Yes No

If "Yes" is marked, indicated below the file number assigned to the
registrant in connection with Rule 12g3-2(b):

Notice to the Market

GOL AND WEBJET EXECUTE AN AGREEMENT FOR PRESERVATION OF THE REVERSIBILITY OF THE TRANSACTION WITH THE BRAZILIAN ANTITRUST AUTHORITY

São Paulo, October 27, 2011 - GOL Linhas Aéreas Inteligentes S.A. (BM&FBovespa: GOLL4 and NYSE: GOL) (S&P/Fitch: BB-/BB-, Moody's: B1), the largest low-fare, low-cost airline in Latin America, hereby informs that, the Brazilian Administrative Council for Economic Defense (Conselho Administrativo de Defesa Econômica- "CADE") and the companies VRG Linhas Aéreas S.A., a company controlled by the Company, and Webjet Linhas Aéreas S.A. executed an Agreement of Preservation of the Reversibility of the Transaction ("APRO"), referring to the acquisition of 100% (one hundred percent) of the capital stock of Webjet by VRG, as informed in the Relevant Fact disclosed on August 2, 2011.

The mentioned Agreement resulted from a negotiation between the Companies and CADE, and its purpose is to ensure the reversibility of the transaction and the preservation of the assets until a final decision is rendered by CADE, through the measures aiming to preserve market conditions during the assessment of the competitive effects of the transaction.

The Agreement ensures management autonomy in both companies, including with regard to GOL's "Smiles" program. Without implying any reduction in Webjet's capacity, the Agreement envisages a code sharing arrangement between the companies in order to optimize the route network and increase the options available to customers.

An independent audit firm will be contracted to monitor compliance with the terms agreed to by the parties. The Agreement represents another phase in the Webjet acquisition process.

The companies will remain committed to executing their strategies with the objective of creating value for their employees, shareholders and customers.

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management concerning the future of the business and its continued access to capital to fund the Company's business plan. Such forward-looking statements depend, substantially, on changes in market conditions, government regulations, competitive pressures, the performance of the Brazilian economy and the industry, among other factors and risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice.
