VRG Begins Ticket Sales to Santiago, Chile

Sao Paulo, November 23, 2007 GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and Bovespa: GOLL4), the parent company of Brazil's low-cost airlines GOL Transportes Aéreos S.A. and VRG Linhas Aéreas S.A., yesterday began selling tickets for VRG's newest route: São Paulo – Santiago, Chile.

Launching the São Paulo – Santiago route will further expand VRG's network in South America, where we already offer direct flights to Bogotá, Buenos Aires and Caracas, said Lincoln Amano, VRG's commercial director. Our flight network aims to provide passengers with more travel options within South America and to Europe and North America as well, using Brazil as a natural connection point. In addition to Bogotá, Buenos Aires and Caracas, VRG currently offers international service to Frankfurt, Germany; London, England; Paris, France and Rome, Italy. The Company also plans to launch flights to Mexico City, Montevideo and Madrid by the end of 2007.

Daily flights will depart from São Paulo's Guarulhos International Airport at 10:50 am (local time), arriving at the Chilean capital at 1:50 pm (local time). Returning to Brazil, flights will depart from Santiago's Arturo Merino Benitez International Airport at 3:30 pm (local time) landing in São Paulo at 8:00 pm (local time).

Trade and tourism were two major factors in the decision to launch operations between Brazil and Chile. According to Brazil's Ministry of Development, Industry and Foreign Trade, exports to Chile grew nearly 8 percent last year to US\$ 3.9 billion, ranking Chile seventh among the largest importers of Brazilian goods and services. Brazil imported approximately US\$ 2.9 billion in goods and services from Chile last year, a 67 percent increase compared to 2005.

According to Embratur (Brazilian Tourism Board), Chile ranks eleventh among the top 15 countries providing tourists to Brazil and has held that position since 2002. Approximately 150,000 Chilean tourists visited in Brazil in 2006, while nearly 197,000 Brazilians traveled to Chile over the same period.

Tickets to Santiago are available for purchase through VRG's website (www.varig.com) and the Company's call centers. Please see the destination table below for flight departure schedules:
