### **Notice to the Market**

Banco Bradesco S.A. (Bradesco) hereby informs its shareholders, customers and employees that its Board of Directors, at a meeting held on this date, resolved, among other matters that will be submitted to a Shareholders' Meeting to be held on October 7, 2016, to propose an amendment to the Sole Paragraph of Article 18 of its Bylaws in order to increase the age limit for the position of Chief Executive Officer from less than 65 to less than 67 years old on the date of election.

This decision will allow Bradesco to take advantage of the vast professional and administrative experience acquired in the position of Chief Executive Officer, especially at this time when the operations of HSBC are being integrated, which is expected to generate important synergy gains.

Additional information on this statutory amendment, as well as on the other matters to be resolved at said Shareholders' Meeting, is available for consultation on Bradesco's website [www.bradesco.com.br](http://www.bradesco.com.br) at Investor Relations – Corporate Governance - Shareholders - Manual for the Participation in Shareholders' Meetings, and on the websites [www.bmfbovespa.com.br](http://www.bmfbovespa.com.br) and/or [www.cvm.gov.br](http://www.cvm.gov.br).

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
