Item 1.01 Entry into a Material Definitive Agreement.

Delaware Basin Acquisition Purchase and Sale Agreement

On March 3, 2017, Resolute Natural Resources Southwest, LLC (“Buyer”), a wholly-owned subsidiary of Resolute Energy Corporation (the “Company”), entered into a Purchase and Sale Agreement (the “Purchase Agreement”) with undisclosed private sellers (“Sellers”) pursuant to which Buyer agreed to acquire certain producing and undeveloped oil and gas properties in the Delaware Basin in Reeves County, Texas (the “Delaware Basin Acquisition”).

Consideration for the acquisition will be \$160 million in cash, subject to customary purchase price adjustments. The closing of the acquisition is expected to occur on or about May 15, 2017 and is subject to the satisfaction or waiver of certain customary conditions, including the material accuracy of the representations and warranties of Buyer and Sellers, and performance of covenants. The Delaware Basin Acquisition has an effective date of May 1, 2017. The Purchase Agreement contains terms and conditions customary to transactions of this type. Subject to the right of Buyer to be indemnified for certain liabilities for a limited period of time and for breaches of representations, warranties and covenants, Buyer will assume substantially all liabilities associated with the acquired properties. The Purchase Agreement also contains certain customary termination rights for each of Buyer and Sellers.

The properties to be acquired include approximately 4,600 net acres in Reeves County, Texas, consisting of 2,187 net acres contiguous to the Company’s existing operating area in Reeves County and 2,405 net acres in southern Reeves County. In addition, the Company will acquire interests in (i) two operated 4,500 foot lateral horizontal Wolfcamp wells that currently produce approximately 800 net Boe per day, (ii) six operated drilled but uncompleted Wolfcamp wells, four of which have lateral lengths of approximately 4,500 feet and two with approximately 7,500 foot laterals; and (iii) one non-operated 10,000 foot lateral Wolfcamp A well that is currently drilling.

Commitment Letter

The Company is evaluating the optimal financing for the Delaware Basin Acquisition, and anticipates that the ultimate financing may have components of long-term debt and equity. In the interim, however, the Company entered into a commitment letter on March 3, 2017 for a \$100 million unsecured bridge financing facility with BMO Capital Markets (the “Commitment Letter”). The Commitment Letter provides the Company with the ability to borrow up to \$100 million, subject to satisfaction or waiver of customary conditions to closing, for the consummation of the Delaware Basin Acquisition. In the event that the Bridge Commitment is not drawn in connection with the Delaware Basin Acquisition, then the obligations of the parties under the Commitment Letter terminate. Together with borrowing availability under the Company’s revolving credit facility, the bridge facility allows the Company to close the acquisition without an immediate long-term debt or equity issuance. A copy of the Commitment Letter is attached to this Form 8-K as Exhibit 10.1 and incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.
