**Item 7.01 Regulation FD Disclosure.**

On April 1, 2009, Municipal Mortgage & Equity, LLC ("the Company,") completed the first closing of the sale of substantially all of the renewable energy business operated by its subsidiary, MMA Renewable Ventures, LLC.

On February 26, 2009, the Company agreed to sell the assets of MMA Renewable Ventures, LLC, other than its interests in its Solar Funds I and II, to Fotowatio Renewable Ventures, Inc., a subsidiary of Fotowatio S.L for an aggregate purchase price of \$19.7 million. At the initial signing, Fotowatio made an advance payment to the Company of \$1.5 million, which was applied against the purchase price. The sale was structured to occur in two separate closings. The first closing, which was completed on April 1, 2009, covered core assets, inclusive of employees, the pipeline of potential future transactions and MMA Renewable Ventures, LLC's interests in its Solar Fund III, with a payment of \$13.65 million. Ten percent of the proceeds received from the first closing are being held in escrow for a six month period to secure certain potential indemnification obligations of the Company under the Purchase Agreement. A subsequent closing or closings will cover the remaining assets that are included in the sale and the balance of payment, which will be subject to possible purchase price adjustments, including a purchase price reduction if the Company exercises a right to retain certain assets.
