ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 30, 2005, the Compensation Committee of the Board of Directors of Gentex Corporation (the "Company") approved the acceleration of vesting of "under-water" stock options held by current employees, including executive officers. A stock option was considered "under-water" if the option exercise price was greater than \$31.76 per share as of March 29, 2005. In addition to the

approval of the Compensation Committee of the Board of Directors of the Company, the entire Board of Directors approved the acceleration of vesting of "under-water" stock options. Such actions were taken in accordance with the provisions of the Gentex Corporation Qualified Stock Option Plan (As Amended and Restated Effective February 26, 2004.

After the Company examined a number of alternatives, the decision to accelerate the vesting of "under-water" stock options was made primarily to avoid recognizing compensation expense associated with these stock options in future financial statements upon the adoption of Statement of Financial Accounting Standards (SFAS) No. 123 (R), "Share-Based Payment". The news release announcing the acceleration of vesting of "under-water" stock options is attached as Exhibit 99.1 to this Form 8-K. Approximately 2.3 million shares became immediately exercisable as a result of the vesting acceleration. Vesting was accelerated on every unexercised option that was granted to any Gentex employee (including executive officers) that had an exercise price above the March 29, 2005, closing price of \$31.76.

ITEM 7.01 REGULATION FD DISCLOSURE.

On April 1, 2005, the Company issued a news release announcing a 2-for-1 stock split effected in the form of a 100 percent common stock dividend to be issued on May 6, 2005, to shareholders of record on April 22, 2005. Each shareholder of record will receive an additional share of common stock of the Company for each share held as of the record date. The news release announcing the 2-for-1 stock split effected in the form of a 100 percent common stock dividend is attached as Exhibit 99.1 to this Form 8-K.
