Item 2.05 Costs Associated with Exit or Disposal Activities

On May 3, 2018, as part of the regular evaluation and alignment by Advanced Emissions Solutions, Inc. (the "Company") of its personnel resources with the needs of its business, the Company initiated leadership changes and a workforce reduction plan affecting approximately 43% of the Company's employees (collectively the "May Reduction"). As part of the May Reduction, the Company eliminated the positions of two named executive officers of the Company as described in Item 5.02 below.

The employees that are subject to the May Reduction were notified on May 3, 2018 and are being provided with cash severance arrangements, continuation of benefits and accelerated vesting of previously issued equity awards.

The Company expects that individuals affected by the May Reduction to remain employed to assist the Company through various transition periods, all of which will end throughout 2018, but no later than September 30, 2018.

In connection with these actions, the Company currently expects to record aggregate charges with respect to severance payments, benefits continuation and vesting of certain equity awards that are estimated to be approximately \$1.9 million - \$2.1 million and are expected to be recorded during the second and third quarters of 2018. Cash expenditures related to the May Reduction are expected to be approximately \$1.1 million - \$1.3 million. As a result of the May Reduction, the Company estimates it will generate annualized expense savings of approximately \$3.0 million - \$3.3 million, primarily from savings in employee salaries and benefits.

Item Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;  
5.02 Compensatory Arrangements of Certain Officers

(b)

As part of the planned May Reduction, on April 30, 2018, the Board of Directors of the Company, eliminated the positions of Senior Vice President, Operations and Chief Product Officer, as of the date the individuals currently serving in those positions cease to serve the Company. Mr. Ron Hanson, the current Senior Vice President, Operations, and Ms. Sharon Sjostrom, the current Chief Product Officer, will continue to serve the Company through September 7, 2018 and June 15, 2018, respectively.

Mr. Hanson and Ms. Sjostrom are entitled to the severance compensation as set forth in their respective employment agreements with the Company. In the case of Mr. Hanson, the cash severance compensation is the amount of approximately \$200 thousand (7.5 months of his annual base salary plus a pro-rated portion of short term incentive cash bonuses that would have been earned if he had been employed for the full year). In the case of Ms. Sjostrom, the cash severance compensation is the amount of approximately \$350 thousand (12 months of her annual base salary plus a pro-rated portion of short term incentive cash bonuses that would have been earned if she had been employed for the full year). Both Mr. Hanson and Ms. Sjostrom are also entitled to have all of their unvested equity awards become vested as of the respective dates of the termination of their service with the Company. Additionally, the Company will pay health benefits for both Mr. Hanson and Ms. Sjostrom for a full year effective on the respective dates of termination.
