On September 22, 2011, Western Alliance Bancorporation (the "Company") announced that it received preliminary approval from the U.S. Department of the Treasury ("Treasury") to receive an investment of approximately \$141.8 million under the Small Business Lending Fund ("SBLF"). The investment by Treasury would be in the form of preferred stock of the Company. The Company intends to use the proceeds from the SBLF investment to redeem in full the outstanding \$140 million of preferred stock issued to the Treasury under the TARP Capital Purchase Program.

The SBLF preliminary approval is not a binding obligation of the Treasury. A binding obligation and final approval of the Company's application for the SBLF funds will not arise until a Securities Purchase Agreement is executed by the Treasury and the Company. The execution of the Securities Purchase Agreement and the transfer of the funds by the Treasury are expected to occur on or before September 27, 2011 and are subject to, in the Treasury's sole discretion, due diligence and satisfaction of customary closing conditions set forth in the Stock Purchase Agreement.
