Stock units will automatically be converted into shares of common stock in accordance with the respective vesting schedule unless a previous deferral election has been made. Stock units are entitled to dividend equivalent rights, which accrue on dividend record dates.

(3) Conversion price is 1 for 1 with common stock.

(4) The shares of common stock were issued upon previously awarded performance-based stock options. The performance-based stock options did not constitute derivative securities and therefore were not reported when awarded.
