Item 1.01 – Entry into a Material Definitive Agreement

On September 30, 2009, we entered into an agreement with NDS Nutritional Products, Inc. and other affiliated parties (the "Amended Agreement") to modify certain terms and provisions of the Asset Purchase Agreement, dated October 1, 2008 as amended March 2, 2009 (the "Original Agreement"). Under the terms of the Amended Agreement, all outstanding amounts payable to NDS Nutritional Products, Inc. in connection with i) that certain Secured Promissory Note (Component Inventory) dated October 1, 2008, ii) that certain Secured Promissory Note (Fixed Assets) dated October 1, 2008, and iii) that certain Secured Promissory Note (Installment) dated October 1, 2008 were replaced in their entirety by a new Secured Promissory Note dated September 30, 2009 (the "Secured Promissory Note"). In addition to the above, the Amended Agreement 1) fixed the total Earn-Out Amount payable by the Company to NDS Nutritional Products, Inc. at \$330,420.21, of which \$55,420.21 had been previously paid under the terms of the Original Agreement, and 2) provided for the purchase of select finished goods inventory at cost from NDS Nutritional Products, Inc.

The Secured Promissory Note matures December 31, 2010, bears simple interest at a rate of 8% per annum and has an aggregate original principal amount of \$621,775.01, including \$240,851.38 to replace pre-existing notes, \$105,923.63 as consideration for the purchase of finished goods inventory, and \$275,000 representing the residual, unpaid Earn-Out Amount. The Company is required to make payments of \$25,000 per month to the holder of the Secured Promissory Note; provided, however, that the second and third of such monthly payments shall be \$50,000 each; provided, further, that no such payments are due for the first five months after the issuance date of the Secured Promissory Note. The Company retains the right to prepay the principal amount of the Secured Promissory Note at any time, in whole or in part, without any penalty or premium, which may reduce the original principal amount evidenced by the Secured Promissory Note by either \$25,000 or \$50,000 depending on the amount and timing of such additional payments, if they occur.
