend claims for or against CIT, or

(ii) made during a contested proxy solicitation, tender offer, or other change of control situations.

What if there is voting on other matters?

Our By-Laws provide that business may be transacted at the Annual Meeting only if it is (a) stated in the Notice of Annual Meeting, (b) proposed at the direction of our Board or (c) proposed by any CIT stockholder who is entitled

6 | 2019 Proxy Statement

Questions and Answers About the Annual Meeting and Voting

to vote at the Annual Meeting and who has complied with the notice procedures in our By-Laws. We did not receive notice of any stockholder proposals for the Annual Meeting, and we do not know of any other business to be transacted at the Annual Meeting other than the matters described in this Proxy Statement. However, if the Board proposes any other matter proper for action at the Annual Meeting, or should any other matters properly come before the Annual Meeting, the proxies you have authorized to vote on your behalf will vote your shares using their discretion.

What was the deadline for stockholders to notify us of proposals for the Annual Meeting?

The deadline for submitting stockholder proposals for the Annual Meeting for inclusion in the Proxy Statement was November 29, 2018. The deadline for submitting stockholder proposals for the Annual Meeting for inclusion on the agenda was February 7, 2019.

What is the deadline for stockholders to notify us of proposals for the 2020 Annual Meeting of Stockholders?

The deadline for submitting stockholder proposals for the 2020 annual meeting of stockholders (**2020 Annual Meeting**) for inclusion in the 2020 proxy statement is December 6, 2019. The deadline for submitting stockholder proposals for the 2020 Annual Meeting for inclusion on the agenda is February 14, 2020.

Will a representative of CIT's independent registered public accounting firm be present at the Annual Meeting?

Yes, a representative of Deloitte will attend the Annual Meeting and can answer questions that you may have. The representative will also have the opportunity to make a statement if Deloitte desires to do so. The Audit Committee has approved the appointment of Deloitte as our independent registered accounting firm and auditors for 2019.

How can I attend the Annual Meeting?

Only stockholders as of the Record Date (or their proxy holders) may attend the Annual Meeting. If you plan to attend the Annual Meeting or appoint someone to attend as your proxy, please check the appropriate box on your proxy card. If you are voting by telephone or Internet, follow the instructions provided to indicate that you or your proxy holder plan to attend. You or your proxy holder will need to show (a) photo identification, and (b) if you hold your shares in street name, proof of ownership as of the Record Date, such as a letter or account statement from your broker or bank, at the reception desk to gain admittance to the Annual Meeting.

What happens if the Annual Meeting is postponed or adjourned?

Your proxy remains valid and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

Do any stockholders beneficially own more than 5% of our common stock?

According to public filings made with the SEC on or before February 14, 2019, there were five stockholders that beneficially owned more than 5% of our common stock as of December 31, 2018: The Vanguard Group, First Pacific

Advisors, LP, Franklin Mutual Advisers, LLC, Capital World Investors, and BlackRock, Inc. See Security Ownership of Certain Beneficial Owners and Management Security Ownership of Certain Beneficial Owners in this Proxy Statement.

Questions and Answers About the Annual Meeting and Voting

[How can I review the list of stockholders eligible to vote?](#)

A list of stockholders as of the Record Date will be available at our offices at both 11 West 42nd Street, New York, NY 10036 and One CIT Drive, Livingston, NJ 07039 from May 3, 2019, to the date of the Annual Meeting for inspection and review by any stockholder during regular business hours. We will also make the list available at the Annual Meeting.

[Where can I find the voting results of the Annual Meeting?](#)

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the Inspector of Election and published in CIT's Current Report on Form 8-K, which CIT is required to file with the SEC within four business days after the date of the Annual Meeting.

[Who will pay the expenses incurred in connection with the solicitation of my vote?](#)

CIT pays the cost of preparing proxy materials and of soliciting your vote. Proxies may be solicited on our behalf by our directors, officers or employees by telephone, electronic or facsimile transmission or in person.

We have retained D.F. King & Co., Inc. to assist us in this proxy solicitation, and we anticipate that their fees will be approximately \$18,000. We also may pay brokers, nominees, fiduciaries, and other custodians their reasonable fees and expenses for sending proxy materials to beneficial owners and obtaining their instructions.

Directors

General Information

CIT is pleased to propose 12 director nominees for election at the Annual Meeting, each of which is standing for re-election. The nominees consist of a diverse group of professionals in their respective fields, many of whom have or have had senior leadership experience at banks, financial institutions and other business, academic and governmental organizations. In these positions, they have gained expertise in strategic and financial planning, regulatory and banking matters, financial reporting, corporate governance, risk management and leadership development, technology services, cybersecurity and mergers & acquisitions. Several of the current directors also have a longstanding knowledge and in-depth understanding of our businesses, products, and services. The biographies below describe the skills, qualifications, attributes and experiences of each of the nominees that were considered by the Board in determining that it was appropriate to nominate these directors.

The Governance Committee and the Board believe the skills, qualities, and experience of our directors provide CIT with a diverse range of perspectives and backgrounds to engage each other and management to effectively address CIT's needs and represent the best interests of CIT's stockholders.

CIT's directors are elected on an annual basis, and each nominee who is elected at the Annual Meeting will hold office until the 2020 Annual Meeting and until his or her successor is elected and qualified, or until the director's earlier death, resignation or removal.

During 2018, our Board met 12 times. The number of 2018 meetings for each committee of the Board (each, a Board Committee) is disclosed in Corporate Governance Board Committees in this Proxy Statement. During 2018, all of the nominees listed below attended at least 75% of the aggregate of the total number of meetings of the Board and of any Board Committees on which he or she served that were held during his or her period of service on the Board and applicable Board Committees. Our Corporate Governance Guidelines provide that directors are expected to attend the Annual Meeting. Each of the nominees listed below attended our 2018 annual meeting of stockholders.

Board Evaluation

Regular self-evaluation to ensure an effective Board is another important responsibility of the directors. The Corporate Governance Guidelines provide that the Board undertake a performance evaluation every year, overseen by the Governance Committee. In practice, each year, each director completes a questionnaire reflecting his or her assessment of the effectiveness of the Board and the Board Committees on which he or she serves. Although the specific questions may vary from year to year, the topics generally include the substance and efficiency of Board and Board Committee meetings and materials, utilization of skills and committee appointments, skills and experience needed for the Board, and Board engagement and interaction. The General Counsel confidentially summarizes the directors' responses for review by the Governance Committee, the Board and the Board Committees. The Board and Board Committees review the summary in executive session and consider what actions, if any, to take as a result.

Corporate Governance

CIT is committed to the values of effective corporate governance and high ethical standards. Our Board believes that these values promote long-term performance and reevaluates our governance policies on an ongoing basis to ensure they sufficiently meet CIT's needs and our stockholders' interests. Listed below are some of the significant corporate governance practices and policies we have adopted.

Majority Voting in Director Elections. If an election is uncontested, each of our director nominees has agreed to tender his or her irrevocable contingent resignation if he or she is not elected by a majority of the votes cast by stockholders. Our Governance Committee will promptly consider the director's resignation and recommend to our Board whether to accept or reject the resignation. Our Board will act on the Governance Committee's recommendation within 90 days of the applicable stockholder meeting and will then publicly disclose its decision.

Lead Director. Our Corporate Governance Guidelines establish the role of an independent lead director who is elected annually by a majority vote of the independent directors. More information about the role of the lead director and our Board structure may be found in this Proxy Statement under the heading [Board Leadership Structure](#).

Absence of a Stockholder Rights Plan. We do not have a stockholder rights plan and are not currently considering adopting one.

Stock Ownership Requirements. Both our directors and senior executive officers are required, within a specified period of time of becoming a director or senior executive officer to own a minimum amount of CIT's common

Related Person Transactions Policy. Our Governance Committee is responsible for approving or ratifying transactions involving CIT and related persons and determining if the transaction is in, or not inconsistent with, the best interests of CIT and our stockholders. More information about our Related Person Transactions Policy may be found below under the heading [Related Person Transactions Policy](#).

Executive Sessions. Our Board meets regularly in executive sessions without the presence of management, including our Chairwoman. These sessions are led by our Lead Director.

Limitations on Participation on Other Boards. To ensure that our directors have sufficient time to devote proper attention to their responsibilities as directors of CIT, unless otherwise approved by the Governance Committee, employed directors are limited to service on one board of another publicly traded company, while other directors may not serve on the boards of more than four other public companies.

Hedging, Margin Accounts and Pledged Securities. CIT's directors and employees are prohibited from entering into financial transactions to hedge their ownership interest in CIT's securities, holding CIT's securities in a margin account, or otherwise pledging

stock and to retain such ownership at all times thereafter while they remain with CIT.

CIT's securities as collateral for a loan.

Political Contributions. CIT believes that an important part of responsible corporate citizenship is participation in the political and public policy process. However, even where legally permitted, CIT's policy is not to use any company funds or property for any candidate campaign, including candidate campaign committees, political parties, caucuses, or independent expenditure committees (super PACs). CIT also maintains a non-partisan political action committee for our employees to participate in the political process, which is funded entirely through voluntary contributions from eligible CIT employees, and uses those funds to support candidates, political parties, and other political action committees that are supportive of CIT's public policy goals.

Board and Board Committee Evaluations. Each year, each director completes a questionnaire reflecting his or her assessment of the effectiveness of the Board and the committees on which he or she serves. The General Counsel confidentially summarizes the directors' responses for review by the Governance Committee, the Board and Committees. The Board and Committees review the summary in executive session and considers what actions, if any, to take as a result.

Proxy Access. CIT believes that it is appropriate for certain stockholders to be able to use our proxy statement and proxy card to nominate one or more director candidates. Our By-Laws generally allow stockholders owning 3% or more of the Company's total voting stock for three years to use the Company's proxy statement to nominate the greater of two or 20% of the director positions subject to vote at an annual meeting.

Corporate Governance

Additional information is provided below regarding these and certain other key corporate governance policies which we believe enable us to manage our business in accordance with the highest standards of business practices and in the best interests of our stockholders. Investors can find a copy of CIT's Corporate Governance Guidelines and other governance policies on our website at <https://www.cit.com/about/us/governance/>. Information contained on the CIT website does not constitute part of this Proxy Statement.

Director Independence

Our Corporate Governance Guidelines require that a substantial majority of the Board be composed of directors who meet the independence criteria established by the NYSE. For a director to be considered independent, the Board must affirmatively determine that neither the director nor any of such director's immediate family has a material relationship with CIT (either directly, or as a partner, stockholder, or officer of an organization that has a relationship with CIT). In making its determination, the Board considers all relevant facts and circumstances, both with respect to the director and with respect to any persons or organizations with which the director has an affiliation, including immediate family members. The Board also considers the specific independence criteria for directors as defined by the NYSE.

In furtherance of our Board's commitment to maintain the independence of our independent directors, the Board implemented a charitable contributions policy. The policy requires that if any charitable contribution proposed to be made by CIT to an organization in which a director is affiliated exceeds the lesser of (i) \$25,000 or (ii) 2% of the charitable organization's most recently reported annual consolidated gross revenues, such contribution is subject to the approval of the Governance Committee. In determining whether to approve any such contribution, the Governance Committee considers whether the donation would impair the director's independence.

Based on the foregoing considerations, the Board has determined that, except for Ms. Alemany, our Chairwoman and CEO, all of CIT's directors are independent and each of the Board Committees is composed solely of independent directors. In making this determination, the Board considered the transactions described below under the heading Related Person Transactions Policy .

Related Person Transactions Policy

The Board has adopted a Related Person Transactions Policy for the review and approval of related person transactions, which is defined under such policy as any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which CIT was or is to be a participant, the amount involved exceeds or is expected to exceed \$120,000 in a single calendar year, and an executive officer, director, director nominee, or a 5% beneficial owner of any class of CIT's voting securities (or any of their respective immediate family members) had or will have a direct or indirect material interest, other than the following:

interests arising solely from the related person's position as a director or limited partner, or from the direct or indirect ownership by the related person, and all other related persons, in the aggregate of less than a 10% equity interest in another corporation or organization that is a participant in the transaction;

amounts due from related persons to CIT for purchases of goods and services subject to usual trade terms, for ordinary business travel and expense payments, and for other indebtedness transactions in the ordinary course of business;

interests arising solely from the ownership of a class of CIT's equity securities, if all holders of that class of equity securities receive the same benefit on a *pro rata* basis;

transactions where price is determined by competitive bid, or where the service is rendered as a common carrier or public utility at rates fixed pursuant to law;

transactions that involve compensation to a director, or compensation to executive officers, approved by the Board;

Table of Contents

Corporate Governance

interests arising solely from the related person's position as an executive officer or director of another entity that is a participant in the transaction, where (a) the related person and his or her immediate family members own in the aggregate less than a 5% equity interest in such entity, (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction, and (c) the amount involved in the transaction equals less than 2% of the annual gross revenues of each of CIT and the other entity that is a participant in the transaction.

Under this written policy, any proposed related person transaction will be considered at the next meeting of the Governance Committee, but if it is not desirable for CIT to wait until the next meeting, the transaction will be submitted to the Chairperson of the Governance Committee for approval, subject to reporting any such approval at the next Governance Committee meeting. In either case, the benefits to CIT, the availability of other sources of comparable products or services, the terms of the transaction, the terms available to unrelated third parties, and whether the transaction was undertaken in the ordinary course of business, will be considered. The Governance Committee will approve only those related person transactions that are in, or are not inconsistent with, the best interests of CIT and its stockholders, as the Governance Committee determines in good faith. In certain circumstances, if the Chief Executive Officer, Chief Financial Officer or General Counsel of CIT becomes aware of a related person transaction that has not been previously approved or ratified under the policy, the Governance Committee will determine if rescission of the transaction is appropriate, and will request that the Chief Financial Officer evaluate CIT's controls and procedures to ascertain the reason the transaction was not submitted to the Governance Committee or its Chairperson for prior approval.

There were no transactions reviewed by the Governance Committee in 2018 under the Related Person Transactions Policy.

The Board and management may have deposit relationships with CIT Bank, N.A.

We have in the past and may in the future enter into certain transactions with affiliates, other than directors and executive officers. Such transactions have been, and it is anticipated that such transactions will continue to be, entered into on an arm's length basis at a fair market value for the transaction and, as a result, are not required to be approved under the Related Person Transactions Policy.

[Appointment of Directors](#)

All of CIT's twelve nominees for director are standing for re-election. For more information, see [Directors](#) [Nominees](#) .

[Diversity of Directors](#)

Under our Corporate Governance Guidelines, the Board has adopted a diversity policy and seeks diversity in its members with respect to background, skills and expertise, industry knowledge, and experience. Our Corporate Governance Guidelines set forth general criteria for nomination and re-nomination to the Board, including:

judgment, integrity, commitment, and candor;

leadership and decision-making experience in complex organizations, including corporations, banking and financial institutions, and government, education, and military institutions;

expertise, knowledge, and skills useful for overseeing our business; and

diversity of background, perspectives, skills and experience.

When considering directors for re-nomination, the Governance Committee also considers attendance, preparedness, participation and candor.

Table of Contents

Corporate Governance

The Governance Committee reviews with the Board the skills, characteristics and diversity of background appropriate for CIT's directors. When seeking to fill Board vacancies, the Governance Committee evaluates the skills and characteristics of the existing directors, including the diversity of background, perspectives, and experience of the directors, to identify any gaps that should be filled. The Governance Committee then utilizes that information to guide its search for new director nominees.

CIT is honored to have a diverse board of directors that bring unique perspectives to the governance of the company. The company was recognized by the Women's Forum of New York for its gender diversity on the board. CIT's Board is also represented by diverse ethnicities.

Majority Voting for Directors

Under our By-Laws and Corporate Governance Guidelines, if the nominees are all nominated by CIT, a nominee for director is elected if the votes cast for such nominee's election exceed the votes cast against such nominee's election; however, directors are elected by a plurality of the votes cast at any meeting of stockholders for which (i) the Corporate Secretary of CIT receives a notice that a stockholder has nominated a person for election to the Board in compliance with the advance notice requirements for stockholder nominees set forth in our By-Laws, and (ii) such nomination has not been withdrawn by such stockholder on or before the tenth day before CIT first mails its notice of meeting for such meeting to the stockholders. If directors are to be elected by a plurality of the votes cast, as permitted under Delaware law and our By-Laws, stockholders shall not be permitted to vote against a nominee. Votes cast shall not include abstentions with respect to the election of directors. Under our Corporate Governance Guidelines, if a majority vote is required, any nominee who fails to receive the required vote for his or her election or re-election must promptly tender his or her resignation to the Chairwoman of the Board. If an incumbent director fails to receive the required vote for re-election, the Governance Committee will promptly consider the resignation submitted by such director and will recommend to the full Board whether to accept such resignation. The Governance Committee will consider all factors that it deems relevant in making its recommendation, including any stated reasons why stockholders voted against the director, the length of service and qualifications of the director, the director's contributions to CIT and CIT's Corporate Governance Guidelines.

The Board will act on the recommendation of the Governance Committee no later than 90 days following the date of the meeting of stockholders at which the election occurred. The Board will review the factors considered by the Governance Committee and such other information and factors as the Board deems relevant. We will promptly disclose the Board's decision whether to accept the resignation as tendered, and provide a full explanation of the process by which the decision was reached and, if applicable, the reasons the Board rejected the tendered resignation, in a Current Report on Form 8-K filed with the SEC.

If one or more directors' resignations are accepted by the Board, the Governance Committee will recommend to the Board whether to fill such vacancy or vacancies or to reduce the size of the Board.

Board Leadership Structure

Effective April 1, 2016, Ellen R. Alemany assumed the role of Chief Executive Officer and effective May 10, 2016, Ms. Alemany assumed the role of Chairwoman. Therefore, as of and since May 10, 2016, the positions of Chief

Executive Officer and Chairwoman were held by one person, Ellen R. Alemany. In deciding to continue CIT's practice of combining the Chief Executive Officer and Chairwoman positions, the primary factors considered by the Board were the importance of a unified strategic and operating focus, the benefits of clarity in the management structure of the organization, and the need for consistent communications to stockholders, customers, regulators and other constituencies. This structure also best assures that Ms. Alemany will be able to use her in-depth knowledge and perspective gained from running CIT to effectively and efficiently guide our Board. By being closely connected with both CIT's senior level managers and the Board, Ms. Alemany is better able to appreciate and balance the perspectives of both groups.

Table of Contents

Corporate Governance

To establish a liaison between the non-management directors and the Chairwoman and Chief Executive Officer and foster effective communication between them, the independent directors on CIT's Board also appoint a Lead Director who is independent of management. This position is currently held by Vice Admiral John R. Ryan, USN (Ret.). The Board has structured the role of our independent Lead Director to strike an appropriate balance with the combined Chairwoman and Chief Executive Officer role and to fulfill the important requirements of independent leadership on the Board. As Lead Director, Mr. Ryan:

presides over all meetings of the Board at which the Chairwoman is not present;

presides at executive sessions of the Board;

develops and approves meeting agendas for the Board to ensure that management is addressing all matters of concern or interest to the Board and that sufficient time for discussion is allocated for each matter; and

serves as a liaison between the Chairwoman and the independent directors.

Director Succession

The Governance Committee periodically reviews with the Board the skills and characteristics appropriate for Board members. The Board seeks diversity in its members with respect to background, skills and expertise, industry knowledge, and experience. It is the policy of the Board that individuals will not be nominated for election to the Board by the Governance Committee if on the date of election by shareholders their age would be 75 or older.

The Board's Role in Risk Oversight

The Board believes that evaluating how CIT's executive team manages the various risks confronting CIT is one of the most important areas of its oversight responsibilities and that effectively balancing risk and return is critical to the long-term success of CIT. CIT has a comprehensive enterprise risk management program that governs the policies and procedures used by management to monitor, evaluate and manage the risks we assume in conducting our business activities. Our Board's oversight of this risk management process is conducted primarily by our Audit Committee and our Risk Management Committee; however, each of the other Board Committees also considers risk within its area of responsibility. The following describes some of the risks overseen by the Board Committees.

Audit Committee

The duties of the Audit Committee include reviewing and discussing with the appropriate members of management CIT's major financial risk exposures, including interest rate, liquidity, foreign currency exposure, cash investment, funding, swap-counterparty, and asset-liability management risks, as well as overseeing CIT's internal controls over financial reporting. In addition, the Audit Committee is responsible for the oversight of, and receives regular reports

regarding, CIT's internal audit and compliance functions and risks related to litigation, compliance and legal matters as well as enterprise, operations and market risks. The Audit Committee and Risk Management Committee meet together quarterly in joint sessions to ensure appropriate communications regarding areas of overlap in overseeing risk.

Risk Management Committee

The duties of the Risk Management Committee include overseeing CIT's risk management functions and processes, including (a) reviewing and recommending to the Board an annual risk appetite statement, and reviewing management's risk appetite limits report to confirm that CIT is operating within its risk appetite statement, (b) ensuring that management has established processes and an enterprise risk management framework and governance structures designed to identify, bring to the Board's and/or the Risk Management Committee's attention, and appropriately manage, monitor, control and report exposures to the major risks affecting CIT, including risk management deficiencies and the timely implementation of corrective actions to

Table of Contents

address such deficiencies, (c) monitoring the performance, quality and trends associated with CIT's credit portfolio, (d) assessing, jointly with the Audit Committee, the adequacy of CIT's allowance for loan losses and management's methodology for determining such allowance, (e) receiving, jointly with the Compensation Committee, management's assessment of the effectiveness of the design and operation of CIT's incentive compensation programs, and (f) overseeing CIT's stress testing process. The Risk Management Committee also oversees CIT's loan review function, information security processes, business continuity planning, and the use of insurance to manage certain of CIT's risks.

Compensation Committee

The duties of the Compensation Committee include regularly assessing risks related to our compensation programs, including our executive compensation practices. Management provides information on a regular basis to the Compensation Committee regarding compensation elements and features that could mitigate or encourage excessive risk-taking. In assessing compensation related risks, the Compensation Committee, together with the Risk Management Committee, considers the balance between annual and longer-term performance incentives, performance measures that motivate sustained performance while prudently managing risk, stock ownership guidelines that align executives' interests with those of our stockholders, and our clawback policy to recoup compensation.

Governance Committee

The duties of the Governance Committee include reviewing and minimizing risks by ensuring appropriate policies and practices exist and are implemented to avoid or manage conflicts of interest by and among CIT, its executive officers, directors, director nominees and stockholders, overseeing an effective succession planning process, overseeing CIT's Political Contributions Policy and lobbying practices, and adopting prudent governance policies. For more information, see [Corporate Governance](#) above for a list of significant corporate governance practices and policies.

Cybersecurity

In addition to the risks described above, the Board is also actively involved in oversight of CIT's cybersecurity risks. In recent years, a number of highly-publicized data breaches and other cybersecurity attacks have demonstrated that cybersecurity events can lead to significant financial losses and reputational harm to the breached company. Information security, including cybersecurity, is a high priority for CIT and the Board, and CIT continues to develop policies and technology to protect both CIT's and its clients' information from cyberattacks or other corruption or loss. The Risk Management Committee oversees CIT's technology and cybersecurity risks.

CIT has implemented an Information Risk Group (IRG) that oversees the Chief Information Security Officer, who is responsible for developing, implementing, and maintaining an effective information security program. The IRG is responsible for the ongoing monitoring, testing, and measurement of effectiveness of CIT's information security program and business continuity program. In addition, CIT has adopted the Federal Financial Institutions Examination Council's Cybersecurity Assessment framework for the identification of inherent cybersecurity risk, measurement of cybersecurity maturity based on the risk profile of the Company, management and deployment of cybersecurity controls, and is an active participant in the Financial Services Information Sharing and Analysis Center.

The Board actively oversees the CIT's efforts to maintain and enhance its operations resilience, and regularly reviews CIT's cybersecurity practices. Through its committees, the Board reviews and approves information security policies and programs, including those relating to cybersecurity, security risk assessment, security strategies, disaster recovery, business continuity and incident response plans, and is briefed at least on a quarterly basis on information security matters. The CISO conducts training and awareness programs for the Board to ensure that the Board remains aware and informed on information security incidents and response plans.

Succession Planning

The Board is actively engaged and involved in talent management. The Board reviews the Company's human resources strategy in support of its business strategy at least annually. This process includes a detailed discussion of the Company's leadership bench strength and succession plans with a focus on key positions at the senior officer level. In addition, the Board Committees regularly discuss the talent depth for specific critical roles. High potential leaders are given exposure and visibility to Board members through formal presentations and informal events. For more information on CIT's Board Committees, see [Corporate Governance](#) [Board Committees](#) below.

Director and Senior Executive Officer Stock Ownership Policy

CIT believes that significant stock ownership by its directors and senior executive officers further aligns their and CIT stockholders' interests. Accordingly, under our Corporate Governance Guidelines, within a specified period of time, directors are required to own shares of CIT's common stock at least equal in value to five times the amount of the directors' annual retainer fee. Value is generally calculated as the number of shares owned multiplied by the greater of (i) the current stock price or (ii) the 3-year average stock price of CIT's common stock. This minimum stock ownership must be maintained for as long as both (a) such director remains on the Board and (b) CIT's common stock is publicly traded on a national securities exchange. Senior executive officers of CIT are also required to own a minimum amount of CIT shares as further described in the [Compensation Discussion and Analysis](#) portion of this Proxy Statement.

As described in greater detail under [Hedging, Margin Accounts and Pledged Securities](#) below, CIT's directors are prohibited from entering into financial transactions to hedge their ownership interest in CIT's stock.

Board Committees

During 2018, our Board maintained an Audit Committee, a Compensation Committee, a Governance Committee, and a Risk Management Committee as standing committees. The Audit Committee and Compensation Committee are currently comprised of four directors. The Governance Committee and the Risk Management Committee are currently comprised of five directors. Each director serving on the Audit Committee, the Compensation Committee, the Governance Committee and the Risk Management Committee is independent as defined by the NYSE and SEC rules and regulations. Each Board Committee has a separate chair and operates under a written charter. The current version of the written charter of each standing Board Committee is available on our website at <https://www.cit.com/about/us/governance/board-of-directors/>.

Board Committee Duties, Generally

Each Board Committee:

conducts its duties consistent with its written charter, which it reviews and updates (if appropriate) at least annually;

conducts a self-evaluation annually;

cooperates and coordinates with the other Board Committees on areas where the substance of their activities overlap; and

regularly reports to the Board.

Committees	Committee Duties and Responsibilities
Audit Committee	monitoring the quality and integrity of our financial reporting process, financial statements and systems of internal controls regarding finance and accounting; monitoring compliance with our Code of Business Conduct, other compliance policies, and legal and regulatory requirements; reviewing the budget, plan and activities of the Internal Audit Department and the appointment, performance and replacement of the Chief Auditor; reviewing the budget, plan and activities of the Compliance Department and the appointment, performance, and replacement of the Chief Compliance Officer; retaining, determining the compensation of, and monitoring the qualifications, independence and performance of the independent auditors, including approving in advance all audit and non-audit engagements; overseeing the management of our financial, litigation and compliance risks; overseeing and monitoring CIT's significant bank regulatory matters, including CIT's progress in addressing the action items noted by banking regulators in examination and similar reports, and in annual and periodic assessment reports; and approving the Audit Committee Report for inclusion in our annual proxy statement.

The Board has determined that Mr. Frank meets the standard of Audit Committee Financial Expert, as defined by the rules of the SEC, and that each member of the

Audit Committee is independent from management and financially literate, as defined by the NYSE listing standards.

Compensation Committee

The Compensation Committee evaluates, oversees and approves the compensation and benefits for our executive officers and other employees, and is responsible for the following:

- overseeing, reviewing and approving the overall goals and purposes of CIT's incentive compensation programs for all employees, to ensure that such programs appropriately balance risk and financial results and do not encourage excessive risk taking;
- reviewing and recommending to the Board for approval the corporate goals and objectives relevant to CEO compensation;
- recommending to the Board the compensation and benefits for the CEO considering CIT's and our CEO's performance relative to financial, strategic and other goals and objectives approved by the Board and the value of compensation granted to the CEO at comparable or peer companies;
- approving the compensation for our executive officers and reviewing the compensation for all employees (other than our executive officers) whose annual compensation exceeds \$1 million;
- meeting at least annually to discuss and evaluate employee compensation plans with CIT's Chief Risk Officer in light of an assessment of any risk posed to CIT, to ensure that such plans do not encourage employees to take unnecessary and excessive risks and to ensure that such plans do not encourage the manipulation of CIT's reported earnings to enhance the compensation of any of CIT's employees;
- receiving and reviewing, jointly with the Risk Management Committee, management's assessment of the effectiveness of the design and operation of CIT's incentive compensation programs in providing risk-taking incentives that are consistent with the safety and soundness of CIT;
- maintaining compensation practices that are consistent with applicable market standards and compliant with applicable regulatory requirements;

Stockholder Communications with the Board

Any person who has a concern about CIT's governance, corporate conduct, business ethics or financial practices may communicate that concern to the non-management directors. In addition, CIT's stockholders may communicate with the Board regarding any topic of current relevance to CIT's business. Any of the foregoing communications should be submitted in writing to the Lead Director, the Audit Committee, or the non-management directors as a group by writing to them, c/o CIT's General Counsel and Secretary, One CIT Drive, Livingston, New Jersey 07039, or by email to directors@cit.com. Concerns and stockholder communications may also be directed to the Board by calling the CIT Hotline in the U.S. or Canada at 1-877-530-5287. To place calls from other countries in which CIT has operations, individuals may call the toll free numbers listed in our Code of Business Conduct, which is available on our website at <https://www.cit.com/about/us/governance/>. These concerns can be reported confidentially or anonymously. Concerns and issues communicated to the Board will be addressed through CIT's regular procedures:

depending on the nature of the concern or issue, your communication may be referred to CIT's Chief Auditor, General Counsel, Chief Human Resources Officer or other appropriate executive for processing, investigation, and follow-up action;

concerns relating to CIT's accounting, internal accounting controls or auditing matters will be referred to the Audit Committee; and

other concerns may be referred to either CIT's Lead Director or to one or more non-management members or Board Committee.

CIT's General Counsel reserves the right not to forward to Board members any abusive, threatening or otherwise inappropriate materials or any other communications intended solely to market services or products to directors or CIT.

Compensation Committee Interlocks, Insider Participation and Banking Interlocks

There are no interlocking relationships between any member of our Compensation Committee and any of our executive officers that would require disclosure under SEC rules. No member of our Compensation Committee is a current or former officer or employee of CIT. No member of our Board and none of our senior executive officers (as defined in 12 C.F.R. §303.101) is a management official of an unaffiliated depository organization.

Legal Proceedings

There are no known legal proceedings or events in the past ten years that are material to an evaluation of any director, executive officer, or person nominated to become a director or executive officer of CIT, other than CIT's bankruptcy in 2009.

CIT Political Contributions Policy

CIT believes that an important part of responsible corporate citizenship is participation in the political and public policy process. The focus of these efforts is on issues that affect the company, our operations, employees, customers, shareholders and local communities. Our business is subject to extensive laws and regulations at the federal, state and local levels, and changes to these laws can significantly affect how we serve our customers and the costs we incur. It is important for CIT to engage in the political dialogue to advance the interests of our company.

Even where legally permitted, CIT's policy is to not use any company funds or property for any candidate campaign funds, including candidate campaign committees, political parties, caucuses, or independent expenditure committees (super PACs).

CIT may use contract lobbyists and trade associations to monitor and provide comments on proposed legislation and regulations that may affect how our customers can be served. The General Counsel must approve any lobbying activities by employees or the use of company funds for lobbying.

CIT's Political Action Committee (PAC) is a non-partisan committee that provides an opportunity for company employees to participate in the political process. The PAC is funded entirely through voluntary contributions from eligible CIT employees, and uses those funds to support candidates running for elective office, political parties, and other political action committees that are supportive of CIT's public policy goals.

CIT's Code of Business Conduct encourages employees to participate in civic and political activities on their own time based on their individual desires and political preferences, including making personal contributions to political candidates or activities, as long as they do not express or imply that they are acting on behalf of CIT.

Hedging, Margin Accounts and Pledged Securities

Under CIT's Securities Trading Policy, all CIT directors and employees are prohibited from entering into hedging or monetization transactions related to CIT's securities, including the use of financial instruments such as prepaid variable forward contracts, puts, calls, equity swaps, credit default swaps, collars, exchange funds or other derivative instruments related to CIT's securities. CIT's directors and employees are also prohibited from holding CIT's securities in a margin account or otherwise pledging CIT securities as collateral for a loan.

Director Compensation

The Governance Committee recommends to the Board the compensation and benefits for CIT's non-employee directors. The objectives of the director compensation program are to attract highly qualified individuals to serve on the Board and to align their interests with our stockholders. Employee directors do not receive compensation for their services as a director.

CIT's director compensation plan (the **Director Compensation Plan**) is described below. Directors' compensation is earned for each twelve-month period beginning in May and ending in April, but is disclosed in the annual proxy statement on a fiscal year basis.

Changes to Director Compensation for 2019

The Governance Committee reviewed the Director Compensation Plan in January 2019, as well as director pay data for the proxy peer group. Upon advice from Pay Governance, the Governance Committee recommended to the Board of Directors and the Board of Directors approved the following amendments to the Director Compensation Plan (**Amended Plan**) effective as of May 14, 2019: (1) an increase to the annual cash retainer from \$85,000 to \$90,000; (2) an increase to the annual equity award from \$95,000 to \$115,000; (3) an increase to the supplemental director compensation for serving as Lead Director from \$25,000 to \$40,000, and for serving as Compensation Committee Chair or Risk Management Committee Chair from \$15,000 to \$20,000; (4) replacing meeting fees for serving on the Board of Directors of CIT Bank (the **CIT Bank Board**) with a supplemental retainer of \$10,000; (5) reduce the vesting requirement for future equity awards from three years to one year; and (6) eliminating initial equity awards valued at \$100,000 in connection with a director's appointment to the Board, including immediate vesting of a number of shares equal to \$1,000 of such equity grant.

Initial Equity Awards

Effective as of May 14, 2019, the initial equity award to new directors will be eliminated in accordance with the Amended Plan approved by the Board. Prior to May 14, 2019, a one-time grant of restricted stock units (**RSUs**) valued at \$100,000 at the time of grant was awarded to directors in connection with their appointment to the Board, subject to applicable black-out periods and vested in three equal annual installments. For directors who became members of the Board of CIT Bank, N.A. and did not at that time own any CIT Group Inc. common stock, vesting of a number of shares equal to \$1,000 of the one-time grant of RSUs was accelerated to the date that the director joined the Board of CIT Bank, N.A.

Annual Compensation

The following table outlines the elements of compensation paid to directors for the twelve-month period beginning in May 2018 and ending in April 2019, and determined by each director's role on the Board, pursuant to the Director Compensation Plan.

	Lead Director, Board Committee Chairs and Directors Serving on more than one Board Committee	All Other Directors
Cash Retainer	\$ 85,000	\$ 85,000
Equity-Based Award (1)	\$ 105,000 to \$155,000	\$ 95,000
Total	\$ 190,000 to \$240,000	\$ 180,000

Table of Contents**Director Compensation**

(1) CIT's Director Compensation Plan provides for supplemental director equity-based awards in the form of RSUs as follows: \$25,000 for serving as Audit Committee Chair, \$15,000 for serving as Risk Management, Compensation, or Governance Committee Chair, \$25,000 for serving as Lead Director and \$10,000 for serving on more than one Board Committee. The range of compensation listed in the Equity-Based Award and Total rows of the table represent the foregoing amounts. The maximum amounts in such ranges presume that a director serves as Audit Committee Chair and Lead Director and serves on more than one Board Committee. Effective as of May 14, 2019, pursuant to the Amended Plan, the following table outlines the elements of compensation paid annually to directors for each twelve-month period beginning in May and ending in April, and determined by each director's role on the Board.

	Lead Director, Board Committee Chairs and Directors Serving on more than one Board Committee	All Other Directors
Cash Retainer, CIT Board	\$ 90,000	\$ 90,000
Cash Retainer, CIT Bank Board	\$ 10,000	\$ 10,000
Equity-Based Award (1)	\$ 125,000 to \$190,000	\$ 115,000
Total	\$ 215,000 to \$290,000	\$ 215,000

(1) CIT's Amended Plan provides for supplemental director equity-based awards in the form of RSUs as follows: \$25,000 for serving as Audit Committee Chair, \$20,000 for serving as Risk Management or Compensation Committee Chair, \$15,000 for serving as Governance Committee Chair, \$40,000 for serving as Lead Director and \$10,000 for serving on more than one Board Committee. The range of compensation listed in the Equity-Based Award and Total rows of the table represent the foregoing amounts. The maximum amounts in such ranges presume that a director serves as Audit Committee Chair and Lead Director and serves on more than one Board Committee.

Annual Cash Retainer

Under the current and amended Director Compensation Program, an annual cash retainer is payable semi-annually in May and October of each year. In addition, directors who are members of the Regulatory Remediation Working Group receive a supplemental cash retainer of \$15,000. Directors may elect to receive their annual cash retainer in any combination of cash and RSUs that settle 100% in shares of CIT stock. RSUs granted in lieu of cash as part of the annual retainer vest in full on the first anniversary of the grant date.

Annual Equity Awards

Directors' equity-based awards are granted in May of each year in the form of RSUs that settle 50% in cash and 50% in shares and vest in three equal annual installments. Under the Amended Plan, directors' equity-based awards are granted in May of each year in the form of RSUs that settle 50% in cash and 50% in shares and fully vest on the first anniversary of the award on the first day of the calendar month following the first anniversary of the award. Directors may elect to receive 100% of vested RSUs in shares of CIT stock.

Pro-Ration Upon Joining the Board

Annual cash retainers and the value of annual equity-based awards payable to directors with respect to the compensation year during which they are named to the Board are prorated, based on the number of months remaining in the compensation year at the time they are appointed to the Board divided by twelve.

Director Compensation

Meeting Fees

In accordance with the Amended Plan effective May 14, 2019, meeting fees for CIT Bank will be eliminated and replaced with an annual cash retainer of \$10,000 as described above. Prior to May 14, 2019 CIT Group directors who also served on the CIT Bank Board received \$1,000 for each meeting of the CIT Bank Board in which they participated in person, and \$500 for each meeting of the CIT Bank Board in which they participate by telephone. Such fees were payable quarterly in arrears, in cash. No additional fees were paid for attendance at CIT Group Board or Board Committee meetings.

Out-of-Pocket Expenses

Directors are reimbursed for reasonable out-of-pocket expenses incurred in attending Board or Board Committee meetings and functions and for continuing education related to serving as a director of CIT.

Laura S. Unger	\$ 92,500	\$ 105,000	\$	\$ 197,500

(1) Ms. Alemany's compensation for 2018 was based solely on her role as CEO of CIT, as disclosed in the Summary Compensation Table and discussed in the Compensation Discussion and Analysis section in this Proxy Statement.

- (2) The amounts shown for each non-employee director include annual cash retainer and meeting fees received during 2018 for participation in meetings of the CIT Bank Board, as set forth in the table below:

	CIT Bank Board	
Name	Meeting Fees	
Messrs. Brosnan, Frank, Oates, and Rosenfeld, and Mses. Stamps and Unger	\$	7,500
Mr. Carpenter	\$	7,000
Mr. Tran and Ms. Dominguez	\$	6,000
Ms. Miller Parrs	\$	5,500
Messrs. Freeman and Ryan	\$

Director Compensation

Messrs. Brosnan and Oates each received a prorated supplemental cash retainer of \$8,750 during 2018, covering their services on the Regulatory Remediation Working Group beginning in October 2017 through April 2018. These amounts are included in the amounts reported in the Director Compensation Table above.

During 2018, Messrs. Carpenter, Rosenfeld and Tran elected to receive 100% of their annual retainers in the form of RSUs. All of the other non-employee directors received their retainers as cash. The grant date fair value of RSUs received at each director's election did not exceed the value of the foregone cash retainer, and no amount related to such awards is therefore included in the Stock Awards column. The retainer amounts were converted to a number of RSUs based on the closing price of CIT common stock on the respective grant dates, and are scheduled to vest 100% on the first anniversary of the grant date. The number of RSUs granted and the grant date fair value of awards granted at each director's election are as follows: Each of Mr. Carpenter, Mr. Rosenfeld and Mr. Tran, 800 RSUs granted on 5/8/18 (\$42,500), and 968 RSUs granted on 10/24/18 (\$42,500).

- (3) Represents the aggregate grant date fair value of RSUs granted during 2018 for each non-employee director, other than for RSUs granted as part of the annual retainer and described in footnote 2 above. These amounts do not represent the actual value realized by each director. The grant date fair value is determined in accordance with FASB ASC Topic 718 based on the closing price of CIT common stock on the date of grant. The number of RSUs granted during 2018 was determined based on the closing price of CIT common stock on each grant date and are scheduled to vest in equal installments on the first, second, and third anniversaries of the date of the award. The number of RSUs and grant date fair value of awards granted to each non-employee director are as follows:

Name	Grant		Grant Date Fair Value
	Date	# RSUs	
			\$ 105,000
Mr. Brosnan and Mr. Carpenter; Mses. Stamps and Unger	5/8/2018	1,976	
Mr. Tran and Ms. Dominguez	5/8/2018	1,787	\$ 95,000
Messrs. Frank, Freeman and Oates	5/8/2018	2,258	\$ 120,000
Mr. Rosenfeld	5/8/2018	2,070	\$ 110,000
Mr. Ryan	5/8/2018	2,446	\$ 130,000

The RSUs listed above are scheduled to either settle 50% in cash and 50% in shares, or 100% in shares based on director elections.

- (4) The following table sets forth the aggregate number of equity-based awards to each non-employee director outstanding at December 31, 2018:

Name	# RSUs
Mr. Brosnan	5,971
Mr. Carpenter	10,139
Ms. Dominguez	4,962
Mr. Frank	4,920
Mr. Freeman	7,824
Ms. Miller Parrs	
Mr. Oates	7,322
Mr. Rosenfeld	22,604
Mr. Ryan	13,976
Ms. Stamps	4,858
Mr. Tran	6,035
Ms. Unger	17,814

Director Compensation

The use of stock options was discontinued in April 2010, and RSUs were the only form of equity-based awards granted to directors during 2018. The number of RSUs that are vested as of December 31, 2018 but deferred at the election of the directors, included in the number of RSUs outstanding presented above, are as follows:

Mr. Carpenter 2,848; Mr. Freeman 2,654; Mr. Oates 2,152; Mr. Rosenfeld 16,097; Mr. Ryan 8,375; and Ms. Unger 13,240.

- (5) The amount shown represents a cash reimbursement for shares of CIT common stock that Mr. Brosnan purchased to satisfy an initial stock ownership requirement in connection with his appointment to the Board of Directors of CIT Bank, N.A.
- (6) Ms. Miller Parrs received retainer payments during 2017, and meeting fees during 2018, that covered her services through retirement from the Board in May 2018.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (**Exchange Act**), requires CIT's directors, certain officers and persons who own more than 10% of a registered class of CIT's equity securities, to file reports of securities ownership and changes in such ownership with the SEC. Certain officers, directors and greater than 10% stockholders also are required by SEC rules to furnish CIT with copies of all Section 16(a) forms they file.

Ms. Alemany filed one late Form 4 amendment in 2019 regarding two transactions for the disposition of CIT common stock to cover tax withholding obligations for restricted stock units (RSUs) that settled in 2017. The Form 4 reporting the settlement of the related RSUs was timely filed in 2017. The late filing resulted from administrative errors by CIT. Based solely upon a review of the copies of Forms 3, 4 and 5 and any amendments thereto furnished to CIT and written representations made to CIT, CIT believes that all other Section 16(a) filing requirements were timely met

during 2018.

Compensation Discussion and Analysis¹

This Compensation Discussion and Analysis (**CD&A**) describes our executive compensation program for 2018, how our compensation decisions align with our 2018 financial and strategic achievements, and the changes we made as a result of stakeholder feedback and to further align compensation with our 2018 strategic objectives.

Introduction**2018 Compensation Program Highlights**

Our executive compensation programs are continually adjusted and refined to reflect our business evolution. Accordingly, our 2018 compensation programs were designed around our vision of creating a leading national bank focused on lending and leasing to the middle market and small businesses.

Performance-Driven. Our CEO's 2018 target total direct compensation was set at the median of our peer group, with 86% performance-based and 63% in stock-based long-term incentive.

Short-Term Incentive (STI). For 2018 STI, we kept our rigorous scorecard approach from prior years, including the same quantitative and qualitative weightings for our CEO and other named executive officers (together, our **NEOs**) and added Culture to the qualitative categories we assessed in order to reflect it as an ongoing priority for the Company and the Board. The CEO and other NEOs had a minimum percentage (30% for the CEO and NEOs in corporate functions, and 15% for NEOs in business segments) of their 2018 STI tied to CIT's overall adjusted return on tangible common stockholders' equity (**ROTCE***). For 2018, maximum STI for all of our NEOs remained limited to 150% of target.

Long-Term Incentive (LTI). We continued to provide 100% performance-based LTI, awarded 50% in performance share units (**PSUs**) tied to 3-year average adjusted ROTCE, which continued to be subject to a relative total shareholder return (**TSR**) adjustment factor and 50% in performance-based RSUs (**PBRsUs**) with minimum Common Equity Tier 1 performance hurdle.

Clawback. We maintained our robust clawback provisions on all LTI awards and cash payments under our STI program.

Long-Term Focus. We maintained significant stock ownership and retention requirements for our CEO and other senior executives for the duration of employment, a strict anti-hedging policy and a shareholder friendly equity plan (minimum one-year vesting requirement, no single-trigger change of control provisions, no grants of stock options or stock appreciation rights below 100% of fair market value).

Stakeholder Engagement

We solicit feedback throughout the year from investors regarding our compensation practices and our corporate governance practices more generally through individual meetings and other communications. The Compensation Committee also engages its independent compensation consultant, Pay Governance, to conduct a market best practices study on an annual basis.

We received 89% support from shareholders in the 2018 Say-on-Pay vote on our executive compensation program (up from 81% in 2017), which reflected changes instituted as a result of the feedback we had received from shareholders in the prior year.

In consideration of this result, the findings from a market best practices survey conducted by Pay Governance, as well as additional outreach to investors, the Compensation Committee determined to maintain the same executive compensation structure for 2018 while updating the annual scorecard for the executives to include Culture, an ongoing priority for the Company and the Board of Directors, as part of the Talent Management category. We continue to ensure that our compensation-related goals are aligned with our strategic objectives and priorities, while continuing to focus on core asset growth, operating efficiency, risk management and shareholder return.

Guiding Principles

Attract, retain and motivate high-quality executives and staff

Target pay levels designed to be competitive with market practice.

Differentiate compensation by individual, reflecting his or her role, experience, performance and expected contributions.

Pay for

Our program includes short-term and long-term performance-based elements, encompassing both objective and subjective goals, and considers corporate, business segment, individual, and relative performance.

**performance /
Meritocracy**

Total compensation is expected to vary each year and over the long term to reflect our strategic objectives and performance.

**Reinforce long-term
view of CIT
performance and value
creation**

A significant portion of incentive compensation is stock-based and long-term in focus.

Robust equity holding requirements and prohibition on hedging.

**Make compensation
decisions in
accordance with strong
governance, oversight
and risk management**

Retain an independent compensation consultant to advise the Compensation Committee.

Maintain robust clawback provisions.

Risk Management Group fully integrated in the overall program design and operation.

Grant of 2018 LTI Awards

For 2018, the Compensation Committee granted LTI awards for the three-year 2018-2020 performance period with the following grant date target values to our named executives: Ms. Alemany (\$4,750,000), Mr. Fawcett (\$1,600,000), Ms. Menelly (\$800,000), Mr. Hudak (\$1,000,000) and Mr. Solk (\$850,000).

2018 LTI awards were granted 50% in PSUs and 50% in PBRsUs. 2018 PSUs become payable only if CIT achieves the applicable performance targets for the 2018-2020 performance period. The performance targets were established in alignment with our business and strategic plan at the start of the performance period. PSU share payouts may increase or decrease from the target grant, with the actual number of shares payable ranging from 0% to a maximum of 150% of target (including the TSR adjustment factor). The number of PSUs that ultimately may vest is based on 3-year average adjusted ROTCE and the TSR adjustment factor, subject to 3-year cliff vesting. The performance measure has a minimum threshold level of performance that must be achieved to trigger any payout; if the threshold level of performance is not achieved, then no portion of the PSUs will be payable.

For PSUs, we disclose the threshold, target (which aligns with our business and strategic plan) and maximum performance levels after the end of the relevant performance period, together with the percentage ultimately earned. We believe disclosing the performance levels while a performance period is open would provide information regarding our performance plans and expectations that could be competitively sensitive.

The 2018 PBRsUs are scheduled to vest one-third per year over three years subject to a performance vesting hurdle: if CIT does not meet the minimum Common Equity Tier 1 required for well-capitalized banks as established by the Federal Reserve for the prior year, the Compensation Committee will determine whether a portion, if any, of the PBRsUs will vest.

All or a portion of the PSUs and PBRsUs may be canceled during the performance period, and vested PSUs and PBRsUs may be recovered for a two-year period (PSUs) or 1-year period (PBRsUs) following the end of the applicable performance period.

As previously disclosed in the 2018 proxy, in recognition of her extraordinary efforts to simplify the Company and reduce operating expenses, complete the sale of the Commercial Air business and return \$3.4 billion in capital to shareholders, the independent members of the Board of Directors decided to grant Ms. Alemany a special PBRsU award in February 2018, with a grant date value of \$1,000,000, with 3-year cliff vesting and subject to a performance vesting hurdle (if CIT does not meet the minimum Common Equity Tier 1 required for well-capitalized banks as established by the Federal Reserve for the prior year, the Compensation Committee will determine whether a portion, if any, of the PBRsUs will vest). While the Board of Directors considered this award in respect of 2017 performance, due to SEC rules governing grants of equity awards, the award appears in this year's Summary Compensation Table.

2018 Performance Determinations

Short-Term Incentive Annual Scorecard Goals & Determinations For 2018 NEOs

In order to provide transparency to shareholders, the Compensation Committee continued to base a significant portion of the 2018 goals and objectives for each executive officer on measurable, objective goals. Quantitative goals were assigned a weighting, with threshold (50%), target (100%) and maximum (150%) payouts, using interpolation for results in between. Qualitative goals were rated holistically on a scale from Does Not Meet to Significantly Exceeds, with each rating corresponding to an associated payout range from 0% of target for Does Not Meet to up to a maximum of 150% of target for Significantly Exceeds.

<p>Capped at 150% of 2018 target for the CEO and other NEOs</p>	<p>Our NEOs' 2018 goals and objectives, along with associated weightings, were set at the beginning of the year and directly align with the Company's business and strategic plan. After the end of the performance year (in February 2019), the Compensation Committee (and Pay Governance, its independent adviser) reviewed Ms. Alemany's performance and in turn discussed its assessment with the independent members of the Board of Directors.</p>
<p>Quantitative goals weighted at least 70% for businesses (60% for corporate functions)</p>	<p>For members of the Executive Management Committee (EMC), which includes our other NEOs, Ms. Alemany reviewed the performance of each EMC member, and her respective assessment of performance across each goal/objective category was reviewed and approved by the Compensation Committee. The CEO's and Compensation Committee's assessment of performance against those goals and objectives, as well as pay determinations, is provided below. In exercising discretion to determine the actual amount of each NEO's 2018 STI, the Compensation Committee rounded the amount of the calculated short-term incentive up or down to the nearest \$25,000 (actual and rounded numbers are shown below).</p>

Ms. Alemany (Chairwoman and Chief Executive Officer)

Ms. Alemany's 2018 short-term incentive target was \$1,750,000, and her 2018 short-term incentive award was \$2,125,000 (\$2,124,375 as calculated, and before rounding), representing 121% of target. As a result, her 2018 total direct compensation was \$7,875,000, 105% of target.

Table of Contents

In 2018, we completed our three-year transformation plan, and further strengthened our risk profile. In determining the qualitative component of Ms. Alemany's STI award, the Committee noted the following:

Strategic/Operational:

Posted 6% core average loan and lease growth from the prior year;

Completed divestiture of non-core operations with sale of NACCO and Financial Freedom;

Achieved core operating expense target of \$1,050 million, while investing in technology and infrastructure;

Optimized funding costs by terminating the legacy total return swaps funding vehicle, extended unsecured debt maturities, improved credit ratings and increased consumer deposits;

Grew direct bank deposits by ~25% and added over 60,000 new customers;

Reduced CET1 ratio from over 14% to 12%;

Repurchased \$1.6 billion of common stock and increased the dividend;

Refreshed the CIT brand and simplified the company's market position while launching a new, unified web presence to align with the brand and integrated market position;

Posted a 10.1% ROTCE in the fourth quarter of 2018, exceeding the high end of the target; and

Increased earnings per diluted share from continuing operations, excluding noteworthy items, by more than 30% and tangible book value per share by 3% from the prior year.

Risk/Regulatory/Compliance:

Reduced regulatory asset and funding risk by divesting non-core and overseas operations, most recently with sale of NACCO and the reverse mortgage business and portfolio;

Maintained strong credit reserves;

Maintained strong regulatory and compliance rigor, despite no longer being a SIFI; and

Enhanced management of the control functions with the hiring of a new Chief Auditor and the promotion of new Risk and Credit leaders.

Culture/Talent Management:

Hired/promoted key senior executives, including: Chief Auditor, Chief Risk Officer, Chief Credit Officer, Treasurer, Chief Compliance Officer, Chief Technology Officer, and Head of Commercial Banking and CIT Bank President;

Continued to drive culture and reinforce Core Behaviors at all levels throughout the organization, including through the Chairwoman's Awards;

Improved the diversity of the executive management team and formed a Diversity and Inclusion Council to drive greater focus in these areas;

Launched the Balance & Wellness initiative to drive employee health, engagement and wellness;

Launched an employee charitable matching program to amplify employee-directed giving to our communities; and

Served on external panel discussions on bank culture/conduct risk to reinforce these areas' importance for CIT.

Other 2018 Named Executive Officers

For our other NEOs, goals were grouped into a quantitative goal category (financial), weighted from 60% (corporate functions) to 70%/80% (for business segments, with higher weighting for Mr. Solk, who oversaw two businesses); and a qualitative goal category (strategic/operational, risk/regulatory/compliance, and talent management/culture), weighted 20%/30% (business segments, with lower weighting for Mr. Solk, who oversaw two businesses) to 40% (corporate functions). Within the quantitative criteria, the Company-wide goal (CIT adjusted ROTCE) represented 15% to 30% of the total STI payout (approximately 20% of the quantitative category for business segments and 50% for corporate functions); other financial goals were aligned directly with the businesses (core average loan and leases, net operating efficiency, charge-offs, deposits/cost of deposits (for Mr. Solk)) and corporate functions (operating expenses).

The table below summarizes the weighted payouts for each of these NEOs based on performance against their annual scorecard. Percentages may not total due to rounding.

In determining the quantitative and qualitative component of our NEOs' STI awards, the Committee noted the following:

Mr. Fawcett

Quantitative: Both Finance operating expenses and CIT Adjusted ROTCE were better than plan, resulting in a payout for this category of 74% (vs. 60% target).

Qualitative: Meets (36%, vs. 40% target)

Strategic/Operational: Successfully executed against key strategic targets (ROTCE, CET1 Ratio and Operating Expenses); returned capital to shareholders through \$1.6 billion in repurchases and increased dividends; drove successful completion of Financial Freedom and NACCO sales, and termination of TRS facility (enabling transfer of railcars into the Bank); actively engaged in driving deposit mix change, branch closures and deposit strategy; restructured capital and debt profiles; aggressively drove outreach to equity/debt investors and optimized investment portfolio buildout.

Risk/Regulatory/Compliance: Successfully delivered on all regulatory commitments, enhanced engagement with regulators and supported CRA plan; drove efficiencies and enhanced internal controls within Finance and across the firm.

Culture/Talent Management: Continued to upgrade talent in key Finance leadership roles and realigned Institutional Deposit Group.

Table of Contents

Executive Compensation

Ms. Menelly

Quantitative: Technology and Operations operating expenses and CIT Adjusted ROTCE were both better than plan, resulting in a payout for this category of 70% (vs. 60% target).

Qualitative: Exceeds (46%, vs. 40% target)

Strategic/Operational: Completed outsourcing of Mortgage Servicing and executed on divestitures; implemented significant Digital Bank enhancements and Bank customer retention program; continued technology system upgrades to improve efficiencies and controls; initiated significant savings by reducing real estate footprint; created tech design team to implement new branding initiatives.

Risk/Regulatory/Compliance: Upgraded key operating systems and significantly strengthened cyber capabilities; enhanced first line of defense framework for Technology and Operations; improved data quality and turnaround time to support regulatory reporting; created and implemented enterprise-wide records management program; led IT requirements for CECL and changes in lease accounting.

Culture/Talent Management: Strengthened leadership and transformed operating model to focus industry expertise in key areas; developed talent with focus on mid-level and junior staff; led Women's Initiative Network, expanding its reach and impact across the firm.

Mr. Hudak

Quantitative: Commercial Finance core average loans and leases and charge-offs were both approximately at plan; net efficiency ratio was significantly below plan; and CIT Adjusted ROTCE was better than plan, resulting in a payout for this category of 50% (vs. 70% target).

Qualitative: Mostly Meets (23%, vs. 30% target)

Strategic/Operational: Northbridge JV fully operational, with substantial pipeline and new commitments; re-launched Maritime business with significant new commitments and improved portfolio ratings; significant progress on Aviation and Healthcare Real Estate initiatives.

Risk/Regulatory/Compliance: Successfully completed regulatory commitments; increased portfolio weighting of asset-based transactions; strengthened treasury management and operational controls, and managed leveraged loan levels within risk tolerance limits.

Culture/Talent Management: Retained core talent across all industry verticals in strong competitive market; hired key staff in underwriting/portfolio management and related roles; streamlined organizational structure and increased diversity in key management positions and levels.

Mr. Solk

Quantitative: CIT Bank and Commercial Services core average loans and leases, CIT Bank cost of deposits (vs. index), Commercial Services charge-offs and CIT Adjusted ROTCE were all better than plan; CIT Bank operating expenses and Commercial Services net efficiency ratio were below plan, resulting in a payout for this category of 82% (vs. 80% target).

Qualitative: Meets (21%, vs. 20% target)

Strategic/Operational: Successfully consolidated retail branches and minimized cost of deposit trends versus market; substantially improved customer experience in Direct Bank, with reduction in customer turnover and increase in interest spread; oversaw strong performance in Mortgage business including introduction of new products and higher yields; increased factoring volume in Commercial Services in difficult retail environment.

Risk/Regulatory/Compliance: Successfully revised CRA plan and launched Community Development lending team; completed first-ever grant to City of LA to provide down payment assistance to Low to Moderate Income borrowers; expanded community outreach through branch Community Advocate program; strengthened sales practices and behaviors across the Consumer businesses.

Culture/Talent Management: Hired / promoted key talent with strong focus on employee development, diversity and inclusion; developed working groups and cross-functional teams to enhance training and development and strengthen risk management.

2019 CEO Scorecard and Program Changes

2019 CEO Short-Term Incentive Scorecard

For 2019, we have retained the annual scorecard (including the same quantitative/qualitative weightings for the CEO and other NEOs), while continuing to ensure that goals are aligned with our strategic objectives and priorities. For 2019, we will continue to focus on asset growth, operating efficiency and shareholder return, with our quantitative goals reflecting key performance metrics and guidance to investors. Qualitative categories continue to reflect ongoing priorities for the Company and Board of Directors.

Our CEO's 2019 short-term incentive goal categories and weightings are shown below:

Goal	Weighting
Quantitative	70%
Core Average Loans and Leases	20%
Net Efficiency Ratio	20%
Adjusted ROTCE	30%
Qualitative	30%

2019 Target Total Direct Compensation Changes for CEO and Other NEO

As part of approving 2019 total direct compensation targets during the first quarter of 2019, the Compensation Committee reviewed total compensation targets for the Company's proxy peer group (for the CEO and CFO), as well as competitive market compensation surveys from McLagan and other publicly available information. In recognition of her performance during 2018, as well as upon a review of pay data for the proxy peer group and advice from Pay Governance, the Committee recommended to the Board of Directors and the Board of Directors approved an increase in the total direct compensation target for Ms. Alemany to \$7,850,000 by maintaining her annual base salary at \$1,000,000 while increasing her performance-based compensation adjusting her short-term incentive compensation target to 185% of annual base salary and increasing her long-term incentive target to \$5,000,000. In addition, the Compensation Committee increased the total direct compensation target for Ms. Menelly to \$2,250,000 to better align with the market, by increasing her short-term incentive target to 125% of annual base salary, and increasing her long-term incentive compensation target to \$900,000. 2019 target total direct compensation remains unchanged for the other NEOs.

LTI Performance

Grant of 2016 PSUs

In 2016, the Compensation Committee granted PSUs, representing 50% of total 2016 LTI, to executives, which vest based on achievement of average adjusted ROTCE, subject to downward adjustment based on the Company's provision for credit losses, for the three-year performance period from January 1, 2016 to December 31, 2018 (**2016 PSUs**). All of our NEOs other than Mr. Fawcett were awarded 2016 PSUs.

Earned 2016 PSUs

The 2016 PSUs were payable between 0% to a maximum of 150% of target based on average adjusted ROTCE over the three-year performance period, as shown below, subject to a credit provision modifier which was included by the CRO to enhance risk-balancing.

If the minimum threshold level average adjusted ROTCE had not been met, no 2016 PSUs would have been earned by their terms. In addition, earn-out of the 2016 PSUs was subject to downward adjustment by up to 15% based on a modifier that measured provision for credit losses as a percentage of average earning assets (but not below 50% if threshold adjusted ROTCE was achieved).

Table of Contents

Executive Compensation

Our 2016 PSUs vested at the end of 2018. For the three-year performance period, the Committee established a target ROTCE of 7.6%, a threshold of 4.0% and a maximum of 11.0%. The three-year average adjusted ROTCE for the 2016 PSUs was determined to be 7.2%, resulting in a payout of approximately 96% of target. The credit provision modifier did not reduce the payout.

Goal	Threshold	Target	Maximum	Performance (as adjusted)
Adjusted ROTCE*	4.0%	7.6%	11.0%	7.2%

Clawback Provisions

CIT has had cancellation / recoupment provisions on equity-based awards in place since 2010.

PBRsUs Both unvested PBRsUs and PBRsUs that have vested within the prior 12 months are subject to forfeiture/recoupment in the event of: (1) a material restatement of all or any portion of the Company's financial statements; (2) materially inaccurate financial information or other performance metrics; (3) the executive's failure to comply with the Company's risk policies or standards or improperly or negligently fails to properly identify, raise or assess, in a timely manner, risks and/or concerns with respect to monetary, reputational or other risks material to the Company or its business activities; (4) the executive's detrimental conduct or violation of Company policies; and/or (5) the executive's breach of any agreements or provisions in any Company plan, policy or arrangement, including without limitation, any provision relating to non-competition, non-solicitation, non-inducement, confidential information, inventions, developments, proprietary property or notice period. Unvested PBRsUs are also subject to forfeiture if the executive retires from CIT to work for a competitor.

PSUs Unvested PSUs and PSUs that have vested but not yet been delivered are subject to forfeiture, as applicable, for each of the same (1) – (5) events applicable to PBRsUs listed above. Unvested PSUs are also subject to forfeiture if the grantee retires from CIT to work for a competitor. Additionally, vested PSU awards may be recovered for two years following the end of the three-year performance period in the event of the following: (1) the same five, events applicable to PBRsUs listed above; and/or (2) a consolidated, pre-tax GAAP loss occurs for either of the two years following the end of the performance period as a result of credit losses incurred with respect to loan and lease transactions originated and booked during the performance period. Pre-tax GAAP loss is

defined under Non-GAAP Financial Measures and Other Definitions below.

Cancellation / recoupment provisions apply to our cash STI awards consistent with the provisions applicable to PBRsUs apply equally to our cash STI awards.

Cash STI Awards Cash STI paid within the prior 12 months is subject to recoupment in the event of: (1) a material restatement of all or any portion of the Company's financial statements; (2) materially inaccurate financial information or other performance metrics; (3) the executive fails to comply with the Company's risk policies or standards or improperly or negligently fails to properly identify, raise or assess, in a timely manner, risks and/or concerns with respect to monetary, reputational or other risks material to the Company or its business activities; (4) the executive's detrimental conduct or violation of Company policies; and/or (5) the executive's breach of any agreements or provisions in any Company plan, policy or arrangement, including without limitation, any provision relating to non-competition, non-solicitation, non-inducement, confidential information, inventions, developments, proprietary property or notice period.

In each case, any determination in respect of the cancellation or recoupment of incentives will be made in the sole discretion of the Compensation Committee or its designee based on the underlying facts and circumstances.

Equity Ownership and Retention

Our Executive Equity Ownership and Retention Policy requires executives to own a minimum level of CIT stock equal to a specific multiple of base salary (*i.e.*, 6 times for the CEO; 3 times for other NEOs; and 1 time for other executives). Executives are also required to retain 50% of the shares received on vesting or exercise of CIT equity-based awards for the duration of their employment with CIT, after any shares withheld to cover income tax withholding obligations. The value of stock owned is calculated using the greater of: (1) the closing price of CIT common stock; or, (2) a calculated per-share value based on the 3-year average closing price of CIT common stock on any given measurement date.

The policy applies to a broad group of senior executives, including all of our executive officers. Executives have five years to meet the minimum ownership requirement. Each of our NEOs meets the requirements of this policy.

Severance and Change of Control Arrangements

Agreement with Ms. Alemany. Effective October 26, 2015, the Company entered into a letter agreement with Ms. Alemany which provides for severance in the event the Company terminates her employment without cause or she terminates her employment for Good Reason (in each case, as defined in the letter agreement) in the amount of one times her base salary, plus a pro-rata severance bonus for the year of termination (based on her short-term and long-term incentive targets the latter to the extent the long-term incentive award for the year has not been awarded at the time of termination). If Ms. Alemany's severance under the Company's broad-based employee severance plan as amended and described below were greater than the severance benefit under her letter agreement, Ms. Alemany would receive the severance plan benefit. The principal provisions of Ms. Alemany's letter agreement are described under Narrative Information Relating to Potential Payments upon Termination or Change of Control.

Broad-Based Employee Severance Plan. In the event of a qualifying termination of employment, our NEOs, other than Ms. Alemany, pursuant to her letter agreement described above, are eligible to receive severance under the CIT Employee Severance Plan. The CIT Employee Severance Plan was adopted in 2013 to better align CIT with market practice, ensure continuity of management during mergers and acquisitions, and attract and retain highly valued employees. All of our U.S. employees participate in the severance plan. Under the severance plan, during 2018, members of our EMC, which includes the NEOs, were generally eligible to receive a cash severance amount equal to 52 weeks of base salary, a prorated severance bonus, a payment equal to the employer portion of the cost of health insurance premiums, as applicable, under Company-sponsored health coverage plans for 52 weeks, which amount will be increased to cover applicable taxes, and certain outplacement services. Under the severance plan, members of our EMC are generally eligible to receive, at the Company's discretion, 12 weeks of base salary in lieu of written notice of termination from CIT for a minimum of 12 weeks. In the event of a qualifying Change of Control Termination (as defined in the severance plan), members of our EMC are generally eligible to receive a cash severance amount equal to two times the sum of base salary plus the average two of the three highest short-term incentives for the three preceding calendar years, a prorated severance bonus, a payment equal to the employer portion of the cost of health insurance premiums, as applicable, under Company-sponsored health coverage plans for 24 months, which amount will be increased to cover applicable taxes, and certain outplacement services. Effective February 21, 2018, the CIT Employee Severance Plan was amended to change the cash severance benefit for the CEO in the event of a Change of Control Termination from two times to three times the sum of base salary plus the average two of the three highest

short-term incentives for the three preceding calendar years. This change was made following an annual review to better align the CEO change of control severance benefit to that of our proxy peer group companies. For more detail about the CIT Employee Severance Plan, see Narrative Information Relating to Potential Payments upon Termination or Change of Control below.

Other Benefits

Our benefits programs are comparable to the programs provided generally by companies in our peer group and in the financial services industry. Executives participate on the same basis as other employees in CIT's benefits

plans, including retirement arrangements, healthcare coverage, life and accident insurance and disability coverage. CIT's retirement arrangements are further described under Narrative Information Relating to Retirement Arrangements for Named Executive Officers following the Pension Benefits table that appears later in this Proxy Statement. Benefits payable under the CIT Retirement and Supplemental Retirement Plans were frozen as of December 31, 2012. None of our 2018 NEOs participate in the Executive Retirement Plan, which has been closed to new participants since 2006.

Since 2010, executive perquisites, such as financial planning, executive physicals and benefits programs have not been made available to executives. Executive perquisites in 2018 were limited to: a car and driver for Ms. Alemany, maintained primarily for security purposes and to allow for more effective use of her travel time; and for Mr. Solk, who had agreed to move from Connecticut to California in March 2017 in connection with his promotion to President, Consumer Banking, a one-time housing allowance of \$8,000 per month, less applicable taxes, from January 1, 2018 through February 28, 2018, to provide transitional assistance for the higher cost of housing in Southern California.

Compensation Committee Role and Process

Role of the Compensation Committee

The Compensation Committee is composed entirely of independent directors, as determined under the criteria established by NYSE and CIT corporate governance guidelines. The Compensation Committee oversees compensation and benefits policies for our executive officers and other employees, the performance and compensation of CIT's executive officers, and succession planning. A key function of Compensation Committee oversight is to ensure, together with the Risk Management Committee, that such programs appropriately balance risk and financial results and do not encourage imprudent or excessive risk taking. The responsibilities of the Compensation Committee are outlined in its charter, which can be found on CIT's website at <https://cit.com/about/us/governance/board-of-directors>.

Compensation recommendations for our NEOs, other than for the CEO, are made by our CEO to the Compensation Committee. These recommendations reflect her assessment of each executive based on business or functional results, as well as the achievement of strategic corporate priorities, overall company results and individual performance. The role of management in supporting the CEO in making such recommendations is more fully described below under Role of Senior Management. The Compensation Committee reviews our CEO's recommendations, assesses the recommendations for reasonableness, and approves all compensation changes affecting our executive officers in its sole discretion.

The Compensation Committee separately considers the performance of our CEO, and following a review and discussion, submits a compensation recommendation to the independent members of the full Board for approval.

Role of Independent Compensation Advisers

The Compensation Committee engages Pay Governance, a compensation consulting firm, to advise it on all matters relating to our executive officers' compensation and benefits, including the determination of annual NEO compensation described above. The Compensation Committee has determined that Pay Governance is independent,

after an assessment of its provision of services, fees, conflict of interest policies, relationship with Compensation Committee members, company stock ownership and relationship with executive officers in accordance with SEC rules and the NYSE guidelines. The Compensation Committee directly retains Pay Governance independently from CIT management, and CIT does not utilize Pay Governance or any of its affiliates for any other purpose. No specific instructions or directions were provided to Pay Governance by CIT regarding the performance of their duties. Representatives from Pay Governance attend the Compensation Committee meetings regularly and conduct studies of compensation issues related to the design of our executive officer compensation programs at the request of the Compensation Committee. Pay Governance and the Compensation Committee rely on data from multiple sources to provide a frame of reference for compensation decisions, such as: multiple third-party competitive market surveys (such as McLagan, Mercer and other firms as necessary); publicly available information (peer group proxy statements); and historical compensation data for executive officers.

Table of Contents

Executive Compensation

The Compensation Committee has authorized Pay Governance to interact with CIT's management to obtain or confirm information, as needed, on behalf of the Compensation Committee.

Role of Senior Management

The funding of the 2018 annual short-term incentive pool and assessment of our NEOs' performance was determined as described above. Annual short-term incentives for other employees were recommended based on management's assessment of performance against pre-established 2018 goals and objectives, an overall risk assessment, as well as market competitiveness. Company-wide incentive funding and final pool allocations were approved by the Compensation Committee and reviewed by the CRO. Members of the EMC, as well as other senior managers, are responsible for making incentive recommendations for eligible employees. The annual recommendation process is coordinated by Corporate Human Resources personnel.

Role of Risk Management

Our CRO and other senior members of the Risk Management Group are fully integrated in the overall design and operation of the Company's incentive compensation arrangements. In addition, Risk Management partners with Human Resources to coordinate regular joint interaction with the Compensation Committee and the Risk Management Committee to support strong governance and oversight regarding issues related to risk balancing within our incentive compensation practices. Risk Management and Human Resources work closely to maintain and evolve our approach to balancing risk and incentives. Our key areas of focus include:

Executive Management Goals – reviewing incentive compensation design and identifying specific risk goals for our senior executives, including our NEOs, and covered employees (as defined below under Identification of Covered Employees);

Overall Short-Term Incentive Funding – identifying credit/risk metrics and other qualitative risk factors to be evaluated with financial performance, and to be used to determine overall incentive funding and allocation to businesses;

Executive Management Compensation – developing and enhancing the design of our equity awards, including appropriate revisions to performance measures, clawback triggers, leverage and vesting provisions;

Compensation Policies and Procedures – developing compensation policies and procedures supporting our business objectives that are consistent with our risk appetite and framework, and regulatory requirements;

Covered Employees developing and maintaining a framework for identifying individual and groups of covered employees who may expose the Company to material risks, and foster strong awareness of risk balancing for incentive compensation arrangements; and

Annual Assessment reviewing and proactively identifying and/or assessing risks associated with the Company's incentive compensation arrangements.

Since 2009, CIT has conducted an annual assessment of the risks associated with our incentive compensation arrangements. In 2014, we established a governing body within CIT management to oversee incentive compensation monitoring and validation (the Incentive Compensation Review Working Group) and we also considered this theme when developing our 2018 compensation structure. During 2018, Risk Management, together with other control functions and Internal Audit, evaluated each business segment and corporate function on a four-point scale across twelve risk categories (fewer applicable categories for control functions): Credit, PLM (new for 2018), Credit Review, Operational, Third Party, Information Technology, Model Risk (new for 2018), Compliance, Regulatory, Insurance, Audit, and Market/Liquidity. Based on this assessment, as well as ongoing coordination with Human Resources in monitoring risk balancing activities, our CRO determined that none of CIT's incentive compensation arrangements encourage imprudent or excessive risk and presented her findings at a joint meeting of the Compensation and Risk Management Committees, prior to the finalization of the annual short-term incentive pools. Prior to finalizing incentive recommendations, risks were assessed to determine if any employees: (1) failed to show due regard for the risk inherent in their business activity; (2) failed to balance risk with financial results; or (3) exposed the firm to imprudent risks.

Table of Contents

Executive Compensation

Senior Management, the Compensation Committee and the Risk Management Committee have reviewed CIT's incentive compensation policies and arrangements for significant risks as they apply to all employees across our business segments to determine whether they encourage imprudent or excessive risk-taking that may expose CIT to material business risks. In addition to reviewing the annual short-term incentive structure funding and process, including CIT's equity-based award design, they reviewed our long-term incentive structure and business unit sales incentive plans. Based on a discussion of the review, the Compensation and Risk Management Committees concluded that CIT's compensation plans for employees do not encourage risk-taking that is reasonably likely to have a material adverse effect on CIT.

Peer Companies and Benchmarking

The Compensation Committee regularly reviews peer and industry information in regard to level and structure of compensation as a competitive frame of reference and uses this information and analysis as a reference for setting pay opportunities and making pay decisions, such as changes to base salaries, annual short-term and long-term incentive awards. A key source of information is a peer group of institutions similar to CIT.

With input from their independent compensation consultant, Pay Governance, and management, the Compensation Committee re-evaluated and updated the peer group in 2016 in light of strategic initiatives. In line with our strategy to become a leading national bank, the peer group places a greater focus on regional banking and is generally within a range of 0.5 times to 2.5 times the total asset size of CIT. For 2018, the peer group was reviewed by the Compensation Committee, which decided to keep it unchanged. The table below lists the peer companies approved by the Compensation Committee for 2018, which is the same list of companies that made up our 2016 and 2017 peer group.

Ally Financial Inc.	Discover Financial Services	Key Corp	Signature Bank
Associated Banc-Corp	Fifth Third Bancorp	M&T Bank Corporation	SVB Financial Group
Citizens Financial Group, Inc.	First Republic Bank	People's United Financial, Inc.	Synovus Financial Corp.

Comerica Inc.

Huntington Bancshares Inc.

Regions Financial
Corporation

Zions Bancorp

The Compensation Committee also uses multiple third-party competitive market surveys provided by compensation consulting firms such as McLagan, Mercer and other firms as necessary (which we refer to as market data).

While the Compensation Committee considers peer and market data, it does not target a specific market position when determining executive compensation levels. In addition to referencing market data, as described above, the Compensation Committee considered current year performance and overall incentive pool funding, prior year compensation history and compensation levels of other Company executives to provide context for 2018 and 2019 compensation recommendations.

Use of Discretion

Our compensation philosophy incorporates a strong link between incentive pay and a combination of short-term and long-term Company, business and individual performance. Discretion plays a significant role in many aspects of our incentive compensation arrangements, including pool funding and pool allocations. However, the use of discretion is not arbitrary, and generally must be supported by a clear link to performance and risk management. We maintain a Use of Discretion policy that covers the requirements governing the consistent use of discretion for incentive compensation, and related procedures applicable to all employees.

Table of Contents

Executive Compensation

Identification of Covered Employees

We are subject to regulatory guidance and rules that focus on both the design and transparency of incentive compensation arrangements. It is important that incentive compensation be risk-sensitive and not encourage imprudent or excessive risk-taking. The primary objectives of CIT's Covered Employee Identification Framework (the **Framework**) are to provide a systematic methodology to identify: (1) risks inherent in job families and sub-families; (2) individual employees or groups of employees who have the potential to expose the firm to a material amount of risk (collectively, covered employees); and (3) duration of risks. The Framework is based on an assessment of six categories of inherent risk (*i.e.*, market risk; liquidity risk; credit risk; operational risk; legal/compliance risk; and reputational risk), which align to the regulatory guidance on sound incentive compensation policies and appropriately categorize risks for the Company.

Timing of Grants of Equity Awards

Since 2006, CIT has maintained a written Equity Compensation Award Policy that governs the timing for granting all equity-based awards, which may be approved at any regularly scheduled meeting of the Compensation Committee or the Board. Grants approved at any meeting of the Compensation Committee or the Board that coincides with a quarterly earnings release will be granted effective as of the close of trading on the NYSE on the second trading day after CIT publicly announces such earnings.

Equity-based awards may also be granted in connection with hiring an employee. Such grants are generally made on the first day of employment, provided such date does not occur during a securities trading black-out period; in such case, the grant will be made on the day on which the applicable black-out period expires.

Tax Deductibility of Compensation Expense

Section 162(m) of the U.S. Internal Revenue Code, as amended (the **Tax Code**) generally imposes a \$1 million limit on the amount a public company may deduct for compensation paid to the company's covered employees, which include our NEOs. Prior to 2018, this limit did not apply to compensation that qualified as performance-based compensation, and the Compensation Committee historically designed certain performance awards (such as our STI and LTI awards) in a manner intended to qualify for that exception. The Tax Cuts and Jobs Act of 2017 eliminated the performance-based compensation exception (other than compensation provided pursuant to a binding written contract in effect as of November 2, 2017 that qualifies for transition relief). The Compensation Committee continues to consider the deductibility of compensation, including in light of the changes to Section 162(m). However, the primary goals of our executive compensation programs are to attract, incentivize and retain key employees and align pay with performance, and the Committee retains the ability to provide compensation that exceeds deductibility limits as it determines appropriate.

Non-GAAP Financial Measures and Other Definitions

Certain of the performance measurements referred to in the CD&A are non-GAAP financial measures under SEC rules and regulations. The disclosure below reflects how those non-GAAP financial measures were calculated. The results in the tables in this section may not total due to rounding.

Adjusted Pre-Tax Income

\$ millions	2018
Pre-Tax Income from Continuing Operations	\$ 637.0
TRS Termination Charge	69.5
Loss on Debt Redemption	38.1
NACCO Suspended Depreciation	(26.5)
Gain and other Revenues from Sale of Reverse Mortgage Portfolio	(29.3)
NACCO Gain on Sale	(25.1)
Release of Valuation Reserve on AHFS	(10.6)
Impairment of LCM Indemnification Asset	21.2
Adjusted Pre-Tax Income	\$ 673.7

Adjusted Net Income is calculated as income from continuing operations available to common shareholders for 2018 and 2017, and including discontinued operations for 2016 to reflect the reclassification of CIT Aerospace. The following table presents the reconciliation of reported Net Income to Adjusted Net Income for CIT.

\$ millions	Years Ended		
	2018	2017	2016
Income from Continuing Operations available to common shareholders	\$ 453.2	\$ 249.6	(\$ 182.6)
CIT Aerospace Discontinued Operations			301.4
Goodwill Impairment		222.1	347.4
Amortization of Intangible Assets	17.6	16.4	15.7
Valuation Allowance			15.7
TRS Termination Charge	52.5		146.6
Other Adjustments ⁽¹⁾	(26.1)	(29.4)	(99.0)
Adjusted Net Income	\$ 497.2	\$ 458.7	\$ 545.2

(1) For 2018, reflects NACCO gain on sale and gain and other revenues from sale of reverse mortgage portfolio, offset by loss on debt redemption and asset impairments.

For 2017, includes \$140.4 million for the strategic tax item restructuring of an international legal entity, mostly offset by the \$132.8 million loss on debt redemption and other noteworthy items that aggregate to the net adjustment of

\$29.4 million shown above.

For 2016, represents adjustments for benefits from restructuring charges and debt extinguishment charges better than plan, as well as gain on sale of Canada businesses.

Adjusted ROTCE is computed by dividing Adjusted Net Income for the period by average tangible common equity for the same period.

\$ millions (unless otherwise indicated)	Years Ended		
	2018	2017	2016
Adjusted Net Income	\$ 497.2	\$ 458.7	\$ 545.2
Average Tangible Common Equity ⁽¹⁾	\$ 5,740	\$ 6,510	\$ 9,173
Adjusted ROTCE	8.7%	7.1%	6.0%

(1) Excludes disallowed deferred tax assets in all three years shown. For 2017, reflects capital adjustments related to Commercial Air sale. The amounts shown are consistent with the definition of Average Tangible Common Equity in the 2016 PSU award agreements entered into at the time of grant in 2016.

Core Average Loans and Leases

Net Efficiency Ratio is used by management to measure operating expenses (before restructuring costs and intangible asset amortization) to total net revenues. We exclude the restructuring costs and intangible asset amortization from these calculations as they are charges resulting from our strategic initiatives and not our operating activity, and exclude noteworthy items due to their episodic nature and size.

- (1) The amounts shown represent the salaries earned through December 31 of each year. Mr. Fawcett was paid an annual base salary at the rate of \$800,000 upon joining CIT during 2017, and Ms. Menelly was paid an annual base salary at the rate of \$500,000 upon joining CIT during 2016.
- (2) Amounts in this column represent the aggregate grant date fair market value of stock awards (PBRsUs and PSUs at target, as applicable) granted during 2018, 2017, and 2016 and computed in accordance with FASB ASC Topic 718 (**ASC 718**).

As disclosed in the 2018 CD&A, the amount shown for Ms. Alemany for 2018 includes a special, one-time grant of PBRsUs with a grant date value of \$1,000,000, with 3-year cliff vesting and subject to a performance vesting hurdle (if CIT does not meet the minimum Common Equity Tier 1 required for well-capitalized banks as established by the Federal Reserve for the prior year, the Compensation Committee will determine whether a portion, if any, of the PBRsUs will vest), in recognition of her extraordinary efforts to simplify the Company and reduce operating expenses, complete the sale of the Commercial Air business and return \$3.4 billion in capital to shareholders. While the Board of Directors considered this award in respect of 2017 performance, due to SEC rules governing grants of equity awards, the award appears in this year's Summary Compensation Table.

The amount shown for Ms. Menelly for 2016 includes a one-time grant of PBRsUs with a grant date value of \$1,255,163 to compensate her for equity awards she forfeited from her prior employer. The amounts shown do not represent the actual value realized by each named executive officer in each year. For 2018 awards, the amounts disclosed in this column are computed in accordance with ASC 718 using the valuation methodology for equity awards set forth in Note 19 to the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2018. The number of PBRsUs and target number of PSUs awarded to each NEO was determined by dividing the dollar amount of each award by the fair market value of CIT common stock on the respective date of grant, other than the one-time grant of PBRsUs for Ms. Menelly, which was determined using the 10 consecutive trading day average price of CIT common stock through the last day of her employment with her prior employer.

If performance against pre-established ROTCE targets results in the maximum number of PSUs vesting, as more fully described in the Compensation Discussion and Analysis, for 2018 awards, the NEOs would be entitled to a maximum award at 150% of target, with grant date fair values as follows: Ms. Alemany \$3,562,500; Mr. Fawcett \$1,200,000; Mr. Hudak \$750,000; Ms. Menelly \$600,000; Mr. Solk \$637,500.

- (3) 2018 amounts shown represent the 2018 short-term incentive payable in cash, described in the Compensation Discussion and Analysis.

- (4) 2018 amounts shown represent the difference between the cumulative actuarial present value of accumulated pension benefits on December 31, 2018 and December 31, 2017 under two defined benefit retirement arrangements maintained by CIT: the CIT Group Inc. Supplemental Retirement Plan (the **Supplemental Retirement Plan**); and the CIT Group Inc. Retirement Plan (the **Retirement Plan**). The Supplemental Retirement Plan is a nonqualified plan. The Retirement Plan is a tax-qualified defined benefit pension plan that covers eligible salaried employees in the United States. Effective December 31, 2012, participation in and employer contributions to the Retirement Plan and Supplemental Retirement Plan were frozen for all employees, including the NEOs. Mr. Hudak is the only NEO who participates in these retirement arrangements, which are discussed in further detail under the heading **Narrative Information Relating to Retirement Arrangements for Named Executive Officers** that follows the 2018 Pension Benefits Table in this Proxy Statement.
- (5) None of our NEOs received any above-market or preferential earnings in respect of any plan or benefit provided by the Company.
- (6) The following supplemental table sets forth for 2018 the components of compensation reported as All Other Compensation above, based on the incremental cost to CIT of providing the benefit:

401(k) Match /

Name	Car and Driver for Security	Supplemental Employer Contribution	Life Insurance	Housing Allowance	Total
Ellen R. Alemany	\$ 72,096	\$ 13,700	\$ 402	\$	\$ 86,198
John Fawcett	\$	\$ 13,700	\$ 402	\$	\$ 14,102
Denise M. Menelly	\$	\$ 13,700	\$ 402	\$	\$ 14,102
James L. Hudak	\$	\$ 13,700	\$ 402	\$	\$ 14,102
Steven Solk	\$	\$ 12,950	\$ 402	\$ 16,000	\$ 29,352

Car and Driver for Security

The amounts shown for Ms. Alemany above for Car and Driver for security represent the proportional cost to CIT associated with the personal usage of a company-provided car and driver, maintained primarily for security purposes and to allow for more effective use of her travel time. For income tax purposes, income is imputed without any tax gross-up reimbursement.

401(k) Match / Supplemental Employer Contribution

Employer contributions under the CIT Group Inc. Savings Incentive Plan, our 401(k) plan (the **Savings Incentive Plan**), consist of a 100% match of a participant's own pre-tax and Roth contributions to the plan up to the first 4% of

eligible compensation (generally including base salary and cash-based incentive awards paid during 2018), up to the annual limits established by the Internal Revenue Service, as well as a discretionary annual supplemental employer contribution feature. The discretionary annual supplemental contribution for 2018 was equal to 1%. The amounts shown represent matching contributions plus the discretionary annual supplemental contribution for 2018.

Life Insurance

Amounts shown above represent company-paid life insurance premiums on behalf of each named executive officer. The named executive officers are covered by life insurance policies under the same terms as other full-time and part-time U.S. employees working at least 20 hours per week. The life insurance benefit for covered employees is equal to one times annual benefits pay up to a maximum benefit of \$500,000. Benefits pay is generally equal to a covered employee's base salary plus an average of other pay during the preceding 36 months.

Housing Allowance

The amounts shown above represent a one-time housing allowance of \$8,000 per month, less applicable taxes, from January 1, 2018 through February 28, 2018 for Mr. Solk, who had agreed to move in March 2017 from Connecticut to California in connection with his promotion to President, Consumer Banking, to provide transitional assistance with the higher cost of housing in Southern California.

(7) Ms. Alemany's compensation for 2018 was based solely on her role as CEO of CIT; Ms. Alemany did not receive additional compensation for serving as a director of CIT during 2018.

(1) Plan-based compensation awards are granted to employees by action of the Compensation Committee and/or the full Board of Directors. Approvals for 2018 target short-term incentive, 2018 Long-Term PBRSU and 2018 PSU awards and the associated grant dates are shown in the table above.

- (2) Represents the maximum amount payable to each NEO under the 2015 Executive Incentive Plan based on the 2018 STI pool, and target 2018 STI according to each NEO's 2018 STI scorecard. As discussed in the Compensation Discussion and Analysis, short-term incentives are payable in cash, and may increase or decrease from the target value with actual payouts ranging from 0% to 150%. Actual amounts paid in cash for 2018 performance are included in the Non-Equity Incentive Plan Compensation column of the 2018 Summary Compensation Table.
- (3) Represents PSUs granted in 2018 for the 2018-2020 performance period. PSU payouts may increase or decrease from the target grant, with actual payouts ranging from 0% to 150% of the target grant based on performance against the pre-established adjusted target ROTCE and TSR adjustment factor, subject to 3-year cliff vesting. The threshold amount shown assumes the lowest thresholds attainable are met, resulting in a payout of 40% of the target number of PSUs granted. If performance thresholds are not met, then the payout would be 0% of the PSUs granted.
- (4) Represents special, one-time PBRsUs granted in 2018 in respect of 2017 performance with 3-year cliff vesting and subject to a performance vesting hurdle (if CIT does not meet the minimum Common Equity Tier 1 ratio required for well-capitalized banks as established by the Federal Reserve for the prior year, the Compensation Committee will determine whether a portion, if any, of the PBRsUs will vest), in recognition of Ms. Alemany's extraordinary efforts to simplify the Company and reduce operating expenses, complete the sale of the Commercial Air business and return \$3.4 billion in capital to shareholders.
- (5) Represents the portion of 2018 long-term incentives in the form of PBRsUs, granted during 2018. These PBRsUs are scheduled to vest one-third per year over three years subject to an additional performance vesting hurdle (if the Company does not meet or exceed the applicable minimum Common Equity Tier 1 ratio required for well-capitalized banks as established by the Federal Reserve for the prior year, the Compensation Committee will determine whether a portion, if any, of the PBRsUs will vest).
- (6) Stock awards are valued in accordance with ASC 718, based on the fair market value of CIT common stock on each respective date of grant, and awards subject to performance conditions are determined based on the probable outcome of such conditions. Fair market values for PBRsU awards granted during 2018 are based on the closing price of CIT common stock on each respective date of grant. Grant date fair market values for PSU awards granted during 2018 reflect the impact of the TSR adjustment factor described in the Compensation Discussion and Analysis, calculated using a Monte Carlo simulation model.

NARRATIVE DISCLOSURE TO 2018 SUMMARY COMPENSATION TABLE AND 2018 GRANTS OF PLAN-BASED AWARDS TABLE***Total Compensation***

Total Compensation values shown in the 2018 Summary Compensation Table are presented in accordance with SEC rules. The Total Direct Compensation amounts approved by the Compensation Committee, and/or Board of Directors, and awarded to our NEOs for 2018 performance, regardless of when paid or granted, are presented in and further described in the Compensation Discussion and Analysis.

Performance-Based Restricted Stock Units

Each of the NEOs received a grant of PBRsUs (with a performance-vesting hurdle based on minimum Common Equity Tier 1 ratio for well-capitalized banks) during 2018 as part of his or her 2018 LTI. Unvested awards are forfeited on termination of employment, except in certain circumstances, such as death, disability, or following a qualifying termination within two years of a Change of Control, in which case awards will immediately vest in full. For employees who resign and meet retirement criteria, or who are terminated involuntarily without cause, awards continue to vest over time on their original schedules.

Each PBRsU includes a dividend equivalent right, pursuant to which the holder of the award is entitled to receive a cumulative amount in cash upon vesting/settlement equal to any dividends declared on CIT common stock during the vesting period. PBRsU awards are also subject to forfeiture during the vesting period and to recoupment for a period of 12 months following vesting. Such forfeiture and clawback provisions are further described in the Compensation Discussion and Analysis.

Performance Share Units

Each of the NEOs also received a target grant of PSUs during 2018 for the 2018-2020 performance period. PSUs are earned based on adjusted 3-year average adjusted ROTCE between 0%-150% of target following the 2018-2020 performance period, subject to a relative TSR adjustment factor. Unvested awards are forfeited on termination of employment, except in certain circumstances, such as death, disability, or following a qualifying termination within two years of a change of control, in which case the target number of awards will immediately vest in full. For employees who meet retirement criteria upon their resignation or involuntary termination without cause, the awards continue to vest over time on their original schedules. For employees who are terminated involuntarily without cause and do not meet retirement criteria, a prorated portion of the awards continues to vest over time on the original schedule.

PSUs for 2018-2020 are subject to forfeiture during the performance period, and are also subject to clawback for a period of two years following the end of the performance period. Such forfeiture and clawback provisions are further described in the Compensation Discussion and Analysis.

(1) Shares are valued based on a \$38.27 share price, the closing price of CIT common stock on December 31, 2018, and assume achievement of performance conditions at 100% of target.

(2) The amounts shown represent PSU awards, assuming a payout at 100% of target. Actual payouts will be determined at such time that the Compensation Committee certifies, following the end of each respective performance period, that the relevant performance measures were achieved. PSU awards are generally expected to be certified by the Committee no later than March 15 of the year immediately following the end of the respective performance period.

(3) The amount shown includes 44,055 PBRsUs granted on February 21, 2018 that are scheduled to vest in three equal installments on March 1 in 2019, 2020 and 2021; 36,067 PBRsUs granted on March 15, 2017 that are scheduled to vest in two equal installments on March 15 in 2019 and 2020; 23,063 PBRsUs granted on March 15, 2016 that are scheduled on March 1 in 2019; and 18,550 PBRsUs granted on February 21, 2018 that are scheduled to vest on March 1, 2021.

(1) The actuarial present value of accumulated benefits was computed on the basis of the same actuarial assumptions, with the exception of turnover, retirement, and pre-retirement mortality, as used to compute the accumulated benefit obligation as of December 31, 2018 and as stated in our Annual Report on Form 10-K filed with the SEC on February 21, 2019, in Note 19 Retirement, Postretirement and Other Benefit Plans to the consolidated financial statements. With regard to turnover, retirement, and pre-retirement mortality, the present values of the accumulated benefits payable under the Retirement Plan and the Supplemental Retirement Plan have been computed based on the assumption that the executive would remain employed by CIT until age 65 (the normal retirement age as defined in both plans) and then retire and collect the accumulated benefit. Eligibility to receive early retirement benefits is more fully described under the heading, Narrative Information Relating to Retirement Arrangements for Named Executive Officers in this Proxy Statement.

(2) The Retirement Plan is a tax-qualified plan and is further described under the heading Narrative Information Related to Retirement Arrangements for Named Executive Officers in this Proxy Statement.

(3) The Supplemental Retirement Plan is a nonqualified plan and is further described under Narrative Information Related to Retirement Arrangements for Named Executive Officers in this Proxy Statement.

NARRATIVE INFORMATION RELATING TO RETIREMENT ARRANGEMENTS FOR NAMED EXECUTIVE OFFICERS

In addition to the Savings Incentive Plan, we maintained two retirement arrangements during 2018 under which, of our NEOs, only Mr. Hudak is eligible to receive benefits: the Retirement Plan and the Supplemental Retirement Plan. Effective December 31, 2012, participation in and employer contributions to the Retirement Plan and Supplemental Retirement Plan were frozen for all employees, including the NEOs. We also maintain a third retirement arrangement, the Executive Retirement Plan, which has been closed to new participants since 2006. None of the NEOs are eligible to participate in the Executive Retirement Plan. The Retirement Plan is a tax-qualified defined benefit pension plan that covers eligible employees in the United States. The Executive Retirement Plan and the Supplemental Retirement Plan are nonqualified defined benefit pension plans.

Mr. Hudak is fully vested in his retirement benefits under the Retirement Plan and Supplemental Retirement Plan.

Executive Compensation

Retirement Plan

Through December 31, 2012, when participation was frozen, the Retirement Plan covered all officers and employees in the United States who had one year of service and were 21 years of age or older. The Retirement Plan was revised in 2000 to convert to a cash balance formula, which became effective January 1, 2001. Under the cash balance formula, except for certain grandfathered participants, each participant's accrued benefit as of December 31, 2000 was converted to a lump sum amount and each year thereafter, through December 31, 2012, the participant's account balance was credited with a percentage of the participant's annual benefits pay depending on the participant's period of service as follows:

Period of Service	% of Annual Benefits Pay
1 - 9 years	5
10 - 19 years	6
20 - 29 years	7
30 years or more	8

For purposes of the Retirement Plan, annual benefits pay generally means annual base salary, certain annual incentive awards, sales incentives and commissions, subject to certain limits under the plan and imposed under the Tax Code. Account balances under the cash balance portion of the Retirement Plan also continue to receive annual interest credits which continue after December 31, 2012 when participation was frozen and until cumulative benefits are paid, subject to certain government limits. For 2018, the interest crediting rate was 2.75%. Upon termination after three years of employment or upon retirement, a participant's benefit under the Retirement Plan is generally payable, at the election of the participant, in an annuity or lump sum.

Mr. Hudak began earning benefits under the cash balance formula effective January 1, 2001.

Prior to the conversion to a cash balance formula, certain participants elected in 2000 not to participate in the Retirement Plan cash balance program. Such participants are eligible instead to receive grandfathered benefits under the Traditional Retirement Formula, determined as 1.25% of final average annual compensation, multiplied by final years of benefit service up to a maximum of 40 years. Final average annual compensation is determined to be the annual compensation (generally, base salary) for the 60 consecutive months (five years) during which annual compensation is highest within the last 120 months (ten years) of benefit service. Benefits may be reduced by 1/2% for each month (6% per year) in the event a grandfathered participant elects to retire and start receiving payments before age 60, but after attaining age 55. None of our executive officers are eligible to receive benefits under the Traditional Retirement Formula.

Effective December 31, 2012, participation in and contributions based on eligible annual benefits pay to the Retirement Plan were frozen.

Supplemental Retirement Plan

Through December 31, 2012, when participation was frozen, the Supplemental Retirement Plan covered employees of CIT whose benefits under the Retirement Plan were limited by operation of the Tax Code. Of our NEOs, only Mr. Hudak participates in the Supplemental Retirement Plan. Any benefits under the Supplemental Retirement Plan are paid in a lump sum following a participant's termination of employment with CIT.

Table of Contents**Executive Compensation**

Effective December 31, 2012, participation in and contributions based on eligible annual benefits pay to the Supplemental Retirement Plan were frozen.

Executive Retirement Plan

The Executive Retirement Plan has been closed to new participants since 2006. None of our NEOs participate in the Executive Retirement Plan.

Other Plans

The Savings Incentive Plan covers all employees in the United States who are 18 years of age or older. Under this tax-qualified defined contribution plan, CIT matches 100% of a participant's own pre-tax and Roth contributions to the plan up to the first 4% of eligible pay. Additionally, certain participants who were eligible and elected to remain covered under the Retirement Plan's Traditional Retirement Formula receive Flexible Retirement Contributions by CIT under the Savings Incentive Plan. Flexible Retirement Contributions of up to 3% of eligible pay are made as of December 31 each year, provided the participant is employed by CIT on December 31, left the company at or after age 55, or died or became disabled during the year. In addition to the company match, an annual discretionary supplemental employer contribution was introduced to the Savings Incentive Plan effective January 1, 2013. Annual contributions, which will range from 0% to 3% of eligible pay (including base salary and most cash-based incentive awards), are fully funded by CIT. Eligible employees who were hired on or before September 30 of the plan year and are employed on the last day of the plan year (December 31) are eligible to receive a discretionary supplemental employer contribution. A discretionary supplemental employer contribution of 1% of eligible pay was made for 2018. All contributions under the Savings Incentive Plan are subject to Internal Revenue Service wage limits.

2018 Nonqualified Deferred Compensation

None of the NEOs benefited from any nonqualified defined contribution or other deferred compensation plans in 2018. For this reason, the table disclosing contributions to such plans, each NEO's withdrawals, earnings and fiscal year-end balances in those plans is omitted.

Potential Payments Upon Termination or Change of Control

We have entered into certain agreements and/or maintain certain plans that will require CIT to provide compensation to certain of our named executive officers in the event of a termination of employment of the named executive officer or a Change of Control of CIT. The amount of compensation payable to each named executive officer in each situation is listed in the table below, based on the assumption that the triggering event took place on December 31, 2018. Additional narrative information follows the table below.

Amounts shown below do not include payments and benefits to the extent they are generally provided to all U.S. employees under each situation listed including disability benefits, life insurance payable upon death during employment, retiree medical and life insurance benefits, and vested balances under the 401(k) plan. The amounts also do not include pension benefits, which are set forth in the 2018 Pension Plan Table.

(1) Messrs. Fawcett, Hudak, and Solk and Ms. Menelly are eligible to receive severance benefits pursuant to the CIT Employee Severance Plan, which generally covers all U.S. employees. In the event of a qualifying termination (other than following a Change of Control), Messrs. Fawcett, Hudak, and Solk and Ms. Menelly would be entitled to a severance amount equal to (1) one-time annual base salary, plus (2) a pro-rated severance bonus, plus (3) at the discretion of CIT, 12 weeks of base salary in lieu of written notice of termination from CIT for a minimum of 12 weeks, plus (4) the estimated value of the employer portion of the cost of health insurance premiums for one year for continued medical, vision, prescription drug and dental coverage, as applicable, under Company-sponsored health coverage plans on a self-pay basis, which amount will be increased to cover applicable taxes, and certain outplacement services.

Ms. Alemany generally is entitled to receive benefits under the CIT Employee Severance Plan, except that her severance bonus will be calculated as a pro rata portion of her short-term and long-term incentive targets (to the extent long-term incentives have not yet been awarded), rather than only her short-term incentive target. The foregoing notwithstanding, if the amount that would be payable to Ms. Alemany under the CIT Employee Severance Plan is greater than the severance amount described above, she will instead be paid the amount payable under the Severance Plan but in accordance with the terms and conditions of her offer letter.

In the event of a Change of Control Termination, each of the continuing NEOs, other than Ms. Alemany, would be entitled to a severance amount equal to (1) two-times annual base salary, plus (2) a pro-rated severance bonus, plus (3) two-times his or her average two of the three highest short-term incentives for the three preceding calendar years, plus (4) at the discretion of CIT, 12 weeks of base salary in lieu of written notice of termination from CIT, plus (5) the estimated value of employer portion of the cost of health insurance premiums for 24 months for continued medical, vision, prescription drug and dental coverage, as applicable, under Company-sponsored health coverage plans on a self-pay basis, which amount will be increased to cover applicable taxes, and certain outplacement services.

In the event of a Change of Control Termination, Ms. Alemany would be entitled to receive three times the sum of base salary plus the average two of the three highest short-term incentives for the three preceding calendar years, a prorated severance bonus, a payment equal to the employer portion of the cost of health insurance premiums for 36 months, which amount will be increased to cover applicable taxes, and certain outplacement services.

- (2) Generally, represents unvested equity-based awards that are calculated based on \$38.27, the closing price of CIT common stock on December 31, 2018. For employees who meet retirement criteria upon their resignation or involuntary termination without cause, the awards continue to vest over time on their original schedules (PSU awards are prorated in the event of involuntary termination without cause for employees who do not meet retirement criteria). In the event of death, disability or a qualifying termination following a Change of Control, awards vest immediately. The awards are subject to the clawback provisions described in the Compensation Discussion and Analysis.

NARRATIVE INFORMATION RELATING TO POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

CIT Employee Severance Plan

None of the NEOs (and no other executive officers) is party to an employment agreement with CIT, and as such, their employment with the Company is at will. Ms. Alemany has an individual agreement, described below, that provides for cash severance payments upon termination of employment or upon termination of employment in

connection with a Change of Control. None of the remaining NEOs have such agreements. Under the CIT Employee Severance Plan as amended effective as of February 21, 2018, which covers all of our U.S. employees, each of the NEOs, other than Ms. Alemany whose benefits are described below, is eligible to receive a cash severance amount equal to 52 weeks of base salary, a severance bonus (prorated based on prior year short-term incentive), a payment equal to the employer portion of the cost of health insurance premiums, as applicable, under Company-sponsored health coverage plans for 52 weeks, which amount will be increased to cover applicable taxes, and certain outplacement services. Under the severance plan, each of the NEOs, other than Ms. Alemany, are generally eligible to receive, at the Company's discretion, 12 weeks of base salary in lieu of written notice of termination from CIT for a minimum of 12 weeks. In the event of a qualifying Change of Control Termination, each of the NEOs is eligible to receive a cash severance amount equal to three times (for Ms. Alemany, effective as of February 21, 2018) and two times (for the other NEOs) the sum of base salary plus the average two of the three highest short-term incentives for the three preceding calendar years, a prorated severance bonus for the year of termination, a payment equal to the employer portion of the cost of health insurance premiums, as applicable, under Company-sponsored health coverage plans for 36 months (for Ms. Alemany, effective as of February 21, 2018) and 24 months (for the other NEOs), which amount will be increased to cover applicable taxes, and certain outplacement services. Under the severance plan, the definition of STI excludes any prior year STI for any period shorter than a year, with any participant being treated as ineligible for STI for such period and replacing it with a target STI, as applicable. Effective February 21, 2018, the severance plan was amended and restated to change the cash severance amount payable in the event of a qualifying Change of Control Termination to the CEO from two times to three times the sum of base salary plus the average two of the three highest short-term incentives for the three preceding calendar years. The severance amounts shown below in *Potential Payments Upon Termination or Change of Control* reflect the benefits that would have been payable under the severance plan as amended.

Ms. Alemany
Compensation and Benefits

Ms. Alemany's letter agreement provides for a total target compensation opportunity that will be allocated among cash and equity awards in the manner determined by the Board, provided that her annualized base salary will not be less than \$800,000. For performance years 2017 and beyond, Ms. Alemany will have a total target compensation opportunity of no less than \$5,850,000, consisting of an annualized base salary, a target short-term incentive opportunity and a target long-term incentive opportunity. Ms. Alemany is also entitled to benefits consistent with senior executives of CIT and reimbursement of reasonable business expenses, as well as a company-provided car and driver for security purposes.

Termination and Change of Control Arrangements

In the event Ms. Alemany's employment is terminated by her for *Good Reason* or by CIT *Without Cause* (in each case, as defined in her offer letter), Ms. Alemany generally is entitled to receive benefits under the CIT Employee Severance Plan, described above, except that her severance bonus will be calculated as a pro rata portion of her short-term and long-term incentive targets, rather than only her short-term incentive targets. The foregoing notwithstanding, if the amount that would be payable to Ms. Alemany under the CIT Employee Severance Plan is greater than the severance amount described above, she will instead be paid the amount payable under the severance

plan but in accordance with the terms and conditions of her offer letter.

Change of Control

Ms. Alemany is entitled to receive severance benefits equivalent to those provided under the CIT Employee Severance Plan following a Change of Control for similarly situated executives. Effective as of February 21, 2018, the severance plan was amended and restated to change the cash severance amount payable in the event of a qualifying Change of Control Termination to the CEO from a multiple of two times to three times the sum of base salary plus severance bonus, a prorated severance bonus for the year of termination, a payment equal to the employer portion of the cost of health insurance premiums for 36 months, which amount will be increased to cover applicable taxes, and certain outplacement services.

Restrictive Covenants

Ms. Alemany is subject to certain non-competition, non-solicitation, confidentiality and non-disparagement obligations. While employed by CIT and for one year following termination of employment for any reason, Ms. Alemany, (i) may not without CIT's prior written consent, compete with CIT by engaging, in a competitive capacity, either directly or indirectly, in any competing business; (ii) may not directly or indirectly, disparage, publicly criticize or take any action that would damage the reputation of the Company or any of its officers, directors, employees, agents or representatives; (iii) may not directly or indirectly attempt to solicit any client or specifically identified prospective client to transact business with a competitor of CIT or reduce or refrain from doing any business with CIT; (iv) may not directly or indirectly attempt to solicit anyone who is then an employee of CIT (or who was such an employee within the prior six months) to resign from CIT or to apply for or accept employment with any competitor of CIT; and (v) during and after employment, is required to take reasonable measures to protect CIT confidential information from unauthorized use or disclosure. Ms. Alemany is also required to provide the Company with 90 days advance written notice in the event she intends to end her employment with the Company.

Messrs. Fawcett, Hudak and Solk and Ms. Menelly

Messrs. Fawcett, Hudak and Solk and Ms. Menelly are subject to certain non-competition, non-solicitation and confidentiality obligations covering senior executives. While employed by CIT and for one year following termination of employment for any reason, Messrs. Fawcett, Hudak and Solk and Ms. Menelly, (i) may not without CIT's prior written consent, compete with CIT by engaging, in a competitive capacity, either directly or indirectly, in any competing business; (ii) may not directly or indirectly attempt to solicit any client to transact business with a competitor of CIT or reduce or refrain from doing any business with CIT; (iii) may not directly or indirectly attempt to solicit anyone who is then an employee of CIT (or who was such an employee within the prior six months) to resign from CIT or to apply for or accept employment with any competitor of CIT; and (iv) during and after employment, is required to take reasonable measures to protect CIT confidential information from unauthorized use or disclosure. Similarly to Ms. Alemany and other senior executives of the Company, Messrs. Fawcett, Hudak and Solk and Ms. Menelly are also required to provide the Company with 90 days advance written notice in the event they intend to end their employment with the Company.
