Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware (the “DGCL”) authorizes a Delaware corporation to indemnify officers, directors, employees and agents of the corporation, in connection with actual or threatened actions, suits or proceedings provided that such officer, director, employee or agent acted in good faith and in a manner such officer reasonably believed to be in or not opposed to the corporation’s best interests, and, for criminal proceedings, had no reasonable cause to believe his or her conduct was unlawful. This authority is sufficiently broad to permit indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act.

Section 102(b)(7) of the DGCL permits a corporation, by so providing in its certificate of incorporation, to eliminate or limit director’s personal liability to the corporation and its stockholders for monetary damages arising out of certain breaches of their fiduciary duty. Section 102(b)(7) does not authorize any limitation on the ability of the corporation or its stockholders to obtain injunctive relief, specific performance or other equitable relief against directors.

The Registrant’s Amended and Restated Certificate of Incorporation, as amended (the “Charter”), provides that no current or former director of the Registrant shall be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability: (a) for any breach of the director’s duty of loyalty to the Registrant or its stockholders; (b) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (c) under Section 174 of the DGCL; or (d) for any transaction from which the director derived any improper personal benefit. The Registrant’s Charter also authorizes the Registrant, to the fullest extent permitted by applicable law, to provide indemnification of, and advancement of expenses to, the Registrant’s agents and any other persons to which the DGCL permits.

In accordance with Section 145, the Registrant’s Bylaws provide that the Registrant shall indemnify its officers and directors, and any employee who serves as an officer or director of any corporation at the Registrant’s request. Article IV of the Registrant’s Bylaws further provides that directors and officers as well as employees and individuals may be indemnified against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually or reasonably incurred by him or on his behalf in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation as a derivative action) if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Registrant, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

These indemnification provisions may permit indemnification of the Registrant’s officers and directors for liabilities (including reimbursement for expenses incurred) under the Securities Act.

All of the Registrant’s directors and officers will be covered by insurance policies maintained by the Registrant against certain liabilities for actions taken in their capacities as such, including liabilities under the Securities Act.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement on Form S-8 (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement on Form S-8 (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement on Form S-8; (iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement on Form S-8 or any material change to such information in this registration statement on Form S-8; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into this registration statement on Form S-8; (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference into this registration statement on Form S-8 shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnity provisions summarized in Item 6, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
