Item 7.01 Regulation FD Disclosure.

On August 9, 2005, the Executive Committee of the Board of Directors of Keithley Instruments, Inc. ("the Company") authorized the accelerating of the vesting of certain unvested and "out-of-the-money" stock options outstanding under the Company's stock plans that had exercise prices of \$16.00 or higher as of the close of business on August 9, 2005.

The accelerated vesting of the options held by Officers of the Company is subject to the Officers' agreement not to sell the shares acquired upon exercise of the awards sooner than the original vesting date.

Under the recently revised Financial Accounting Standards Board Statement No. 123 (revised 2004), "Share-Based Payment," the Company will apply the expense recognition provisions relating to stock options beginning October 1, 2005. As a result of the acceleration, the Company expects to reduce stock option expense it otherwise would be required to record by approximately \$1.0 million in fiscal 2006 and \$0.8 million in fiscal 2007 on a pre-tax basis.
