Item 8.01 Other Events.

Hillenbrand Industries, Inc. and its Hill-Rom, Inc. and Hill-Rom Company, Inc. subsidiaries announced on June 14, 2006, that the United States District Court for the District of South Carolina granted final approval of the definitive settlement agreement entered into with Spartanburg Regional Healthcare System and its attorneys. The agreement ends the antitrust class action litigation brought by Spartanburg against Hillenbrand and Hill-Rom. All significant provisions of this agreement have been previously disclosed. The original cost of the settlement, \$337.5 million, was reduced by almost \$21.2 million to approximately \$316.3 million. The reduction in the settlement amount reflects the portion attributable to customers who opted out of the settlement. The original settlement cost, along with estimates of certain legal and other costs to complete the settlement, was fully accrued by Hillenbrand in the fourth quarter of its 2005 fiscal year, which ended September 30, 2005.

The settlement is expected to resolve all of the plaintiffs' claims and those of all class member U.S. and Canadian purchasers or renters of Hill-Rom products from 1990 through the date of the agreement. In March 2006, after receipt of preliminary approval of the settlement agreement, \$50 million was paid into escrow. The company anticipates it will fund the balance due of approximately \$266 million by mid August. The settlement is further described in the press release filed as Exhibit 99 to this Form 8-K and incorporated herein by reference.
