**Proxy Statement for Annual Meeting of
Shareholders to be Held on May 21, 2014**

Our board of directors is soliciting proxies for the 2014 Annual Meeting of Shareholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. We encourage you to read it carefully. We are distributing this proxy statement on or about April 7, 2014.

Voting Information

The board set March 25, 2014 as the record date for the meeting. Shareholders owning shares of our common stock at the close of business on that date are entitled to attend and vote at the meeting, with each share entitled to one vote. There were 6,652,189 shares of common stock outstanding on the record date. A majority of the outstanding shares of common stock entitled to vote at the meeting will constitute a quorum. We will count abstentions and broker non-votes, which are described below, in determining whether a quorum exists.

Many of our shareholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. If you hold our shares in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and your broker or nominee, who is considered the shareholder of record with respect to those shares, is forwarding these materials to you. As the beneficial owner, you have the right to direct your broker, bank, or other nominee how to vote and are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the shareholder of record giving you the right to vote the shares. Your broker, bank, or other nominee has enclosed or provided a voting instruction card for you to use to direct your broker, bank, or other nominee how to vote these shares.

If a share is represented for any purpose at the annual meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for the purpose of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" or as to which no vote is marked, including broker non-votes (described below), will be included in determining the number of votes present or represented at the annual meeting.

When you sign the proxy card, you appoint David K. Proctor and Joseph G. Sawyer as your representatives at the meeting. Messrs. Proctor and Sawyer will vote your proxy as you have instructed them on the proxy card. If you submit a proxy but do not specify how you would like it to be voted, Messrs. Proctor and Sawyer will vote your proxy for the election to the board of directors of all nominees listed below under "Election of Directors," for the approval of the compensation of our named executive officers as disclosed in this proxy statement (this is a non-binding, advisory vote) and for the ratification of the appointment of our independent registered public accountants for the year ending December 31, 2014. We are not aware of any other matters to be considered at the meeting. However, if any other matters come before the meeting, Messrs. Proctor and Sawyer will vote your proxy on such matters in accordance with their judgment.

Assuming that a quorum is present:

With respect to Proposal No. 1, the directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. This means that the individuals who receive the highest number of votes are selected as directors up to the maximum number of directors to be elected at the meeting. We will not count abstentions, broker non-votes or the failure to return a signed proxy as either for or against a director, so abstentions, broker non-votes and the failure to return a signed proxy have no impact on the election of a director.

With respect to Proposal No. 2, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. *This vote is advisory and will not be binding upon our board of directors.* However, the human resources/compensation committee and the board of directors will take into account the outcome of the vote when considering future executive compensation arrangements. If a shareholder submits a proxy but does not specify how he or she would like it to be voted, then the proxy will be voted "FOR" the approval of the compensation of the company's named executive officers. We will not count abstentions, broker non-votes or the failure to return a signed proxy as either for or against this proposal, so abstentions, broker non-votes and the failure to return a signed proxy will not affect the approval of the non-binding resolution to approve the compensation of the company's named executive officers.

With respect to Proposal No. 3, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. If a shareholder submits a proxy but does not specify how he or she would like it to be voted, then the proxy will be voted "FOR" the ratification of the appointment of our independent registered public accountants for the year ended December 31, 2014. We will not count abstentions, broker non-votes or the failure to return a signed proxy as either for or against this proposal, so abstentions, broker non-votes and the failure to return a signed proxy have no impact on the ratification of the appointment of our independent registered public accountants.

You may revoke your proxy and change your vote at any time before the polls close at the meeting. If you are the record holder of the shares, you may do this by (a) signing and delivering another proxy with a later date, (b) by voting in person at the meeting, or (c) by voting again over the Internet or by telephone prior to 3:00 a.m., Eastern Daylight Time, on May 21, 2014.

Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proposals that brokers do not vote on are referred to as "broker non-votes." A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, if a shareholder abstains from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

If you hold your shares in street name through a broker, bank, or other nominee, it is critical that you cast your vote if you want it to count in the election of our director nominees or the approval of the Say-on-Pay proposal. Regulations prohibit your broker, bank, or other nominee from voting uninstructed shares on a discretionary basis on proposals one or two at the annual meeting. Thus, if you hold your shares in street name and you do not instruct your broker how to vote at the meeting, no votes will be cast on your behalf for proposals one or two. Further, if you abstain from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

Solicitations of proxies may be made in person or by mail, telephone, or other means. We are paying for the costs of preparing and mailing the proxy materials and of reimbursing brokers and others for their expenses of forwarding copies of the proxy materials to our shareholders. Upon written or oral request, we will promptly deliver a separate copy of our annual report on Form 10-K or this proxy statement to our shareholders at a shared address to which a single copy of the document was delivered. Alternatively, if you are sharing an address with other shareholders and are receiving multiple copies of our annual report on Form 10-K or this proxy statement, you may request a single copy be sent to your shared address, if you prefer. Please contact us at (803) 951-0500 for any such request. Our directors, officers, and employees may assist in soliciting proxies but will not receive additional compensation for doing so.

Important Notice of Internet Availability. Proposal No. 1: Election of Directors

The board of directors currently has 16 members divided into three classes with staggered terms, so that the terms of only approximately one-third of the board members expire at each annual meeting. The current terms of the Class II directors will expire at the meeting. The terms of the Class III directors will expire at the 2015 annual meeting of shareholders and the terms of the Class I directors will expire at the 2016 annual meeting of shareholders.

In connection with our merger with Savannah River Financial Corporation and its wholly owned subsidiary, Savannah River Banking Company, which was consummated on February 1, 2014, we agreed to appoint three former directors of Savannah River to the board of directors of each of the company and its subsidiary, First Community Bank. As a result, in February 2014, the board appointed J. Randolph Potter, E. Leland Reynolds and Paul S. Simon as directors. All other directors have previously been elected by the shareholders. Under South Carolina law, the current terms for Mr. Potter, Mr. Reynolds and Mr. Simon expire at the Annual Meeting, and the board of directors recommends that you re-elect them to the board of directors.

Our current directors and their classes are:

Class I	Class II	Class III
Richard K. Bogan, M.D.	Thomas C. Brown*	Chimin J. Chao
Michael C. Crapps	O.A. Ethridge, D.M.D.*	Loretta R. Whitehead
Anita B. Easter	W. James Kitchens, Jr.*	J. Thomas Johnson
George H. Fann, Jr., D.M.D.	Paul S. Simon*	E. Leland Reynolds*
J. Randolph Potter*	Roderick M. Todd, Jr.*	Alexander Snipe, Jr.
	Mitchell M. Willoughby*	

* Standing for election by the shareholders at the meeting.

The current directors whose terms expire at the meeting, Mr. Brown, Dr. Ethridge, Mr. Kitchens, Mr. Todd and Mr. Willoughby, have been nominated by the board of directors to be elected at the meeting to serve a three-year term expiring at the 2017 annual meeting of shareholders. So that the board is divided as equally as possible into three classes, if elected by the shareholders, the new directors have been nominated to different classes so that Mr. Reynold's term will expire at the 2015 annual meeting of shareholders, Mr. Potter's term will expire at the 2016 annual meeting of shareholders and Mr. Simon's term will expire at the 2017 annual meeting of shareholders.

The board of directors recommends that you elect Mr. Brown, Dr. Ethridge, Mr. Kitchens, Mr. Simon, Mr. Todd and Mr. Willoughby as Class II directors, Mr. Reynolds as a Class III director and Mr. Potter as a Class I director. If a quorum is present, the directors will be elected by a plurality of the votes cast at the meeting. This means that the eight nominees receiving the highest number of votes will be elected directors. Abstentions, broker non-votes, and the failure to return a signed proxy will have no effect on the outcome of the vote on this matter. If you submit a proxy but do not specify how you would like it to be voted, Messrs. Proctor and Sawyer will vote your proxy to elect Mr. Brown, Dr. Ethridge, Mr. Kitchens, Mr. Potter, Mr. Simon, Mr. Reynolds, Mr. Todd and Mr. Willoughby. If any of these nominees is unable or fails to accept nomination or election (which we do not anticipate), Messrs. Proctor and Sawyer will vote instead for a replacement to be recommended by the board of directors, unless you specifically instruct otherwise in the proxy.

Proposal No. 2: Non-Binding, Advisory Vote on Compensation of the Named Executive Officers

The rules adopted under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enable our shareholders to vote to approve, on a non-binding basis, the compensation of the company’s named executive officers. Accordingly, we are asking you to approve the compensation of the company’s named executive officers as described under “Compensation of Directors and Executive Officers” and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this proxy statement.

The company seeks to align the interests of our named executive officers with the interests of our shareholders. Therefore, our compensation programs are designed to reward our named executive officers for the achievement of strategic and operational goals and the achievement of increased shareholder value, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. We believe that our compensation policies and procedures are competitive and focused on performance and are aligned with the long-term interest of our shareholders.

The proposal described below, commonly known as a “Say-on-Pay” proposal, gives you as a shareholder the opportunity to express your views regarding the compensation of the named executive officers by voting to approve or not approve such compensation as described in this proxy statement. This vote is advisory and will not be binding upon the company, the board of directors or the human resources/compensation committee. However, the company, the board and the human resources/compensation committee will take into account the outcome of the vote when considering future executive compensation arrangements. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission (the “SEC”).

The board of directors believes our compensation policies and procedures achieve this objective and, therefore, recommend shareholders vote “FOR” the proposal through the following resolution:

“RESOLVED, that the compensation paid to the company’s named executive officers, as disclosed in the company’s Proxy Statement for the 2014 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related material disclosed in the Proxy Statement, is hereby APPROVED.”

If a quorum is present, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. Abstentions, broker non-votes, and the failure to return a signed proxy will have no effect on the outcome of the vote on this matter.

Proposal No. 3: Ratification of Appointment of Independent Registered Public Accounting Firm

On March 18, 2014, the audit/compliance committee of the board of directors appointed Elliott Davis, LLC as our independent registered public accounting firm for the year ending December 31, 2014. Although we are not required to seek shareholder ratification in the selection of our accountants, we believe obtaining shareholder ratification is desirable. If the shareholders do not ratify the appointment of Elliott Davis, the audit/compliance committee will re-evaluate the engagement of our independent auditors. Even if the shareholders do ratify the appointment, our audit/compliance committee has the discretion to appoint a different independent registered public accounting firm at any time during the year if the audit/compliance committee believes that such a change would be in the best interest of our shareholders and the company. We expect that a representative of Elliott Davis will attend the meeting and will be available to respond to appropriate questions from shareholders.

If a quorum is present, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. Abstentions, broker non-votes, and the failure to return a signed proxy will have no effect on the outcome of the vote on this matter.

The board unanimously recommends that shareholders vote “FOR” the ratification of the appointment of Elliott Davis, LLC as our independent registered public accounting firm for the year ending December 31, 2014.

CORPORATE GOVERNANCE

The board of directors met 13 times during 2013. Each director in 2013 attended at least 75% of the combined total of meetings of the board and meetings of each committee on which such director served.

Neither the board nor the nomination and corporate governance committee has implemented a formal policy regarding director attendance at an annual meeting of shareholders, although board members are encouraged to attend the annual shareholders meeting. Nine directors attended the 2013 Annual Meeting of Shareholders.

The board has determined that a majority of its members are independent as defined by the listing standards of The NASDAQ Stock Market. Specifically, our board of directors has determined that the following directors are independent: Richard K. Bogan, M.D., Thomas C. Brown, Chimin J. Chao, Anita B. Easter, O. A. Ethridge, D.M.D., George H. Fann, Jr., D.M.D., W James Kitchens, Jr., E. Leland Reynolds, Paul S. Simon, Alexander Snipe, Jr., Roderick M. Todd, Jr., Loretta R. Whitehead and Mitchell M. Willoughby.

The board of directors has established a Code of Business Conduct and Ethics that applies to all directors, officers and employees, which may be found on our website at www.firstcommunitysc.com. The information on our website is not part of this proxy statement. The company intends to post on its website all disclosures that are required by law or The NASDAQ Stock Market listing standards concerning any amendments to, or waivers from, the Code of Business Conduct and Ethics. Shareholders may request a copy of the Code of Business Conduct and Ethics by written request directed to First Community Corporation, Attention: Corporate Secretary, 5455 Sunset Blvd, Lexington, South Carolina 29072.

Shareholders may communicate directly to the board of directors in writing by sending a letter to the board at: First Community Corporation, Attention: Corporate Secretary, 5455 Sunset Blvd., Lexington, South Carolina 29072. All letters directed to the board of directors will be received and processed by the corporate secretary and will be forwarded to the chairman of the nomination and corporate governance committee without any editing or screening.

Board Leadership Structure and Role in Risk Oversight

We are focused on the company's corporate governance practices and value independent board oversight as an essential component of strong corporate performance to enhance shareholder value. Our commitment to independent oversight is demonstrated by the fact that a majority of our directors are independent. In addition, all of the members of our board of directors' audit/compliance, human resources/compensation, and nominating and corporate governance committees are independent.

Our board of directors believes that it is preferable for one of our independent directors to serve as chairman of the board. The individual our board of directors appointed as chairman, Mitchell M. Willoughby, has been one of our directors since 1994 and is a long-time resident of our primary market area. We believe it is the Chief Executive Officer's responsibility to manage the company and the chairman's responsibility to guide the board as it provides leadership to our executive management. As directors continue to be faced with more oversight responsibility than ever before, we believe it is beneficial to have separate individuals in the role of chairman and Chief Executive Officer. Traditionally, the company has maintained the separateness of the roles of the chairman and the Chief Executive Officer. In making its decision to have an independent chairman, the board of directors considered the time and attention that Mr. Crapps is required to devote to managing the day-to-day operations of the company. By having another director serve as chairman of the board of directors, Mr. Crapps will be able to focus his entire energy on running the company. This will also ensure there is no duplication of effort between the Chief Executive Officer and the chairman. We believe this board leadership structure is appropriate in maximizing the effectiveness of board oversight and in providing perspective to our business that is independent from executive management.

Our audit/compliance committee is primarily responsible for overseeing the company's risk management processes on behalf of the full board of directors. The audit/compliance committee focuses on financial reporting risk and oversight of the internal audit process. It receives reports from management at least quarterly regarding the company's assessment of risks and the adequacy and effectiveness of internal control systems, as well as reviewing credit and market risk (including liquidity and interest rate risk) and operational risk (including compliance and legal risk). Strategic and reputation risk are also regularly considered by this committee. The audit/compliance committee also receives reports from management addressing the most serious risks impacting the day-to-day operations of the company. Our director of internal audit reports to the audit committee and meets with the audit/compliance committee in executive sessions as needed to discuss any potential risk or control issues involving management. The audit/compliance committee reports regularly to the full board of directors, which also considers the company's entire risk profile. The full board of directors focuses on certain significant risks facing the company and on certain aspects of the company's general risk management strategy. Management is responsible for the day-to-day risk management processes. We believe this division of responsibility is the most effective approach for addressing the risks facing our company and that our board leadership structure supports this approach.

We recognize that different board leadership structures may be appropriate for companies in different situations. We will continue to reexamine our corporate governance policies and leadership structures on an ongoing basis to ensure that they continue to meet the company's needs.

Committees of the Board

Our board of directors has three standing committees: the audit/compliance committee, the human resources/compensation committee, and the nomination and corporate governance committee. Each committee serves in a dual capacity as a committee of the company and of the bank.

Audit/Compliance Committee

The following directors are members of the audit/compliance committee: W. James Kitchens, Jr. (Chairman), Anita B. Easter, O. A. Ethridge, D.M.D., Loretta R. Whitehead and Mitchell M. Willoughby. The board of directors has determined that all of these committee members are independent, as contemplated in the listing standards of The NASDAQ Stock Market. Our board has determined that Mr. Kitchens, who was appointed to the audit/compliance committee on March 16, 2004, qualifies as an audit committee financial expert under SEC rules. The audit/compliance committee met four times in 2013.

The audit/compliance committee has the responsibility of reviewing the company's financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all audits and examinations required by law are performed. The committee recommends to the board the appointment of the independent auditors for the next fiscal year, reviews and approves the auditor's audit plans, and reviews with the independent auditors the results of the audit and management's responses. The board of directors has adopted an audit/compliance committee charter, which may be found by clicking on the link for "Investor Information" on our website at www.firstcommunitysc.com. The charter outlines the committee's responsibilities for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts and may be amended by the board at any time. The audit/compliance committee reports its findings to the board of directors.

Human Resources/Compensation Committee

The following directors are members of the human resources/compensation committee: Thomas C. Brown (Chairman), Richard K. Bogan, Chimin J. Chao, E. Leland Reynolds, Roderick M. Todd, Jr. and Loretta R. Whitehead.

The human resources/compensation committee is comprised entirely of independent directors as prescribed by the NASDAQ Stock Market listing standards. The board of directors has adopted a human resources/compensation committee charter, which may be found by clicking on the link for "Investor Information" on our website at www.firstcommunitysc.com. The human resources/compensation committee met five times during 2013. This committee is responsible for determining director and executive officer compensation. The human resources/compensation committee annually evaluates and recommends to the board the compensation package for the President/Chief Executive Officer.

The human resources/compensation committee also annually reviews the compensation packages for members of the bank's executive committee. The President/Chief Executive Officer has the responsibility to annually evaluate the performance of each of the members of the bank's executive committee and determine their compensation packages. Compensation packages for non-executive employees is determined by individual supervisors in conjunction with the bank's Director of Human Resources and these compensation decisions are made based on criteria included in the bank's overall budget which is approved annually by the company's board of directors.

The human resources/compensation committee is responsible for:

- a) Annually reviewing the form and amount of director compensation and recommending compensation packages to the board.
- b) Annually reviewing employee compensation strategies; benefit plans including insurance and retirement plans, and equity programs.
- c) Appointing trustees to oversee the company's 401K plan.
- d) Annually evaluating the President/Chief Executive Officer's performance as it compares to the company's goals and objectives, providing feedback to him on his performance, and recommending to the board his compensation package, including base salary level, incentive compensation plan, equity plans, and any special or supplemental benefits.
- e) Reviewing and making recommendations to the board concerning employment agreements, severance agreements, change in control agreements, as well as any supplemental benefits.

- f) Overseeing all incentive plans, and, as such, considering methods of creating incentives for management to achieve sustained growth in earnings and shareholder value and to retain key management personnel, including annual cash incentive plans, long-term incentive plans, equity plans, as well as any special supplemental benefits and making recommendations to the Board concerning the design structure of such plans.

g) Serving as the stock committee or stock sub-committee and, as such, has the authority to approve awards under the company's stock option plan and other equity plans.

h) Approving the annual report on executive compensation and director's fees for inclusion in the company's proxy statement.

i) Approving the annual committee report for inclusion in the company's proxy statement.

- j) Annually, reporting to the board on succession planning for the Chief Executive Officer. The board should consider and evaluate potential successors to the Chief Executive Officer.
- k) Reporting its activities and recommendations to the board of directors at any regular or special meeting of the board.
- l) Annually reviewing its charter and presenting it to the board for approval.

Compensation Consultant

During 2013, the human resources/compensation committee engaged the services of McLagan, an Aon Hewitt company, to provide independent compensation consulting services for both directors and executive management of the company. McLagan reports directly to the human resources/compensation committee. The human resources/compensation committee has the sole authority to hire its consultants and set the engagements and the related fees of those consultants.

The following consulting services were provided to the human resources/compensation committee in 2013 by McLagan:

- Assisted the human resources/compensation committee in reviewing the company's compensation philosophy.
- Revised the company's compensation peer group of publicly-traded financial institutions.
- Reviewed the competitiveness of the compensation elements of the company's top executives, including base salary, annual incentive or bonus, long-term incentives (stock options and restricted stock), all other compensation, and changes in retirement benefits as compared to that of the customized peer group.
- Reviewed the competitiveness of the company's director compensation elements as compared to that of the customized peer group.
- Performed an analysis on director stock ownership guidelines as compared to that of the customized peer group.
- Recommended and made observations regarding the potential alignment of the company's executive compensation practices with the company's overall business strategy and culture relative to the market as defined by the peer group. This included a review of the current performance-based programs with respect to the annual cash incentives and annual equity grants and making recommendations for the 2013 and 2014 fiscal year plans.
- Provided education to the human resources/compensation committee of the board of directors regarding industry compensation trends.

Compensation Committee's Relationship with its Independent Compensation Consultant

The human resources/compensation committee considered the independence of McLagan in light of new SEC rules and NASDAQ listing standards. The compensation committee requested and received a report from McLagan addressing the independence of McLagan and its senior advisors. The following factors were considered: (1) other services provided to us by McLagan; (2) fees paid by us as a percentage of McLagan's total revenue; (3) policies or procedures maintained by McLagan that are designed to prevent a conflict of interest; (4) any business or personal relationships between the senior advisors and a member of the compensation committee; (5) any company stock owned by the senior advisors; and (6) any business or personal relationships between our executive officers and the senior advisors. The human resources/compensation committee discussed these considerations and concluded that the work performed by McLagan and McLagan's senior advisors involved in the engagements did not raise any conflict of interest.

Nomination and Corporate Governance Committee.

The following directors are members of the nomination and corporate governance committee: George H. Fann (Chairman), Chimin J. Chao, Alexander Snipe, Jr., Paul S. Simon and Roderick M. Todd, Jr.

The nomination and corporate governance committee is comprised entirely of independent directors as prescribed by The NASDAQ Stock Market listing standards. This committee met two times during 2013.

On March 16, 2004, our board adopted a nomination and corporate governance committee charter which may be found on our website by clicking on the link for "Investor Information" at www.firstcommunitysc.com.com. The charter provides that the responsibilities of the committee include: (a) reviewing the qualifications and independence of the members of the board and its various committee assignments; (b) evaluating incumbent directors in determining consideration for reelection; (c) recommending board nominees for election as officers; (d) providing guidance on board and corporate governance issues; and (e) considering director candidates recommended by shareholders who submit nominations in accordance with our bylaws.

Shareholders who submit candidates for nomination must deliver nominations in writing to the secretary of the company no later than (i) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting; and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, seven days after notice of the special meeting is given to shareholders. Each notice must set forth: (i) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (ii) a representation that the shareholder is a holder of record of stock of the company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (iv) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the SEC's proxy rules, had the nominee been nominated, or intended to be nominated, by the board of directors; and (v) the consent of each nominee to serve as a director of the company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

The nomination and governance committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the nomination and governance committee members consider and discuss diversity, among other factors, with a view toward the needs of the board of directors as a whole. The nominating committee members generally conceptualize diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities or attributes that contribute to board heterogeneity, when identifying and recommending director nominees. The nomination and governance committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the committee's goal of creating a board of directors that best serves the needs of the company and the interests of its shareholders.

In evaluating such director recommendations, the committee uses a variety of criteria to evaluate the qualifications and skills necessary for members of our board of directors. Under these criteria, members of the board of directors should have the highest professional and personal ethics and values, consistent with our longstanding values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of our shareholders.

The committee uses a variety of methods for identifying and evaluating nominees for director. They regularly assess the appropriate size of the board of directors, and whether any vacancies are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the committee considers various potential candidates for director. Candidates may come to their attention through current members of the board, shareholders, or other persons. These candidates are evaluated at regular or special meetings of the board, and may be considered at any point during the year. The committee considers properly submitted shareholder recommendations for candidates. In evaluating such recommendations, the committee uses the qualifications and standards discussed above, and it seeks to achieve a balance of knowledge, experience and capability on the board of directors.

Report of the Audit/Compliance Committee

Management is responsible for the company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the company's consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and issuing a report thereon. The audit/compliance committee's responsibility is to monitor and oversee these processes.

In this context, the committee has met and held discussions with management and Elliott Davis, LLC, the company's independent auditors in 2013 and 2014. In discharging its oversight responsibility as to the audit process, the audit/compliance committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the audit/compliance committee concerning independence and has discussed with the independent auditors their independence from the company and its management. The committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the company's internal controls and the internal audit function's organization, responsibilities, budget and staffing. The committee reviewed both with the independent and internal auditors their audit plans, audit scope and identification of audit risks.

The committee reviewed and discussed with the independent auditors all communications required by Public Company Accounting Oversight Board Auditing Standard No. 16, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The committee also discussed the results of the internal audit examinations.

The committee reviewed and discussed the audited consolidated financial statements of the company as of and for the year ended December 31, 2013, with management and the independent auditors.

Based on the above-mentioned review and discussions with management and the independent auditors, the committee recommended to the board that the company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2013, for filing with the SEC. On March 18, 2013, the committee appointed Elliott Davis, LLC as the company's independent auditors for 2014.

The report of the audit committee is included herein at the direction of its members Mr. Kitchens, Ms. Easter, Dr. Ethridge, Ms. Whitehead, and Mr. Willoughby.

Named Executive Officer Employment Agreements

Michael C. Crapps. On June 1, 2008, we entered into an employment agreement with Mr. Crapps to serve as the President and Chief Executive Officer of the company and bank. Unless terminated earlier according to provisions in the employment agreement, the agreement provides a three-year term of employment and at the end of each day during the term of employment the term of the agreement is automatically extended for an additional day so that the remaining term continues to be three years, except that either party can give the other party written notice of and fix the term to a finite term of three years from the date of the written notice.

The initial base salary for Mr. Crapps was \$249,867, which amount is subject to annual review by the board of directors and may be increased. Under his agreement, Mr. Crapps is eligible to receive bonuses if he meets the goals set forth annually for him by the human resources/compensation committee of the board of directors. Furthermore, Mr. Crapps is eligible for the company's long-term equity incentive program and for the grant of stock options, restricted stock and other similar awards.

Mr. Crapps is provided with a country club membership as well as a life insurance policy for the benefit of his spouse and heirs. Mr. Crapps is also entitled to participation in retirement, health, welfare and other benefit plans and programs of the company applicable to employees generally or to senior executives.

The employment agreement provides that, if the company terminates Mr. Crapps' employment without cause, the company shall be obligated to pay Mr. Crapps compensation in an amount equal to 100% of his then current monthly base salary each month, subject to a six month delay, for 24 months from the date of termination, plus any bonus earned or accrued through the date of termination. After a change in control, the company will pay Mr. Crapps an amount equal to three times the then current annual base salary. In addition, the company will pay Mr. Crapps any bonus earned or accrued through the date of change in control. The company will remove any restrictions on outstanding incentive awards so that all such awards vest immediately. The company must continue to pay at its expense medical, dental, disability and life insurance benefits for a period of two years.

In the event that the company's independent accountants acting as its auditors on the date of a change in control determine that the payments provided for in the employment agreement constitute "excess parachute payments" under Section 280G of the Internal Revenue Code, then the compensation payable under the employment agreement will be reduced to an amount the value of which is \$1.00 less than the maximum amount that could be paid to Mr. Crapps without his compensation being treated as "excess parachute payments" under Section 280G.

The employment agreement contains provisions relating to non-solicitation of customers and personnel and non-competition during the term of employment and the two years thereafter, as well as a provision relating to the protection of confidential information.

David K. Proctor and Joseph G. Sawyer. On June 1, 2008, the company entered into employment agreements with David K. Proctor, as executive vice president and chief risk officer, and Joseph G. Sawyer, as executive vice president and chief financial officer. Both employment agreements provide for an initial term of three years, to be extended automatically each day for an additional day so that the remaining term of the agreement will continue to be three years. The term may be fixed at three years without extension by notice of either party to the other. The term of each agreement is currently three years. The agreement with Mr. Proctor provides for a starting annual salary of \$127,500 and the agreement with Mr. Sawyer provides for an annual salary of \$140,000 per year, and the amounts are reviewed annually and may be increased from time to time. Mr. Proctor and Mr. Sawyer are also eligible to receive annual payments based upon achievement criteria established by the board of directors.

Both agreements provide that, if the company terminates the executive's employment without cause, the company shall be obligated to pay the executive compensation in an amount equal to 100% of his then current monthly base salary each month, subject to a six month delay, for twelve months from the date of termination, plus any bonus earned or accrued through the date of termination. After a change in control, the company will pay the executive an amount equal to two times the then current annual base salary. In addition, the company will pay the executive any bonus earned or accrued through the date of change in control. The company will remove any restrictions on outstanding incentive awards so that all such awards vest immediately. The company must continue to pay at its expense medical, dental, disability and life insurance benefits for a period of two years.

Each employment agreement contains provisions relating to non-solicitation of customers and personnel and non-competition during the term of employment and the two years thereafter, as well as a provision relating to the protection of confidential information.

Certain Retirement and Salary Continuation Benefits

The company has established the First Community Bank, Profit Sharing Plan a qualified 401(k) defined contribution plan, pursuant to which the company makes matching and discretionary contributions on behalf of the each of the executive officers. The company also maintains and pays premiums on behalf of each executive officer under a life insurance plan and provides partial payment of premiums for medical benefits if the executive officer so elects.

We have entered into salary continuation agreements with Michael Crapps, David Proctor, and Joseph Sawyer. The salary continuation agreements provide for an annual supplemental retirement benefit to be paid to each of the applicable executives, commencing at the specified normal retirement age and payable in monthly installments for a prescribed number of years. Each applicable executive will also receive this benefit if his employment is terminated following a change in control (as defined in the executive's employment agreement).

If the executive dies after separation of service but before his annual supplemental benefit commences, the executive's benefit will be paid to his beneficiaries, beginning with the month following the bank's receipt of a copy of the executive's death certificate. If the executive dies after his benefit has commenced, the remaining benefits will be paid to the executive's beneficiaries at the same time and in the same amounts that would have been distributed to the executive had he survived. If the executive dies during active service, 100% of his accrual balance (as defined in the salary continuation agreement) will be paid in a lump sum to his beneficiaries.

If the executive experiences a disability that results in separation of service prior to the normal retirement age, the executive will be entitled to 100% of his accrual balance determined as of the end of the plan year preceding termination.

If the executive is terminated without cause (as defined in the executive's employment agreement), the executive is entitled to 100% of his accrual balance determined as of the end of the plan year preceding such termination. This benefit is determined by vesting the executive in 10% of the accrual balance at the end of the first plan year, and an additional 10% of such amount at the end of each succeeding year thereafter until the executive becomes 100% vested in the accrual balance.

To offset the annual expense accruals for the benefits payable to the executives under the salary continuation agreements, the bank acquired bank-owned life insurance ("BOLI"). It is anticipated that the BOLI will provide full cost recovery of the benefits paid to the executives under the salary continuation agreements upon their deaths.

The foregoing summary of the material features of the salary continuation agreements for Messrs. Crapps, Proctor and Sawyer is qualified in its entirety by reference to the provisions of the agreements, the form of which is attached as Exhibit 10.1 to a Form 8-K filed by the company with the SEC on August 3, 2006.

Pursuant to the respective supplement executive retirement agreement, Mr. Johnson is entitled to receive \$30,000 annually for seventeen years, beginning in October 2009.
