GOL Names New Executive Vice-President - Technical

Sao Paulo, September 4, 2007 GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and Bovespa: GOLL4), the parent company of Brazil's low-cost airlines GOL Transportes Aéreos S.A. (GTA), that operates the GOL brand) and VRG Linhas Aéreas S.A. (VRG), that operates the VARIG brand), announced today that Captain Fernando Rockert de Magalhães has been named GOL's Executive Vice-President - Technical.

Rockert joined GOL in January 2004 and is considered one of the most experienced executives in the industry. He assumed the role of GOL's Director of Operations in March 2005. In addition to being an experienced pilot with more than 16,000 flight hours, Rockert holds a degree in Law, a graduate degree in Administration from the College of Industrial Engineering (FEI) and earned his Masters in Business Administration (MBA) at the Fundação Getulio Vargas (FGV). Rockert is also a professor of Aeronautical Law.

Rockert began his career in the 1970s when he helped found Rio Sul, a regional airline in Brazil. He also worked as a VASP pilot for more than 18 years and was a simulation instructor based in Seoul, South Korea for FlightSafety Boeing (now Alteon), where he trained pilots for Korean airlines.

We are confident that Captain Rockert's proven management skills and technical experience as a pilot will be an asset to the Company during this period of transformation in the Brazilian air transportation industry, says Constantino de Oliveira Junior, President and CEO of GOL.

Captain Rockert is responsible for flight operations, the Company's fleet, flight safety and maintenance. GOL and VRG currently employ approximately 1600 pilots, 150 aeronautical engineers and 1450 mechanics combined.

About GOL Linhas Aéreas Inteligentes S.A.

GOL Linhas Aéreas Inteligentes S.A. is the parent company of low-cost airlines GOL Transportes Aéreos S.A. (GTA), which operates the GOL brand) and VRG Linhas Aéreas S.A. (VRG), which operates the VARIG brand). GTA and VRG offer daily flights to more destinations in Brazil than any other domestic airline while providing customers with the most convenient flight schedules in the country. The airlines operate a young, modern fleet of Boeing aircraft, the safest and most comfortable aircraft of its class, with low maintenance, fuel and training costs, and high aircraft utilization and efficiency ratios. In addition to safe and reliable services, which stimulate brand recognition and customer satisfaction, the Company's service is recognized as the best value proposition in the market. Growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic travel destinations. Shares are listed on the NYSE (GOL) and the Bovespa (GOLL4) stock exchanges.

GOL Transportes Aéreos S.A. offers over 630 daily flights to 58 destinations connecting the most important cities in Brazil as well as the main destinations in Argentina, Bolivia, Chile, Paraguay, Peru and Uruguay.
