The Class C units will receive distributions in the form of additional Class C units until the end of 2017 (unless earlier converted), and will be disregarded with respect to calculating the Partnership’s cash distributions until they are converted to common units. The Class C units will convert into common units on a one-for-one basis on December 31, 2017, unless the Partnership elects to convert such units earlier or Anadarko extends the conversion date. The terms of the Class C unit issuance were unanimously approved by the Board of Directors of the Partnership’s General Partner and by the Board’s special committee.
